Leslie Maloney is Senior Vice President and Education Program Manager of the Carol Ann and Ralph V. Haile, Jr. Foundation. The independent family Foundation was created to enhance the quality of life in the Greater Cincinnati/Northern Kentucky region, concentrating its efforts and resources in support of community development, arts and culture, education and human services. The Foundation funds across a ten-county region in Southwest Ohio, Northern Kentucky, and Southeast Indiana.

Leslie joined the Foundation at its inception in 2007, first as a Board member and then as staff to oversee its educational investments, primarily supporting disadvantaged children in the region's urban core along the cradle to career continuum. Recognizing that education is a key driver of economic growth, community vibrancy and individual success, she convenes, connects and catalyzes efforts to drive systemic change across the educational ecosystem. Leslie also provides students opportunities to experience the many educational and cultural assets the community has to offer. Her more recent investments reflect a greater emphasis on early learning initiatives – from birth through third grade – to ensure every child has an equitable start on his or her lifelong journey to success.

Prior to holding this position, Leslie enjoyed a 28-year career in human resources both in the corporate arena and later as a consultant for Hewitt Associates (now Aon).

Leslie is a graduate of the Cincinnati USA Chamber's Leadership Cincinnati Class 32. She serves on the Cincinnati Business Committee Education Task Force, the Greater Cincinnati STEM Collaborative Advisory Board, the School Board School Advisory Board and the Cradle to Career Cincinnati Board. Leslie also chairs the Every Child Capital Fund Advisory Board, the Teach For America of Southwest Ohio Advisory Board and is the Board President for Cincy Red Bike.

Leslie earned a BA in economics from Smith College. She and her husband, Tim, who leads the Haile Foundation, reside in East Walnut Hills and have two sons currently residing in Cincinnati and Denver.
