ADJOURNMENT

October 5, 2022

To: Mayor and Members of City Council 202201870
From: Sheryl M. M. Long, City Manager
Subject: **Ordinance – Cincinnati Recreation Commission: Holiday Toy Drive Donations**

Attached is an Ordinance captioned:

AUTHORIZING the City Manager and employees of the Cincinnati Recreation Commission to solicit and accept monetary and in-kind donations from the Cincinnati business community, individual benefactors, and other appropriate sources through the Cincinnati Recreation Commission’s 2022 Toy Drive to support Cincinnati Recreation Commission’s holiday season programming needs in underserved communities; and **AUTHORIZING** the Finance Director to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

Approval of this Ordinance will authorize the City Manager and Cincinnati Recreation Commission (CRC) employees to solicit and accept monetary and in-kind donations from the Cincinnati business community, individual benefactors, and other appropriate sources through the Cincinnati Recreation Commission’s 2022 Toy Drive for the purpose of supporting Cincinnati Recreation Commission’s holiday season programming needs in underserved communities. It would also authorize the Finance Director to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

CRC estimates monetary donations totaling between \$2,000 and \$4,000 and in-kind donations valued between \$3,000 and \$5,000. Both the monetary and in-kind donations will be used to support CRC’s holiday season programming needs in underserved communities.

There are no new FTEs or matching funds associated with the acceptance of these donations.

These donations are in accordance with the “Collaborate” strategy to “[u]nite our communities,” as described on pages 210-211 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.

AUTHORIZING the City Manager and employees of the Cincinnati Recreation Commission to solicit and accept monetary and in-kind donations from the Cincinnati business community, individual benefactors, and other appropriate sources through the Cincinnati Recreation Commission’s 2022 Toy Drive to support Cincinnati Recreation Commission’s holiday season programming needs in underserved communities; and **AUTHORIZING** the Finance Director to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

WHEREAS, the Cincinnati Recreation Commission’s (“CRC”) annual toy drive collects monetary donations and gifts to support holiday season programming needs in underserved communities; and

WHEREAS, CRC estimates that it will receive monetary donations totaling between \$2,000 and \$4,000 and in-kind donations valued between \$3,000 and \$5,000; and

WHEREAS, there are no matching funds required and no additional FTEs associated with the acceptance of these donations; and

WHEREAS, these donations are in accordance with the “Collaborate” strategy to “[u]nite our communities,” as described on pages 210-211 of *Plan Cincinnati* (2012); now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That the City Manager and employees of the Cincinnati Recreation Commission are authorized to solicit and accept monetary and in-kind donations of assorted gifts from the Cincinnati business community, individual benefactors, and other appropriate sources through the Cincinnati Recreation Commission’s 2022 Toy Drive for the purpose of supporting Cincinnati Recreation Commission’s holiday season programming needs in underserved communities.

Section 2. That the Finance Director is authorized to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

Section 3. That the proper City officials are hereby authorized to do all things necessary and proper to carry out the provisions of Sections 1 and 2 herein.

Section 4. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to accept the donations in support of the Cincinnati Recreation Commission's holiday programming needs.

Subject: Ordinance – DOTE: Reconnecting Communities Pilot Program

Attached is an Ordinance captioned:

AUTHORIZING the City Manager to apply for a planning grant in an amount of up to \$2,000,000 awarded by the United States Department of Transportation through the Reconnecting Communities Pilot Program (ALN 20.940) to study placing caps over Fort Washington Way; and **AUTHORIZING** the City Manager to apply for a capital construction grant in an amount of up to \$5,000,000 awarded by the United States Department of Transportation through the Reconnecting Communities Pilot Program (ALN 20.940) for the Reconnecting Evanston project.

This Ordinance authorizes the City Manager to apply for a planning grant of up to \$2,000,000 awarded by the United States Department of Transportation (USDOT) through the Reconnecting Communities Pilot Program (ALN 20.940) to study placing caps over Fort Washington Way. This Ordinance also authorizes the City Manager to apply for a capital construction grant of up to \$5,000,000 awarded by the USDOT through the Reconnecting Communities Pilot Program (ALN 20.940) for the Reconnecting Evanston project.

If the City is awarded the planning grant to study placing caps over Fort Washington Way, then a 20 percent local match will be required. If the City is awarded the capital construction grant for the Reconnecting Evanston project, which will retrofit three bridges over I-71 in the Evanston neighborhood, then a 50 percent local match will be required. As owner of the bridges, the Ohio Department of Transportation (ODOT) will be a co-applicant for the capital construction grant. The source of matching funds will be identified prior to accepting grant resources. No new FTEs are associated with these grants.

Submission of grant applications for the Reconnecting Communities Pilot Program is in accordance with the “Connect” goal to “[d]evelop an efficient multi-modal transportation system that supports neighborhood livability” and strategy to “[p]lan, design, and implement a safe and sustainable transportation system,” as described on pages 127-138 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.

Subject: Ordinance – Police: FY 2022 Edward Byrne Memorial Justice Assistance Grant (JAG)

Attached is an Ordinance captioned:

AUTHORIZING the City Manager to partner with the HOPE Community Center in applying for and accepting, as a sub-recipient, a grant from the Ohio Department of Public Safety, Office of Criminal Justice Services, FY 2022 Edward Byrne Memorial Justice Assistance Grant (ALN 16.738), for resiliency training for local law enforcement.

This Ordinance would authorize the City Manager to partner with the HOPE Community Center (HCC) in applying for and accepting, as a sub-recipient, a grant from the Ohio Department of Public Safety, Office of Criminal Justice Services (OCJS), FY 2022 Edward Byrne Memorial Justice Assistance Grant (JAG) (ALN 16.738), for resiliency training for local law enforcement.

The HCC is applying for the funds to provide resiliency practices training to local law enforcement. The HCC has invited the Cincinnati Police Department to be a grant sub-recipient and partner to receive such training, estimated in value at \$18,696. As a sub-recipient, the CPD will continue to participate in Resilience Practices Training, an innovative regional program to educate peer support trainers to monitor initial reactions to triggers and use proven techniques to adapt for more positive emotional and behavioral responses and enhanced well-being.

The grant application deadline was June 2, 2022, and the HCC has submitted their application. Should this Ordinance not be approved, the training provided by the sub-grant will not be accepted. The grant does not add any additional FTEs, nor does it require matching funds.

This Ordinance is in accordance with the “Live” goal to “create a more livable community” as described on pages 156-163 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.

Subject: **Emergency Ordinance – OES: Accept and Appropriate EPA Grant for Electrify Cincy Education Program**

Attached is an Emergency Ordinance captioned:

AUTHORIZING the City Manager to accept and appropriate a grant in the amount of up to \$35,000 from the United States Environmental Protection Agency, Region 5 (ALN 66.034) to the Office of Environment and Sustainability General Fund non-personnel operating budget account no. 050x104x7200 for the purpose of designing and implementing the Electrify Cincy Education Program, a resident and technical expert training that supports residential electrification efforts, including weatherization, reduced energy consumption, and renewable energy upgrades; and **AUTHORIZING** the Director of Finance to deposit grant resources into General Fund revenue account no. 050x8543.

This Emergency Ordinance authorizes the City Manager to accept and appropriate a grant in the amount of up to \$35,000 from the United States Environmental Protection Agency, Region 5 (ALN 66.034) to the Office of Environment and Sustainability General Fund non-personnel operating budget account no. 050x104x7200 for the purpose of designing and implementing the Electrify Cincy Education Program, a resident and technical expert training in support of residential electrification efforts, including weatherization, reduced energy consumption, and renewable energy upgrades. This Emergency Ordinance also authorizes the Director of Finance to deposit grant resources into General Fund revenue account no. 050x8543.

On June 8, 2022, the City Council passed Ordinance No. 0145-2022, which authorized the City Manager to apply for a grant in the amount of up to \$25,000 from the Environmental Protection Agency, Region 5, to provide resources for the design and implementation of the Electrify Cincy Education Program. The City was awarded the sum of \$35,000 for the Electrify Cincy Education Program. City Council approval is necessary to accept the grant resources. No additional FTEs or matching resources are required to accept this grant.

The Electrify Cincy Education Program is in accordance with the goal to reduce carbon emissions by 80% by 2050 by “[t]arget[ing] multi-family properties for energy efficiency improvements,” as described on page 61, and “[e]xpand[ing] programs to

increase energy efficiency... for the private market,” as described on page 106 of the Green Cincinnati Plan (2018).

The Electrify Cincy Education Program is also in accordance with the “Sustain” goal to “[b]ecome a healthier Cincinnati,” and strategy to “[c]reate a healthy environment and reduce energy consumption,” as described on pages 181 – 186 of Plan Cincinnati (2012), as well as the “Collaborate” goal to “[w]ork in synergy with the Cincinnati Community,” as described on page 209 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to accept and appropriate grant resources to begin designing and implementing the Electrify Cincy Education Program.

The Administration recommends passage of this Emergency Ordinance.

WHEREAS, on June 8, 2022, Council passed Ordinance No. 0145-2022, authorizing the City Manager to apply for a grant in the amount of up to \$25,000 from the Environmental Protection Agency, Region 5, to provide resources for the design and implementation of the Electrify Cincy Education Program; and

WHEREAS, the City was awarded \$35,000 for the Electrify Cincy Education Program grant, which is \$10,000 greater than requested by the City in its grant application; and

WHEREAS, no additional FTEs or matching funds are required to accept this grant; and

WHEREAS, the Electrify Cincy Education Program is in accordance with the City’s goal to reduce carbon emissions by eighty percent by the year 2050 by “[t]arget[ing] multi-family properties for energy efficiency improvements,” and “[e]xpand[ing] programs to increase efficiency ... for the private market,” as described on pages 60 and 106 of the *Green Cincinnati Plan* (2018); and

WHEREAS, the Electrify Cincy Education Program is also in accordance with the “Sustain” goal to “[b]ecome a healthier Cincinnati,” and strategy to “[c]reate a healthy environment and reduce energy consumption,” as described on pages 181-186 of *Plan Cincinnati* (2012), and the “Collaborate” goal to “[w]ork in synergy with the Cincinnati Community,” as described on page 209 of *Plan Cincinnati* (2012); now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That the City Manager is hereby authorized to accept and appropriate a grant in the amount of up to \$35,000 from the United States Environmental Protection Agency, Region 5

(ALN 66.034) to the Office of Environment and Sustainability General Fund non-personnel operating budget account no. 050x104x7200 for the purpose of designing and implementing the Electrify Cincy Education Program, a training for residents and technical experts that supports residential electrification efforts, including weatherization, reduced energy consumption, and renewable energy upgrades.

Section 2. That the Director of Finance is hereby authorized to deposit the grant resources into General Fund revenue account no. 050x8543.

Section 3. That the proper City officials are hereby authorized to do all things necessary and proper to comply with the terms of Sections 1 and 2 hereof.

Section 4. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to accept and appropriate grant resources to begin designing and implementing the Electrify Cincy Education Program.

Subject: Emergency Ordinance – Cincinnati Recreation Commission (CRC): BLINK Cincinnati Installation Donation

Attached is an Emergency Ordinance captioned:

AUTHORIZING the City Manager to design, install, and maintain artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood as an art installation that will be included in BLINK Cincinnati, notwithstanding any conflicting Cincinnati Recreation Commission rules and regulations or any provision of the Cincinnati Municipal Code that would prohibit the installation and maintenance of the artwork; **AUTHORIZING** the City Manager to accept monetary and in-kind donations from one or more persons in order to offset the cost and expense associated with the design, installation, and maintenance of artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood; and **AUTHORIZING** the Finance Director to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

Approval of this Emergency Ordinance will authorize the City Manager to design, install, and maintain artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood as an art installation that will be included in BLINK Cincinnati, notwithstanding any conflicting Cincinnati Recreation Commission rules and regulations or any provision of the Cincinnati Municipal Code (CMC) that would prohibit the installation and maintenance of the artwork. This Emergency Ordinance will also authorize the City Manager to accept monetary and in-kind donations from one or more persons in order to offset the cost and expense associated with the design, installation, and maintenance of artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood. Finally, this Emergency Ordinance will also authorize the Finance Director to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

Xylene Projects presented the Cincinnati Recreation Commission with an opportunity to paint the pool and basketball courts at the Hanna Playground in the Over-the-Rhine neighborhood. Xylene Projects and artist Matthew Dayler will carry out all or a portion of the work required to design, install, and maintain the artwork. The completed project will serve as an art installation for the 2022 BLINK Cincinnati

event taking place October 13, 2022, through October 16, 2022. BLINK Cincinnati is the nation's largest free public art event, spanning 30 city blocks across downtown Cincinnati and Northern Kentucky.

The City may also accept donations from one or more persons, including Xylene Projects, in order to offset the cost and expense associated with the design, installation, and maintenance of the artwork and to ensure the design, installation, and maintenance of the Artwork shall have little or no impact on the General Fund of the City of Cincinnati.

At its regularly scheduled meeting on October 7, 2022, the City Planning Commission recommended that the City install the artwork on the pool and basketball courts at Hanna Playground.

There are no new FTEs or matching funds associated with the art installation or acceptance of donations.

The design, installation, and maintenance of this artwork is consistent with the "Live" goal to "[c]reate a more livable community" as described on pages 156-163 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to allow the public art project described in this ordinance to proceed so that the corresponding benefits to the City and the Over-the-Rhine neighborhood are realized at the earliest possible time.

The Administration recommends passage of this Emergency Ordinance.

AUTHORIZING the City Manager to design, install, and maintain artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood as an art installation that will be included in BLINK Cincinnati, notwithstanding any conflicting Cincinnati Recreation Commission rules and regulations or any provision of the Cincinnati Municipal Code that would prohibit the installation and maintenance of the artwork; **AUTHORIZING** the City Manager to accept monetary and in-kind donations from one or more persons in order to offset the cost and expense associated with the design, installation, and maintenance of artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood; and **AUTHORIZING** the Finance Director to deposit monetary donations into Fund 319, “Contributions for Recreation Purposes,” revenue account no. 319x8571.

