**Title:** MOTION, submitted by Councilmember Keating, WE MOVE for $250,000 to be allocated towards increasing staffing, recruiting, and retention for childcare programs within Cincinnati Recreation Commission (CRC)- including, but not limited to signing bonuses, retention bonuses, and training/licensing fees and tuition. This program would replace the proposed Guaranteed Income Pilot. This alternative allocation would immediately impact one of most vulnerable industries-childcare- which is the gateway to employment for Cincinnati families while supporting financial stability and revenue generation for the City.
