MOTION

2024 Traffic Enforcement

WE MOVE that, the Administration issue a report within sixty (60) days that:

- Outlines traffic citations overall and by neighborhood for 2024, and update the same for the previous four years;
- Shares how many 'traffic blitzes' there were in 2024 and the number of citations and stops for each traffic blitz;
- Outlines plans for 'traffic blitzes' and other plans for traffic enforcement in 2025;
- Shares the number of crashes that CPD responded to on Interstate Highways (I-74/75/71) within city limits in 2023 & 2024, including the total Full Time Equivalent (FTE) hours spent responding to those crashes and the subsequent follow up.

STATEMENT

Speeding in the City of Cincinnati remains a challenge across neighborhoods. While City Council has invested significant funds in traffic calming measures such as speed humps and bump outs, enforcement of traffic laws is still needed in our neighborhoods. This report will help inform the public and City Council of what has been done and what the plans are for 2025.
