MOTION**, submitted by Councilmembers Seelbach and Young, **WE MOVE** that the Administration convert the underutilized block of W 12th, between Central Ave & Central Parkway to long term metered parking at the same rate structure as the adjacent parking in existence on Central Ave, for the purpose of providing price sensitive workers & visitors increased parking options while better utilizing a city asset. This block of Parking in the West End adjacent to Over-the-Rhine has one of the lowest meter utilizations in the greater Downtown area, at below 15% utilization on average, as compared with the national standard goal of 85% utilization (for comparison, Vine Street often surpasses 90% utilization). Providing price sensitive low & moderate wage workers and guests an appropriately priced long term parking solution in a low demand area will increase overall meter utilization & provide diverse parking options for the urban core.

- 41. MOTION**, submitted by Councilmembers Seelbach, Sundermann, Kearney and Young, **WE MOVE** that the Administration immediately begin a thorough review of President Joe Biden's Infrastructure Investment & Jobs Act, a part of the Build Back Better Plan. This review should serve to prepare the City for any and all opportunities to capitalize on the maximum amount of eligible funding that will become available through its passage, and put the city in competitive position to apply for grants and receive other funds as they become available in the coming months. **WE FURTHER MOVE** the Administration return with a report to council, summarizing all aspects of the bill that could impact Cincinnati, if any policy direction is required for the administration to maximize its funding & grant applications, and how the administration plans to prepare applications (including the need to identify potential matching funds) so that Cincinnati taxpayers receive the greatest impact for urban infrastructure improvements. This review should be completed in approximately 45 days.