WHEREAS, the City wishes to install artwork and paintings (“Artwork”), substantially similar in design, color, and concept to the sample designs in Exhibit A to this ordinance, on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood as an art installation that will be included in BLINK Cincinnati to promote public awareness of the arts; and

WHEREAS, the City may designate one or more agents or contractors, including Xylene Projects and artist Matthew Dayler, to carry out all or a portion of the work required to design, install, and maintain the Artwork; and

WHEREAS, the City may also accept donations from one or more persons, including Xylene Projects, in order to offset the cost and expense associated with the design, installation, and maintenance of the Artwork and to ensure the design, installation, and maintenance of the Artwork shall have little or no impact on the General Fund of the City; and

WHEREAS, the design, installation, and maintenance of the Artwork shall be performed under the management of the City Manager or her designee, and any agents or contractors of the City, including Xylene Projects and Matthew Dayler, shall comply with rules and regulations established by the City Manager and the Cincinnati Recreation Commission (“CRC”) and any agreement with the City or CRC regarding the design, installation, and maintenance of the Artwork, including rules and regulations concerning its location, size, materials, means of installation, and maintenance as necessary to ensure public safety; and

WHEREAS, the City’s design, installation, and maintenance of the Artwork is the City’s own expression, constitutes government speech, and does not signify the City’s intent to create a free speech forum; and

WHEREAS, the City will own the Artwork created under this project, will maintain complete control over the Hanna Playground as necessary for public safety, and will require the artists who design, install, and maintain the Artwork to waive their rights in and to the Artwork, including waiving all applicable rights under the federal Visual Artists Rights Act of 1990, 17 U.S.C. §§ 106A and 113(d), so as to ensure that expression made through the Artwork constitutes government speech; and

WHEREAS, the extent of maintenance and repair of the Artwork shall remain within the City's discretion, and the Artwork shall remain subject to removal by the City, in part or in whole, at any time; and

WHEREAS, the City has an interest in promoting the arts, notwithstanding the provisions of the Cincinnati Municipal Code that would normally prohibit such displays, when the proposed display will not negatively impact the health, safety, or welfare of residents; and

WHEREAS, the City Planning Commission, at its regularly scheduled meeting on October 7, 2022, recommended that the City install the Artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood; and

WHEREAS, Council finds that the design, installation, and maintenance of the Artwork in the Over-the-Rhine neighborhood will beautify the pool and basketball courts at Hanna Playground, enhance civic pride, and advance public health and wellness goals; and

WHEREAS, the design, installation, and maintenance of this Artwork is consistent with the "Live" goal to "[c]reate a more livable community," as described on pages 156-163 of *Plan Cincinnati* (2012); now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That Council hereby declares the design, installation, and maintenance of the artwork depicted on the attached Exhibit A ("Artwork"), incorporated herein by reference, on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood to be a matter of significant public interest, and it hereby resolves to raise public awareness of the arts through the design, installation, and maintenance of this conspicuous visual art; further that, notwithstanding the provisions of the Cincinnati Municipal Code that would normally restrict such displays, Council has determined that the design, installation, and maintenance of the Artwork is in the interest of the public health, safety, morals, and general welfare and will not negatively impact the health, safety, morals, or welfare of residents.

Section 2. That the City’s design, installation, and maintenance of the Artwork is the City’s own expression, constitutes government speech, and does not signify the City’s intent to create a free speech forum.

Section 3. That the City Manager is hereby authorized to design, install, and maintain the Artwork on the pool and basketball courts at Hanna Playground in the Over-the-Rhine neighborhood, which Artwork shall be substantially consistent with the design depicted on the attached Exhibit A, incorporated herein by reference, and shall be located in the area depicted on the same, notwithstanding any conflicting Cincinnati Recreation Commission (“CRC”) rules and regulations and any applicable provisions of the Cincinnati Municipal Code.

Section 4. That the design, installation, and maintenance of the Artwork shall be performed under the management of the City Manager or her designee, and any agents or contractors of the City, including Xylene Projects and artist Matthew Dayler, shall comply with rules and regulations established by the City Manager and CRC and any agreement with the City or CRC regarding the design, installation, and maintenance of the Artwork, including rules and regulations concerning its colors, symbols, styles, location, size, materials, and means of installation and maintenance as necessary to ensure public safety.

Section 5. That the City Manager is authorized to engage one or more agents or contractors to assist with the City’s design, installation, and maintenance of the Artwork on such terms and conditions that the City Manager determines are in the best interests of the City, and any work performed by the agents and contractors so engaged by the City Manager shall be performed under the management of the City Manager or her designee, who shall have the sole authority to approve the design, location, size, materials, and means of installation and maintenance of the Artwork and to establish rules and regulations for the same as necessary to ensure public safety.

Section 6. That the extent of maintenance and repair of the Artwork shall remain within the City's discretion, and the Artwork shall remain subject to removal by the City, in whole or in part, at any time.

Section 7. That the City will own the Artwork created under this project, will maintain complete control over the Hanna Playground as necessary for public safety, and will require the artists who design, install, and maintain the Artwork to waive their rights in and to the Artwork, including waiving all applicable rights to the Artwork under the federal Visual Artists Rights Act of 1990, 17 U.S.C. §§ 106A and 113(d), so as to ensure that expression made through the Artwork constitutes government speech.

Section 8. That the City Manager is authorized to accept donations, including materials, labor, money, and in-kind services, on such terms and conditions that the City Manager determines are in the best interests of the City, to offset the cost and expense associated with the design, installation, and maintenance of the Artwork, so that the design, installation, and maintenance of the Artwork shall have minimal impact on the General Fund of the City.

Section 9. That the Finance Director is authorized to deposit monetary donations into Fund 319, "Contributions for Recreation Purposes," revenue account no. 319x8571.

Section 10. That the proper City officials are hereby authorized to do all things necessary and proper to comply with the terms of Sections 1 through 9 hereof.

Section 11. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is

the immediate need to allow the public art project described in this ordinance to proceed so that the corresponding benefits to the City and the Over-the-Rhine neighborhood are realized at the earliest possible time.

TO: Mayor and Members of City Council 202201885
FROM: Sheryl M. M. Long, City Manager
SUBJECT: FY 2022 Carryover to FY 2023 Report

The following report provides an overview of the City of Cincinnati’s General Fund FY 2022 year-end balance and application of the Stabilization Funds Policy adopted by the City Council. This report also includes FY 2023 Budget considerations for discussion.

General Fund 2022 Fiscal Year-End Balance and One-Time Uses

As shown in the table below, the City’s General Fund ended FY 2022 with a carryover amount of \$85.1 million including \$7.2 million net FY 2021 carryover.

Utilizing the City’s Stabilization Funds Policy as recently amended to include contributions to the Cincinnati Retirement System (CRS) for unfunded pension obligations, Affordable Housing Trust Fund, and an Operating Budget Contingencies Account, \$47.5 million is available for one-time uses. Recommended one-time uses have been identified by the Administration in accordance with City Council Motion #202201471, which identified four priority areas, and the Administration’s corresponding Report (Item #202201628), which recommended a process for supporting these identified priorities.

In line with the previous report, in this carryover report the Administration is recommending investments in Deferred Infrastructure and Capital Maintenance, Neighborhood Business District Capital Support, and the proposed redevelopment of the Duke Energy Convention Center. Additionally, this report recommends investments in Over-The-Rhine for extension of Zeigler Park and improvements to address the recent gun violence in the area, continued support for the Lincoln & Gilbert minority business accelerator program, and an investment in Community Economic Advancement Initiatives (CEAI) to support its work in the Bond Hill and Roselawn neighborhoods.

The following table includes a breakdown of how the recommended carryover will apply to reserves, the Administration’s recommended one-time uses, and deduction of already passed FY 2022 reappropriations. The remaining \$7,294,178 is the balance recommended for allocation by Council amongst the remaining stated Council priorities: a possible further supplement to the Affordable Housing Trust Fund, investment in capital projects for human service organizations, or investment in capital projects supporting neighborhood development.

Uses of Carryover Balances

Application of Stabilization Funds Policy

The Government Finance Officers Association (GFOA) recommends that local governments establish a formal policy on the level of unrestricted fund balance that should be maintained in the General Fund. The City's Stabilization Funds Policy, approved by the City Council in Ordinance No. 0253-2015 and subsequently amended in Ordinance Nos. 0213-2019 and 0056-2022, incorporates the GFOA's recommended two months of general fund operating revenues, or 16.7% of annual general fund operating revenues.

Per the Stabilization Funds Policy, the following transfers will be requested via ordinance: \$1.6 million to the Working Capital Reserve Fund, \$2.8 million to the General Fund Contingency

Account, and \$17.6 million to the Economic Downturn Reserve Account. Based on the policy, \$8.1 million will remain in the General Fund balance.

FY 2021 Balances
After Close-out Adjustments

Actual FY 2021 Revenue	\$482,836,175	
Working Capital Reserve	\$38,993,000	8.08%

Economic Downturn Reserve	\$9,310,527	1.93%
General Fund Carryover Balance (After Uses)	<u>\$7,242,543</u>	<u>1.50%</u>
Total Stabilization Policy Reserves	\$65,202,793	13.50%
30% Income Tax Reserve for Refunds	<u>\$50,015,389</u>	
Total Combined Reserves	\$115,218,182	

Balances June 30, 2022
After Proposed Transfers

Annual Revenue	\$538,393,480	*
Working Capital Reserve	\$44,148,265	8.20%
General Fund Contingency Account	\$10,767,870	2.00%
Economic Downturn Reserve	\$26,919,674	5.00%
General Fund Carryover Balance (After Uses)	<u>\$8,075,902</u>	<u>1.50%</u>
Total Combined Reserves	\$89,911,711	16.70%
Existing Balance of Income Tax Reserve for Refunds	<u>\$50,015,389</u>	
Total Combined Reserves	\$139,927,100	

*Includes \$67.5 million of ARPA funding.

Overall combined reserves will increase by \$24.7 million, from 13.50% in FY 2022 to 16.70% in FY 2023, excluding funds set aside for income tax refunds. To ensure fiscal stability, the Administration is committed to managing the City’s operations in a prudent, responsible way through the adherence to management disciplines, including the Stabilization Funds Policy. The City must plan for and be prepared to mitigate fluctuations in demand for services as well as changes in revenues influenced by the economy and budgetary decisions made by the State of Ohio and the federal government. Especially in the face of the uncertainty caused by remote work trends and a weakened national economy, the City must be prepared for unforeseen events that could result in additional expenditure requirements or loss of revenues by maintaining prudent levels of fund balance and reserves as set forth in the Stabilization Funds Policy. The rating agencies have emphasized the importance of maintaining appropriate reserves to ensure financial stability and to retain the current bond ratings.

It should be noted that with these recommended transfers, the City will have achieved the GFOA's recommendation of 16.7% of annual General Fund operating revenue set aside in reserves. Years of careful planning and management and the support and leadership of the current Mayor and Council and previous elected officials made this possible, and the City will strive to maintain this level of reserves.

Amended Stabilization Funds Policy Uses

Based on the amended Stabilization Funds Policy waterfall mechanism, the following items will be funded:

- \$5.0 million will be allocated to the Affordable Housing Trust Fund, to be deployed through the established partnership with the Cincinnati Development Fund (CDF). Additional information on that partnership and the structure of deployment are attached as Attachment A.
- \$2.0 million will be contributed to the Cincinnati Retirement System (CRS) to address unfunded pension obligations.
- \$500,000 will be allocated to a newly created Operating Budget Contingencies Account.

The Administration recommends allocating 50% (or \$250,000) from this account to the following one-time needs in the City's FY 2023 General Fund Operating Budget:

- Emergency Communications Center (ECC) Extension of Alternate Response to Crisis (ARC) mental health pilot program (\$140,000) – Funds will cover the extension of ECC's ARC pilot program with Police Dispatch through the end of FY 2023.
- Cincinnati Police Department (CPD) Downtown Deployment Overtime (\$60,000) – Funds will partially offset the expense caused by necessary additional deployment of CPD officers in the Central Business District (CBD) and Over-The-Rhine during the summer of 2022 to support special events and increase police presence to reduce violence.
- Marijuana Offense Expungement Efforts (\$25,000) – Funds will be utilized to cover court costs and filing fees of eligible individuals seeking expungement of marijuana offenses.
- Cincinnati Recreation Commission (CRC) Lifeguard Recruitment and Bonus Pay (\$25,000) – Funds will provide additional resources for a new wage and bonus pay structure for attracting and retaining CRC lifeguards for the Summer of 2023.

The Administration recommends that the remaining \$250,000 be held in reserve in the Operating Budget Contingencies Account, to cover unforeseen operating expense needs that arise during the remainder of the fiscal year.

Carryover Uses

As part of the Stabilization Funds Policy, \$47,460,531 is available for one-time uses for FY 2023. Below are the Administration's recommendations on how to use these funds, based on Mayoral and the City Council priorities.

Administration's Recommended One-Time Uses

- Deferred Capital Maintenance (\$26,103,292) – In response to City Council Motion #202201639, materials related to various departments' deferred capital maintenance needs are provided in Attachment B. The recommended \$26,103,292 allocation will provide

funding to address the backlog of deferred maintenance of the City's capital assets and represents 55% of the \$47,460,531 available for one-time uses. The recommended projects include the following amounts by department:

- Enterprise Technology Solutions – \$1,703,292
 - An additional allocation of funds to replace radios used by multiple City departments, including primarily by police and fire
- City Manager's Office – \$2,000,000
 - \$1,500,000 as a dedicated funding source for Community Budget Requests (CBRs)
 - \$500,000 for communications equipment upgrades, including CitiCable
- Department of Recreation – \$5,000,000
 - \$2,500,000 for renovation of various recreation facilities
 - \$2,000,000 for pavement and Heating, Ventilation, and Air Conditioning (HVAC) improvements in various recreation facilities
 - \$500,000 for Evanston Recreation Area improvements
- Department of Parks – \$3,500,000
 - \$1,500,000 for stream stabilization efforts in California Woods
 - \$1,000,000 for renovations in the lower portion of Inwood Park
 - \$1,000,000 for erosion stabilization efforts in Smale Riverfront Park
- Department of Transportation and Engineering – \$3,900,000
 - \$2,000,000 for traffic signal infrastructure
 - \$1,400,000 for street light infrastructure, including LED conversion
 - \$500,000 for Winter Weather Spot Infrastructure maintenance (pothole repair)
- Department of Public Services – City Facilities Management (CFM) – \$5,000,000
 - \$3,500,000 for additional Fleet Facilities Renovations
 - \$1,000,000 for improvements at Public Safety facilities
 - \$500,000 for Americans with Disabilities Act (ADA) improvements at various City facilities
- Department of Public Services – Fleet Services – \$1,500,000
 - An additional allocation of funds for fleet replacements
- Department of Health – \$3,500,000
 - An additional allocation of funds for Health facilities improvements including various deferred maintenance projects and renovations at various clinics including the Bobbie Sterne Health Center, the Price Hill Health Center, the Northside Health Center, and the Burnet & King facility
- Neighborhood Business District Capital Support (\$1,500,000) – Funds will be used to provide funding for neighborhood projects that were submitted through the City's Neighborhood Business District Improvement Program (NBDIP) or the Neighborhood Business District Support Grant Program but did not receive funding from those programs due to limited resources.

