KNOW YOUR RIGHTS 101

CONOZCA TUS DERECHOS

Knowing how to protect your rights and your families is very important. This infographic will help you with some of the things you can say when you or your family feels under attack.

You have the right to **remain silent** – immigration officers will use anything you say against you.

You have the right to refuse search of your car or home– ask to **see a warrant**.

You have the right to **call an attorney** – have the information of an attorney somewhere safe and easy to get to.

You can refuse to sign anything that you do not understand – **do not sign any documents**.

STRONG COMMUNITY

Apoyar Cincinnati's Hispanics

- We seek your PARTNERSHIP to help our community navigate today's fear, chaos, and turbulence.
- We focus on 3 pillars:

Share Reliable Information

- Distribute “Know Your Rights” information in Spanish & English.
 - ✓ Educate people how to react when officers come to their homes, schools, and churches, or they are detained on the streets.
- Continue the Latino Coalition and our work with local police departments to enable communication and foster goodwill with the community.
 - ✓ We appreciate the continued efforts of the Cincinnati Police Department to minimize vandalism, robbery, harassment and other crimes against the Hispanic Community.
- Add more bilingual Hispanics to the Police Department.

Grow our Presence

REPRESENTATION: Data show that Hispanics are underrepresented in city government and key services.

We recommend that we work TOGETHER to:

- Create the Cincinnati Hispanic Resource Group to meet monthly and address ways to increase Hispanic representation.
 - ✓ This group will provide regular updates and measurable outcomes.
 - ✓ We have access to experts and leaders in our community that can help identify qualified Hispanic candidates.
- Increase representation among the Staff within Cincinnati City Council and the Mayor’s office.
- Add more bilingual Hispanics to city services.

Educate our Community

- EDUCATION: We work directly with the CPS Superintendent and the School Board.
- We partner with local Universities, High Schools and Elementary Schools to insure a safe and secure atmosphere so our Hispanic Students focus on learning and growing.
 - ✓ We helped implement an anti-bullying program that delivered considerable progress,
 - ✓ A flyer in Spanish on how to deal with Bullying is being distributed in the community.
- TODAY: Increased fear and bullying exacerbate **mental health** issues and have become a pressing concern for our children.
 - We need your support to address the lack of representation among administrators, teachers, and staff to better serve the needs of Hispanic students..

Hispanic enrollment is growing and our students need support.

STATEMENT

Cincinnati is a sanctuary city, yet, members of our immigrant communities are living in fear of leaving their homes, taking their children to school, and attending their places of worship. The goal of this Motion is to see what protections for our residents and resources we already have in place, and what is needed.

Accessibility Motion

As part of this Council's efforts to increase accessibility and equity in Cincinnati, a review was conducted by the administration on how to increase the accessibility of public events for those with disabilities. After a review of requirements from the Americans with Disabilities Act, the Cincinnati Accessibility Board of Advisors (CABA) and the Office of Aging and Accessibility were asked for recommendations on how to improve public events. They made a variety of suggestions outlined in an October 30th, 2024 report from the City Manager. Our public events should be truly open to the public, and that means making them accessible to all who wish to enjoy our great city.

WE MOVE that the administration enact the following requirements to increase visibility and accessibility of wheelchair-accessible restrooms at public events

- Event producers should provide written information within the event brochure regarding the accommodations available to individuals with disabilities at the event, which includes location of accessible toilets and the procedures for contacting professional staff if questions or problems arise pertaining to accessibility for person with disabilities
- Place signage at each privy area that directs individuals to the accessible portable toilets
- Within the permit application, the office of special events should provide event producers with a link to Chapter 6 of Access-Board.gov which provides up-to-date guidance on ADA accessibility standards related to portable toilets
- The city should require event producers to designate and provide contact information for an individual to address accessibility complaints during an event. This information can be captured during the application permit process
- The city should implement a system for event attendees to report issues regarding inaccessibility through 311. Event organizers would receive notification regarding lack of access, providing the opportunity to address barriers and ensure that accessibility is maintained throughout the event

