12. [202100294](#) **MOTION**, submitted by Councilmember Landsman, **WE MOVE** that the Administration draft legislation establishing a Minority Real Estate Development Capacity Building Program to support the mentorship of minority real estate development professionals. This program should lift up and provide additional opportunities for minority developers, especially Black real estate professionals who have the potential to be leaders of new minority-led commercial development firms. This is part of the City's larger "Balanced Development" efforts to ensure real inclusion of development efforts in Cincinnati. The proposed program, requiring ~\$150,000 in funding, would extend opportunities for minority developers to actively participate in and shape an inclusive growth strategy for the City - one that integrates the new Balanced Development Scorecard proposed by my office. The program would draw from similar successful efforts in Detroit, where in they created an "Equitable Development Initiative." Our efforts should build on best practice efforts such as this one, as well as others around the Country (spelled out in the Administration's 2020 Balanced Development Report to Council).
13. [202100296](#) **MOTION**, submitted by Councilmember Landsman, Similar to actions taken in Memphis and Minneapolis, according to the City's 2020 Balanced Development Report, **WE MOVE** that the City pursue zoning changes to allow for per-property waivers on parking minimums and density requirements for affordable housing projects.
