**MOTION**

We MOVE that City Council allocate funds in the amount of \$350,000 from the Operating Contingencies Budget (Waterfall) for 'FY25 to the Boys & Girls Club of Greater Cincinnati (Avondale Branch) to assist with renovations to the facility.

**STATEMENT**

The Boys & Girls Club of Greater Cincinnati (Avondale Branch) currently serves approximately 200 young people annually. The proposed renovations would allow the branch to expand services to approximately 400 young people per year, effectively doubling its capacity to serve youth in the Avondale community.

This investment would also allow for expanded programming and improved use of space, creating more opportunities for academic support, skill-building activities, and safe community engagement. The renovation strengthens youth development efforts and supports long-term positive outcomes for families and neighborhoods across Cincinnati.
