(LEED or Living Building Challenge)

This Community Reinvestment Area Tax Exemption Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and FOUNTAIN RESIDENTIAL PARTNERS, LLC, an Ohio limited liability company (the "Company").

Recitals:

- A. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute").
- B. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director's determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.
- C. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018, passed on October 31, 2018, Ordinance No. 370-2020, passed on November 12, 2020, and Ordinance No. 24-2022, passed on February 2, 2022 (as amended, the "Commercial Policy Ordinance"), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.
- D. Pursuant to the Commercial Policy Ordinance, a project that is constructed or remodeled to (1) Leadership in Energy and Environmental Design ("LEED") Silver, Gold or Platinum standards (as defined by the U.S. Green Building Council), or (2) receives a (a) Living Building Challenge Net Zero certification, (b) Living Building Challenge Full certification, or (c) solely in circumstances where the construction or remodeling complies with the requirements of the "Energy Petal" of the Living Building Challenge, Living Building Challenge Petal certification, in each case as defined by the International Living Future Institute and the Cascadia Green Building Council (such qualifying remodeling or construction is referred to, collectively, as "LBC" remodeling or construction), may qualify for a longer term and/or greater abatement.
- E. The Company is the sole owner of certain real properties within the City, located at 2701 W. McMicken Avenue, 2746 Central Parkway, 2743 Central Parkway, 2721 Central Parkway, 1009 Marshall Avenue, and adjacent property (collectively, the "Property"), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the "Excluded Property"), and the Company acknowledges and agrees that the City's Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.
- F. The Company has proposed the construction of 3 new buildings on the Property to LEED Silver standards, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the "Project"); provided that the appropriate development incentives are available to support the economic viability of the Project.

- G. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing five or more dwelling units, in order to be eligible for tax exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.
- H. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.
- I. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, has remitted with the Application (i) the City application fee of One Thousand Two Hundred Fifty Dollars (\$1,250) made payable to the City and (ii) in accordance with Ohio Revised Code Section 3735.672(C), the state application fee of Seven Hundred Fifty Dollars (\$750) made payable to the Ohio Development Services Agency ("ODSA"), to be forwarded to the ODSA with an executed copy of this Agreement.
- J. The Director of the City's Department of Community and Economic Development has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.
- K. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020, has approved exemptions of up to one hundred percent (100%) of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.
- L. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to thirty-three percent (33%) of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").
- M. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").
- N. The Company represents that within the past five (5) years neither the Company, any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.
- O. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.
- P. The Company acknowledges that the Camp Washington and CUF neighborhoods are rising neighborhoods in need of resources for development, neighborhood improvements, amenities, and organizations oriented towards neighborhood services. The Company anticipates that future development, improvements, amenities, and organizations will contribute to the quality and vitality of the neighborhoods, therefore increasing the value of the Property and directly and indirectly contributing to the Project's success. The Project's success, in turn, will benefit the neighborhoods. Although this feedback effect will promote the revitalization and redevelopment of the City, it could also impact the affordability of property in the area. Therefore, in support of the Camp Washington and CUF neighborhoods and with the intention of preserving and improving the availability of quality, reliable affordable housing on a City-wide basis, as a material inducement to the City to

enter into this Agreement, the Company hereby represents to the City that it will enter into a voluntary tax incentive contribution agreement (“VTICA”) with a City-designated third-party non-profit administrative organization (the “Third-Party Administrator”) to contribute to the Third-Party Administrator an amount equal to 15% of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the “VTICA Contribution”). Half of such VTICA Contribution is to be committed by the Third-Party Administrator to facilitate permanent improvements and neighborhood services furthering urban redevelopment in the Camp Washington and CUF neighborhoods and the other half of such VTICA Contribution is to be committed by the Third-Party Administrator in supporting quality affordable housing on a City-wide basis. The Company hereby represents and warrants that it will pay the VTICA Contribution for the full term of the abatement.

