## Here to support Mayor Aftab Pureval Ordinance Proposal:

1. **202302212** *“Impoundment of Motor Vehicles Used to Facilitate Illegal Dumping”*
2. **202302207** *“Program regarding fencing of vacant lots with chronic nuisance violations”*

### Illegal Dumping Abatement

- Providing resources to remove litter and debris
- Bridging communication between communities and government agencies to address dumping hot spots
- Monitoring chronic dumping locations to aide law enforcement + City officials

- Some neighborhoods are **plagued** by **chronic illegal dumping**
- Many communities hard hit with acts of environmental crimes are also those with the **highest economic despair**, leaving the residents with little to few resources to tackle the problem
- Illegal dumping has a **detrimental impact** on Cincinnati's **environmental, economic and social health**
- *A reduced quality of life*

## Public Health

- Mosquito or disease carrying pests
- Air, soil, and water contamination
- Exposure to harmful or hazardous materials
- Can leach into local waterways, which ultimately contributes to oceanic pollution
- Attracts other crimes
- Social-well being and overall community moral

- Monitor on average **30 dumpsites each month**
- We captured **278 illegal dumping incidents on camera this year** (January 2023 to September 2023)

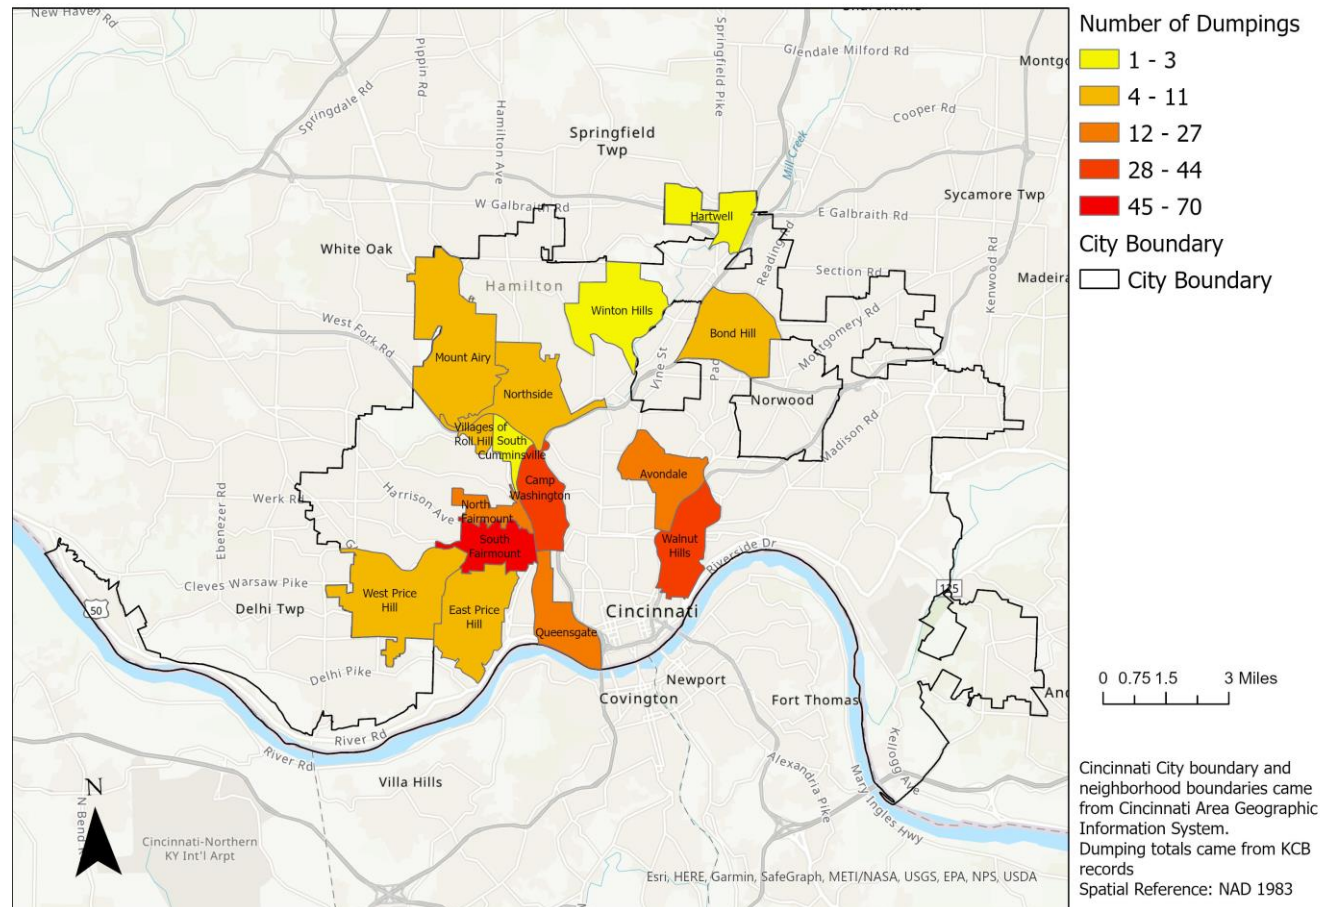

# Number of Dumping Incidents by Neighborhood

Jan. 1 - Sept. 30, 2023 Dumping Incidents

- South Fairmount
- Walnut Hills
- Camp Washington
- Avondale
