AUTHORIZING the City Manager to install and maintain a mural and sculpture arches in certain public right-of-way in the Lower Price Hill and East Price Hill neighborhoods known as Maryland Avenue, notwithstanding any conflicting Department of Transportation and Engineering rules and regulations or any provision of the Cincinnati Municipal Code that would prohibit the installation and maintenance of the mural and sculpture arches.

The City Planning Commission recommended approval of the amendment at its October 23, 2020 meeting.

Summary

In November 2019, City Council approved an ordinance which accepted a donation from Devou Good Project, Inc. to provide resources for bicycle and pedestrian transportation improvements to a portion of Maryland Avenue in East Price Hill (Ordinance No. 424-2019). In continuing efforts to enhance this pedestrian access of Maryland Avenue, known as "Incline Run," Price Hill Will, the community development corporation that serves East Price Hill and Lower Price Hill, requests the proposed Notwithstanding Ordinance to permit the installation of two sculpture arches and a mural within the City-owned right-of-way. The proposed pair of sculpture arches, approximately 14' wide by 12' tall, will be placed at each entrance to a segment of the City-owned right-of-way of Maryland Avenue, between Lower Price Hill and East Price Hill as outlined in and local businesses. The proposed mural will be painted on a retaining wall within the subject segment of Maryland Avenue and will pay tribute to the Price Hill Incline.

The City Planning Commission recommended the following on October 23, 2020 to City Council:

APPROVE the Notwithstanding Ordinance permitting the installation of a mural and artwork in the City-owned right-of-way of Maryland Avenue in East Price Hill and Lower Price Hill with the following conditions:
