CPD Restructure Plan

Old District Structure

New District Structure

What Does Restructuring Mean?

Taking a Data-Driven approach

- CPD will soon operate with 4 districts (not including Central Business Section)

Projected Timeline: End of 2023

Requirements for this to happen:

- Realignment district boundaries
- Redistribution of personnel
- Facility enhancements
- Community awareness

There will be no disruption of police services.

What Went into Making this Decision?

Comprehensive Review of:

Calls for Service

- Violent, non-violent, and proactive
- Response times
- Spatial distance calculations

Crime

- Violent and property

Population (2022 Estimates)

- Volume/density

Optimal Staffing Levels

- Personnel allocation
- Efficiency in staffing

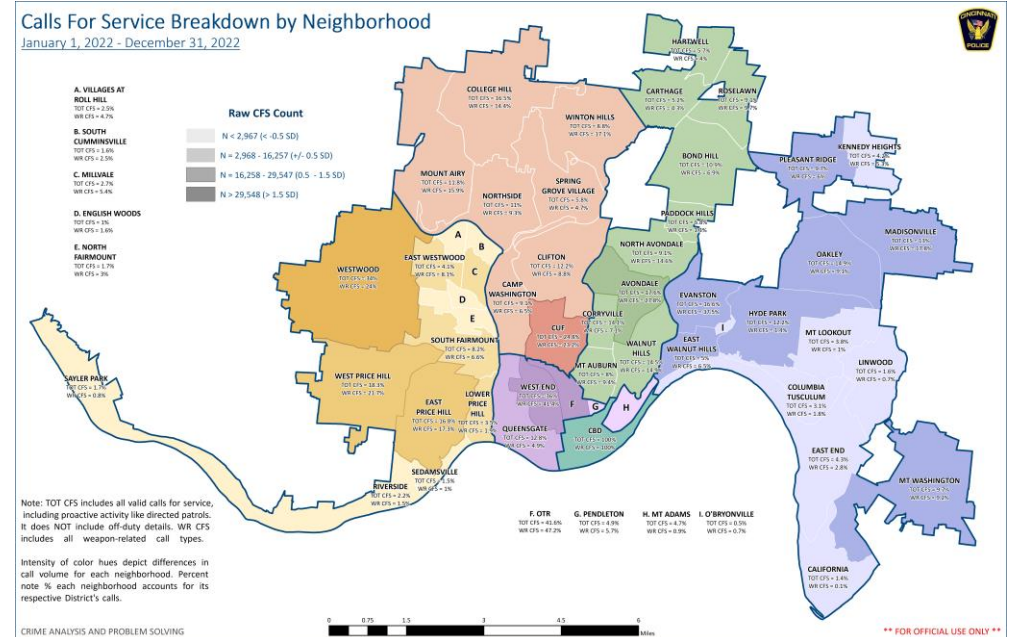

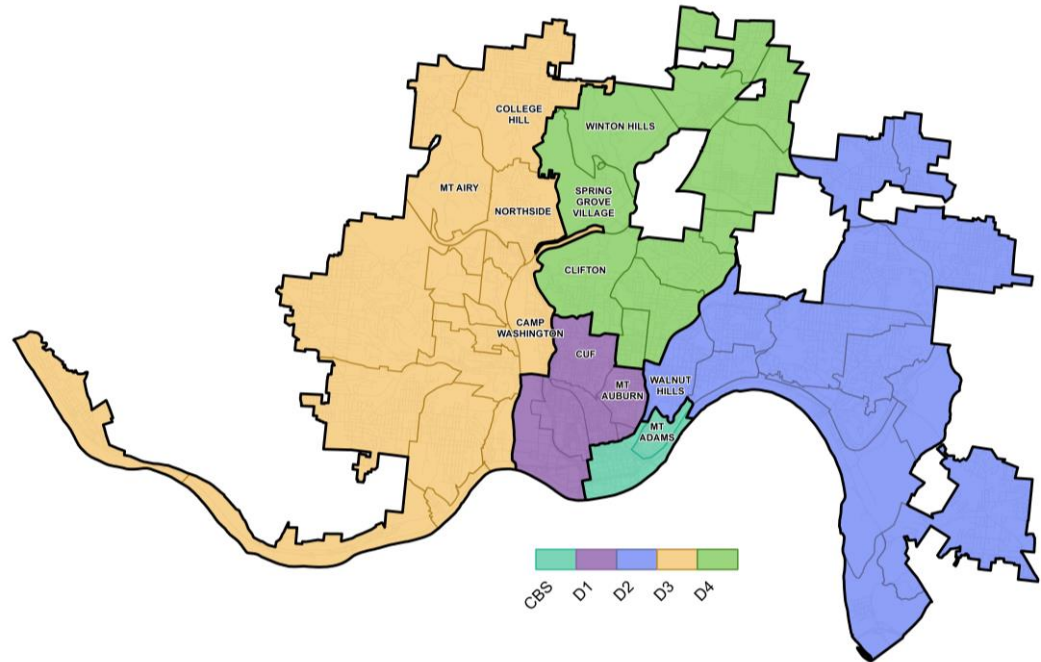

Figure B. Example of Calls for Service Map

How Will This Affect My Community?

Neighborhood	Current District	New District
College Hill	D5	D3
Mt Airy	D5	D3
Northside	D5	D3
Camp Washington	D5	D3
Winton Hills	D5	D4
Spring Grove Village	D5	D4
Clifton	D5	D4
CUF	D5	D1
Mt Auburn	D4	D1
Walnut Hills	D4	D2
Mt Adams	D1	CBS

How Will This Affect Police Services?

Police services will not be impacted by this restructuring plan. Meaning, response times have been carefully analyzed to assure efficiency and adequate response to emergencies.

Police facilities are not hubs for officers to respond to and from calls for service. Patrol vehicles are an officer's workplace.

What occurs at district facilities:

- Roll Calls (start and secure from location)
- Station Runs (bathroom or evidence storage)
- Public appearing in-person to file police reports

How Will Current Personnel Be Redistributed?

Patrol Officers and Supervisors

- Districts will have a cap on the number officers reassigned
 - Proportionally allocated using calls for service
- Officers will rank districts in order of preference; assignments granted via seniority

Neighborhood Liaison Unit Officers

- Attempt to maintain stability by assigning NLU officers to district with reassigned community
- Introductions for communities with new NLU officer

Investigative Unit Officers

- Districts will have a cap on the number officers reassigned
 - Proportionally allocated using case loads
