MOTION

To Report on the Contract Status for FY25 Funding Recipients

WE MOVE that the Administration provide a report within 30 days on contract status for all FY2025 NBDIP recipients and all FY2025 Leveraged Support recipients.

We further move that this report be updated monthly until all recipients are under contract.

STATEMENT

It is a priority of this Council that we deliver funding contracts to our community partners in a timely manner.

We seek this report to update us on who has been awarded funding, how much funding they have been awarded, and the status of their contract. The status should be either completed, waiting on City, waiting on partner or not yet provided. The report should also include the last date of contact or when the final executable contract was signed.