- Convention Center District Improvements (\$7,000,000) – These funds will be used to pay for pre-development and design costs associated with renovation of the Duke Energy Convention Center.
- Over-the-Rhine (OTR) Outdoor Improvements (\$3,500,000) – These funds will be used to provide resources for outdoor improvements to the Ziegler Park and proximate area in OTR to help address recent violence in that area.
- Lincoln & Gilbert (\$1,000,000) – These funds will be used to continue support for the Lincoln & Gilbert minority business accelerator program.
- CEAI Capital Investment (\$250,000) – These funds will be used to support the work of Community Economic Advancement Initiatives (CEAI) in the Bond Hill and Roselawn neighborhoods.

FY 2022 Reappropriations

The following ordinances have already been previously passed by Council, to account for reappropriation of FY 2022 expenses that were not able to be encumbered before the end of the fiscal year:

- FY 2022 Reappropriations per Ordinance No. 0196-2022 (\$793,111) – Funding provided resources for leveraged support commitments, the Black Lives Matter mural refresh, 311 service line technology purchases and advertisements, and the Cities for Financial Empowerment Grant and associated matching resources.
- Councilmember Landsman’s Reappropriation from FY 2022 (\$5,000) – One-time resources in the amount of \$5,000 were provided for the St. Vincent de Paul Society's Eviction Prevention Initiative per Ordinance No. 0224-2022.
- Vice-Mayor Kearney’s Reappropriation from FY 2022 (\$10,000) – One-time resources in the amount of \$5,000 were provided to the Christ Temple Baptist Church summer camp program and \$5,000 in one-time resources for 1N5 per Ordinance No. 0257-2022.
- Councilmember Cramerding’s Reappropriation from FY 2022 (\$4,950) – One-time resources in the amount of \$4,950 were provided for continuing legal education for Law Department personnel per Ordinance No. 0278-2022.

City Council Funding Priorities

A balance of \$7,294,178 remains available for identified Council priorities, with allocations to be determined by Council at a later date. The following are recommendations for a process on deployment of those funds, based on the previously stated Council priorities.

- Affordable Housing Trust Fund – In addition to the contemplated \$5 million allocation discussed above, additional funds could be allocated to the partnership with the CDF for deployment for affordable housing projects through the existing structure and agreement with CDF.
- Human Service Capital Projects – Funds could be allocated to capital projects that support human service organizations. It is recommended that Council determine the amount of any

such allocation and identify a specific need that it seeks to address, then any such funding be deployed through a Request for Proposal (RFP) or other competitive process developed in partnership between the Administration and the Human Services Advisory Committee (HSAC).

- Neighborhood Capital Projects – Funds may be made available for neighborhood projects to a capital account that will support a competitive RFP process with awards for large catalytic neighborhood projects. Following the RFP process, the Administration would return to Council with recommendations for appropriations. Additional information on a proposed RFP process is included in Attachment C.

2023 Pending Matters

There are several budget concerns for FY 2023 and beyond that are noteworthy. These include the following:

- COVID-19 Budget Impact – Due to the impact to income taxes and other sources of revenues related to the COVID-19 pandemic, the Approved FY 2023 General Fund Budget was balanced but not structurally balanced due to the reliance on \$18.6 million in one-time American Rescue Plan (ARP) funds. The Administration will monitor the budget closely and report back to Council during FY 2023 on how actual revenues align with revenues projected in the Approved FY 2023 Budget Update.
- FY 2024 and FY 2025 Projected Deficits – Despite the reliance on \$18.6 million of ARP funds for FY 2023, the General Fund Long-Term Forecast included in the Approved FY 2023 Budget Update document includes a General Fund preliminary deficit of \$22.0 million for FY 2024 and a preliminary deficit of \$31.4 million for FY 2025. Both fiscal years are expected to require the use of ARP funds to balance. For labor contracts not already agreed to through FY 2024, the General Fund Long-Term Forecast assumes a 3.0% wage increase for sworn and non-sworn personnel and a 5.0% increase for healthcare. If labor contract negotiations result in higher increases, the projected deficits will increase.
- Ratings Agencies – Moody’s Investors Services’ current assigned rating is Aa2 for the City’s outstanding general obligation unlimited tax (GOULT) debt, and the rating is Aa3 on the City’s outstanding non-tax revenue debt. The outlook is stable. Standard & Poor’s Ratings Services’ current assigned rating is AA for the City’s long-term unlimited-tax general obligation (GO) bonds and an AA long-term rating on the City’s non-tax revenue bonds. The outlook is stable.
- Income Tax – The FY 2023 Income Tax estimate reflects an increase of 3.95% from FY 2022 forecasted collections, based on revenue trends and the UC Economics Center’s forecast. However, the UC forecast also projects relatively flat growth in income tax revenue from FY 2024 – FY 2027. In addition, income tax revenue continues to be uncertain as employees move permanently to remote and hybrid work schedules. While there has not been a sharp increase in refund requests, there is a refund liability created to the City for a running three-year period while the employee remains eligible for a refund. It should be stressed that the City remains over reliant on income tax revenue, which makes it susceptible to long-term changes in work trends.

Recommendation

The Administration requests this report be approved and filed and recommends approval of the accompanying Ordinance.

ATTACHMENT A

CDF Affordable Housing Trust Fund Deployment Structure

Pursuant to Ordinance Nos. 121-2021 and 122-2021, Council designated the Housing Advisory Board to establish the City’s affordable housing policy priorities with respect to the Affordable Housing Trust Fund, designated CDF to oversee the Affordable Housing Trust Fund, and provided the Administration authority to enter into an agreement with CDF to deploy available funding. On May 13, 2022, the City Administration presented to and received feedback from the Housing Advisory Board on a proposed structure for the deployment structure with CDF. Then on August 26, 2022, the City and CDF entered into a *Funding and Management Agreement* for deployment of the City’s Affordable Housing Trust Fund. A copy of that agreement is included in this Attachment and a summary of those terms are as follows:

Loan Products:

- (i) Forgivable Loans – Upon satisfaction with the terms of the loan, the balance will be forgiven, in effect creating grant subsidy to affordable housing projects.
- (ii) Repayable Loans – Low or no-interest loans will be granted to make affordable housing projects financially feasible but will be required to be repaid. Repaid amounts will be recycled and re-lent to additional affordable housing projects.

Eligible Uses: Funds may be utilized for acquisition costs, hard construction costs, reasonable soft construction costs. In some more limited circumstances, the funds may be used to refinance debt or to leverage tax credit financing structures.

Amount of Financing:

- (i) Forgivable Loans – Financing of forgivable loans will be limited to the maximums below, established on a per unit basis and decreasing as the targeted AMI increases. Family-size units can receive additional funding. These amounts are intended to be studied for the first two years and revisited if adjustments are required to better achieve policy goals.

Forgivable Loan Maximums:

Area Median Income ("AMI") Level for Unit	Maximum Forgivable Loan per 1-2 Bedroom Unit	Maximum Forgivable Loan per 3+ Bedrooms
Up to 60% AMI	\$50,000 per unit	\$60,000 per unit
Up to 80% AMI	\$25,000 per unit	\$30,000 per unit
Up to 100% AMI	\$10,000 per unit	\$20,000 per unit

- (ii) Repayable Loans – Repayable loans may be extended at amounts above these maximums, to the extent necessary to make an affordable project financially feasible.

Affordability Terms: All affordability terms will be enforced with a restrictive covenant and will apply for a set term, generally for 15 years. Maximum rent limits for each affordable unit will be capped through a process utilized by HUD and the Ohio Housing Finance Agency. In addition to other requirements for enforcement and reporting on the affordability terms, any property that receives a forgivable loan will be required to grant a right of first refusal for purchase of the property, exercisable in the event of a proposed sale by either a non-profit with a mission focused on preserving affordable housing or a cooperative organization of tenants of the property. This provision is intended to preserve long-term affordability at these properties through ownership.

The Administration is recommending that Council appropriate the \$5 million in funding to the Affordable Housing Trust Fund, to be deployed through the existing contract with CDF, in alignment with the established terms.

FUNDING AND MANAGEMENT AGREEMENT Affordable Housing Trust Fund

THIS FUNDING AND MANAGEMENT AGREEMENT (“**Agreement**”) is made as of the Effective Date (as defined on the signature page hereof) by and between the **CITY OF CINCINNATI**, an Ohio municipal corporation, the address of which is 801 Plum Street, Cincinnati, Ohio 45202 (“**City**”), and **CINCINNATI DEVELOPMENT FUND, INC.**, an Ohio nonprofit corporation, the address of which is 1224 Race Street, Cincinnati, Ohio 45202 (“**Service Provider**”).

RECITALS:

A. The City desires to engage Service Provider to provide the Services as defined and described herein. The City and Service Provider desire to enter into this Agreement to memorialize the terms and conditions with respect to Service Provider performing the Services.

B. The goal of the Services is to increase available financing tools to encourage the production of new housing units and the preservation of existing affordable housing units, and to increase capacity within the development industry for the production of housing units. Service Provider will oversee and deploy the previously appropriated Affordable Housing Trust Fund – Fund 439 and related capital improvement program project accounts (collectively, the “**Affordable Housing Trust Fund**” or “**AHTF**”) in accordance with the terms of this Agreement. As further described herein, the businesses receiving such loans shall be referred to, collectively, as the “**Participants**”, and each, individually, as a “**Participant**”, and such loans, made in accordance with the parameters set forth herein shall be referred to, collectively, as the “**Loans**”, and each, individually, a “**Loan**”.

C. Section 16 of Article VIII of the Ohio Constitution provides that, to enhance the availability of adequate housing in the state and to improve the economic and general welfare of the people of the state, it is in the public interest and a proper public purpose for the state or its political subdivisions, directly or through a public authority, agency, or instrumentality, to provide grants, loans, or other financial assistance for housing in the state, for individuals and families, by the acquisition, financing, construction, leasing, rehabilitation, remodeling, improvement, or equipping of publicly- or privately-owned housing.

D. Execution of this Agreement was authorized by Ordinance Nos. 53-2022 and 191-2022, passed by City Council on March 2, 2022 and June 23, 2022, respectively.

NOW, THEREFORE, for and in consideration of the promises, covenants and agreements herein contained, the parties mutually agree as follows:

1. SERVICES. Subject to the terms of this Agreement, Service Provider shall, in a satisfactory and proper manner as determined by the City Manager of the City, provide the services more fully described in Exhibit A (Scope of Services) (“**Services**”) attached hereto. Service Provider does hereby acknowledge and agree that the Services to be performed under this Agreement, and the corresponding compensation provided by the City to effect the same, shall be provided and expended only within the city limits of the City of Cincinnati. To the extent that the terms of Exhibit A may contradict the foregoing in any manner, the provisions of this section shall be controlling.

2. TERM. This Agreement shall be effective on the Effective Date and shall continue in effect until the date of final disposition or repayment of all Loans (the “**Term**”), unless this Agreement is sooner terminated as herein provided, *provided that* Service Provider and the City acknowledge that Service Provider has certain reporting requirements as documented on Exhibit A that extend past the Term and Service Provider shall perform those obligations after the Term. Service Provider shall not originate any new Loans, as evidenced by a fully executed commitment letter between Service Provider and a

{00356098-5}

prospective borrower, after the date that is ten years after the Effective Date (the “**Origination Date**”). The Origination Date shall be automatically extended in 3 5-year increments unless either party delivers a written notice of non-renewal no later than 6 months prior to the expiration of the current origination period. Service Provider shall obtain the City’s written consent prior to originating any new Loans after delivery of a non-renewal letter in accordance with this Section.

3. FUNDS. Subject to the terms and conditions of this Agreement, the City shall pay to the Service Provider for provision of the Services an amount not to exceed the sum of \$2,728,800 (the “**Funds**”) and to be utilized in accordance with the itemized amounts set forth on Exhibit B (Budget) attached hereto. The City shall disburse the Funds to Service Provider in accordance with Section 9, and Service Provider agrees to accept such amounts as full and complete compensation for provision of the Services. Service Provider shall use the Funds solely for expenses itemized on Exhibit B and for no other purpose. In the event Service Provider receives principal payments on any Loans, such proceeds shall be reinvested in the Affordable Housing Trust Fund and used in accordance with this Agreement.

4. NOTICES. All notices shall be personally delivered or sent by U.S. mail addressed to the parties as follows, with an electronic copy emailed to the email address listed below, or addressed in such other way in respect to either party as that party may from time to time designate. Service Provider shall promptly notify the City of any change of address. If Service Provider sends a notice to the City that the City is in default under this Agreement, Service Provider shall simultaneously send a copy of such notice by U.S. certified mail to: City Solicitor, City of Cincinnati, 801 Plum Street, Room 214, Cincinnati, Ohio 45202.

5. PROGRAM COLLABORATION. No later than the date that is five years after the Effective Date, the parties will collaborate in good faith to ensure the operation of the Affordable Housing Trust Fund is meeting the program goals stated by City Council, the City Administration, and the Housing Advisory Board. Notwithstanding the foregoing, at any point during the Term, the parties may amend this Agreement, on mutually acceptable terms and conditions.

6. UNDERWRITING GUIDELINES. Service Prover has provided DCED for its review and approval, and DCED has approved, underwriting guidelines related to the issuance of Loans in accordance with this Agreement. Service Provider shall receive DCED’s prior written approval to make material amendments to the underwriting guidelines.

7. INCREASED FUNDING. If the City desires to increase the amount of Funds provided pursuant to this Agreement, in its sole and absolute discretion, then the parties will execute a Funding Letter Agreement, the form of which is attached hereto as Exhibit C (Form of Funding Letter Agreement).

8. AUTHORIZATIONS. All notices, approvals, authorizations, waivers, instructions, or determinations by the City shall be effective only when written and signed by the individual identified to receive notice for the City in Section 4 above or his or her designee.

9. METHOD AND CONDITIONS OF PAYMENT.

A. Method of Payment. The City shall pay Service Provider for the Services for which vouchers and similar documentation to support payment are maintained by Service Provider under procedures approved by the City.

B. As Authorized Under Scope of Work and Budget. Funds shall be disbursed by Service Provider only as authorized under the provisions of Exhibit A and Exhibit B hereto.

