MOTION

WE MOVE that the Administration provide a REPORT on how they can plan to address inclusion and diversity in development projects that receive a municipal benefit, rather than placing such requirements on a contract by contract basis.

President Pro Tem Victoria Parks

Vice Mayor Jan-Michele Lemon Kearney

STATEMENT

The City of Cincinnati does not have any diversity and inclusion contractual requirements in development projects that receive municipal benefits. Additionally, we do not monitor MBE and WBE contractors working on our development projects because developers are not required to provide race and gender specific information per their contractual agreements. The report requested through this motion would assist City Council in creating a policy that would provide clarity to developers.
