Attached is an Ordinance captioned:

ESTABLISHING new capital improvement program project account no. 980x233x222365, “Dutch Colony TA Grant”; **AUTHORIZING** the City Manager to accept and appropriate grant resources in the amount of up to \$97,243 from the Transportation Alternatives grant program, awarded by the Ohio-Kentucky-Indiana Regional Council of Governments, to newly established capital improvement program project account no. 980x233x222365, “Dutch Colony TA Grant”; **AUTHORIZING** the Director of Finance to deposit the grant resources into newly established capital improvement program project account no. 980x233x222365, “Dutch Colony TA Grant,” for the purpose of constructing a sidewalk and safety improvements along Dutch Colony Drive from Winton Road to Winton Ridge Lane; and further **AUTHORIZING** the City Manager to execute any agreements necessary for the receipt and administration of these grant resources.

This Ordinance establishes new capital improvement program project account no. 980x233x222365, “Dutch Colony TA Grant” and authorizes the City Manager to accept and appropriate grant resources totaling up to \$97,243 from the Transportation Alternatives (TA) grant program, awarded by the Ohio-Kentucky-Indiana (OKI) Regional Council of Governments, to the “Dutch Colony TA Grant” capital improvement program project account. This Ordinance also authorizes the Director of Finance to deposit the grant resources into the “Dutch Colony TA Grant” capital improvement program project account for the purpose of constructing a sidewalk and safety improvements along Dutch Colony Drive from Winton Road to Winton Ridge Lane. This Ordinance authorizes the City Manager to execute any agreements necessary for the receipt and administration of these grant resources.

City Council authorized the TA grant application in Ordinance No. 0205-2021, and City Council authorization is now required to accept and appropriate grant resources.

This grant requires local matching resources totaling \$97,243, which are available in existing capital improvement program project accounts. No new FTEs are required.

The Dutch Colony TA Grant sidewalk and safety improvements are in accordance with the “Connect” goal to “[d]evelop an efficient multi-modal transportation system that supports neighborhood livability,” and the strategy to “[e]xpand options for non-automotive travel,” as described on pages 129-134 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