C. Conditions of Disbursement. The City shall make a single disbursement of the Funds on an advance basis, as soon as is practicable after the Effective Date, *provided that* Service Provider is not in default of this Agreement. The City shall make the disbursement only when Service Provider meets all of the following conditions:

- i. Submission of requisition for payment to the City on Form 37, "Claim Voucher/Invoice," or such other form as may be provided by the City Form 37, "Claim Voucher/Invoice," must be accompanied by an original affidavit certifying the usage of the Funds.
- ii. Service Provider shall establish an accounting system including reporting, vouchering and invoicing, with adequate internal controls, to assure proper accounting of receipts and disbursements by Service Provider. A copy of Service Provider's accounting system procedures or financial audit shall be kept on file in DCED. The City may require a finding by the Director of Finance or his/her designee that such an accounting system has been established. In the event such system at any time differs from the system established by Service Provider, Service Provider shall alter its system to conform to the findings of the Director of Finance or his/her designee.
- iii. Service Provider shall provide DCED with documentation or other proof of nonprofit or tax-exempt status, including IRS Sec. 501(c)(3) determination letters or other documentation acceptable to the City. The documentation shall be provided by and signed by the Chief Executive Officer or President of the board or commission that administers the corporation's business. The documentation shall include the name of Service Provider's Chief Financial Officer or equivalent position.
- iv. Service Provider shall furnish the City with a statement from Service Provider's Executive Director, President, or Chief Financial Officer or its insurer certifying that all persons handling funds related to this Agreement are covered by fidelity insurance in an amount not less than ten percent (10%) of the maximum amount payable to Service Provider hereunder. If such insurance or bond is cancelled or reduced, Service Provider shall notify the City immediately and shall be ineligible for further funding until such coverage has been obtained.

D. Conditions Subsequent to Disbursement. Service Provider's entitlement to the Funds is subject to the following requirements:

- i. Service Provider shall deposit all Funds received directly into a single account which shall be used for the receipt and disbursement of Funds received from the City or other sources for the purposes set forth in this Agreement.
- ii. Disbursements made by Service Provider shall be by either (x) ACH transfers or (y) numbered checks drawn on Service Provider's commercial checking account.
- iii. Compensation for employees hired under this Agreement, including wages, salaries and supplementary benefits, shall not exceed compensation paid for similar work by City employees or similar work performed in the labor market. Compensation shall be subject to adjustment by the City if, in the sole judgment of the City, these levels are

exceeded.

- iv. No payment shall be made for items designated as ineligible costs.
- v. Service Provider's monthly and final reports to the City shall be accompanied by documentation satisfactory to the City indicating expenses incurred and payments made, such as grants awarded, payroll records, invoices, time sheets indicating hours worked, contracts, receipts, canceled checks, carbons of checks or check registers and corresponding bank statements or reasonable facsimiles thereof, and such other information and supporting documentation as the City may require.

10. PROHIBITION AGAINST PAYING FOR ANY SERVICE RENDERED OR EXPENSE INCURRED PRIOR TO MAY 1, 2021. The compensation provided for by this Agreement may only be disbursed for Services rendered or expenses incurred on or after May 1, 2021. No Funds shall be spent for any service rendered or expense incurred prior to that date.

11. INDEPENDENT CONTRACTOR. Service Provider shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant, or employee of the City. Service Provider shall have exclusive control of and the exclusive right to control the details of the Services and work performed hereunder and all persons performing the same and shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any. Nothing herein shall be construed as creating a partnership or joint venture between the City and Service Provider. No person performing any of the work or services described hereunder shall be considered an officer, agent, servant or employee of the City, nor shall any such person be entitled to any benefits available or granted to employees of the City.

12. SUBCONTRACTS, SUCCESSORS, AND ASSIGNS.

A. Subcontracts. Service Provider agrees that the Services shall not be subcontracted without the prior written approval of the City. The Services subcontracted hereunder shall be specified by written contract or agreement and shall be subject to each provision of this Agreement. In the event that Service Provider employs a subcontractor without first securing the City's written approval of the subcontractor by the City, the City shall have the right to stop payment to the Service Provider or withhold any of the Funds due to Service Provider until the subcontractor is approved by the City.

B. Assignment. Service Provider shall not assign or transfer its interest in this Agreement without the prior written consent of the City. Notwithstanding the foregoing, Service Provider may assign or transfer its interest in this Agreement to a subsidiary or affiliate entity controlled and managed by Service Provider.

13. SERVICE PROVIDER'S INSURANCE AND INDEMNIFICATION.

A. Workers' Compensation. Service Provider shall secure and maintain such insurance as will protect Service Provider from claims under the Workers' Compensation Laws.

B. General Liability Insurance. Service Provider shall secure and maintain such commercial general liability insurance as will protect Service Provider from claims for bodily injury, death or property damage which may arise from the performance of Service Provider's services under this Agreement, with a combined single limit for bodily injury and property damage liability of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate. Service Provider's insurance policy shall name the City as an additional named insured and shall contain a provision prohibiting the insurer from canceling the policy without notifying the City in writing at least 90 days prior to cancellation. Within 10 days following execution of this Agreement, Service Provider shall send proof of all such insurance to the City at the address specified above or such other address as may be specified by the City in writing from time to time.

C. Indemnification of the City. Service Provider shall indemnify, defend, and save City, its agents, and employees harmless from and against any and all losses, damages, claims, causes of action, settlements, costs, charges, professional fees, and liability of every kind and character arising out of or relating to the actions or inactions by Service Provider, its officers, employees, agents, contractors, and subcontractors in connection with this Agreement. Further, Service Provider shall protect and save the City harmless from any and all obligations to reimburse any government entity for disallowed costs paid by the City to Service Provider.

14. COMPLIANCE WITH LAWS, REGULATIONS, AND PROGRAMS.

A. Generally. Service Provider in the performance of the Services shall obtain all necessary permits, licenses, and other governmental approvals and shall comply with all applicable federal, state, and local laws, codes, ordinances, and other governmental requirements applicable to the Services, including any and all applicable rules, orders, guidelines, laws, regulations, and binding directives issued by the federal government, the State of Ohio, and/or the City pertaining to COVID-19.

B. Compliance with Ohio Revised Code Section 149.431. If Service Provider is a non-profit corporation, it shall comply with Section 149.431 of the Ohio Revised Code, which provides: "Any non-profit corporation or association that enters into a contract with a political subdivision shall keep accurate and complete financial records of any moneys expended in relation to the performance of the services pursuant to such contract. Such contract and financial records are deemed to be public records."

C. Equal Employment Opportunity Program. This Agreement is subject to the City's Equal Employment Opportunity Program contained in Chapter 325 of the Cincinnati Municipal Code. Said chapter is hereby incorporated by reference into this Agreement.

D. Minimum Wage. This Agreement is subject to the provisions of Ohio Revised Code Section 4111.02 relating to minimum wage.

E. Living Wage. If the compensation for the Services is \$20,000 or more this Agreement is subject to the Living Wage provisions of Chapter 317 of the Cincinnati Municipal Code. The provisions require that, unless specific exemptions apply or a waiver is granted all employers (as defined) under service contracts shall provide payment of a minimum wage to employees (as defined) at the applicable rates set forth in the code. Such rates shall be adjusted annually pursuant to the terms of the Code.

F. Prompt Payment. This Agreement is subject to the provisions of Chapter 319 of the Cincinnati Municipal Code, which provides for a "Prompt Payment System."

G. Small Business Enterprise Program. This Agreement is subject to the provisions of the Small Business Enterprise Program contained in Chapter 323 of the Cincinnati Municipal Code. Section 323-99 of the Cincinnati Municipal Code is hereby incorporated into this Agreement. Details concerning this program can be obtained from the Department of Economic Inclusion, Two Centennial Plaza, 805 Central Avenue, Suite 610, Cincinnati, Ohio 45202, (513) 352-3144. Service Provider shall utilize best efforts to recruit and maximize the participation of all qualified segments of the business community in subcontracting work, including the utilization of small business enterprises, including small business enterprises owned by minorities and women. This includes the use of practices such as assuring the inclusion of qualified Small Business Enterprises in bid solicitation and dividing large contracts into small contracts when economically feasible.

H. Conflict of Interest. Service Provider agrees to report to the City any potential conflicts of interest under any applicable laws before entering into this Agreement and agrees to report to the City any potential conflicts of interest that Service Provider discovers at any time during the Term.

- i. **Employee or Agent of City.** Service Provider agrees that no officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning and carrying out of the program, nor any immediate family member, close business associate, or organization which is about to employ any such person, shall have any personal financial interest, direct or indirect, in Service Provider or in this Agreement, and Service Provider shall take appropriate steps to assure compliance.
- ii. **Subcontractors.** Service Provider shall not contract with any subcontractors in which it has any personal financial interest, direct or indirect. Service Provider covenants that in the performance of this Agreement no person having any conflicting interest shall be employed.

I. Wage Enforcement. This Agreement is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any person who has an agreement with the City, or a contractor or subcontractor of that person, shall report all complaints or adverse determinations of Wage Theft and Payroll Fraud (as defined in Chapter 326 of the Cincinnati Municipal Code) against the person, contractor or subcontractors to the Department of Economic Inclusion within 30 days of notification of the complaint or adverse determination. Under the Wage Enforcement provisions, the City shall have the authority, under certain circumstances, to terminate this Agreement or reduce the incentives or subsidies to be provided under this Agreement and to seek other remedies.

J. Americans With Disabilities Act; Accessibility.

- i. **Applicability.** This section may be applicable if any of the Funds are used for costs associated with construction or rehabilitation of real property (such construction or rehabilitation being a “**Project**”). Cincinnati City Council adopted Motion No. 201600188 on February 3, 2016 (the “**Accessibility Motion**”). The Accessibility Motion directs City administration to include language specifically requiring compliance with the Americans With Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the “**ADA**”), and imposing certain minimum accessibility standards on City-subsidized projects regardless of whether there are arguably exceptions or reductions in accessibility standards available under the ADA or State law.
- ii. **Requirement.** If this section is applicable per paragraph (J)(i) above, then (a) the Project shall comply with the ADA, and (b) if (1) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a “place of public accommodation” or another category of structure to which the ADA is applicable) and (2) such building is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Service Provider shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, “Contractual Minimum Accessibility Requirements” means that a building shall, at a minimum, include (x) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (y) if such accessible point of entry is not a building’s primary point of entry, conspicuous signage directing persons to such accessible point of entry.

K. Prevailing Wage. Service Provider shall comply, and shall cause all Participants to comply with any prevailing wage requirements that may be applicable to their Loan. In the event that the City is directed by the State of Ohio to make payments to construction workers based on violations of such re-

quirements, Service Provider shall cause Participants to make such payments or reimburse the City for such payments within sixty (60) days of demand therefor.

15. REPORTS, INFORMATION, AND AUDITS.

A. Submission of Reports. In such form as the City may require, Service Provider shall collect, maintain, and furnish to the City data, information, and reports as may be requested that pertain to the work or services undertaken by this Agreement, the costs and obligations incurred or to be incurred in connection therewith, financial or operational controls, and/or any other matters covered by this Agreement, including without limitation, such accounting, financial, administrative, and operational statements and reports as may be required for compliance with programs and projects funded by the City, Hamilton County, the State of Ohio, or any federal agency (if applicable). If requested by the City, financial statements furnished by Service Provider shall be audited.

B. Record Retention. Service Provider shall, throughout the Term of this Agreement and for a minimum of 3 years after the expiration or termination of this Agreement, keep and retain all accounting, financial, administrative, and operational statements and records pertaining to all matters covered by this Agreement.

C. Access/Right to Inspect and Audit. Upon request during the Term of this Agreement and for a period of 3 years after the expiration or termination of this Agreement, Service Provider shall permit the City or any designee or auditor to have access to and to inspect and audit all such accounting, financial, administrative and operational books, records, and statements of Service Provider that relate or pertain to this Agreement or as necessary for the City to ensure that all funds are used for authorized purposes in compliance with laws, regulations, and the provision of contracts or grant agreements and that performance expectations and goals are achieved.

16. SPECIAL REPORTING REQUIREMENTS.

A. Quarterly Reports. Within 45 days following the end of each quarter during the Term, Service Provider shall provide the City with a quarterly report describing the Services performed, expenses incurred, number of applications received, approved, or denied for the quarter that just ended in accordance with Exhibit A and containing such other information and supporting documentation as the City may require.

B. Semi-Annual and Annual Reports. Within 45 days following the end of each six-month period during the Term, Service Provider shall provide the City with a semi-annual report describing the performance of the Affordable Housing Trust Fund for the period that just ended in accordance with Exhibit A and containing such other information and supporting documentation as the City may require. No later than 120 days following the anniversary of the Effective Date each year, Service Provider shall prepare and provide to the City an annual reporting of all Participants and related projects receiving a Loan in accordance with Exhibit A and containing such other information and supporting documentation as the City may require.

C. Participation in Status Meetings. Service Provider shall participate in meetings providing updates to the City related to Service Provider's performance of this Agreement as reasonably requested by the City.

D. Final Report. Within 120 days following the end of the Term, Service Provider shall provide the City with a final report describing the Services performed, expenses incurred, and payments made during the Term and containing such other information and supporting documentation as the City may require. The final report shall be accompanied by the remaining Funds after the disposition of all Loans.

17. CERTIFICATION AS TO NON-DEBARMENT. Service Provider certifies that neither Service Provider nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation from the transaction covered by this Agreement. Service Provider {00356098-5}

acknowledges and agrees that if it or its principals are presently debarred, it shall not be entitled to compensation under this Agreement and it shall promptly return to the City any and all funds received pursuant to this Agreement. In such event, any and all materials received by the City pursuant to this Agreement shall be retained by the City.

18. NON-PERFORMANCE AND TERMINATION.

A. If, through any cause, Service Provider shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if Service Provider shall violate any of the covenants or agreements of this Agreement, the City shall have the right to terminate this Agreement by giving written notice to Service Provider specifying the effective date of the termination, at least 30 days before such effective date. In such event, all finished or unfinished documents, data, studies, reports and/or information prepared by Service Provider under this Agreement shall, at the option of the City, become the City's property, and Service Provider shall be entitled to receive equitable compensation for any work satisfactorily completed at the date of termination. Service Provider shall reimburse the City for all costs incurred by the City as a result of Service Provider's breach of this Agreement.