- Q. This Agreement has been authorized by Ordinance No. \_\_\_\_\_-2022, passed by Cincinnati City Council on \_\_\_\_\_, 2022.
- R. In determining to recommend and authorize this Agreement, the Department of Community and Economic Development and City Council, respectively, have acted in material reliance on the Company’s representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project’s effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

Section 1. Project. Upon issuance of the necessary zoning and building approvals, the Company agrees to construct 3 new residential buildings into approximately 134,620 square feet of residential rental space, consisting of approximately 136 residential rental units, and a clubhouse and leasing facility, on the Property (the “Improvements”) at an estimated aggregate cost of \$25,000,000 to commence after the execution of this Agreement and to be completed no later than March 31, 2025; *provided*, however, that the Director of the Department of Community and Economic Development (the “Housing Officer”) may, in his or her discretion, extend such deadline for a period of up to 12 months by written notice if, in the Director’s judgment, the Company is proceeding in good faith towards completion. The construction shall be in compliance with applicable building code requirements and zoning regulations, as well as complying with LEED Silver standards. The Company hereby represents that it has registered with the U.S. Green Building Council with intent to certify compliance with LEED Silver. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the “**ADA**”), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a “place of public accommodation” or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, “**Contractual Minimum Accessibility Requirements**” means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building’s primary point of entry, conspicuous signage directing persons to such accessible point of entry.

Section 2. Real Property Tax Exemption. Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest

extent authorized by the Statute, of 100% of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of 13 years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of construction, (B) the cost of construction, (C) the facts asserted in the application for exemption, (D) compliance with LBC and/or LEED standards identified in Section 1, and (E) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the construction has been certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2024 nor extend beyond the earlier of (i) tax year 2036 or (ii) the end of the thirteenth (13<sup>th</sup>) year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(C)(2), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(C)(3), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5733, 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio

Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(C)(4), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(C)(5), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Business Enterprise Program.

A. Compliance with Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"), which includes SBEs owned by minorities and women ("MBEs" and "WBEs", respectively, as used within CMC Chapter 324, and collectively with SBEs, "Certified Firms"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve (i) the City's goal of voluntarily meeting thirty percent (30%) SBE participation, and (ii) a sub-goal, being the Company's Project-specific voluntary commitment, of meeting the City's economic inclusion program goals to achieve a standard of no less than: seventeen percent (17%) MBE participation and ten percent (10%) WBE participation. A list of SBEs, MBEs, and WBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE, MBE, or WBE. The Company shall comply with the provisions of CMC Chapters 323 and 324, including without limitation taking at least the following affirmative steps:

- (i) Including qualified Certified Firms on solicitation lists.
- (ii) Assuring that Certified Firms are solicited whenever they are potential sources. The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to Certified Firms to provide services, to supply materials, or to bid on construction contracts, as applicable.
- (iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum Certified Firm participation.

(iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.

(v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.

(vi) The Company shall periodically document its best efforts and affirmative steps to meet the above Certified Firm participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to Certified Firms, or to provide technical assistance to Certified Firms as may be necessary to reach Certified Firm participation as set out in CMC Chapters 323 and 324 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Sections 323-99 and 324-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 7.5 full-time equivalent permanent jobs and (ii) 100 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with construction, and in the case of the other jobs described herein, the job creation period shall begin upon completion of construction and shall end three (3) years thereafter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) \$350,000 of additional annual payroll with respect to the full-time equivalent permanent jobs and (ii) \$2,000,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least twenty-five percent (25%) of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration

and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(C)(6), if the Company materially fails to fulfill its obligations under this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than thirty (30) days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification. If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within thirty (30) days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(C)(7) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (E) of that section (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (E) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(E) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(C)(9), exemptions from taxation granted or

authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (E) of Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (E) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62 or 5709.63 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within thirty (30) days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of twelve percent (12%) per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than One Thousand Dollars (\$1,000) and/or a term of imprisonment of not more than six (6) months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (Default) and the basis for revocation under Section 18 (Revocation). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. As authorized by Ohio Revised Code Section 3735.671(D), the Company shall pay an annual fee of Five Hundred Dollars (\$500) or one percent (1%) of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed Two Thousand, Five Hundred Dollars (\$2,500) per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. As provided in Ohio Revised Code Section 3735.671(E), if, prior to the expiration of the term of this Agreement, the Company discontinues operations at the Project so that the Property is no longer being used for the purposes described in Section 1 hereof, then the Company, its successors, and any related member shall not enter into an agreement under Ohio

Revised Code Sections 3735.671, 5709.62, 5709.63 or 5709.632, and no legislative authority shall enter into such an agreement with the Company, its successors or any related member prior to the expiration of five (5) years after the discontinuation of operations. As used in this Section 22, "successors" and "related member" shall have the meanings set forth in Ohio Revised Code Section 3735.671(E).

Section 23. Notices. Unless otherwise specified herein, each party shall address written notices, demands and communications in connection with this Agreement to the other party as follows (or to such other address as is communicated in accordance with this Section):

City of Cincinnati  
Attention: Director of the Department of Community and Economic Development

Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse

Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.
