## MOTION

We MOVE that the City Administration engage in a collaborative review of city housing incentives & zoning policies with the express purpose of matching incentives with Mayoral & Council priorities of increased housing development within the City of Cincinnati, specifically including mixed-income, workforce, and affordable housing developments.

We FURTHER MOVE that this review process should include stakeholder engagement sessions that are racially & economically diverse, including renters, homeowners, M/WBE developers, large developers, and tenant advocacy & assistance organizations, among others.

Topics of review should include zoning reforms to remove barriers to new, high-quality housing and to pursue policies targeting our most lucrative tax incentives to mixed-income, workforce, and affordable developments.
