

Jan-Michele Lemon Kearney
Vice Mayor

January 12, 2026

MOTION

WE MOVE that City Council allocate to the Center for Closing the Health Gap \$100,000 from the Special Events portion of the FY'25 Carryover Budget, or another source to be identified by the administration, to support the organization's Health Expo on April 18, 2026 as well as its numerous other impactful initiatives across the City throughout the year to empower residents in improving their health, and support the important work of tackling health disparities. Research shows that in Cincinnati, zip code determines lifespan (*see Attachment*). The prevalence of cardiovascular disease and diabetes, and the increase of Type 2 diabetes in adults and children driven by lifestyle factors are central to the Center for Closing the Health Gap's work.

In addition to the Annual Health Expo that has attendance of more than 14,000 people and provides thousands of lifesaving health screenings each year, the Center for Closing the Health Gap reaches 89,000 individuals annually through a series of town hall meetings and informational and training workshops, as well as social media, partnerships, and ongoing health-related initiatives. The Center's city-wide Do Right Campaign empowers individuals to eat, move, and live in a way that creates healthy lifestyles. Do Right Kids school-based intervention is offered with physical education instruction for 4th, 5th, and 6th graders in the Roll Hill Academy. The Center for Closing the Health Gap also partners with the national Peer Health Exchange to implement social and emotional wellness as part of 9-11th grade health classes in Cincinnati Public Schools.
