Subject: Ordinance – Amending CMC Title V Section 515-9 Impound & Immobilization

Transmitted herewith is an ordinance captioned as follows:

MODIFYING Title V, “Traffic,” of the Cincinnati Municipal Code by
AMENDING Section 515-9, “Impoundment and Immobilization,” of Chapter 515,
“Parking Infractions; Collection Procedures,” to remove obsolete language.

Ordinance No. 0168-2018 repealed subsections (f) and (g) of Section 515-9. The reference to subsection (f) contained in subsection (e) was not deleted at the same time that subsection (f) was repealed. This ordinance makes that correction.

The Administration recommends passage of this Ordinance.
