An Ordinance No. _____

- 2021

MODIFYING the provisions of Title VII, "Business Regulations" of the Cincinnati Municipal Code by **ORDAINING** new Chapter 811, "e-Scooter Rental Franchises," and **AMENDING** Section 1501-9, "Class D Civil Offenses," of Title XV, "Code Compliance and Hearings," of the Cincinnati Municipal Code to establish e-scooter rental franchises for the rental of e-scooters in the City of Cincinnati.

WHEREAS, the City established a pilot program for shared active transportation in the City, which included agreements with Bird and Lime allowing for the operation of low-speed micromobility devices, otherwise known as electronic scooters or e-scooters ("e-scooters"); and

WHEREAS, the City issued a request for proposals for consideration of a permanent program for the rental of e-scooters in the City, and the Administration reviewed proposals and is in the process of finalizing agreements with those vendors who will be most advantageous to the City; and

WHEREAS, the Ohio General Assembly recently passed House Bill 295, codified in Ohio Revised Code Chapter 4511, allowing for e-scooters to operate and park in the City's right-of-way subject to regulations and prohibitions established by the City; and

WHEREAS, the City has a significant interest in protecting the safety and welfare of the pedestrian public and preventing City streets and rights of way from being flooded by e-scooters or rented without proper safeguards to account for the public health, safety, and welfare; and

WHEREAS, the establishment of a e-scooter rental franchise program will encourage e-scooter rental companies to regulate their own riders and operators and further provide resources for the repair and maintenance of the City's roads and rights-of-way where such e-scooters operate; and

WHEREAS, by providing for a limited number of franchises, the City intends to prevent the cluttering of City streets, sidewalks, and other rights-of-way by e-scooter rental companies and provide an effective means to regulate and oversee the regulations of e-scooter rentals; and

WHEREAS, the City Council accordingly wishes to establish regulations for e-scooter scooter rental companies that operate within the City of Cincinnati in order to provide for the safety, security, and welfare of the public and the City's infrastructure assets; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That Title VII, “Business Regulations,” of the Cincinnati Municipal Code is hereby modified by enacting new Chapter 811, “e-Scooter Rental Franchises,” to read as follows:

CHAPTER 811. e-SCOOTER RENTAL FRANCHISES.

Sec. 811-01. – Applicability.

- (a) e-Scooter shall have the same meaning as defined in Cincinnati Municipal Code Section 501-1-E3, “e-Scooter.”
- (b) This chapter applies to any person engaged in the business of providing e-scooter rental or sharing services to the public within the city.
- (c) The requirements of this chapter shall supplement the provisions of Title V, “Traffic Code,” of the Cincinnati Municipal Code.
- (d) No person shall engage in the business of e-scooter rental or sharing services to the public within the city unless that person has obtained a franchise from the city to engage in such a business.
- (e) No person shall obtain a franchise from the city until that person has complied with the following:
 - (1) Submitted a timely and complete application for a franchise or timely and complete response to a request for proposals conducted by the city;
 - (2) Paid the application fee established by the city manager, if applicable;
 - (3) Posted a bond and obtained the insurance required by Sec. 811-07; and
 - (4) Executed a franchise agreement with the city for the provision of e-scooter rental or sharing services.

Sec. 811-03. - General Provisions.

- (a) It is unlawful for any person to commence or engage in the business of providing e-scooter rental or sharing services within the city without first obtaining a franchise and entering into a franchise agreement with the city.
- (b) Each franchisee shall comply with all laws of the city of Cincinnati, the state of Ohio, and the federal government. Each franchisee shall obtain and maintain all applicable licenses and permits required by federal, state, and local laws, rules, regulations, and orders of regulatory bodies.