B. Any periodic payments from the City specified in this Agreement shall be contingent upon performance of contractual obligations to date, including the proper receipt of supporting receipts, invoices, reports, statements, or any other supporting information as required by the City in this Agreement. Failure to satisfactorily meet any one of the obligations of Service Provider hereunder may result in the City not approving periodic payments to Service Provider and/or filing liens as may be necessary against Service Provider's assets or future assets, until Service Provider satisfactorily fulfills its obligations under this Agreement or satisfactorily reimburses the City for any prior payments. The City also reserves the right to seek any other legal financial remedies in connection with damages the City may have suffered by reason of Service Provider's default under this Agreement until all or part of the City's prior payments have been recouped as the City deems appropriate but not to exceed the total amount of any prior payments. The City also reserves the right in the event of non-performance of this Agreement to prohibit any future or limited contractual relationships with Service Provider either directly or indirectly.

C. If Service Provider terminates this Agreement after the work has begun, the City shall not be required to compensate Service Provider for services/work not fully completed.

19. OWNERSHIP OF PROPERTY. Upon the expiration or termination of this Agreement, any and all memoranda, maps, drawings, working papers, reports, and other similar documents produced in connection with this Agreement shall become the property of the City and Service Provider shall promptly deliver such items to the City. Service Provider may retain copies for Service Provider's records.

20. OUTSIDE CONTRACTS. Service Provider may contract with other public and private organizations and secure donations to provide related services, except that Funds shall be used solely for the Services. Service Provider shall include notification of the execution of any such agreement in the reports required under Section 16 of this Agreement. Service Provider shall keep records of the receipts and expenditures that result from such outside funds. Said records shall be in the same general form as for the Funds provided hereunder. The City shall have the right to inspect said records at any time during reasonable business hours, provided that such inspection does not violate the terms of any agreement to which Service Provider is a party.

21. NON-EXCLUSIVE AGREEMENT. This is a non-exclusive Agreement. The City may procure the same or other similar Services from other service providers at any time during the Term of this Agreement.

22. CITY IDENTIFICATION IN MARKETING ACTIVITIES. Service Provider shall identify the City as a sponsor of activities undertaken pursuant to the terms of this Agreement on any and all stationery, informational releases, pamphlets, and brochures; and publicity, including that appearing on television or cable television, on the radio or in the press.

23. GOVERNING LAW. This Agreement is entered into and is to be performed in the State of Ohio. The City and Service Provider agree that the laws of the State of Ohio and City of Cincinnati shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement and shall govern the interpretation of this Agreement. All actions regarding this Agreement shall be brought in the Hamilton County Court of Common Pleas, and Service Provider agrees that venue in such court is proper. The parties hereby waive trial by jury with respect to all disputes arising under the Agreement.

24. WAIVER. This Agreement shall be construed in a manner that a waiver of any breach of any provision of this Agreement shall not constitute or operate as a waiver of any other breach of such provision or of any other provisions, nor shall any failure to enforce any provision hereof operate as a waiver of such provision or of any other provision.

25. ENTIRETY. This Agreement and the exhibits and attachments, if any, hereto constitute the entire Agreement between the parties as to the matters contained herein. Any oral representations or modifications concerning this Agreement shall be of no force and effect.

26. SEVERABILITY. This Agreement shall be severable, and if any part or parts of this Agreement shall for any reason be held invalid or unenforceable by a court of competent jurisdiction, all remaining parts shall remain binding and in full force and effect.

27. AMENDMENT. This Agreement may be modified or amended only by a written agreement duly executed by the parties hereto or their representatives.

28. REVERSION OF ASSETS. Upon the expiration or termination of this Agreement, Service Provider shall transfer to the City any and all Funds remaining after the disposition and repayment or disposition of all Loans.

29. COUNTERPARTS AND ELECTRONIC SIGNATURES. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature; any original signatures that are initially delivered electronically shall be physically delivered as soon as reasonably possible.

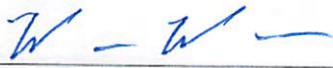

30. EXHIBITS. The following attachments are hereby incorporated into and made a part of this Agreement:

- Exhibit A - *Scope of Services*
- Exhibit B - *Budget*
- Exhibit C - *Form of Funding Letter Agreement*

EXHIBIT A
SCOPE OF SERVICES

Service Provider will administer the existing and future funds appropriated by City Council into the Affordable Housing Trust Fund.

Service Provider will use the AHTF to extend financing and subsidy to projects through an evaluation and underwriting process, pairing the Funds with other available sources when appropriate. Service Provider will extend the financing either as (1) forgivable Loans or (2) low-interest repayable Loans. All Loans shall be on terms to make the project financially feasible and as further described below. Repaid amounts shall be recycled and re-lent in accordance with the terms of this Agreement.

Prior to commitment for a forgivable Loan, Service Provider shall secure City approval for such Loan, evidenced by written approval in e-mail form from the DCED or other staff designated by the City Manager. In requesting such approval, Service Provider shall provide to the City such project information as necessary to verify the need for the forgivable Loan. The City shall use best efforts to reply promptly to any such request, with a goal of providing a response within no more than 10 business days.

No additional City sign off or involvement is needed for extension of repayable Loans, so long as the terms conform to restrictions described in this Agreement.

Eligible Uses: Service Provider may deploy the Funds for (1) acquisition costs or (2) hard construction costs and reasonable soft costs, which are related directly to construction of the project. Funded soft costs shall not be excessive and shall be limited to those soft costs typically financed under Service Provider’s standard practice (rehabilitation or new construction) of mixed-use or residential rental projects. Mixed-income projects are eligible.

With written City approval and at the City’s sole discretion, Funds may also be utilized for the following uses if such use is necessary to make the overall project feasible and will preserve or create additional affordable units:

- Refinancing of existing debt;
- Use in tax credit financing structures beyond directly financing acquisition or hard construction costs, including, but not limited to, equity bridge loans; and
- A project that has been awarded funding in the City’s Notice of Funding Availability (NOFA) process. Note that granting of a forgivable Loan and NOFA funds to the same project shall be considered a last resort to making the project feasible.

Amount of Financing: Service Provider may deploy funds in the following amounts per project, provided that funds from Fund 439 must be used in accordance with the description in Ordinance No. 364-2018:

Forgivable Loan Maximums:

Area Median Income (“AMI”) Level for Unit	Maximum Forgivable Loan per 1-2 Bedroom Unit	Maximum Forgivable Loan per 3+ Bedrooms
Up to 60% AMI	\$50,000 per unit	\$60,000 per unit
Up to 80% AMI	\$25,000 per unit	\$30,000 per unit
Up to 100% AMI	\$10,000 per unit	\$20,000 per unit

After two years, these maximums will be revisited to see if adjustments are needed. In determining the amount of a forgivable Loan to recommend to the City for a given project, Service Provider shall complete underwriting to verify that any such amount is a certified financial gap and that the project will not happen “but for” the forgivable Loan. Additionally, Service Provider shall consider additional factors such as the leverage ratio of AHTF or other City funds to other sources of funds, the location of the project and the need for more affordable housing options in that area, and alternative project uses for the limited public resources.

Repayable Loan Maximums:

Repayable Loans may be extended at amounts above the maximum caps described above to the extent necessary to make the project financially feasible.

Affordability Terms: For any project receiving Funds (either through a forgivable Loan or a repayable Loan) the following required terms will be effectuated and enforced through a restrictive covenant that will be recorded on the project property.

- 1) **Term** – The term of affordability restrictions shall generally be 15 years. However, the term may be shortened with written City approval if (1) Service Provider determines such shorter term is necessary to the project’s viability and (2) the project is receiving a tax abatement with a term of less than 15 years or is not receiving a tax abatement. If the project qualifies for a shorter term, the affordability term may be reduced to match the term of the tax abatement; however, in no circumstances shall the term be reduced to less than 10 years (even if no tax abatement is sought).
- 2) **Maximum Monthly Rent Limits** – A maximum monthly rent limit amount shall be established for each affordable unit based on the number of bedrooms in the unit. The maximum amount shall be pre-determined based on a formulaic calculation used by both the Ohio Housing Financing Agency and HUD.

No adjustments will be made for utility expenses. Rents limits shall be reset each year once updated income levels are posted by HUD and made effective. Below are the current calculations of income limits and rent limits for 60% and 80% AMI levels.

2022 HUD Income and Rent Limits – as of June 15, 2022

2022 Income Limit Category		1 Person	2 People	3 People	4 People	5 People	6 People	7 People	8 People
60% AMI Income Limits		\$40,140	\$45,840	\$51,600	\$57,300	\$61,290	\$66,480	\$59,100	\$75,660
2022 Rent Limit Category	Studio	1 BR	2 BR	3 BR	4 BR	5 BR			
Rent Limits for 60% AMI	\$1,003	\$1,074	\$1,290	\$1,490	\$1,662	\$1,834			

2022 Income Limit Category		1 Person	2 People	3 People	4 People	5 People	6 People	7 People	8 People
----------------------------	--	----------	----------	----------	----------	----------	----------	----------	----------

80% AMI Income Limits		\$53,500	\$61,150	\$68,800	\$76,400	\$82,550	\$88,650	\$94,750	\$100,850
2022 Rent Limit Category	Studio	1 BR	2 BR	3 BR	4 BR	5 BR			
Rent Limits for 80% AMI	\$1,338	\$1,432	\$1,720	\$1,986	\$2,216	\$2,445			

- 3) Fixed/Floating - Fixed or floating affordable units within a project are permitted.
- 4) Income Verification – Owners shall verify and document the income of individuals at the time of lease-up to determine eligibility for an affordable unit. This shall include at minimum a three-month lookback to qualify at that income level. No additional annual verification shall be required until the unit is vacated and a new tenant occupies the unit. Owners will maintain all documentation that justifies an individual’s income level and shall provide it upon request to the City or Service Provider.
- 5) Ongoing Annual Reporting – Annually each owner shall submit (1) a rent roll and (2) an attestation form certifying that the rents are in compliance with the affordability requirements and that all tenants were qualified by income at the time of initial occupancy. This shall be submitted to Service Provider, who will review and provide a copy to the City.
- 6) Third-party Beneficiary Rights for Enforcement – A third-party beneficiary clause for the City shall be included in the restrictive covenant so that the terms can be enforced by the City.
- 7) Subordination to Other Affordability Requirements — The rent and income restrictions will be subject to any other affordable restrictions required by any other public funding source until such time as those other restrictions are no longer applicable. The right of first refusal described below shall be applicable upon execution of the restrictive covenant until released by the City.
- 8) Assignable Right of First Refusal – If a property receives a forgivable Loan, then an assignable right of first refusal shall be granted to the City in the restrictive covenant. The City shall have the right to assign this right to a non-profit organization that has a mission to preserve affordable housing or may assign it to an organized cooperative organization of tenants of the subject property. If at any time after recording of the restrictive covenant the owner intends to sell the property and has received a bona fide third party offer to purchase the property, then beginning on the day the owner provides written notice of such offer to the City and/or assignee, then the City or its assignee shall have 60 days to exercise a right to match that offer, then shall secure financing and close within 180 days of exercising such right. In the event that the right is not timely exercised, or closing does not timely occur, then the owner is free to complete the transaction with the third party offeror. Notwithstanding the foregoing, the City may waive this provision for a Loan upon the written request of Service Provider in its sole and absolute discretion.

Collateral and Guaranties: A mortgage and/or other acceptable collateral will be required to secure any project loans but may be subordinate to any other primary project financing. A reasonable corporate or

{00356098-5}

acceptable personal guaranty for payment and completion will be required if Service Provider determines the project entities are able to provide such guaranties (i.e, CDCs and other non-profit entities may have limited ability to provide such a guaranty).

Default and Remedies: In the event that borrowers are provided notice of an event of default, then they will have an opportunity to cure. In the event that the default is not cured in a timely manner, then the forgiveness component of any forgivable debt will be forfeited and normal creditor remedies will apply.

REPORTING:

Quarterly Project Reporting:

- Number of Applications Received (# awarded and # denied)
 - For awarded Projects: Project name
 - Developer
 - Address(es)
 - Neighborhood
 - Project Type: new vs renovation
 - Total # of Units (total # of affordable units with target AMI broken out)
 - Affordability Term
 - Target Population (family, senior, homeless)
 - Total Project Cost
 - Project Status (under Construction Complete)
 - AHTF \$ Investment and source(s)
 - Award type: forgivable Loans and repayable Loans
 - Private dollars leveraged
- For non-awarded Projects:

- {00356098-5}

- Total funds awarded
- # of projects awarded
- # of total units created/preserved
- # of affordable units (segregated by AMI) and affordability term
- Total private or non-City public dollars leveraged
- Number of forgivable Loans vs. repayable Loans
- List of projects funded by AHTF whose Loans will mature in the next year or for which the affordability term is ending

Monitoring, Enforcement, Accounting:

- Service Provider will be responsible for monitoring and enforcement of affordability requirements as well as loan servicing.

Affordable Housing Advisory Board: The City will be the primary liaison with the affordable housing advisory board. The advisory board will be utilized to provide feedback to the strategic priorities of the Service Provider and City program. The City will organize a meeting twice a year to update the Board on projects and expenditures of the Funds. Service Provider will assist the City in that meeting by providing information on lending activity to the City to present to the Board.

EXHIBIT B
BUDGET

Subject to appropriation of necessary funds by Council, the City will agree to annually provide \$60,000 in funding for Service Provider’s fees, which represents 50% of the minimum annual projected operating expense. However, whenever financially feasible as determined by Service Provider, to support the program Service Provider may charge origination fees or an interest rate spread (not to exceed 250 basis points) on loans. Service Provider will report to the City annually on revenue generated for fees and expenses for administering the program.

For start-up costs of the program (legal, etc.) and to offset administrative fees of the program, the City will seek to use proceeds from the Liberty and Elm project and as a condition of receipt, Service Provider agrees to only utilize \$250,000 of \$750,000 donation related to the Liberty and Elm project for start-up costs and to cover administrative fees of the program. The remainder will be utilized for project loans under the program. Notwithstanding the foregoing, in the event the Liberty & Elm proceeds are not realized by September 1, 2022, to pay for start-up costs of the program, Service Provider shall be allowed to either (i) use up to \$250,000 of any general funds appropriated by Council and added to this Agreement or (ii) as loans are disbursed under this Agreement, use a pro rata portion of the AHTF funds for the start-up costs of the program (as an example for the purposes of clarity, if a loan was disbursed for \$1,239,150 and no additional funds were added to this Agreement at the time of disbursement, CDF could use \$125,000 of the remaining funds available for administrative costs).

Summary of initial AHTF funds appropriated to support of affordable housing development:

Sources of Funds	
City Capital Funds	\$2,727,000
Fund 439 Revenues*	\$1,300
Total	\$2,728,300

Use of Funds	
Affordable Housing Development Awards	\$2,477,000
Affordable Housing Development Awards (Fund 439 Restricted Unit)*	\$1,300
Administrative Costs	\$250,000
Total	\$2,728,300

*subject to provisions of Ordinance No. 364-2018

Note: Equipment purchases such as computers, fax machines, office furniture, cellular telephones, beepers, and costs such as entertainment, food, flowers for sick employees, etc., are not eligible reimbursement expenses from the City. If you list a contractual agreement under Item

If A for which reimbursement of expenses will be requested from the City, you must submit a copy of each contract agreement.

**FORM OF
FUNDING LETTER AGREEMENT**

Contract No: _____

Cincinnati Development Fund, Inc.
1224 Race Street
Cincinnati, Ohio 45202
Attn: [_____]

Dear [_____]:

Pursuant to Section 7 of the *Funding and Management Agreement*, dated _____ (the “**Agreement**”), between Cincinnati Development Fund, Inc. (“**Service Provider**”) and the City of Cincinnati (“**City**”), the City is adding additional funds in the amount of \$[_____] to the Agreement (the “**Additional Funds**”) in accordance with Ordinance No. [____], passed by City Council on [_____]. The City and Service Provider hereby agree that the Additional Funds shall constitute part of the Funds and their usage is subject to the terms and conditions of the Agreement. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Agreement.

The City agrees to disburse the Additional Funds to Service Provider upon Service Provider’s compliance with Section 9 of the Agreement with respect to the Additional Funds as soon as practicable following the Effective Date.

Nothing herein is intended to amend or alter the obligations of Service Provider under the Agreement, and Service Provider shall maintain records of all expenditures of the Additional Funds in accordance with the terms of the Agreement. All terms of the Agreement not amended hereby or not inconsistent herewith shall remain in full force and effect, and the Agreement, as amended hereby, is hereby ratified by the parties.

In consideration of the City’s execution of this Funding Letter Agreement (this “**Letter**”), Service Provider hereby waives any and all defaults or failures on the part of the City to observe or perform the City’s obligations under the Agreement and any other liability of any kind on the part of the City to the extent any such default, failure, or liability occurred on or prior to the Effective Date.

This Letter may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Letter may be executed and delivered by electronic signature; any original signatures that are initially delivered electronically shall be physically delivered as soon as reasonably possible.

REFERENCE DOCUMENT #202201639

The Budget and Finance Committee, at its session on September 6, 2022, referred the following item for review and report.

MOTION, submitted by Councilmember Cramerding and Vice Mayor Kearney, WE MOVE that the Administration prepare a comprehensive and prioritized list of Deferred Maintenance projects, categorized by department and neighborhood, with specific cost associated with each project. This report should be produced before the closeout recommendation.

The Administration compiled existing documentation related to capital project needs from the Department of Transportation and Engineering (DOTE), the Department of Public Services (DPS), the Health Department, the Cincinnati Recreation Commission (CRC), and the Department of Parks.

The Department of Transportation and Engineering regularly reports the condition of transportation infrastructure assets, which include details on bridges, pavement, traffic infrastructure, and retaining walls. Please refer to the 2021 Infrastructure Conditions Report ([Report # 202201574](#)) dated August 3, 2022. The report was approved and filed by the City Council on September 14, 2022. Additionally, please refer to the Approved FY 2023 Budget Update (<https://www.cincinnati-oh.gov/finance/budget/>) which contains a section on Transportation Infrastructure Needs as part of the Capital Budget Update.

The Department of Public Services reports on the State of General Fund Facilities and Capital Replacement Priorities. The attached report dated November 17, 2016, includes notes as of January 2022. DPS currently provides about 2,000,000 square feet of building inventory supporting city departments including approximately 780,000 square feet for Police and Fire. Only 46% of facilities are listed as Good or Excellent in the November 2016 report. The deferred maintenance projects are listed in Appendix 1. Capital Replacement Priorities are outlined in Appendix 2.

The Cincinnati Health Department provided the attached list of highest capital priority needs and various deferred maintenance projects by facility and neighborhood.

In December 2021, the Cincinnati Recreation Commission released the attached six-year summary of Capital Costs for FY 2023-2028. The report highlights the capital needs for the Cincinnati Recreation Commission broken down by priorities for each

type of facility, which include Recreation Facilities Renovations, Aquatic Facilities Renovations, Athletic Facilities Renovations, Outdoor Facilities Renovations, and Compliance with the Americans with Disabilities Act (ADA).

The Department of Parks published the [Cincinnati Parks Infrastructure Assessment dated April 9, 2021](#) with the assistance of Brandstetter Carroll Inc. This study assessed the Cincinnati Park Board's system facilities and infrastructure to determine capital improvement needs, priorities, and costs. The attached list dated September 23, 2022, represents the next priorities to the department in terms of deferred maintenance projects.

Please refer to the Approved FY 2023 Budget Update (<https://www.cincinnati-oh.gov/finance/budget/>) which contains a section on Facilities Assessment as part of the Capital Budget Update.

Notes added 01/2022

OVERVIEW

Built assets are the largest expense of any government has right behind personnel expenses. Built assets require constant maintenance, improvement, replacement and investment to support the services and personnel occupying the asset. The broad based 1987 Smale Infrastructure Commission identified immediate safety concerns with minimal increases in maintenance but did not delve into functional, operational or structural reviews. The 1992 Smale Infrastructure Update and subsequent 1996 Facility Asset Management report went further into the topic and found \$45,000,000 in immediate capital needs to keep buildings functioning with no operational improvements, rated 34 facilities obsolete for the use they were serving and identified ongoing underfunding of maintenance at almost fifty percent of industry standards.

2003, the total estimated capital improvements need for City-owned facilities over the six-year period was \$160.6 million and the planned expenditures totaled \$78.2 million, leaving a shortfall of \$82.4 million. Source: Capital Improvement Plan for City Facilities" report (Doc. #200306339)

Renovations and improvements to existing City facilities are part of the City's Smale Infrastructure spending requirement and normal operations for an organization moving ahead. If the City continues to inadequately fund City facility needs, the Operating Budget will continue to be negatively impacted with higher operating and maintenance costs. In addition, outdated facilities could hinder service delivery to the citizens.

In the current six-year plan (2011-2016) the "Capital Improvement Plan for City Facilities" report was updated and the total capital improvements need for the remaining four years in the plan (2013-2016) is \$170.4 million and the planned allocation amount is \$54.1 million, generating a shortfall of \$116.3 million. In the 2013/2014 biennium, the total need is \$77.2 million, the General Capital Budget totals \$29.4 million, and the estimated shortfall for capital improvements for City facilities is \$47.8 million.

CURRENT STATE OF CAPITAL ASSETS

The Department of Public Services provides just over 2,000,000 square feet of building inventory to support the daily needs of 3,500 employees working for, Police, Fire, Public Services, Finance, DOTE, Budget, Law, Trade and Development, Recreation, Planning and Buildings, Budget, OEQ, ETS, HR and City Council. A large percentage of these operate 24/7 providing emergency response and core City services that cannot be interrupted. (Figure 1)

Figure 1
 Square Footage of Building Inventory

This lack of a capital program forces DPS to forego important projects that maintain the condition of this inventory, address health and safety issues, acquire new space, consolidate space, complete phased projects, and address many other capital needs. DPS continuously monitors and updates data on each facility using metrics and cost models created by the International Facility Management Association. As the world's largest facility management organization their guides, procedures and standards are accepted and utilized by the Federal GSA and numerous corporations. Using these formats, which include the asset's physical condition as well as functional and service demands, DPS rates each facility. Figure 2 shows the large percentage rated as poor or inadequate.

Figure 2
Current Facilities Condition Assessment

OBSOLESCENCE / INADEQUATE FOR THE JOB

Of major concern are the 34 facilities identified in 1996 as functionally obsolete. Seventeen are still in use today. Seven of these have been renovated to remain marginally useful but ten are still inadequate and beyond capital renewal values for continuing any capital investment. These facilities are inadequate for current staffing and provide no potential for adjusting staffing or services. Due to the limited space, the Departments have no flexibility to alter operations and serve the neighborhoods as demands change over time. Figure 3 below identifies the seventeen specific structures with their age, replacement cost and a CRV capital replacement value. Specific details of the ten remaining inadequate facilities are shown in Attachment 2.

\$66.4 MILLION

\$37.15 MILLION

\$103.55 MILLION

FH replacement estimates exclude cost of land

DPS has aligned our priorities to replace these facilities with City-wide goals and determined that the top 5 replacements to be completed include the Municipal Garage, Fire Station 8, Police District 5, Fire Station 49 and the West Fork Incenerator. The Capital Investment required is \$66.4 Million.

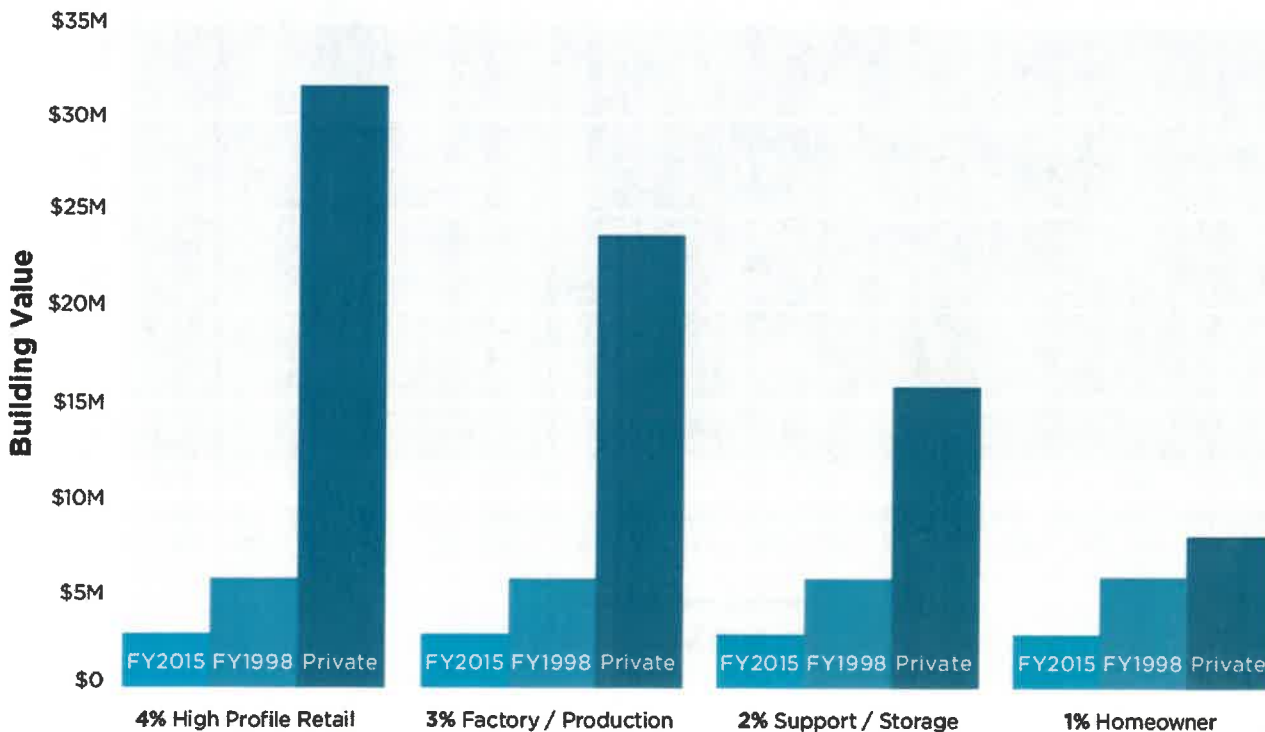

The remaining replacements are to be completed in the following 10-year period. The Capital Investment required is \$37.15 Million. Upon completion, the percentage of facilities ranked as Good to Excellent Condition will increase from 46% to 67%.

ONGOING CAPITAL INVESTMENT

Our facility assets have a replacement value in excess of \$700,000,000. The replacement value helps establish a continuing capital renovation/replacement value for the physical assets. This can be compared to private industries standards for various levels of percentage of total asset value for ongoing financial investments to maintain assets. The below chart, Illustration 4, shows this comparison of DPS's current funding level, 1998 funding level verse first a high end retail space for a similar portfolio which equals 4% of the asset. It progresses through manufacturing to storage support space and a final comparison verse a private homeowner. It is the mission of DPS to provide for the long-term improvement and ongoing capital maintenance for the 2,000,000 sq. ft. of General Fund facilities. This includes all planning, budgeting, emergency response and coordinating with client agencies. Each involves the renovation, replacement of equipment, upgrade of facilities and innovation where and when possible to save historic and not so historic structures. Attachment A shows a running list of DPS facilities with the age, replacement values with a total value. At the current rate of funding we are investing less than an average homeowner investment. We are in essence the bad neighbor nearing the level of slum lord.

Figure 4
Maintenance Cost vs. Industry Standards

Building Value
\$790,340,000

MAINTENANCE AS CAPITAL SUBSTITUTE

In 1996 the average industry expenditure for maintenance of facility assets was \$1.20 per square foot. At that time DPS was funded at 0.65 cents per square foot and as a result of the 1996 report received an increase of Small Infrastructure funds for ongoing maintenance, replacement of equipment beyond lifecycle at a level to catch up with previous years neglect. Today almost twenty years later the industry average is \$2.23 per square foot for sustainable. As of 2015 the maintenance funding level at DPS has dropped back to \$1.36 per square foot and maintenance staffing levels have been reduced by almost 50%. This results in increased deterioration of equipment not fully maintained or funded on a regularly scheduled replacement list as almost \$93,370,000 in maintenance has not occurred at the same time capital funds were not available. There exist an increased potential for equipment and building system failures so staff has coordinated a priority list for mission critical equipment at the sacrifice of other equipment and services. As an example specific services such as the 911 Center consumes higher levels of the limited maintenance dollars due to the lifesaving service it provides.

