

May 6, 2026

**To:** Mayor and Members of City Council

**From:** Sheryl M. M. Long, City Manager 202601520

**Subject:** **Ordinance – DOTE: Amend Ordinance No. 0087-2022 to Accept Additional OKI Grant Resources**

---

Attached is an Ordinance captioned:

**AMENDING** Ordinance No. 87-2022 to increase, from \$3,762,000 to \$4,138,200, the amount of grant funding the City Manager is authorized to accept and appropriate from the Surface Transportation Block Grant Program (ALN 20.205), awarded through the Ohio-Kentucky-Indiana Regional Council of Governments, to existing capital improvement program project account no. 980x232x222363, “Wasson Way Federal STBG 2024.”

This Ordinance amends Ordinance No. 0087-2022, which authorized the City Manager to accept and appropriate a grant of up to \$3,762,000 from the Surface Transportation Block Grant Program (STBG) (ALN 20.205), awarded through the Ohio-Kentucky-Indiana Regional Council of Governments (OKI), to provide grant resources for the Wasson Way Trail Phase 7 PID 114602 project, including the acquisition of property or easements across private property necessary for construction of the project. This amendment increases the grant resource value to up to \$4,138,200.

On April 13, 2022, the City Council passed Ordinance No. 0087-2022, which established new capital improvement program project account no. 980x232x222363, “Wasson Way Federal STBG 2024,” to provide grant resources for the Wasson Way Trail Phase 7 PID 114602 project, including the acquisition of property or easements across private property necessary for construction of the project. Ordinance No. 0087-2022 also authorized the City Manager to accept and appropriate a grant of up to \$3,762,000 from the Surface Transportation Block Grant Program (STBG) (ALN 20.205), awarded through the Ohio-Kentucky-Indiana Regional Council of Governments (OKI), to capital improvement program project account no. 980x232x222363, “Wasson Way Federal STBG 2024”.

OKI has awarded additional STBG funding to the Wasson Way Trail Phase 7 PID 114602 project. There are no new FTEs/full time equivalents associated with either the original grant or the increased award.

Acceptance of the additional funding requires revised total matching resources of up to \$1,034,550, representing an increase of \$94,050 from the original matching amount of \$940,500, which will be provided through resources currently available in existing capital improvement program project account nos. 980x232x242371, “Wasson Way,” 980x232x252371, “Wasson Way Trail,” and 980x232x262358, “Wasson Way Trail Phase 7 – TIF,” as well as other existing or future eligible grant awards.

The Administration recommends passage of this Ordinance.