- (c) Each franchisee shall comply with all rules and regulations established by the city manager or his or her designee for the safe and effective administration, operation, and enforcement of the e-scooter rental and sharing services pursuant to Sec. 811-09.
- (d) A franchisee shall not be relieved of the obligation to comply with all requirements of this chapter and the franchise agreement by failure of the city to enforce compliance with such requirements.
- (e) The city reserves its right to grant franchises and similar rights to more than one (1) person.
- (f) Each franchisee shall identify and mark each of its e-scooters located within the city with the franchisee's name so that they are easily identifiable.
- (g) A franchisee providing e-scooter rental or sharing services is not and shall not be deemed to be an agent or employee of the city. A franchisee shall be solely responsible for any losses or damages of any kind arising from its performance or nonperformance under its franchise. A franchisee shall indemnify, defend, and hold the city harmless against any and all claims and suits brought against the city resulting from the franchisee's performance or nonperformance under the franchise agreement.
- (h) The execution of the franchise agreement and the issuance of a franchise, and the renewal thereof, is at the sole discretion of the city manager and shall not be construed as creating any vested rights in the franchisee. Each franchise is revocable in accordance with the terms of this chapter and the terms of the franchise agreement.
- (i) A franchise may not be assigned or transferred to another person.
- (j) A franchise authorizes a franchisee to provide e-scooter rental or sharing services within the city.
- (k) All of the franchisee's equipment, including e-scooters and other vehicles used in connection with e-scooter rental or sharing services, shall be subject at all times to inspection by the city, and the city manager or his or her designee may require the cleaning, repair, replacement, or retirement of any equipment, including e-scooters and other vehicles used in connection with e-scooter or sharing services.

Sec. 811-05. – Award of e-Scooter Franchisees.

- (a) Any person wishing to obtain a franchise to engage in the business of providing e-scooter rental or sharing services within the city shall submit an application to the city manager in compliance with the process established for awarding franchises.

- (b) Where appropriate, the city manager may choose to conduct a request for services pursuant to Cincinnati Municipal Code Section 321-1-R6 to solicit qualified franchisees in lieu of an application process.
- (c) An applicant for a franchise shall provide the city with satisfactory evidence demonstrating that:
 - (1) The applicant has the experience, personnel, equipment, and other resources to provide e-scooter rental or sharing services in the city and the management of such; and
 - (2) The applicant has the capacity and willingness to comply with all local, state, and federal laws, and all rules and regulations of the city for the rental, sharing, and operation of rental e-scooters.
- (d) Applicants for a new franchise and applicants for the renewal of an existing franchise shall provide information requested by the city manager and other relevant information. The application and supporting materials shall be submitted under oath. At a minimum, the application shall include the following information:
 - (1) The name and mailing address of the applicant; contact information for the applicant's designated representative; the name of the person to be granted the franchise; if the applicant is a corporation, the names of the corporation's principal officers; the names of the local operating managers who will be responsible for the rental or sharing services for the applicant, together with the business address and telephone number of each manager;
 - (2) If the applicant is a corporation, proof that the corporation is in good standing in the state of Ohio and, if the applicant is not an Ohio corporation, proof that the applicant is authorized to do business in the State of Ohio. If the applicant is operating under a fictitious name, the applicant shall be required to submit information that such fictitious name is registered and held by the applicant;
 - (3) A statement of whether the applicant operates or has operated an e-scooter rental or sharing business in Ohio or any other state or territory. If the applicant has provided or is providing e-scooter rental or sharing services, the applicant shall describe all cases where and when it provided such services (but not more than ten (10) communities), and whether any of the applicant's permits, approvals, or licenses to provide such services have ever been revoked or suspended within the last five (5) years;
 - (4) A complete record of all felony convictions, and all misdemeanor convictions within the last five (5) years, involving the applicant's e-scooter rental and sharing services. If the applicant is not an individual, the applicant also shall provide the complete record of such convictions for any person who is an officer, majority shareholder, or partner in the applicant, and any person having a controlling interest in the applicant;

