Subject: Emergency Ordinance – Parks: Glenway Park Improvement Grant

Attached is an Emergency Ordinance captioned:

AUTHORIZING the establishment of capital improvement program project account no. 980x203x252042, “Glenway Park Improvement – ODNR,” to provide grant resources for improvements to Glenway Park; **AUTHORIZING** the City Manager to apply for, accept, and appropriate a grant of up to \$50,082 from the Ohio Department of Natural Resources NatureWorks grant program to newly established capital improvement program project account no. 980x203x252042, “Glenway Park Improvement – ODNR,” to provide grant resources for improvements to Glenway Park; and **AUTHORIZING** the Director of Finance to deposit the grant resources into newly established capital improvement program project account no. 980x203x252042, “Glenway Park Improvement – ODNR.”

Approval of this Emergency Ordinance will authorize the City Manager to apply for, accept, and appropriate a grant of up to \$50,082 from the Ohio Department of Natural Resources (ODNR) NatureWorks grant program to newly established capital improvement program project account no. 980x203x252042, “Glenway Park Improvement – ODNR,” for the construction of a playground and other park amenities at Glenway Park.

The ODNR grant requires a minimum 25% local match, which will be covered by existing resources from the “Park Infrastructure Rehabilitation” capital improvement program project account. There are no new FTEs/full time equivalents associated with the grant. Since the total cost of the project is anticipated to be \$500,082, the Parks Foundation is expected to contribute up to \$300,000 toward the total cost of the project.

Securing grant funding for improvements to Glenway Park is in accordance with the “Sustain” goal to “[p]reserve our natural and built environment” and the “Collaborate” goal to “[w]ork in synergy with the Cincinnati community” and the strategy to “[u]nite our communities” as described on pages 193 and 209-211 of Plan Cincinnati (2012).

The reason for the emergency is to accept grant resources in a timely manner to comply with grant deadlines and ensure that the City does not experience increased pricing due to delays in acceptance.

The Administration recommends passage of this Emergency Ordinance.
