

**December 14, 2022**

**To:** Mayor and Members of City Council 202202214

**From:** Sheryl M. M. Long, City Manager

**Subject:** **Ordinance – Health: Ohio Department of Health (ODH) Subgrant for Congregate Living Facilities (LV 23)**

---

Attached is an Ordinance captioned:

**AUTHORIZING** the City Manager to apply for, accept, and appropriate a subgrant in an amount of up to \$1,650,000 from the Ohio Department of Health (ALN 93.323) for the purpose of preventing, detecting, and mitigating COVID-19 in high-risk congregate living facilities; and **AUTHORIZING** the Finance Director to deposit the funds into Public Health Research Fund 350x8556.

This Ordinance would authorize the City Manager to apply for, accept and appropriate a grant in an amount of up to \$1,650,000 from the Ohio Department of Health (Assistance Listing No. 93.323) for the purpose of preventing, detecting, and mitigating COVID-19 in high-risk congregate living facilities.

This Ordinance would also authorize the Finance Director to deposit the grant funds into Public Health Research Fund revenue account no. 350x8556.

There is no local match required and no FTEs associated with the grant.

The Cincinnati Health Department applied for the subgrant on September 13, 2022 and was notified of receipt of the award on November 18, 2022, but no grant funding will be accepted without City Council approval.

Acceptance of the subgrant to prevent, detect, and mitigate COVID-19 in high-risk congregate living facilities is in accordance with the “Sustain” goal to “[b]ecome a healthier Cincinnati” as described on pages 181-192 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
