This Emergency Ordinance authorizes the City Manager to accept and appropriate \$29,804 from the Ford Motor Company to existing capital improvement program project account no. 980x981x232505, “Fleet Replacements,” to acquire automotive and motorized equipment funded by the cash value of the credits received from the purchase of automotive parts.

The Department of Public Services has accumulated \$29,804 in credits from the Ford Motor Company through the purchase of vehicle parts for City vehicles. The cash value of these credits can be used to acquire automotive and motorized equipment or City vehicles.

Acquiring automotive and motorized equipment funded by credits from the Ford Motor Company is in accordance with the “Sustain” goal to “[m]anage our financial resources” and strategy to “[b]etter coordinate our capital improvement spending” as described on pages 199-200 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to acquire necessary automotive and motorized equipment.

The Administration recommends passage of this Emergency Ordinance.
