MOTION

Sidewalk Snow Removal

WE MOVE that the City Administration provides a report to City Council evaluating the City of Cincinnati's current sidewalk snow and ice removal policy, including its effectiveness, consistency of compliance, and enforcement practices during recent winter seasons.

WE FURTHER MOVE that the Administration develop and propose practices to strengthen enforcement of the sidewalk snow and ice removal policy, including but not limited to reporting processes and equitable enforcement strategies.

WE FURTHER MOVE that the report identify options to improve compliance by property owners, which may include updates to ordinances, enforcement timelines, penalties, incentives, or support programs for residents who are unable to clear sidewalks due to age, disability, or other hardship.
