3. [202400529](#) MOTION, submitted by Councilmembers Cramerding and Jeffreys, WE MOVE that the administration utilize the Office of Performance and Data Analytics and, if necessary, outside consultants to identify best practices, compare peer cities, and develop a plan for comprehensive and proactive litter prevention and removal plan, and to inform council of the cost of such a plan. WE FURTHER MOVE that the Administration produce a report within ninety (90) days which identifies and outlines short-term improvements. This report shall include potential resources that may be allocated for implementation of improvements identified along with budget update recommendations. Priority should center on critical neighborhood arteries and thoroughfares leading into downtown. (STATEMENT ATTACHED)
