## MOTION

Recently Cincinnati City Council passed a water rate increase to fund infrastructure improvements around the city. WE MOVE that the city administration provide a report detailing the following:

- Tracking the status of ongoing projects (i.e., is the project on track/ keeping a timeline)
- The spending designated to each project
- Which vendors are being contracted to complete these projects
- Breakdown of contracted businesses by WBE, MBE, and locality
- Any other relevant information relating to the projects

We FURTHER MOVE that this report is produced and published quarterly to increase transparency and clarity to our residents who are funding these improvements made by Greater Cincinnati Water Works.
