Executive Director, June 2017 - present

Responsible for all aspects of operations of a 25 year non-profit organization devoted to restoring Mill Creek, in southwestern Ohio. Duties include, fundraising, overseeing finances, community and business outreach, stream restoration project development, hiring, marketing, strategic planning.

Cors & Bassett, LLC

MEMBER;	1999-2016
ASSOCIATE,	1991 -1998

My practice focused on Compliance and Litigation in the fields of Environmental Law. Worker's Compensation and related labor and employment issues, and Healthcare.

I handled litigation and compliance matters involving a wide range of federal and state environmental statutes including CERCLA, RCRA, Clean Water Act, Clean Air Act, OSHA, SARA Title III, and LUST.

Clients included manufacturers, mining concerns, metal recyclers, trucking companies, and range in size from small family businesses to Fortune 500 companies.

I served as an assistant trial attorney on behalf of the Commonwealth of Kentucky in litigation involving the Maxey Flats Nuclear Disposal Site in Fleming County, Kentucky. I also served as assistant trial attorney in a number of suits filed against Ashland Oil Company on behalf of landowners in the Martha's Oil Field region of eastern Kentucky. This suit stemmed from Ashland's disposal of naturally occurring radioactive materials (NORM) produced by its oil-drilling operations on privately owned land.

I assisted numerous entities in regard to the acquisition and remediation of brownfields sites, including the City of Ironton, Ohio and the City of Barberton, Ohio. This has been accomplished through first successfully obtaining grants from the Clean Ohio Fund, as well as various federal grant and loan programs. then working with OEPA, USEPA. and developers to redevelop the sites. This included the negotiation and drafting of purchase agreements, access agreements. leases, contracts, change orders, non-disclosure agreements, and sustainability agreements

with various municipalities and private parties. I have also successfully negotiated and litigated a variety of zoning issues.

FORMERLY:

Law Clerk, Mccaslin, Imbus & Mccaslin, Cincinnati, Ohio, May, 1989 - July, 1991. Drafted appellate briefs and pleadings, legal research and review of medical documentation for a firm specializing in insurance defense.