Figure 5
Maintenance Funding

IMPROVING CONDITIONS AND MOVING FORWARD

The ability to adjust, improvise and overcome has been an unwritten approach to short and long term planning efforts, maintenance decisions and staff assignments. The Service/Product we provide ranges from daily cleaning, maintenance, equipment replacement, space planning, long range planning, structural review, mechanical systems, hazard determinations, development concepts, real estate strategies, art conservation, upgrades and construction whether for renovation or new facilities. We exist so front line agencies can focus on their main purpose of directly serving the public. DPS provides a wide breadth of experience and institutional knowledge working with assets from the 1880's up to today in a government setting. However, that can only go so far and we passed the tipping point over a decade ago so now we are just treading water. We are putting forward a plan of action that addresses primary goals and services of the City. The illustration below shows us increasing the base capital budget by \$5,000,000 per year for a total of \$8,000,000 or 1 % of the assets value. Plus a \$66,400,000 catastrophic funding to address immediate inadequate and obsolete facilities. Followed by \$37,150,000 in secondary replacements. This illustrates the plan to bring our facilities to the level first submitted in 1988 by the Smale Commission.

SUMMARY

There are no outside government sources for funding of facility capital improvements and private donors are far more interested and necessary for building such as Music Hall and the Art Museum. Stewardship of over \$700,000,000 in taxpayer investments are being overlooked and ignored while new grand capital improvements are added elsewhere in the City. At the same time simple upkeep levels have fallen below what we expect of homeowners and our maintenance reductions only increase the potential for losing services at one of these vital buildings.

TODAY WE FACE A DAUNTING REALITY FROM YEARS OF MAKING DUE.

\$103,550,000 for replacing obsolete and inadequate facilities identified in 1996.

\$66,400,000 Immediate Replacements

\$37,150,000 Secondary Replacements

\$8,000,000 a year in ongoing funding to keep what we have in operating condition

APPENDIX 2: Capital Replacement Priorities

FACILITIES PRIORITIES

1. FLEET SERVICES FACILITY \$ 32M

A new Fleet Maintenance Facility would offer not only improved efficiency and reduced maintenance costs; it would also give the opportunity for revenue generation by offering services to other agency fleet owners.

Based on industry best practices, the city can expect to see increased productivity of 10-20% with an improved facility layout. This is prior to any organizational restructuring.

There are significant limitations of existing facility and its site that cannot be effectively improved or corrected. Extensive capital investment is required to keep an inadequate facility merely operating. Items on list could become emergencies at any time, resulting in loss of services.

CFM reviewed the Fleet Services Study lead by CGWW and the former Director of Public Services for scope, cost per sq. ft., new equipment assumptions, and contingencies and then compared those to our current cost data we have in house. With just that brief review we believe we could value engineer the cost down to between \$28,000,000 to \$29,000,000 from the lowest cost option shown. Additionally equipment for use by Fleet Services included in the study budget would need to be determined if it is a Fleet Capital Equipment or Facility Capital cost. Lastly we would review the potential use of PACE financing for any and all energy related items.

2. FIRE STATION #8 \$ 5.5M

Single Apparatus Bay

Hillside site shows signs of constant settlement

Location is not ideal for current service demands

Previous attempts to acquire adjacent land were unsuccessful

Improvements affecting efficiency and fire fighter safety are not possible at existing location

Located at major intersection often causing delays when traffic is blocking egress

3. POLICE DISTRICT 5 \$ 17M

Location is not ideal for current service demands

Site is too small to add necessary functions

Currently operating at ¼ the size required for a comparable district

CPD threat assessment identifies major safety and security issue with current location

Total \$54,500,000

Total after Fleet value engineering \$50,500,000 - \$51,500,000

4. FIRE STATION #49 **\$ 5.5M**

Apparatus Bay doors too small for modern apparatus. Currently only using oldest apparatus that can fit. When this equipment becomes non-functional there will be no apparatus that will fit in this station

Station has two apparatus bays, one of which is not structurally capable of supporting apparatus
Current service demand in this area requires a three-bay station

5. WEST FORK INCINERATOR DEMOLITION **\$ 2.4M**

Deterioration of this structure that has been abandoned since vacant since 1971 poses a significant liability to the City.

Demolition of the structure and remediation the site is recommended

Cincinnati Health Department Capital Priorities and Deferred Capital Maintenance

Capital Priority Needs			
Project	Scope of Work	Cost	Neighborhood
Security Cameras/Video Surveillance System	Installation of various camera solutions throughout the CHDs 10 stand alone clinics, 12 school-based clinics, and various other health facilities that service the public.	\$450,000	Various
Price Hill Health Center Parking Lot Expansion	Acquisition of property adjacent to, or nearby, the Price Hill Health Center, to convert to additional patient parking. Costs would include demolition of existing building(s) and paving/surfacing of the new lot.	\$300,000	Price Hill
Bobbie Sterne Health Center	Renovate 5 dental operatories that are 20+ years old and beyond useful lifecycle	\$80,000	Over the Rhine
Deferred capital maintenance			
Project	Scope of Work	Cost	Neighborhood
Bobbie Sterne Health Center	Install new fire pump	\$40,000	Over the Rhine
Burnet & King	Paint building exterior	\$155,000	Corryville
Burnet & King	Install new breaker panels	\$70,000	Corryville
Burnet & King	Install new fire pump	\$40,000	Corryville
Burnet & King	Call Center Relocation	\$250,000	Corryville
Burnet & King	Boiler - Original to building, 52 years old. \$6,000 was invested into a new controller last year	\$40,000	Corryville
Burnet & King	Roof - Needs full replacement. Spot repairs have been performed to remediate leaks	\$60,000	Corryville
Burnet & King	Elevators - Original to building, 52 years old. \$30K in preventative maintenance spent annually.	\$250,000	Corryville
Burnet & King	Asbestos remediation - All steam piping and water lines. Not drainage lines. Likely all flooring material.	\$350,000	Corryville
Burnet & King	Structural cracks - Observable in basement and 4th floor mechanical room. Condensation and cracks cause water to leak from the roof.	\$150,000	Corryville
Burnet & King	Doors (ext. & int.) - Repeated issues documented with double entry doors on ground floor, automatic sliding doors, and exit door on loading dock. Many interior doors are showing signs of damage and heavy wear.	\$50,000	Corryville
Burnet & King	Window Seals - Air current observable in some offices. Second floor pools water during heavy rain events.	\$60,000	Corryville

Deferred capital maintenance (continued)			
Project	Scope of Work	Cost	Neighborhood
Burnet & King	Breaker Panels - Panels are weak and require frequent resets.	\$20,000	Corryville
Burnet & King	Painting - Paint chipping on building exterior. Especially observable on 4th floor.	\$155,000	Corryville
Burnet & King	Parking Lot Gates - Existing gates are frequently out of service.	\$35,000	Corryville
Burnet & King	3rd Floor convert old lab to admin space	\$300,000	Corryville
Burnet & King	Generator for the entire building	\$260,000	Corryville
Burnet & King	Generator on the 3rd floor for the Vaccines (as alternate to whole building generator)	\$35,000	Corryville
Northside Health Center	Remodel to create co-located peds-provider area near lab	\$15,000	Northside
Northside Health Center	Remodel to create co-located adult-provider area near records room	\$80,000	Northside
Northside Health Center	Generator	\$30,000	Northside
Price Hill	Reseal & restripe parking lot	\$15,000	Price Hill
Price Hill	Generator	\$30,000	Price Hill

Site currently under construction.

Service life of a building is infinite as long as the building undergoes a minor renovation every 10 years and a major renovation every 20 years. The major renovation would replace worn out and out dated mechanical and life safety equipment. The interior would also be updated to meet the changing requirements of The Building Codes.

Service life of a building is infinite as long as the building undergoes a minor renovation every 10 years and a major renovation every 20 years. The major renovation would replace worn out and out dated mechanical and life safety equipment. The interior would also be updated to meet the changing requirements of The Building Codes.

CPB - Priority Deferred Maintenance Projects 9.23.2022

Rank	Park	District	Neighborhood	Proposed Project	Budget	Comments
1	Smale Riverfront Park	WATERFRONT	Downtown	Smale Rivers Edge	\$ 3,000,000	Significant (6+ feet) of erosion is occurring along the river edge at the west end of CPB-controlled property. Discussion is already underway with the USACE to armor the riverfront with a hard edge. Properly completed, this project will cost in excess of \$15,000, with matching, funding and grant potential to close funding gaps. All funding allotted to this effort will be used for armoring of the river edge.
2	Fairview Park	WEST	CUF	Overlook Stabilization	\$ 750,000	Parks is awaiting the results of August 2022 geotechnical borings to inform the next steps in design and stabilization of these historic overlooks. All funding allotted to this effort would be placed toward stabilization, erosion control and restoration of these overlooks.
3	California Woods	EAST	California	Additional Stream Restoration Funding beyond FY23	\$ 2,000,000	This project will focus on the sustainable stabilization of the tributaries and stream within California Woods that are eroding with the more recent intensified rainfall events. The tributary and stream armoring and repairs will inform the remaining road stabilization work to ensure the preserve remains accessible from Kellogg Avenue.
4	Bellevue Park	CENTRAL	CUF	Pavilion / Park Sliding Renovation	\$ 2,250,000	The historic Bellevue Pavilions are beginning to slide, and need to be properly stabilized. The loop road will be isolated from illegal car parking via removable bollards. The pavilion floor will be stabilized and the grade lowered to reduce people climbing on and defacing the historic the concrete overhangs. Accessible parking features will be added to ensure inclusive enjoyment of the overlook.
5	McEvoy Park	WEST	College Hill	Safety, Circulation, Pavilion and Playground	\$ 1,500,000	The wide roadway and loop configuration make this park a haven for drug trafficking and other nefarious use that prevent other from enjoying the park. The intent of this project will be to narrow and constrict the loop road from vehicle traffic, install an overdue new playground with safety buffers, install fencing and strategic plantings to activate the park, protect and separate amenities and promote safety.
6	Mt. Echo Park	DISTRICT 1	East Price Hill	Pavilion Restoration (Under Design)	\$ 2,000,000	Several drainage and degradation issues at the pavilion exist, that if not dealt with soon will shortly lead to much more significant maintenance challenges. Pavilion and drainage remedies are currently under design. This work will include accessibility improvements to the pavilion.
7	Glenway Park	WEST	East Price Hill	Invasives Removal, Playground Replacement	\$ 300,000	The invasive species that have grown along the eastern and western park edges seclude the majority of the park from sight. The playground is also in need of replacement. Under this project, the invasive species will be removed and playground will be replaced to promote safe, visible use of the space.
8	Ault Park	EAST	Hyde Park	Cascade Restoration	\$ 2,500,000	The historic cascades below the Ault Pavilion are in need of a full restoration in the next three years prior to significant failure and limestone degradation. The recirculating pumping system and associated appurtenances also need replaced and reconfigured to be more environmentally sustainable.

Sum of Priority Maintenance Projects:	\$ 14,300,000

Neighborhood Capital Proposed RFP Process

2022 Catalytic Neighborhood Capital Investment Program

Description: This new program will provide resources for catalytic projects within the City’s neighborhoods. Projects funded through this program are evaluated based on their ability to create a catalytic impact to stabilize and revitalize neighborhoods.

Funding Awards: Recommendations for funding awards are determined based on the project’s needs, total project costs, the strategic priorities and scoring methodology outlined below, and funding availability. Projects may be awarded:

- Funding up to 25% of the total project costs and at a maximum not to exceed \$2 Million.
- Funds contributing towards expenditures (e.g. hard construction costs).

Also, the project must show it would not be financially feasible if limited to only real estate tax incentives or other available DCED programs.

Strategic Priorities: The following strategic priorities will be weighed in making funding recommendations:

- Priority will be given for projects based in neighborhoods that have historically received less investment as compared to other City neighborhoods.
- Priority will be given to projects that include a substantial amount of investment in real estate development relative to the average real estate development in the neighborhood surrounding the project.
- Priority will be given to projects that can show demonstrated ability to commence construction in the 18 months following a City contract.
- Resources will be further targeted to viable, market-driven, and mixed-use development in Strategic Investment Areas and Neighborhood Revitalization Strategy Areas, listed here:

Strategic Investment Areas

NRSA (Strategy Area)

Avondale NRSA
Bond Hill NRSA
Camp Washington NRSA
College Hill NRSA

English Woods NRSA	South Cumminsville
Mt. Airy NRSA	Millvale
North Fairmount NRSA	West End
South Fairmount NRSA	
Roselawn NRSA	
Winton Hills NRSA	

Scoring Criteria: (100 points total) – Note point totals are for preliminary discussion purposes and will be weighed in conjunction with how a project meets the strategic priorities above:

1. **Neighborhood Impact (~20 points)**
 - a. Project meets a goal or major need identified in the neighborhood plan and/or community vision plan.
 - b. Project has a demonstrated ability to reactivate additional sites within a two-block radius and serves as a neighborhood revitalization catalyst.
2. **Benefit to Strategic Investment Areas (~20 points):**
 - a. Project impacts Low/Mod job creation, Low/Mod area benefit, or the removal of Slum and Blight.
 - b. Creates a benefit to a NRSA or CDBG local target area, listed above.
3. **Job Creation (5 points):**
 - a. Project directly results in verifiable job creation or retention.
4. **Community Support (20 points):**
 - a. Project demonstrates community support and has written confirmation from, but not limited to, community council, business association, community development corporation, and other stakeholders.
5. **Project Scope and Budget (~10 points):**
 - a. Applicant clearly explains the work needed to complete the project.
 - b. Applicant has outlined a thorough and reasonable budget with line items verified through quotes and bids.
 - c. Project ready to start construction within 18 months from City contract
6. **Private Leverage (~10 points):** Budget demonstrates direct (project specific) private leverage.
 - a. Amount of committed funding in place.
 - b. Applicant has explained a funding strategy that at least 75% of other funds are or will be committed to the project.
 - c. Private leverage/committed funds shall be secured within 18 months from City award.

7. **Organization's Capacity (~10 points):**
 - a. Applicant has the capacity to carry out the project and complete the construction activities.
 - b. Applicant demonstrates the ability to occupy and operate the intended business venture and underwriting of the operating budget shows strong backing.
 - c. Applicant has ability to operate for at least a ten-year period.
8. **Completeness of Application (5 points):** Applicant submitted a completed application along with the applicable supporting documents verifying budgets, financial commitments, and direct benefits.
 - a. Applicant has submitted a complete financial assistance application.
 - b. Complete Balance development Priorities Scoring sheet submitted with application.

Application, Evaluation Committee, and Appropriation: DCED will develop an application for all interested parties to submit for this program within a set time.

An evaluation committee will score and evaluate responses to the application. The evaluation committee will consist of five City staff (to be selected by the City Manager), one representative from Invest in Neighborhoods, and one representative from Homebase.

