RE: Lobbyist registration for Thomas E. Niehaus

After reading the lobbyist registration information it was not clear to me if I needed to register. I am enclosing the registration form and \$25 check in the event I am required to register.

I represent BP in Ohio. I was asked to contact the Cincinnati Park District to inquire on the status of a construction permit they need to repair a gas pipeline under Colerain Ave. that requires access to land owned by the park district.

I am not advocating for any legislation or matter before Council. I am simply trying to facilitate the timely issuance of a permit to allow the emergency repair to be completed.