- (5) A complete record of all civil penalties and liquidated damages in excess of five thousand dollars (\$5,000.00) assessed against the applicant by local, state, and federal governmental entities within the last five (5) years involving the e-scooter rentals or sharing services;
 - (6) The types of e-scooters or other vehicles which the applicant has in its inventory and their capabilities, including any e-scooters that are adapted to expand access for people with physical limitations;
 - (7) A list of the e-scooters, vehicles, equipment, and containers that will be used by the applicant to provide e-scooter rental or sharing services. At a minimum, the list shall identify the make, model, and year of each e-scooter or vehicle. The city manager may inspect any of the e-scooters, vehicles, equipment, and containers identified by the applicant and thereby determine whether the applicant possesses the e-scooters, vehicles, equipment, and containers that are capable of providing safe and efficient e-scooter rental and sharing services in compliance with this chapter; and
 - (8) A chart identifying the maximum rates that the applicant charges customers for various types of e-scooter rental or sharing services.
- (e) When applicable, each applicant shall submit a nonrefundable application fee to the city in the amount established by the city manager. The application fee is due and payable when the application is submitted. This fee shall not apply to responses to a request for services.
 - (f) New applications must be submitted to the city manager at least sixty (60) days before the applicant wishes to begin providing e-scooter rental or sharing services. Renewal applications must be submitted to the city manager at least thirty (30) days before the applicant's existing franchise expires.
 - (g) A franchise for e-scooter rental or sharing services may be granted to a person when the city manager concludes that the applicant has satisfied the requirements in this chapter. This includes successfully responding to the request for services or completing the application and the city rating the person's proposal or application as most advantageous.
 - (h) The city manager retains the sole discretion to approve or deny an application. Among others, an application for a franchise for e-scooter rental or sharing services may be denied for the following reasons:
 - (1) The applicant has not submitted a complete application with all of the required supporting documents or paid the application fee;
 - (2) The applicant has submitted false or materially misleading statements in the application;
 - (3) The applicant or a partner, director, or officer of the applicant has been convicted of a felony within the past five (5) years, or has been convicted of a misdemeanor within the past three (3) years, involving provision of scooter rental or sharing services;

- (4) The applicant has failed to satisfy one or more of the requirements of this chapter or the Cincinnati Municipal Code;
- (5) Any reason that would justify the suspension or revocation of a franchise, as described in Sec. 811-11; and
- (6) The addition of further franchises would exceed either the total number of allowable e-scooters in the city or the number of franchises determined by the city manager to be needed by the city.

Sec. 811-07. - Requirement to Execute a Franchise Agreement with the City; Payment of Franchise Fees.

- (a) Each applicant awarded a franchise for e-scooter rental or sharing services shall execute a franchise agreement, including all required attachments, in the form prescribed by the city manager or his or her designee.
- (b) In connection with the execution of a franchise agreement, each franchisee shall submit the required franchise fees and documentation to the city, including but not limited to the following:
 - (1) An annual fee of two thousand five hundred dollars (\$2,500) for the administrative costs of oversight of the franchise, which fee shall be due and payable on the commencement date of the franchise and on each anniversary of the commencement date during the term of the franchise agreement.
 - (2) Monthly franchise fees as compensation for the rights and benefits granted by the franchise, including but not limited to the right to operate an e-scooter rental or sharing business in the city. The franchise fee shall be equal to twenty-five cents (\$0.25) per trip or activation of an e-scooter (which shall equal the total number of trips or activations of an e-scooter within a calendar month multiplied by \$0.25) for each e-scooter maintained by the franchisee within the city. A trip shall mean anytime a person activates or uses the e-scooter and pays a fee for such use. The franchisee shall submit its monthly franchise fee payments to the city no later than five business days after the end of each month.
 - (3) A statement of the franchisee's total number of trips in the city that accompanies each monthly franchisee fee payment, which statement shall be submitted on a form prescribed by the city manager or his or her designee. The statement shall include the number of e-scooters deployed or available in the city and the amount of trips and fees per day for each e-scooter. Statements and remittances shall be accepted as timely if postmarked within five days after the end of the month; if the fifth day falls upon a Saturday, Sunday, or federal or state holiday, statements and remittances shall be accepted as timely if postmarked on the next business day. Payments not received by the due date shall be assessed (1) an administrative fee to reimburse the city for the reasonable administrative costs associated with collecting such monies; and (2) interest for each day of delinquency at the rate of eighteen (18) percent per annum or the maximum allowed by law, whichever is less, for each day of delinquency, until

the total unpaid amount due and owing is paid in full. The administrative fee shall be equal to six (6) percent of the amount owed by the franchisee to the city or fifteen dollars (\$15.00), whichever is greater.

