WHEREAS, the Aquatics bonus plan provides opportunities to increase operational efficiencies while maintaining a standard of excellence and a clear pathway for continued growth and career progression for affected employees; and

WHEREAS, Council intends that, with authorization from the City Manager, CRC may have flexibility to adjust the Aquatics bonus plan structure for maximum effect within available funding; and

WHEREAS, the City of Cincinnati Human Resources Department recommends a modification to the current salary range for the classification of Lifeguard to enhance marketability and competitiveness in the job market; and

it relates to the position of Lifeguard and confirmed the need for adjustment of the salary range to ensure competitiveness within the industry; and

WHEREAS, the Human Resources Department has done due diligence and conducted appropriate internal comparisons to ensure that the new salary range is consistent with the scope of services and the level of responsibility of the position of Lifeguard; and
