Dear Councilmember P.G. Sittenfeld:

The purpose of this letter is to affirm the Northside Community Council Board's support of reinstalling parking meters along Hoffner Street.

The Board of Northside Community Council discussed the safety concerns associated with sex trafficking, drug use, and public drunkenness occurring on the southern block of Hoffner Street via email discussion between August 20-21, 2020. The lack of parking meters allows for illegal activity to occur around and behind abandoned vehicles or vehicles parked for extended periods of time.

The Board of the Northside Community Council unanimously voted for a motion to support the reinstallation of parking meters along Hoffner Street between Hamilton Avenue and Apple Street.

If I can be of any additional assistance, please contact me at [president@northsidecouncil.com](mailto:president@northsidecouncil.com).

Respectfully,

Becky Smolenski Finnigan  
President, Northside Community Council