- (4) An annual report concerning the franchisee's total trips for the year. This annual report shall be examined by an independent reviewer, who shall confirm that the franchisee's computations concerning trips and franchise fees were performed in accordance with the requirements of this chapter. The report of the reviewer shall state that its examination of the franchisee's records was performed in accordance with professional standards. Each franchisee shall notify the city of the date its fiscal year ends. Each franchisee shall file the auditor's report with the city within one hundred twenty (120) days after the end of the franchisee's fiscal year. Franchisee shall be solely responsible for retaining the independent auditor and paying for his or her services.
- (5) A certificate evidencing insurance coverage for the following types of insurance coverage and specified limits of coverage is in effect for the same term as the franchise agreement, and naming the city as an additional insured (except with regard to the workers compensation and employers liability insurances), issued by an insurance company licensed to do business in the state of Ohio, acceptable to the city, and as required and set forth in greater specificity in the franchise agreement:
 - (a) Comprehensive general liability insurance with a limit of a one million dollar (\$1,000,000) per occurrence and a two million dollar (\$2,000,000) general aggregate. This policy must include the following coverages: premises and operations liability, independent contractors, products and completed operations, personal injury, contractual liability, and fire damage;
 - (b) Automotive liability insurance coverage providing a combined single limit of not less than one million dollars (\$1,000,000) per occurrence. This policy must include the following coverages: bodily injury and property damage including premises and operations;
 - (c) Workers compensation insurance shall be provided for all of franchisee's employees as required under Ohio law; and
 - (d) Employer's liability insurance providing a single limit of not less than one million dollars (\$1,000,000), bodily injury by each accident, and providing a single limit of not less than one million dollars (\$1,000,000), bodily injury disease per each employee, and providing a single limit of not less than one million dollars (\$1,000,000) bodily injury by disease policy limit.
- (6) A bond in the amount of twenty percent (20%) of the franchisee's gross revenues for the quarter immediately preceding the execution date of the franchise agreement. For franchisees who did not hold a franchise in the quarter immediately preceding the execution date of the franchise agreement, the bond shall be in the amount of fifty thousand dollars (\$50,000). The bond shall conform with the requirements of CMC Chapter 304.

- (a) All amounts paid by the franchisee shall be subject to confirmation and re-computation by the city. An acceptance of payment shall not be construed as an accord that the amount paid is the correct amount, nor shall acceptance of payment be construed as a release of any claim the city may have for further or additional sums payable.
- (b) Billing methods that have the effect of reducing or avoiding the payment of franchise fees are prohibited and will be cause for termination of the franchise. Any person who uses false, misleading, or fraudulent billing methods for the purpose of reducing or avoiding the payment of franchise fees may be subject to the penalties provided by this chapter.
- (c) Payment of the franchise fee shall not exempt the franchisee from the payment of any other fee, tax, or charge on the business, occupation, property, or income of the franchisee that may be imposed by the city, the county, the state, or the federal government.
- (d) The franchisee shall notify the city in writing by registered or certified mail thirty (30) days in advance of any cancellation, intent not to renew, or any other changes in the insurance coverage required by this section. Upon the cancellation or lapse of any policy of insurance required by this chapter or the franchise agreement, the franchisee's license to operate as a franchisee in the city under its franchise agreement shall be deemed to be immediately revoked unless, before the expiration date of the policy of insurance, another policy of insurance containing all the requirements of the original policy of insurance is obtained and a new certificate is provided to the city.
- (e) The bond required by this section shall be used to insure the franchisee's performance under this chapter and the franchise agreement. Among other things, the bond shall be used to ensure the franchisee's payment of franchise fees and other sums that are due and owing to the city. The bond shall also be used to indemnify the city from any damages that may be suffered by the city in any manner as a result of the city's award of a franchise to the applicant, including but not limited to damages resulting from the franchisee's performance or nonperformance of the conditions and requirements of the franchise agreement, the franchisee's use of the city's streets, the failure of the franchisee to conform with applicable laws, and any negligent, reckless or intentional wrongful act or omission of the franchisee or the franchisee's employees, agents, officers, or representatives. The bond shall be kept in full force at all times during the term of the franchise. The bond shall be released by the city within one year following the expiration or termination of the franchise agreement.
- (f) A franchisee's failure to remit fees and documentation required by this chapter shall be grounds for the suspension or revocation of the franchise.
- (g) The city may seek judicial relief to recover all fees, costs, and interest due and owing by a franchisee. The franchisee shall pay the city's court costs, reasonable attorney fees, accounting and auditing costs, and other collection costs incurred by the city as a result of franchisee's failure to remit the fees and documentation required by this chapter and the franchise agreement.
