MOTION

Hillside Districts
*90 days

WE MOVE that, the Administration report within thirty (30) days on the status of the updates the City is making to its hillside regulations. This update should include, but is not limited to, an update on:

- Funding sources to cover construction mishaps associated with construction within the hillside district.
- Regulations associated with stormwater runoff
- Work that is being done to update CAGIS' Hillside Overlay District Map

*AMENDED ON THE FLOOR OF COUNCIL