- The Office of Aging and Accessibility should offer a "resource guide" that shares best practice and lists vendors that provide ADA-compliant portable toilets and other accessible event features, making it easier for event planners to comply with accessibility requirements and best practices

Motion to Ensure Equity in the Disbursement of Proceeds from the Sale of the Cincinnati Southern Railway (CSR)

WE MOVE that the City of Cincinnati take the following actions to ensure equity in the disbursement of the proceeds of the sale of the Cincinnati Southern Railway so that our underserved neighborhoods benefit from the proceeds from the sale in terms of both existing infrastructure and new economic development opportunities:

1. The City shall analyze the demographics of the beneficiaries most directly affected by each proposed project and identify those projects that can deliver the most benefit to historically underserved minority and low-income communities.
2. The City shall create a dashboard on the City's website to create transparency with the spending of the proceeds from the sale of the Cincinnati Southern Railway, and that dashboard shall track each project, including but not limited to providing information on neighborhood, demographics served, and amount invested.
3. The City shall create **two funds** to ensure that our 15 most underserved neighborhoods benefit from the proceeds of the sale of the CSR as follows:
 - a. Demographic and socioeconomic data information for Cincinnati's neighborhoods was used to create the "Rising 15": the 15 neighborhoods most in need of economic benefits, as shown by **Exhibit A** attached hereto.
 - b. **FUND 1 (the "Rising 15 Railroad Fund")**: In addition to inclusion in the infrastructure plans across all neighborhoods, the City will allocate at least 10% of the annual return on investment on the proceeds from the sale of the CSR to the Rising 15 Railroad Fund. *The population of the Rising 15 neighborhoods comprises approximately 20% of the City's population. The 10% minimum is based on the fact that some of the infrastructure projects, such as renovation of healthcare centers, directly affect residents of the Rising 15 neighborhoods although the residents do not live in those neighborhoods.*
 - 1) **Community Advisory Committee**: The City Manager shall appoint seven (7) community members to a community advisory committee.
 - a) The City Manager shall create, recommend and manage a transparent public processes.

*provide a report in two weeks on what actions are currently in place to

- b) The appointed community advisory committee’s purpose is to review efforts across the country to repair the damage done by slavery and race discrimination and use that research and study to improve efforts to close the wealth gap in Cincinnati.
 - c) This community advisory committee shall assist the newly created Office of Equity in its efforts to close the racial wealth gap.
- 2) **City Manager shall develop a process to ensure equity in the distribution of funds and equitable representation of the Community Advisory Committee.**
 - 3) Expenditures must be restricted to projects that meet the statutory criteria for the use of proceeds from the sale of the CSR.
 - 4) City Council will vote on the Community Advisory Committee’s recommendations.
- c. **Second Fund (“Rising 15 Economic Development Fund”) to create economic development opportunities in our underserved neighborhoods:**
- 1) The source of funding for the Rising 15 Economic Development Fund shall be an initial allocation of \$15 million from sources to be determined by the City administration such as the FY ’23 carryover funds, and/or the City’s FY ’24 General Capital Budget, and an annual allocation of up to \$3 million from the City’s General Capital Budget.
 - 2) The Community Advisory Committee will make recommendations to City Council on economic development projects for the Rising 15 neighborhoods.
 - 3) City Council will vote on the Community Advisory Committee’s recommendations.
4. **Economic Inclusion:** City Council adopted an equitable development model in February 2023 as a pilot for the Convention Center. This model shall apply to projects funded through the sale of the railroad, including:
- a. A minimum inclusion of 20% MBE and 10% WBE businesses annually in projects funded with the railway sale dollars.
 - b. Joint ventures with developers that include minority-owned or women-owned developers shall be encouraged to meet the diversity & inclusion goals.
 - c. The City administration shall create a plan for access to capital for minority-owned and women-owned businesses.
 - d. The City shall proactively work to assist minority-owned and women-owned businesses to overcome the barrier of first-time bonding.

5. **Annual Report:** The City will provide an annual report to City Council on the results of the expenditures in the Rising 15 neighborhoods.
