MOTION

Residential Tax Abatement Reform

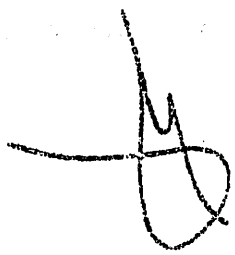

Eager to pass comprehensive residential tax abatement reform, we hereby move that the Administration report to City Council with any updates regarding the study being conducted¹ on the implementation of a tiered residential tax abatement program in the City of Cincinnati.

Additionally, we move that the Administration begin to prepare legislative options and any necessary procedural planning so that upon receipt of the results of the study, the pertinent governing bodies and departments of the City of Cincinnati are able to get going on enacting reform.

Councilmember Greg Landsman

¹ Study began in 2021 following a Request for Proposal (RFP), funded by Council (Ordinance #202001695).
