MOTION

We move that the administration study and provide a report on bike trail infrastructure measures linking the West Side to Downtown, including along State Avenue and West Eighth Street in Lower Price Hill. It should also consider what elements can provide foundations for the future Dunham to Lick Run bike trail in the interim and long-term.

BACKGROUND

The Lower Price Hill community has been advocating for increased bike infrastructure in their neighborhood as well as traffic calming measures. This would help provide connectivity of Lower Price Hill to Downtown and other neighborhoods as well as create a safer environment for pedestrians.
