### MOTION

*Equitable Development Mentoring Program ("EDMP")  
for the Convention Center District Development Project*

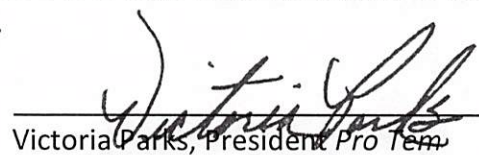

**WE MOVE** that City administration work with 3CDC, the Master Developer for the City of Cincinnati's Convention Center District Development Project, to establish an Equitable Development Mentoring Program for minority and women developers and contractors. The EDMP shall augment agreed upon diversity and inclusion goals for the Convention Center District Development Project and create pathways to growth for minority and women developers and contractors. The following steps shall be taken:

1. **Create M/WBE Database:** City of Cincinnati administration in collaboration with 3CDC and other appropriate organizations shall identify local certified MBEs and WBEs headquartered in the Cincinnati area ("Identified M/WBEs") and create a database of all such firms ("M/WBE Database"). The M/WBE Database shall be a fluid document that will be regularly updated to include both general information about each company as well the type of projects, size of projects, and role in those projects that the companies have been involved in and other information helpful in determining current capabilities. M/WBE firms that are not headquartered in the Cincinnati area, but could partner with a local M/WBE firms, could be included in the database.
2. **Inform M/WBEs about opportunities early in the process:** 3CDC shall proactively meet with Identified M/WBEs, in person or virtually, to discuss the opportunities with the Convention Center District Development Project and relevant scopes of work required in order to better determine the Identified M/WBEs' current performance capabilities and opportunities for growth. Such meetings shall be documented as part of the M/WBE Database.

3. **Assess gaps/needs/barriers to inclusion:** Based on the information gathered, 3CDC shall match selected M/WBE firms' capabilities to the scopes of work required and identify any gaps or needs that may create barriers to successful performance. Barriers should be addressed as follows:
- a. **Access to capital:** City administration and 3CDC will explore creating a revolving fund as a source for low cost bridge capital to give M/WBEs the ability to carry payroll, up-front cost of materials, and other expenses.
    - i. The fund could be managed internally by the City of Cincinnati, or by a third-party financial institution (*e.g.*, the Cincinnati Development Fund or a local bank).
    - ii. City administration shall make recommendations for a funding source or sources for City support of the revolving fund.
    - iii. Additionally, the City and 3CDC will determine if there are other financial support structures that are necessary to provide equitable coverage for the M/WBEs.
  - b. **Capacity needs:** The City and 3CDC shall develop strategies for key majority firms ("Majority Firm Partners") and/or other partners to mentor M/WBE developers and contractors by creating opportunities for M/WBEs to be involved in and learn from all phases of the Convention Center District Development Project.
  - c. **Bonding:** If necessary, 3CDC will negotiate for the prime contractor to carry 100% of the bond to enable the smaller M/WBE subcontractors to participate in the Convention Center District Development Project or will identify other strategies to ensure that bonding is not a barrier to participation by M/WBE firms.

**WE MOVE FURTHER** that the Equitable Development Mentorship Program, created for equity inclusion in the Convention Center District Development Project, shall be used as a pilot program with the goal of expanding the program into other large-scale (\$5 million or more) development projects in which the City is involved.

  
Jan-Michele Lemon Kearney, Vice Mayor

  
Victoria Parks, President Pro Tem

### Statement

The Convention Center District Development Project provides a tremendous opportunity for growth for M/WBEs. Before being chosen as the master developer for this project, 3CDC, through its president & CEO, agreed to assist the City with the creation of a minority and women developer and contractor mentorship program as part of the diversity and inclusion plan. The goal is to create transformative opportunities for M/WBEs, beginning with the Convention Center District Development Project.

Attached is an Emergency Ordinance captioned:

**AUTHORIZING** the City Manager to accept an in-kind donation of a \$1,000 American Express no-fee gift card from the University of Cincinnati to be used for volunteer groups and events of the Cincinnati Police Department.

Approval of this Emergency Ordinance would authorize the City Manger to accept an in-kind donation of a \$1,000 American Express no-fee gift card from the University of Cincinnati to be used for volunteer groups and events of the Cincinnati Police Department.

The manager of the Cincinnati Police Department’s (CPD) Collaborative Policing Division, Jason Cooper, participated in a “Transformative Justice” collaborative at the University of Cincinnati from March to May 2022. In appreciation of Mr. Cooper’s participation in the collaborative, the University of Cincinnati has generously donated a \$1,000 American Express no-fee gift card to CPD.

If accepted, the gift card would be used to support expenses of the God Squad, Citizens on Patrol, Crossing Guards, and other volunteer groups and events sponsored by CPD’s Community Relations Unit (CRU).

This donation does not require additional FTEs or matching funds.

Acceptance of this donation is in accordance with the “Collaborate” goal to “[w]ork in synergy with the Cincinnati community” as described on pages 209-212 of Plan Cincinnati (2012).

The reason for the emergency is to ensure the timely acceptance of the donation.

The Administration recommends passage of this Emergency Ordinance.