Following evaluation and scoring, the Administration will submit recommendations for project funding to Council for a final determination and appropriation.

SUBJECT: Department of Finance Report for the Fiscal Year Ended June 30, 2022 (unaudited)

The following report provides an overview of the City of Cincinnati’s financial condition for the fiscal year (FY) ending June 30, 2022. Final revenue and expenditures are compared against the estimates for the fiscal year. Revenues and expenditure trends are reviewed, followed by an explanation of the General Fund’s year-end carryover balance.

General Fund 2022 Fiscal Year-End Balance

As shown in the summary table below, the City’s General Fund ended FY 2022 with an actual carryover amount of \$85.1million including \$7.2 million net FY 2021 carryover. This represents an increase in the FY 2022 carryover balance of \$77.9 million. This is primarily the result of revenues exceeding the estimate by \$7.5. million, the cancellation of \$2.8 million in prior year encumbrances, and expenditure savings of \$85.6 million. Revenue estimates included \$67.5 million in ARPA revenue; however, based on guidance from the U.S. Treasury the ARPA revenue was receipted to Fund 469 and \$67.5 million dollars of General Fund expenditures were paid directly from that fund thus decreasing the actual revenue and expenditures in the General Fund.

What follows is a brief explanation of resources received and expenditures that occurred throughout the year to achieve the ending FY 2022 carryover balance.

Total Resources

General Fund Revenues – Actual FY 2022 revenues of \$470.9 million were above revenue estimates of \$463.4 million by \$7.5 million, or 1.61%. Overall revenues ended above the estimates due to strong income tax collections in the fiscal year and continued positive collections in several other areas throughout the year. Below are factors that affected revenues:

Favorable Variances:

- Income Tax revenues exceeded estimates by \$59.8 million. Refunds and withholding changes due to the shift to remote work were significantly lower than estimated; however, the refund liability will remain for three years from the date the income tax was due.
- Admission tax collections were \$3 million better than expected. The FY 2022 estimates were conservative due to the unknown level of response to the ongoing pandemic. However, events returned for most of the fiscal year and new entertainment venues were added both contributing to the favorable variance.
- Short Term Rental Excise Tax exceeded estimates by \$949k. The contract with a third-party contractor to help identify short term rentals and ensure compliance resulted in a significant increase in the number of registrations leading to the variance.
- License and Permit fees were \$1.5 million above the estimate primarily due to building permits trending toward pre-pandemic levels along with increased heating & ventilating permits.
- Casino revenue outperformed estimates by \$2.0 million, which were set at pre-pandemic levels.

Unfavorable Variances:

- Other revenue ended the year \$70.4 million below the estimate due to a change in how \$67.5 million of ARPA revenue was receipted. Based on guidance received from the U.S. Treasury, ARPA dollars could not be receipted to the General Fund. Instead, it was required that they be segregated in their own fund, Fund 469, thus resulting in a large negative revenue variance in the General Fund.

Total Expenditures

Actual FY 2022 operating expenditures of \$359.2 million, which are a combination of actual expenditures and encumbrances, were less than the Approved FY 2022 Budget by \$85.6 million. This total includes \$3.2 million of one-time expenditures that were approved during FY 2022 but are not recurring annual expenditures. The majority of these savings resulted from a required accounting change based on guidance from the U.S. Treasury which required the ARPA revenue to be receipted in Fund 469 vs. the General Fund and therefore \$67.5 million dollars of General Fund expenditures were paid directly from Fund 469 vs. the General Fund. This resulted in a large reduction in revenue and expenditures in the General Fund.

Cancelled Encumbrances

Cancelled encumbrances are prior year planned or anticipated expenditures that did not materialize into actual expenditures in the current fiscal year. Cancelled encumbrances effectively return resources back to the fund balance of the General Fund and thereby contribute to the carryover balance. The Finance Department reviewed prior year encumbrances with departments and cancelled some prior year encumbrances to achieve additional savings for FY 2022. In FY 2022, actual cancelled prior year encumbrances were \$2.8 million.

FY 2022 Final Reserve Balances

Section 1. That the sum of \$5,000 is hereby transferred and appropriated from the unappropriated surplus of General Fund 050, the source of which is FY 2022 Carryover Balance, to the City Manager’s Office non-personnel operating budget account no. 050x101x7400, effective July 1, 2022, for the purpose of providing additional one-time leveraged support finding for the St. Vincent de Paul Society’s Eviction Prevention Initiative (the “Initiative”).

Section 24. That all terms of Ordinance No. 0224-2022 not amended in this ordinance remain in full force and effect.

Section 25. That Sections 1 and 2 of Ordinance No. 0257-2022, approved by Council on August 3, 2022, are hereby amended as follows:

Section 1. That the sum of \$5,000 is hereby transferred and appropriated from the unappropriated surplus of General Fund 050, the source of which is FY 2022 Carryover Balance, to the City Manager's Office General Fund non-personnel operating budget account no. 050x101x7400 for the purpose of providing one-time resources for the Christ Temple Baptist Church summer camp program.

Section 2. That the sum of \$5,000 is hereby transferred and appropriated from the unappropriated surplus of General Fund 050, the source of which is FY 2022 Carryover Balance, to the City Manager's Office General Fund non-personnel operating budget account no. 050x101x7400 for the purpose of providing one-time resources to 1N5.

Section 26. That all terms of Ordinance No. 0257-2022 not amended in this ordinance remain in full force and effect.

Section 27. That Section 1 of Ordinance No. 0278-2022, approved by Council on September 8, 2022, is hereby amended as follows:

Section 1. That the sum of \$4,950 is hereby transferred and appropriated from the unappropriated surplus of General Fund 050, the source of which is FY 2022 Carryover Balance, to the Law Department's General Fund non-personnel operating budget account no. 050x111x7200 for the purpose of providing one-time resources for continuing legal education for Law Department personnel.

Section 28. That all terms of Ordinance No. 0278-2022 not amended in this ordinance remain in full force and effect.

Section 29. That a new balance sheet reserve account no. 050x3440, "Infrastructure and Capital Project Reserve," is established within the General Fund 050 for the purpose of providing resources for subsequent appropriation by Council for identified one-time infrastructure and capital projects for identified urgent needs or as part of the next annual budget cycle.

Section 30. That the transfer of the sum of \$7,294,178 from the unappropriated surplus of the General Fund 050 to the newly established balance sheet reserve account no. 050x3440, "Infrastructure and Capital Project Reserve," is hereby authorized for the purpose of providing resources for subsequent appropriation by Council for identified one-time infrastructure and capital projects for identified urgent needs or as part of the next annual budget cycle.

Section 31. That the Affordable Housing Trust Funding – GF CO; Neighborhood Business District Support – GF CO; Convention Center District – GF CO; OTR Outdoor Improvements – GF CO; CEAI – GF CO; and Minority Business Accelerator-Ascend – GF CO capital improvement program projects are hereby declared to serve a public purpose because the projects will foster local improvements and investment and increase neighborhood vitality and because each project has an estimated life or period of usefulness of five years or more.

Section 32. That the appropriate City officials are hereby authorized to do all things necessary and proper to implement the provisions of Sections 1 through 31 herein.

Section 33. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to accomplish the authorized transfers and appropriations so that the funding described herein is in place immediately and so that the necessary expenditures described herein may be made as soon as possible.

Subject: Ordinance – DECD: Emery Theatre - TIF

Attached is an Ordinance captioned:

AUTHORIZING the establishment of new capital improvement program project account no. 980x164x231620, “Emery Theatre-TIF,” for the purpose of providing resources to assist with the acquisition and renovation of the Emery Theatre located at 1112 Walnut Street and 100 East Central Parkway; **AUTHORIZING** the transfer and appropriation of the sum of \$1,000,000 from the unappropriated surplus of Downtown OTR East Equivalent Fund 483 to newly established capital improvement program project account no. 980x164x231620, “Emery Theatre-TIF”; and **DECLARING** that expenditures from newly created capital improvement program project account no. 980x164x231620, “Emery Theatre-TIF,” to be a public purpose and constitute a “Public Infrastructure Improvement” (as defined in Section 5709.40(A)(8) of the Ohio Revised Code), that will benefit and/or serve the District 4-Downtown/OTR East District Incentive District, subject to compliance with Ohio Revised Code Sections 5709.40 through 5709.43.

Approval of this Ordinance authorizes the transfer and appropriation of \$1,000,000 from Downtown/OTR East Equivalent Fund 483 to newly created capital improvement program project account no. 980x164x231620, “Emery Theatre-TIF,” to provide resources to assist with the acquisition and renovation of the Emery Theatre or with other public improvements related to Emery Theatre, which will provide a permanent performance space for The Children’s Theatre of Cincinnati, enhance the revitalization of Over-the-Rhine (OTR) by connecting the Central Business District and OTR. The OTR Community Council and the Pendleton Community Council have each provided a letter of support for the project.

This ordinance is subject to the City's business list as the development incentive value of \$1,000,000 exceeds \$100,000 in a given year.

Investing in a permanent performance space for The Children’s Theatre of Cincinnati and the renovation the Emery Theatre in is in accordance with the “Compete” goal to “foster a climate conducive to growth, investment, stability, and opportunity,” as described on pages 103-113 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.

WHEREAS, the Emery Theatre is an important asset to the City and the community in the heart of Over-the-Rhine (“OTR”); and

WHEREAS, restoration of the Emery Theatre will provide a permanent performance space for The Children’s Theatre of Cincinnati, enhance the revitalization of OTR by connecting the Central Business District and OTR, and is estimated to create approximately 65 full-time temporary construction jobs over the fifteen-month construction period in addition to retaining 32 permanent FTEs; and

WHEREAS, the Department of Community and Economic Development presented the proposed Emery Theatre project to the OTR Community Council on July 25, 2022, and to the Pendleton Community Council on August 1, 2022, garnering support for the project; and

WHEREAS, the OTR Community Council and the Pendleton Community Council have each provided a letter of support for the project; and

WHEREAS, this ordinance is subject to the City's business list, as the development incentive value of \$1,000,000 exceeds \$100,000 in a given year; and

WHEREAS, investing in a permanent performance space for The Children’s Theatre of Cincinnati and the renovation of Emery Theatre is in accordance with the “Compete” goal to “[f]oster a climate conducive to growth, investment, stability, and opportunity,” as described on pages 103-113 of *Plan Cincinnati* (2012); now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That new capital improvement program project account no. 980x164x231620, “Emery Theatre-TIF,” is hereby established for the purpose of providing resources to assist with the acquisition and renovation of the Emery Theatre located at 1112 Walnut Street and 100 East Central Parkway.

Section 2. That the transfer and appropriation of the sum of \$1,000,000 from the unappropriated surplus of Downtown OTR East Equivalent Fund 483 to newly established capital improvement program project account no. 980x164x231620, “Emery Theatre-TIF,” is hereby authorized for the purpose of providing resources for the acquisition and renovation or other public improvement of the Emery Theatre.

Section 3. That Council hereby declares that the “Emery-Theatre-TIF” capital improvement program project (a) constitutes a Public Infrastructure Improvement (as defined in Section 5709.40(A)(8) of the Ohio Revised Code) that will benefit and/or serve the District 4-Downtown/OTR East District Incentive District, subject to compliance with Ohio Revised Code Sections 5709.40 through 5709.43; and (b) serves a public purpose because the project will create jobs, enhance the revitalization of Over-the-Rhine, and provide a permanent space for The Children’s Theatre of Cincinnati.

Section 4. That the proper City officials are authorized to do all things necessary and proper to carry out the terms of Sections 1 through 3 hereof.

Section 5. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Subject: **Emergency Ordinance – MODIFYING the Salary for the Employment Classification of Police Recruit**

Attached is an Emergency Ordinance captioned:

MODIFYING the salary schedule for the classification of Police Recruit by amending existing Section 376 of Division POL, Chapter 307, of the Cincinnati Municipal Code to establish a new salary schedule for said classification.

The Human Resources Director has approved the request for this ordinance to modify the salary schedule of Police Recruit. The recommended salary schedule adjustment for the Police Recruit is based upon the safety and general welfare of the public as well as recruitment and retention. With these factors in consideration, the goal is to enact the ordinance prior to the start of the recruit class. Ensuring an efficient and timely recruitment process is essential for the protection of our citizens.

The Administration recommends approval of this Emergency Ordinance.

EMERGENCY

City of Cincinnati

KKF *ESW*

An Ordinance No. _____ -2022

MODIFYING the salary schedule for the classification of Police Recruit by amending existing Section 376 of Division POL, Chapter 307, of the Cincinnati Municipal Code to establish a new salary schedule for said classification.

WHEREAS, the City of Cincinnati Police Department (“CPD”) employs personnel under the classification of Police Recruit who, upon completion of the recruit class, will be promoted to the position of Police Officer, and will provide services for the purpose of protecting life and property, preventing crime, enforcing laws and ordinances, arresting violators, making forcible arrests when necessary, investigating accidents and complaints, securing evidence, and preserving the peace within an assigned beat (geographical unit) within the City; and

WHEREAS, there was a significant decrease in the number of applicants for Police Recruit between 2020 and 2021, so the modified salary rates provide opportunities to attract and retain Police Recruits which will enhance safety in the City; and

WHEREAS, the City’s Human Resources Department has determined that modification of the salary schedule for Police Recruit is consistent with the market and the scope of services provided and the level of responsibilities for the position, and is necessary for the recruitment and retention of quality Police Recruits; and

WHEREAS, in addition to modifying the salary schedule, in order to recruit and retain Police Recruits to better serve Cincinnati residents, the CPD has determined to create a bonus plan of compensation; and

WHEREAS, under the bonus plan, each Police Recruit will receive a sign-on bonus of \$2,000 after successful completion of the recruit class; and

WHEREAS, a Police Recruit may also receive an additional sign-on bonus of up to \$2,000 for lateral experience in accordance with criteria established under the authority of the City Manager; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That existing Section 376 of Division POL, Chapter 307 of the Cincinnati Municipal Code is hereby amended as shown below:

Classification	Hourly	Annual
Police Recruit	\$19.18 <u>\$25.00</u>	\$39887.26 <u>\$52,000</u>

Section 2. That a bonus plan of compensation is authorized for the Police Recruit classification to permit a sign-on bonus of \$2,000, plus an additional sign-on bonus of up to \$2,000 for lateral experience in accordance with criteria established under the authority of the City Manager.

Section 3. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to adjust the compensation of the Police Recruit classification to ensure competitive recruitment and retention for the 2022-2023 recruit class.
