Subject: **Ordinance – Cincinnati Recreation Commission: Corbeau Ski Club In-Kind Donation**

Attached is an Ordinance captioned:

AUTHORIZING the City Manager to accept an in-kind donation of goods and professional services from Perfect North Slopes, through Corbeau Ski Club, valued at approximately \$36,550 to support the Cincinnati Recreation Commission’s Ski and Snowboard program.

Approval of this Ordinance would authorize the City Manager to accept an in-kind donation of goods and professional services from Perfect North Slopes, through Corbeau Ski Club, valued at approximately \$36,550 to support the Cincinnati Recreation Commission’s (CRC) Ski and Snowboard program.

Corbeau Ski Club is a nonprofit organization dedicated to promoting skiing and snowboarding within the African American community. The organization has generously invited CRC to utilize lift passes and equipment rentals donated by Perfect North Slopes. Corbeau has also offered to provide ski and snowboard instruction through the 2023-2024 winter season.

CRC’s Ski and Snowboard program allows underserved youth, ages ten through seventeen, an opportunity to spend six weeks learning to ski and snowboard, exposing participants to new experiences while developing confidence and independence.

This in-kind donation falls outside the parameters established in Ordinance No. 0317-2023 and requires discrete approval. There are no new FTEs/full time equivalents or matching funds associated with the acceptance of this in-kind donation.

Acceptance of this in-kind donation is in accordance with the “Collaborate” goal to “[w]ork un synergy with the Cincinnati community” and the strategy to “[u]nite our communities” as described on pages 209-212 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
