Attached is an Ordinance captioned:

AUTHORIZING the City Manager to apply for, accept, and appropriate a grant of up to \$6,510 from the National Association of County and City Health Officials Cross-Training Opportunity in Maternal and Child Health and Emergency Preparedness program for employees from the Cincinnati Health Department to attend training on incorporating maternal and child health considerations in emergency planning; and **AUTHORIZING** the Director of Finance to deposit the grant funds into Public Health Research Fund revenue account no. 350x8571.

This Ordinance authorizes the City Manager to apply for, accept, and appropriate a grant of up to \$6,510 from the National Association of County and City Health Officials (NACCHO) Cross-Training Opportunity in Maternal and Child Health and Emergency Preparedness program for employees from the Cincinnati Health Department to attend training on incorporating maternal and child health considerations in emergency planning. This Ordinance further authorizes the Finance Director to deposit the grant funds into Public Health Research Fund revenue account no. 350x8571.

The grant resources would allow Cincinnati Health Department employees to travel to and attend a conference on incorporating maternal and child health considerations in emergency planning.

There are no new FTEs/full time equivalents associated with this grant and no local match is required.

The Cincinnati Health Department applied for the grant on December 16, 2024, to meet the application deadlines, but no grant funds will be accepted without approval from the City Council.

Acceptance of this grant is in accordance with the “Sustain” goal to “[b]ecome a healthier Cincinnati” as described on pages 181-192 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
