University of Cincinnati

Driving Sustainable Change on Campus & Beyond
Earth Day 2025

Mission Statement

Our mission is to shift the narrative around sustainability and organizational practices to create transformative awareness in student mindsets of **all disciplines at UC**. Through fun, beautiful, and collaborative experiences we develop **conscious leaders** that understand the importance of the **triple bottom line**.

Founded in 2022, the student organization is affiliated with the UC Center for Entrepreneurship.

Our Goals

**Organize action
across campus to
achieve 3
fundamental goals:**

1

**Make UC's operations and campus
more sustainable**

2

**Nurture sustainable culture
amongst communities**

3

**Equip student leaders with green
skills to support goals 1 and 2**
