Subject: **Emergency Ordinance – Budget: Amend Ordinance No. 0043-2026**

Attached is an Emergency Ordinance captioned:

> **AMENDING** Ordinance No. 43-2026 to update capital improvement program project account no. 981x256x262505, "Fleet Replacements," to 980x981x262505, "Fleet Replacements," to correct a project numbering error.

Ordinance No. 0043-2026, passed by the City Council on February 19, 2026, which allocated resources for Fleet replacements, contained an error in the capital improvement program account number which needs to be corrected. This Emergency Ordinance would amend Ordinance No. 0043-2026 to change capital improvement program project account no. 981x256x262505, "Fleet Replacements," to 980x981x262505, "Fleet Replacements." All other terms of Ordinance No. 0043-2026 not amended here remain in full force and effect.

The reason for the emergency is the immediate need to correct the project numbering error in Ordinance No. 43-2026.
