MOTION

Proposed Amendment to Motion 202402558

WE MOVE that the Administration work with the Department of Transportation and Engineering, Cincinnati Police, along with the appropriate state agencies and neighboring jurisdictions on both sides of the river, to identify and implement temporary measures to mitigate significant traffic delays due to the closure of the Daniel Carter Beard Bridge.

WE FURTHER MOVE that the Administration provides regular updates on such mitigation efforts, their successes or need for adjustments, planned additional mitigation efforts, and any funding needs to implement these efforts on a rolling basis until the bridge is reopened to traffic in both directions.

WE FURTHER MOVE that the Administration work with ODOT, OKI Regional Council of Governments and any other necessary partners to explore the diversion of inbound through-traffic on I-71, I-75, and I-74 onto the I-275 bypass until the bridge re-opens.
