3. [202100290](#) MOTION, submitted by Councilmember Landsman, Many of our frontline workers receive some of the lowest wages. They have shown up to work every day during this pandemic, and WE MOVE that the Administration pursue a lump-sum payment of no less than \$1,000 in “Hazard Pay” for these lower-wage, critical frontline workers who deliver core services that citizens depend on from their city government. Specifically, frontline workers represented by AFSCME, or the American Federation of State, County and Municipal Employees - such as our nurses and sanitation workers - should receive this lump-sum payment. AFSCME has some 1,800 City employees who are unable to work from home, deliver core services that our residents depend on, and are paid, on average, less than most other City Staff.

4. [202100293](#) MOTION, submitted by Councilmember Landsman, WE MOVE that the Administration draft legislation, if necessary, to allow the Department of Community and Economic Development (DCED) to create a formal internal policy to best leverage the City’s debt forgiveness capacity, in order to 1. Better preserve existing affordable housing, and 2. Help finance new affordable housing options in the City.

5. [202100295](#) MOTION, submitted by Councilmember Landsman, Last year, the City of Cincinnati created a financial forgiveness program for Greater Cincinnati Waterworks’ low-income customers. This project - enabled by our City’s “Home Rule” - gave direct relief to struggling families amidst the Coronavirus pandemic. The Metropolitan Sewer District of Greater Cincinnati (MSD), however, has split possession; Hamilton County owns MSD, the City of Cincinnati runs it. Due to this arrangement, the City is barred from exploring any meaningful relief programs for low-income rate-payers, and the County has to spend millions on outside consultants and lawyers to perform its role in the MSD relationship. WE MOVE that the Administration conduct a report on the potential savings for low-income ratepayers if MSD were able to leverage the City’s Home Rule advantage, as well as the savings associated with the aforementioned millions in outside consultants and lawyers with an updated relationship between the City and County. By conducting such a report, we could better determine the positive impacts of an updated partnership between the City and County.

[202100278](#) MOTION, submitted by Councilmember Sundermann and Keating, WE MOVE that the Administration prioritize in the FY22 budget funding for 40 recruits for Fire Recruit Class #118 to ensure that start date is no later than July 1, 2021, and for 40 recruits for Fire Recruit Class #119 to target a start date of April 1, 2022. WE FURTHER MOVE that the Administration continue to pursue SAFER grant funding opportunities when available to assist in offsetting the cost of these recruit classes. (STATEMENT ATTACHED)
