The City Planning Commission recommended approval of the amendments at its August 20, 2021 and October 1, 2021 meeting.

Summary

In February 2019, the Department of City Planning received a written request from the Walnut Hills Redevelopment Foundation as representatives of one of the four neighborhoods to adopt Form Based Code (FBC) (Exhibit B). The letter served as a formal request from College Hill, Madisonville, Walnut Hills, and Westwood to begin conversations with the Department of City Planning and Engagement, and the Department of Buildings and Inspections, specifically the Zoning Division and

Urban Conservator's Office, to address scrivener errors, clarifications, and internally illuminated signage.

In addition to the above referenced and requested amendments, the City of Cincinnati conducted a review of the Title XIV, "Zoning Code of the City of Cincinnati," and Title XVII, "Land Development Code" of the Cincinnati Municipal Code to identify related and necessary text amendments. Of the areas identified, it was determined that Title XVII, "Land Development Code," as it relates to urban agriculture, horticulture, and animal keeping, needs to be amended to reflect the recently adopted Chapter 1422, "Urban Agriculture: Horticulture and Animal Keeping" of the Zoning Code. The proposed text amendments also include modifications to the Urban Design Overlay District review standards as there have been an increase in applications for development in these districts, and it has been determined that added clarity is necessary to these standards and procedures. The proposed text amendments to modify specific sections of Title XIV, "Zoning Code of the City of Cincinnati," and Title XVII "Land Development Code" is intended to add consistency to the Cincinnati Municipal Code, continue to build streamlined and cohesive development processes, and add transparency to city requirements and development procedures.

The City Planning Commission recommended the following on August 20, 2021 to City Council:
