MAYOR AFTAB

1. 202602539 **STATEMENT**, submitted by Mayor Aftab Pureval, Based upon the public danger or emergency currently existing in Cincinnati, I hereby issue this declaration of emergency pursuant to Article III of the Cincinnati Charter and Article XVIII of the Administrative Code of the City of Cincinnati. The public danger or emergency arises from a series of severe storms and extensive flooding which occurred beginning July 17, 2026, with continued impacts affecting the Cincinnati community. Numerous properties within Cincinnati have been affected by this historic weather event, causing catastrophic flooding and water damage to homes, businesses, vehicles, and other property. Subsequent storms and rainfall on July 19 and 21, 2026 worsened the region's flooding and damage to public infrastructure, transportation corridors, utilities, and stormwater systems across numerous Cincinnati neighborhoods. Damage assessment, response, and clean-up are continuing for City agencies and residents, and the full assessment and restoration processes will be ongoing. Preliminary figures indicate the City experienced hundreds of emergency incidents during these flooding events, including numerous water rescue responses, flooded roadways, utility emergencies, and structure-related incidents. The City Manager is called upon to protect the public peace and the lives, persons, and property within the City of Cincinnati that are endangered or potentially endangered by the factors constituting such public danger or emergency. The City Manager will continue to mobilize additional resources and coordinate recovery operations for City infrastructure, residents, and businesses. All operating forces will direct their requests for assistance and operations directly to the City of Cincinnati Emergency Operations Center. This declaration, dated July 21, 2026, recognizes that the public danger or emergency commenced on July 17, 2026, was compounded by multiple subsequent flash flooding events, and shall terminate only upon the undersigned officer's determination that such emergency conditions no longer exist, or pursuant to the provisions of Article XVIII of the Administrative Code. The duration of such declared emergency shall not extend beyond September 15, 2026. This declaration shall be issued to the news media for the widest possible dissemination to the citizens of Cincinnati. **DECLARED** this 21 day of July 2026 by Mayor Aftab Pureval.

71. 202602503 **MOTION**, submitted by Councilmembers Cramerding, James, Albi, Johnson, Walsh, Owens, Jeffreys and Nolan, On July 16th, 2026, Public Works employee Jonathan Young was killed in a crash while doing scheduled work on the Norwood Lateral. He had been with the City since 2002 and worked in the Department of Public Services, helping to keep our streets safe and maintained. All of us at the City mourn Jonathan and are praying for his family in this difficult time. Unfortunately, Jonathan Young is not the first Public Works employee who was lost in the line of duty. To honor Jonathan and those that fell before him, **WE MOVE** the city administration begin a process and identify sites for permanent memorial to all Cincinnati Public Works employees who have lost their lives in the line of duty. This could be similar to that which the city has done for Police and Firefighters. The city should work closely with

AFSCME in studying alternatives.

OFFICE OF THE MAYOR

DECLARATION OF EMERGENCY

Based upon the public danger or emergency currently existing in Cincinnati, I hereby issue this declaration of emergency pursuant to Article III of the Cincinnati Charter and Article XVIII of the Administrative Code of the City of Cincinnati. The public danger or emergency arises from a series of severe storms and extensive flooding which occurred beginning July 17, 2026, with continued impacts affecting the Cincinnati community.

Numerous properties within Cincinnati have been affected by this historic weather event, causing catastrophic flooding and water damage to homes, businesses, vehicles, and other property. Subsequent storms and rainfall on July 19 and 21, 2026 worsened the region's flooding and damage to public infrastructure, transportation corridors, utilities, and stormwater systems across numerous Cincinnati neighborhoods. Damage assessment, response, and clean-up are continuing for City agencies and residents, and the full assessment and restoration processes will be ongoing. Preliminary figures indicate the City experienced hundreds of emergency incidents during these flooding events, including numerous water rescue responses, flooded roadways, utility emergencies, and structure-related incidents.

The City Manager is called upon to protect the public peace and the lives, persons, and property within the City of Cincinnati that are endangered or potentially endangered by the factors constituting such public danger or emergency. The City Manager will continue to mobilize additional resources and coordinate recovery operations for City infrastructure, residents, and businesses. All operating forces will direct their requests for assistance and operations directly to the City of Cincinnati Emergency Operations Center.

This declaration, dated July 21, 2026, recognizes that the public danger or emergency commenced on July 17, 2026, was compounded by multiple subsequent flash flooding events, and shall terminate only upon the undersigned officer's determination that such emergency conditions no longer exist, or pursuant to the provisions of Article XVIII of the Administrative Code. The duration of such declared emergency shall not extend beyond September 15, 2026. This declaration shall be issued to the news media for the widest possible dissemination to the citizens of Cincinnati.

DECLARED this 21 day of July, 2026.

MODIFYING the provisions of Chapter 413, "Parking Garages and Parking Lots," of the Cincinnati Municipal Code ("CMC") by **ORDAINING** new Section 413-35, "Hardship Reductions and Exemptions," by **AMENDING** Sections 413-17, "Walls or Fences Surrounding Parking Lots," 413-19, "Posting of Signs," 413-21, "Parking Payment Tickets," 413-23, "Removal of Vehicles, Unauthorized Use," 413-27, "Protection Against Theft or Conversion," 413-28, "Reports as to Vehicles Stored More Than Seventy-Two Hours," 413-29, "Sanitary Conditions," 413-41, "Rules and Regulations," and 413-99, "Penalties"; and **MODIFYING** the provisions of Title XV, "Code Compliance and Hearings," of the CMC by **AMENDING** Sections 1501-8, "Class C1 Civil Offenses," 1501-11, "Class E Civil Offenses," 1501-14, "Class E1 Civil Offenses," and 1501-18, "Class E3 Civil Offenses," to establish clear standards for licensed parking garages and parking lots to provide for the safety, security, and welfare of the pedestrian public and persons using parking garages and parking lots; reduce crime; and prevent predatory practices and conduct.

WHEREAS, Chapter 413 of the Cincinnati Municipal Code, "Parking Garages and Parking Lots," requires persons to first obtain a license to operate paid-for parking facilities, providing an effective means of ensuring such businesses operate in a manner as to ensure the safety, security, and welfare of the citizens of Cincinnati; and

WHEREAS, the City has the authority under its police powers and home rule authority to regulate business operations within its municipal boundaries to protect the public health, safety, and general welfare; and

WHEREAS, paid parking garages and parking lots constitute commercial enterprises that generate significant vehicular traffic, pedestrian activity, and economic activity within the City, thereby necessitating reasonable regulation to ensure orderly and safe operations; and

WHEREAS, the City has a compelling interest in managing traffic congestion, traffic circulation patterns, and the flow of vehicles on public streets, and unregulated parking facilities can contribute to traffic hazards, gridlock, and unsafe conditions on adjacent roadways; and

WHEREAS, the regulation of paid-for parking facilities is necessary to protect consumers from deceptive, misleading, or predatory pricing practices, including hidden fees, unclear parking rates, and failure to clearly disclose rates prior to entry; and

WHEREAS, parking garages and parking lots that are poorly maintained, inadequately lit, or insufficiently secured pose serious risks to public safety, including the risk of increased crime, personal injury, and property damage to patrons and their vehicles; and

WHEREAS, the City has an interest in ensuring that paid parking facilities provide adequate accessibility for persons with disabilities in compliance with applicable federal, state, and local law, including the Americans with Disabilities Act; and

WHEREAS, the City Council finds that the regulation of paid parking garages and parking lots is a reasonable and necessary exercise of the City's legislative authority, and that the benefits of such regulation substantially outweigh any burden imposed upon affected businesses; and

WHEREAS, when parking garage and parking lot operators do not comply with the license requirements of the Cincinnati Municipal Code, the public at large, their patrons, and other parking garage and parking lot licensees are injured, so as a result, these operators should be held accountable for their actions and such penalties should be enough to deter the violations; and

WHEREAS, Council wishes to modify the requirements for such license holders to ensure parking facilities meet reasonable standards that advance the health, safety, and welfare of the citizens of Cincinnati by preventing predatory practices, reducing criminal activity, and protecting pedestrians and users of the facilities; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That new Section 413-35 of Chapter 413, "Parking Garages and Parking Lots," of the Cincinnati Municipal Code ("CMC") is ordained as follows:

Sec. 413-35. - Hardship Reductions and Exemptions.

(a) The director is authorized to grant reductions and exemptions from the requirements of this chapter to prevent the loss of parking spaces in a parking garage or parking lot that was legally established and maintained prior to January 1, 2026, as more particularly provided in this section.

(b) *Application Requirements.* A licensee in good standing may apply for reductions and exemptions from the requirements of this chapter on forms established by the director, which shall include the following information:

1. Identification of the requirements of Chapter 413 from which a reduction or an exemption is sought;

2. A detailed explanation of how compliance with the identified requirements will necessarily result in the loss of parking spaces;

3. Evidence demonstrating that the potential loss of existing spaces cannot be avoided or remediated through a re-design or re-configuration of the parking facility;

4. Evidence that the parking facility that is the subject of the request met all applicable requirements for parking facilities at the time of its establishment and has maintained compliance with those requirements to the time of application; and

5. Any other information the director may reasonably require to understand the basis for the request.

(c) *Decision.*

1. The director shall review the application for completeness and may request additional information as needed.

2. The director may approve, approve with conditions, or deny an application when the applicant has established that strict compliance with one or more requirements of this chapter will result in the loss of existing parking spaces; provided, however:

   (a) The director may not grant more than the minimum relief necessary to prevent the loss of ten percent or more of the existing parking spaces in the lot; and

   (b) The director may not grant relief that would pose an undue risk of harm to the safety of persons and property.

3. A decision shall be issued within 45 days of receiving a complete application.

(d) *Criteria for Approval.* In determining whether to approve a reduction or an exemption, the director shall consider:

1. The availability of reasonable alternative compliance methods;

2. The potential impact on neighboring properties and the community; and

3. Whether the reduction or exemption frustrates the spirit and intent of the requirements in this chapter.

(e) *Revocation.* The director may revoke a reduction or an exemption approved under this section upon finding that:

1. The conditions of approval have not been met;

2. The licensee no longer has an interest in the parking garage or parking lot operated under the license; or

3. The licensee misrepresented or omitted material facts in the application.

(a) *Appeal.* A licensee aggrieved by a decision issued under this section may file an appeal in the manner provided by law.

(b) *No Vested Rights.* An exemption granted under this section is personal to the licensee and does not create a vested right and shall not run with the land or be construed as a waiver of future compliance with applicable Cincinnati Municipal Code requirements.

Section 2. That Sections 413-17, 413-19, 413-21, 413-23, 413-27, 413-28, 413-29, 413-41, and 413-99 of Chapter 413, "Parking Garages and Parking Lots," of the CMC are amended as follows:

Sec. 413-19. - Posting of Signs.

The provisions of this section are established to ensure that licensed parking garages and parking lots are furnished with signs that provide customers with accurate and legible information concerning parking rates, hours of operation, payment methods, and other operational matters. The following provisions shall apply to licensed parking garages and parking lots:

(a) Parking lots containing more than 100 parking spaces and parking garages must maintain a permanent sign displaying all parking rates, hours of operation, and payment methods readable from each vehicular entrance. When a customer is required to make payment upon entrance to a parking garage or parking lot, signage must inform them that an additional fee will apply if they exit after the expiration of the time for which they have paid. The signage shall also specify how this additional payment will be collected.

(d) Parking garages and parking lots shall be furnished with a sign visible from each vehicular entrance and exit, displaying the international parking symbol.

(e) Signage must display the legal business name of the entity responsible for garage operations and property conditions. If there are multiple responsible parties, all legal business names and their respective roles must be included. Additionally, a phone number and email address for the operator must be provided for inquiries regarding parking operations or property conditions.

(f) Special event and other special rate parking.

1. Rates for special events and other special rate parking shall be displayed temporarily on each permanent sign of the parking garage or parking lot that displays the facility's rates, hours of operation, and payment methods, in accordance with this section.

2. Availability of parking for special events shall be identified by use of the terms "Special Event" or "Event," accompanied by the applicable rate. Such information may be displayed in characters which are larger than those used for display of other rates.

~~Each parking garage or parking lot shall post in a prominent location at each entrance, signs of a permanent nature and clearly legible at all times, with all lettering a minimum of five inches high. Signs shall comply with city of Cincinnati ordinances and regulations of the director. The director may approve a sign location other than at the entrance. Any outdoor parking lot which has the rates and charges posted on a sign, shall post the sign not less than eight feet above the sidewalk level, and such sign shall not bear any advertising or other matter than the substance required by this chapter.~~

~~(d) The number of the license issued under the provisions of this chapter for the particular parking garage or parking lot.~~

~~(e) In the case of a parking lot, if the operator provides a transfer station for cars left during the unattended hours, the sign shall designate the name and address and telephone number of the transfer station.~~

~~(f) Each parking garage and parking lot shall post an international parking symbol in a prominent location at each entrance.~~

~~An official city of Cincinnati sign indicating an approved licensed parking garage or parking lot may be furnished by the director, and when furnished shall be posted at or near the aforesaid information sign.~~

Further, if the parking garage or lot requires that the receipt or other documentation be left on the car dashboard as evidence of

AVERAGE TIME AWAY FROM WORK FOR RECOVERY

Kidney Donation

On average, someone who donates a kidney can expect to be out of work for 2 to 6 weeks, depending on their job type and overall health.

- Desk Jobs or Remote Work: Recovery is usually quicker, around 2 to 4 weeks.
- Physically Demanding Jobs: If the job involves heavy lifting or strenuous activity, recovery may take 4 to 6 weeks.

Liver Donation

If someone donates a portion of their liver, the recovery time varies, but typically:

- Hospital Stay: 5–7 days after surgery.
- Initial Recovery: 6–8 weeks to resume normal daily activities.
- Full Recovery: 3–6 months for the liver to regenerate fully.
- Strenuous activities and heavy lifting should generally be avoided for about 3 months. Most donors can return to work within 6–8 weeks, depending on the nature of their job.

Bone Marrow Donation

The recovery time after donating bone marrow depends on the donation method:

1. Peripheral Blood Stem Cell (PBSC) Donation – Most common method (about 90% of cases).
    a. Recovery time: A few days to a week
    b. Side effects: Some donors feel flu-like symptoms or fatigue from the medication used to stimulate stem cell production but can often return to work within a couple of days.
2. Bone Marrow Donation (Surgical Procedure) – Less common, done under anesthesia.
    a. Recovery time: 1 to 2 weeks
    b. Side effects: Soreness at the collection site (hip bone), fatigue, and possible bruising. Some donors need a few extra days to a week before resuming normal activities.
    c. Many donors return to work within a week, but full recovery varies by individual. If the job is physically demanding, a longer recovery period may be needed.

PREVELANCE OF DONOR TRANSPLANTS NATIONWIDE & BY CITY OF CINCINNATI EMPLOYEES

General Statistics:

- On average, around 20,000 to 25,000 people donate an organ each year in the United States. This includes both living donors (who donate a kidney or part of their liver) and deceased donors (who can provide multiple organs like kidneys, liver, heart, lungs, pancreas, and intestines).
- Kidney is the number one transplanted organ in the US.

City Statistics:

Below is a summary of the number of City of Cincinnati employee donations for kidney, liver, and bone marrow over the past 2 years.

- 2023
    - Kidney Donor: 1
    - Liver Donor: 0
    - Bone Marrow Donor: 1

- 2024
    - Kidney Donor: 2

Organ Donation

- 240 hours (30 workdays)

Bone Marrow Donation

- 56 hours (7 workdays)

Estimated Cost per Employee (by classification and hourly rate):

Classification	Hourly Rate (based on the top end of the classification salary)	Average cost for organ donation (240 hours)	Average cost for bone marrow donation (56 hours)

- Utilization of temporary transfer pay, working out of classification pay, or above-grade pay to cover the employee's absence
- The need to temporarily backfill the employee's absence via temporary promotion

Proposal 2:

Proposed Amount of Additional Leave (by donation type):
Organ Donation

- 80 hours (10 workdays)

Bone Marrow Donation

- 24 hours (3 workdays)

Estimated Cost per Employee (by classification and hourly rate):

Classification	Hourly Rate (based on the top end of the classification salary)	Average cost for organ donation (80 hours)	Average cost for bone marrow donation (24 hours)
Administrative Specialist	$43.30	$3,464.00	$1,039.20

Deputy Director	$75.53	$6,042.40	$1,812.72

In addition to the above estimates, there are additional factors that may increase the overall cost of donation leave, including but not limited to:

- Utilization of overtime coverage in the employee's absence
- Utilization of temporary transfer pay, working out of classification pay, or above-grade pay to cover the employee's absence
- The need to temporarily backfill the employee's absence via temporary promotion

Proposal 3:

Employees wishing to donate an organ or bone marrow may utilize existing city benefits, which are outlined below.

Estimated Cost per Employee: No additional cost.

CURRENT CITY BENEFITS THAT MAY BE UTILIZED FOR ORGAN AND BONE MARROW DONATION

- Paid Leave Balances
  - Sick Leave
    - City employees accrue 4-hours of sick leave per pay period
  - Vacation Leave
    - Accrual amounts vary based on seniority and salary division
      - Accrual Range: 3.4 hours – 9.0 hours per pay period
  - Other Leave Balances (varies by salary division and bargaining unit):
    - Compensatory time
    - Flex time (CODE and Non-represented only)
    - Holiday leave (FOP and IAFF only)
- Advanced Vacation Purchase
  - Some employees may purchase vacation hours each year. The amount that can be purchased and whether this benefit is available varies by salary division and bargaining unit.
- Donated Time
  - Employees that exhaust all of their own paid leave balances may receive donated leave time from other City employees in certain circumstances. The

amount and type of leave that can be donated varies by salary division and bargaining unit.

- Usage of FMLA Leave
    - It is the policy of the City to provide up to 12 weeks of family and medical leave during any 12-month period to eligible employees in accordance with the provisions of the Family and Medical Leave Act of 1993 (FMLA). If an eligible employee does not have any paid leave balances, they are entitled to utilize unpaid leave.

CONCLUSION

Living organ and bone marrow donation is a life-saving act that reflects the highest ideals of public service. While only a small number of City of Cincinnati employees have pursued donation in recent years, jurisdictional comparisons show a growing trend toward offering paid leave for donors, particularly for kidney and liver donations that require extended recovery time.

This report outlines three potential approaches for donor leave, each with different implications for cost, support, and implementation. Proposal 1 offers the most robust benefit, providing up to 240 hours of paid leave for organ donation and 56 hours for bone marrow donation. This level of leave aligns with federal and state standards and allows for full recovery time in most cases. However, it also represents the highest potential cost, particularly in positions that may require overtime coverage or backfilling during an employee's absence. While precise citywide cost projections are difficult to estimate due to the low number of historical donations, the per-employee cost for organ donation under this model could range from approximately $6,000 to over $18,000 per employee, depending on classification and hourly rate. Actual costs would vary based on the number of employees who utilize the benefit and the operational impacts in each department.

Proposal 2 offers a more moderate option, providing 80 hours of leave for organ donation and 24 hours for bone marrow donation. While this level of leave may not fully cover recovery for more invasive procedures, it offers a tangible benefit with reduced financial exposure. The per-employee cost under this model would be roughly one-third of Proposal 1's estimate.

Proposal 3 maintains the status quo, in which employees can use accrued leave or donated time but receive no dedicated benefit for donation. This option carries no new cost to the City.

These three proposals, each offering a different level of support and fiscal impact, are presented for your consideration. At this time, there are no available resources to support either proposal. If this is a priority for City Council, additional resources will need to be identified and allocated to move forward.

Motion: Building A More Flood-Resilient Cincinnati

July 27, 2026

WE MOVE that the administration within 30 days report on the following:

- Share a comprehensive 2026 "after action" analysis - either as a report or in presentation to City Council – from the 2026 flash floods that evaluates what worked/did not work, and what the city needs to start, stop and continue doing going forward.

WE FURTHER MOVE that the administration within 60 days report on the following:

- Explore the feasibility of installing oversized underground regional detention facilities in high flood areas where there is proposed new private development beyond what the project requires including in Hyde Park.
- Deploy a Watershed Study to identify medium term solutions where the greatest volume of temporary stormwater storage could be created in both the Mill Creek and Duck Creek Watersheds with an objective of slowing flash flood waters. This would include evaluating underground storage tanks and vaults, dry detentions, permeable pavement in parking lots (including schools such as Hyde Park school), bioswales and rain gardens. It would include evaluating upstream (e.g. in Alm Park) options as well as in areas that have experienced significant flooding e.g. Mt Lookout & Hyde Park Square, Madisonville, Oakley, etc. It would also include the recommended locations of the just allocated $500K for these types of investments in the Mill Creek Watershed.
- An understanding of whether we should revisit the decision in 2020 not to accept the Kleingers Group recommendation to replace a bridge on Madison Road due to the existing bridge being a "severe restriction to the flood flows in Duck Creek" and whether we should be making that investment now.

STATEMENT

The recent flash floods on Cincinnati's East Side have made it clear that yesterday's stormwater infrastructure is no longer designed for today's storms. And we have seen flooding in other parts of the city

including the Beeckman Corridor and Evanston. More rain is falling in shorter periods of time, overwhelming storm sewers, flooding homes and businesses, washing out roads, and putting lives at risk. While an emergency response is essential, responding after every flood is not a strategy. We need to plan for infrastructure that can temporarily store and slow enormous volumes of stormwater before it surges through our neighborhoods. Just as the Lick Run project dramatically reduced flooding on the West Side through regional stormwater infrastructure, we should determine whether similar approaches – and smaller more medium-term infrastructure – can protect Hyde Park, Mt. Lookout, Oakley, Madisonville, and other East Side neighborhoods. We also need to identify specific locations for $500K in stormwater infrastructure – such as bioswale, raingardens, etc. – to help with stormwater in the Mill Creek Watershed that was just included in the just-passed budget.

This motion asks for the analysis necessary to make informed decisions. It asks to explore whether there is an opportunity with proposed private development to incorporate large underground detention facilities in these high flood areas at a significantly lower incremental cost than building one as a standalone project in the future. It also seeks a comprehensive watershed study, which could be incorporated into the currently underway masterplan, to identify where regional detention, permeable surfaces, bioswales, rain gardens, and other green and gray infrastructure can provide the greatest benefit. Finally, it asks for a better understanding of previous decisions in 2020 regarding a bridge over Duck Creek and whether we should be investing in that bridge now.

The cost of inaction is millions of dollars in not only damaged property, but in disrupted lives, closed businesses, strained public resources, and growing concern every time heavy rain is forecast. Cincinnati has a long history of solving difficult infrastructure challenges through careful planning and sound engineering. This motion is the first step toward developing a data-driven strategy that will make our neighborhoods more resilient, better protected, and better prepared for the increasingly intense weather events we are experiencing.

The Stormwater Management Utility (SMU) is currently working on a long-term masterplan that would lay out the infrastructure across the city needed in the next few decades to address many of these conditions. That is the right analysis. The intent of this motion is to inform interventions that could take place before that long-term masterplan is completed and implemented.

MOTION

WE MOVE that City Council allocate to the Center for Addiction Treatment ("CAT") the amount of $150,000 from the FY '27 Budget fund that was set aside to supplement leveraged support funding. CAT offers help and hope for a different life by providing accessible care and tools for lifelong sobriety and recovery to patients struggling with addiction to alcohol, drugs or gambling. CAT does this with the goal of saving lives and rebuilding families. CAT did not receive any City funding in the City's FY '27 budget. Without this funding, this leader in the treatment of alcohol, drugs, and gambling addictions will be forced to decrease staffing and life-saving services. Thousands of people have walked through CAT's doors looking for a better life through sobriety. At CAT, recovery is within reach.

Scotty Johnson

Jan-Michele Lemon Kearney

STATEMENT
Following are a few facts about CAT:

- Patients have access to both residential and intensive outpatient services, including a dedicated physician and 24/7 access to professionally trained nursing staff.

- Through CAT's network, patients have access to a vibrant, active recovery community for continued support after treatment.

- CAT's medication-assisted treatment program for opiate dependent patients utilizes FDA approved medications including Suboxone® and Vivitrol®. These medications are used as part of a comprehensive approach that includes monitored urine screens and close management of pill dispensing, paired with proven counseling methods and unique support programs.

- CAT has a rich history of successfully treating addiction since 1970, making it the longest standing addiction treatment center in the region.

5. Any existing policies or procedures governing the leasing of City-owned properties to third parties.

Subject: **Workforce Development Programs and Future Talent Readiness**

REFERENCE DOCUMENT #202601062

On March 9, 2026, the Economic and Cultural Opportunity Committee referred the following for a report:

> **MOTION**, submitted by Vice Mayor Kearney, WE MOVE for the administration to prepare a report within 60 days on all City opportunities for workforce development including, but not limited to the Youth2Work Program, Career Pathways Initiative, Fire Cadets (youth), Police Cadets (youth), Buildings & Inspections Academy, internships with departments, and other opportunities. (BALANCE ON FILE IN THE CLERK'S OFFICE)

EXECUTIVE SUMMARY

Between 2023 and 2025, the City of Cincinnati supported workforce development through more than 28 programs across 12 City departments, serving approximately 1,768 participants and investing more than $7 million in workforce pipeline development. These initiatives ranged from youth employment and internship opportunities to specialized technical academies, public safety career pathways, cooperative education placements, professional certification programs, and leadership development efforts. Collectively, these programs provided participants with exposure to public service careers while helping develop technical, professional, and workplace readiness skills and supporting the City's long-term talent needs.

Key findings include:

- More than $7 million invested in workforce development initiatives through a combination of Community Development Block Grant (CDBG) funding, Career Pathways Initiative (Fund 308) resources, General Fund appropriations, enterprise utility funds, grants, foundation-supported internships, educational partnerships, and departmental operating budgets.
- Workforce development opportunities were available across a broad range of fields, including public safety, engineering, construction and inspections, utilities, information technology, planning, finance, law, and municipal administration.
- Significant youth engagement occurred through programs such as Youth2Work, the Police and Fire Cadet Programs, Police Department internships and job shadowing opportunities, and other youth-focused career exploration initiatives.
- The City expanded specialized workforce pipelines through innovative programs such as the Building Inspector Training Academy, a first-of-its-kind Ohio Board of Building

Standards-approved local training program designed to address recruitment challenges in a critical technical occupation.

- Departments strengthened partnerships with colleges, universities, nonprofits, foundations, workforce organizations, and educational institutions to create pathways into public service careers.
- Several programs now function as direct recruitment and talent-development pipelines supporting future employment opportunities within City government.

The Administration surveyed departments to identify workforce development activities occurring between 2023 and 2025. Programs included formal workforce academies, youth employment programs, internships, cooperative education placements, fellowships, job shadowing opportunities, educational partnerships, public safety career pathways, and professional development initiatives. The following report provides an overview of these efforts and the City's investment in preparing current and future generations for careers in public service.

Departments provided the best available information for the reporting period. Some departments noted limitations in historical demographic, ZIP code, participant outcome, or expenditure tracking due to record-keeping practices, staffing transitions, or the nature of educational partnership programs. Where demographic, geographic, expenditure, or participant outcome information was unavailable, departments provided the best information available at the time of reporting. To maintain the readability of this report, some departmental information has been summarized; however, the underlying source data used in the preparation of this report are available upon request.

KEY WORKFORCE DEVELOPMENT PARTNERS AND FUNDING SOURCES

The City's workforce development efforts are supported through a combination of federal funding, City resources, educational partnerships, nonprofit organizations, and departmental operating budgets. While individual programs vary by department, many initiatives share common funding sources and partnership structures that help create pathways into public service careers.

Several departments participate in the Cincinnati Recreation Commission's Youth2Work (Y2WK) program, which provides seasonal employment opportunities for Cincinnati youth. Youth2Work placements are primarily funded through Community Development Block Grant (CDBG) resources and Career Pathways Initiative (Fund 308) support. Through these placements, participants gain workplace experience while supporting City operations across multiple departments.

Departments also partner with colleges and universities through internship and cooperative education programs. These partnerships provide students with practical work experience in engineering, information technology, public administration, finance, planning, law, environmental services, and public safety. Many internship positions are funded through departmental operating budgets or enterprise funds, while others are unpaid educational experiences coordinated through academic institutions.

Several departments reported participation in established workforce development partnerships, including the Murray & Agnes Seasongood Good Government Foundation Internship Program, Miami University's Ohio Public Leaders Program, the Southwestern Ohio Council for Higher Education (SOCHE), INTERalliance, Military SkillBridge, and various educational outreach and mentorship programs.

In addition to student-focused opportunities, departments also reported workforce development initiatives designed to strengthen the skills of current employees through leadership development, professional certification, technical training, and advancement programs.

The Career Pathways Initiative (Fund 308) serves as a central workforce development resource supporting youth employment, internships, cooperative education placements, workforce readiness training, and public-sector career pathways. During the reporting period, Fund 308 supported Youth2Work programming, Fire Cadet programming, CPD workforce development initiatives, cooperative education placements, paid internships, and Financial Literacy and Social Emotional Learning training for participants.

BUILDINGS AND INSPECTIONS

The Department of Buildings and Inspections (B&I) administers the Building Inspector Training Academy, a 48-week workforce development program established in 2024 to prepare entry-level candidates for careers in building inspection. The Academy combines classroom instruction in construction fundamentals and building codes with supervised field experience, equipping participants with the skills required to pursue Ohio Building Inspector certification and potential employment with the City of Cincinnati. Designed to address workforce needs in a specialized field that is difficult to recruit through traditional methods, the program builds a pipeline of candidates with construction-related aptitude and an interest in public service through structured training, mentorship, and hands-on experience. B&I reported that the Academy is the first locally developed training program approved by the Ohio Board of Building Standards, marking a significant milestone in locally driven workforce development for technical roles.

B&I reported total program costs of approximately $1.57 million for Cohort 1 (FY2024–FY2025) and approximately $2.03 million for Cohort 2 (FY2025–FY2026), for a total reported investment of approximately $3.6 million funded through General Fund resources.

CINCINNATI RECREATION COMMISSION (CRC)

CRC's primary workforce development initiative during the reporting period was the Youth2Work (Y2WK) program, a summer employment program that provides Cincinnati youth ages 14 to 24 with paid work experience, career exploration opportunities, and workforce readiness training. The program emphasizes early workforce exposure, workplace readiness, and civic engagement through supervised placements with public, nonprofit, and private sector partners. Participants develop essential skills in workplace etiquette, financial literacy, and foundational job competencies through a combination of workshops, presentations, and hands-on experience, while

gaining insight into potential career pathways. As an entry point into the workforce, Y2WK supports the development of life skills, builds early work experience, and strengthens the City's long-term talent pipeline by preparing youth for future employment opportunities.

According to information provided by the Office of Grants Administration, CRC-administered Youth2Work programming received approximately $757,927 in Community Development Block Grant (CDBG) and Career Pathways Initiative funding between 2023 and 2025, including approximately $138,122 in 2023, $311,089 in 2024, and $308,716 in 2025.

CINCINNATI POLICE DEPARTMENT (CPD)

The Cincinnati Police Department (CPD) reported a variety of workforce development and career pathway initiatives designed to expose youth, college students, military personnel transitioning to civilian careers, and emerging professionals to opportunities in law enforcement, public safety, technology, and victim advocacy services. During the reporting period, CPD offered workforce development opportunities through unpaid college internships, SOCHE-supported internships, the Seasongood Internship Program, INTERalliance technology internships, the Department of Defense SkillBridge Program, high school job shadowing opportunities, the Understudy Program, and social work internships supporting witness advocacy services.

[1] * *The Cincinnati Recreation Commission (CRC) noted that, due to staff transitions within the Youth2Work program and financial management functions during the reporting period, certain detailed data elements were not readily available. Some demographic data for 2024 and budget data for 2023 could not be fully verified at the time of reporting. Reported expenditures may also be affected by the timing of summer youth employment activities, which span multiple fiscal years, and by CDBG allocation and reimbursement timing, particularly during May and June, which may result in reporting lags across fiscal years. CRC indicated that additional analysis may be conducted, including a review of internal systems, should more detailed information be required.*

These initiatives provide participants with exposure to public safety operations, investigative and administrative functions, information technology, community engagement, and victim services while developing professional skills and increasing awareness of career opportunities within municipal government. CPD also reported several emerging workforce development initiatives outside the reporting period, including expanded job shadowing opportunities, drone technology internships, and additional social work internship placements.

Between 2023 and 2025, CPD reported 156 annualized participants across its workforce development programs. The largest workforce development initiative during the reporting period was the Understudy Program, which served 14 participants in 2024 and 24 participants in 2025. While several programs operated at no direct cost to the department through educational partnerships and external support, CPD reported expenditures associated with paid internship programs and the Understudy Program.

In addition to departmental resources, CPD workforce development initiatives received approximately $405,029 in Career Pathways Initiative (Fund 308) support during the reporting period. CPD also reported approximately $41,600 in SOCHE/Law Enforcement Reimbursement Fund (LERF) supported internship funding, $5,760 through the Seasongood Internship Program, and approximately $8,307 in General Fund support for INTERalliance internships, for a total reported workforce development investment of approximately $460,696.

CINCINNATI FIRE DEPARTMENT (CFD)

The Cincinnati Fire Department (CFD) reported two workforce development initiatives during the reporting period: the Fire Cadet Program and the CFD Paramedic Program. Together, these programs support recruitment, workforce readiness, and career advancement within the fire and emergency medical services professions.

The Fire Cadet Program provides teens and young adults with hands-on exposure to fire service and emergency response careers through mentorship, physical training, career exploration, and experiential learning opportunities. The program serves as an early talent pipeline into public safety careers and helps build awareness of employment opportunities within the Cincinnati Fire Department.
The CFD Paramedic Program provides advanced emergency medical training for Emergency Medical Technicians (EMTs), firefighters, and individuals pursuing careers in emergency medical services. By supporting professional certification and technical skill development, the program helps expand the pool of qualified paramedics while supporting the department's long-term staffing and succession planning needs.

Fire Cadet programming received approximately $626,903 in Community Development Block Grant (CDBG) and Career Pathways Initiative-supported funding between 2023 and 2025, including approximately $245,004 in 2023, $157,105 in 2024, and $224,793 in 2025. The department did not separately report expenditures associated with the CFD Paramedic Program.

Report Period	Program	Funding Source/Expense	Number of Participants	Race	Gender	Age
2023	Fire Cadet	CDBG/Career Pathways Initiative Funding[3]	34	Black, Hispanic, and White participants reported	56% Male, 38% Female**	91% Under 18; 9% Ages 18-30

[3] Fire Cadet programming received approximately $626,903 in Community Development Block Grant (CDBG) and Career Pathways Initiative-supported funding between 2023 and 2025, including approximately $245,004 in 2023, $157,105 in 2024, and $224,793 in 2025. CFD did not separately report annual expenditures by program year. Race/ethnicity data were reported as categories only and were not available at a level sufficient to calculate percentage distributions. ZIP code information and age data for the CFD Paramedic Program were not reported. Some participant totals may not reconcile precisely due to departmental reporting practices.

ADMINISTRATIVE, FINANCIAL, AND LEGAL CAREER PATHWAYS[4]

The **City Solicitor's Office** provides legal internships, fellowships, clerkships, and educational placement opportunities that expose participants to municipal law, legal research, litigation support, and public administration. The department reported approximately $298,303 in workforce development expenditures during the reporting period, including support for the Law Fellow Program, Summer Law Clerkships, and DePaul Cristo Rey placements. Funding was provided through a combination of General Fund resources, educational partnerships, $146,000 from the Career Pathways Initiative/Fund 308 and Seasongood-supported internship opportunities. These programs support workforce pipeline development for legal and public-service professions.

The Finance Department reported internship opportunities supporting exposure to accounting, budgeting, procurement, financial reporting, and municipal administration. The department reported approximately $75,000 in workforce development expenditure funded through departmental operating resources, providing students with practical experience with public-sector financial operations and accountability functions.

The Office of Budget and Evaluation participated in the Ohio Public Leaders (OPL) Internship Program, the Seasongood Good Government Foundation Internship Program, and City-funded internship opportunities. The Office reported approximately $24,963 from a combination of general operating and Seasongood Grant Funding.

[4] The Administration collected detailed workforce development information from participating departments, including participant counts, funding sources, expenditures, age ranges, and, where available, demographic and geographic data. Because reporting methodologies and data availability varied across departments and programs, the level of detail reported was not uniform. To maintain the readability of this report, departmental information has been summarized. The underlying source data and supporting documentation provided by departments are available upon request.

PLANNING, ENGINEERING, INFRASTRUCTURE, AND UTILITY WORKFORCE PIPELINES

The **Department of City Planning and Community Engagement** reported internship and cooperative education opportunities supporting workforce exposure in urban planning, zoning, development review, and community engagement. The department reported approximately $28,800 in workforce development expenditure supported by CDBG Funding and Seasongood Grant Resources. These experiences provide students with practical exposure to long-range planning and community development functions.

The **Department of Transportation and Engineering (DOTE)** reported internships and cooperative education opportunities supporting civil engineering, transportation planning, surveying, infrastructure maintenance, and construction management. DOTE reported approximately $280,501 in workforce development expenditures, including approximately $274,453 supporting cooperative education opportunities and approximately $6,048 associated with Seasongood internship placements. These experiences help develop future engineering and infrastructure professionals while supporting City capital improvement and transportation initiatives.

Greater Cincinnati Water Works (GCWW) reported approximately $298,000 in workforce development expenditures during the reporting period, including approximately $70,000 supporting Youth2Work participants and approximately $228,000 supporting internships and cooperative education opportunities. Funding was provided through utility operating resources and workforce development partnerships. Programs included youth employment opportunities, internships, educational outreach activities, and leadership development initiatives designed to strengthen both external workforce pipelines and internal employee development.

The **Metropolitan Sewer District (MSD)** reported one of the City's largest internship and cooperative education programs, providing workforce exposure in engineering, environmental compliance, laboratory services, information technology, finance, and infrastructure management. MSD reported approximately $627,869 in workforce development expenditures funded through enterprise utility resources during the reporting period. The program supports direct workforce pipeline development for critical wastewater and stormwater utility operations.

Enterprise Technology Solutions (ETS) reported internship and student technology opportunities supporting workforce exposure in information technology, cybersecurity, infrastructure support, customer service, and municipal technology operations. ETS reported approximately $92,000 in workforce development expenditures funded through departmental operating resources. Participants assist with technology initiatives supporting multiple City departments while gaining practical experience that may lead to future municipal technology careers.

SUMMARY

Between 2023 and 2025, the City supported workforce development through youth employment opportunities, internships, cooperative education placements, educational outreach initiatives, public safety career pathways, leadership development programs, and specialized workforce development academies. These programs provided participants with exposure to public-service careers while developing technical, professional, and workplace readiness skills.

Departments reported workforce development investments of more than $7 million during the reporting period. Major investments included the Building Inspector Training Academy, Youth2Work, Fire Cadet programming, CPD workforce development initiatives, utility-based internship and co-op programs, and specialized technical workforce pipelines. Funding sources included Community Development Block Grant resources, Career Pathways Initiative funding, General Fund appropriations, enterprise utility funds, departmental operating budgets, grants, educational partnerships, foundation-supported internships, and unpaid educational placement models.

Collectively, these efforts support the City's workforce pipeline, strengthen recruitment and retention initiatives, expand access to public-sector careers, develop future technical and professional talent, and contribute to the long-term sustainability of municipal operations and service delivery.

Subject: Cincinnati Retirement System CY2025 Annual Report

Summary

This report is from the Cincinnati Retirement System (CRS) Board of Trustees (Board) and provides the Mayor and City Council with the state of the CRS Pension Trust and Healthcare Trust. It is intended to provide a comprehensive summary of the status of the Cincinnati Retirement System, in compliance with the CRS Board's reporting requirements as set out in the City's Administrative Code and Board Rules. The report is as of December 31, 2025. For additional status information, please see the City's Annual Comprehensive Financial Report, Actuarial Valuations of the Pension and Healthcare Trusts, and Investment Results on the CRS website. (https://www.cincinnati-oh.gov/retirement/crs-financial-information/)

The CRS is governed by the Collaborative Settlement Agreement (CSA) and CMC chapter 203. Under the CSA, the CRS Pension Trust is to be 100% funded by 2045. Under the CSA, the Healthcare Trust is to be 100% funded by 2045. Amendments to the CSA in 2026 establish the goal to fund the Pension Trust at 100% by 2049. Annual employer and employee contributions will increase beginning in 2026, a one-time employer contribution of $50 million will be made and an additional $50 million will be made in $1.5 million annual increments. (see the attached Judicial Order). An actuarial analysis supports 100% funding by 2049.

Background

The purposes of the CRS Pension Trust and Healthcare Trust are to provide promised retirement benefits and healthcare benefits to eligible retired City employees. CRS is a defined benefit plan that was established in 1931. The CSA was approved in 2015 to settle litigation and provide a comprehensive strategy to stabilize CRS while securing sustainable and competitive retirement benefits for both current and future retirees.

As of December 31, 2025, there were 3,023 full-time active members (which includes 71 members in the DROP plan who are still working), 4,200 pensioners receiving pension payments, and 4,528 pensioners and spouses receiving healthcare benefits. The CRS Board serves as an independent fiduciary on behalf of active and retired members of the retirement system. The Board retains Marquette Associates, an independent investment consulting firm, and Cheiron, a pension and healthcare actuarial consulting firm, both of which specialize in public sector retirement plans. Marquette and the Board developed and followed a disciplined Investment Policy Statement that

can be found on the CRS website. Cheiron calculates the actuarial value of assets and liabilities and projects the funded status of the Trusts in future years based on professional actuarial standards and practices.

The assumed investment rate of return and discount rate for calculating liabilities is 7.5% per year as prescribed in the CSA (for both Pension and Healthcare Trust). The CRS annualized rate of return for the past 1, 3, 5 and 10 years as of December 31, 2025, were 14.2%, 12.0%, 8.4% and 8.7%, respectively, which rank above the median investment returns relative to peers of public defined benefit retirement plans over each period.

The table below highlights the actuarial and market value of assets, liabilities, and funded ratios as of 12/31/25:

	Assets	Liabilities	Funded Ratio
Pension			
Actuarial Value	$ 1,840,584,626	$ 2,703,925,725	68.1%
Market Value	$ 1,919,080,000	$ 2,703,925,725	71.0%
Health			
Actuarial Value	$ 592,590,404	$ 295,107,102	200.8%
Market Value	$ 618,361,000	$ 295,107,102	209.5%

Pension Trust – As of 12/31/25

One goal of the CSA was to establish a projected 100% funding ratio by 12/31/2045. The assumptions used in finalizing the CSA projected that the Pension Trust would be fully funded in 30 years if all the assumptions played out exactly. The status of the annual contributions and distributions is described below:

- The active employees contribute 9% of the covered payroll to the Pension Trust as required by the CSA and CMC 203.
- The City in CY2025 increased its percent of payroll contribution from the CSA minimum rate of 16.25% by another 0.75% to 18.50% of full-time covered payroll to the Pension Trust. The General Fund represents approximately 65% of covered payroll and other non-general funds represent approximately 35% of covered payroll.
- In CY2025, the City contributed an additional payment of $2.7 million toward the cost of the 2020 Early Retirement Incentive Plan (ERIP). There are now 10 annual payments remaining. Cheiron estimates that payment at 1.02% of payroll for this additional benefit, bringing the City's annual contribution rate for CY2025 to 19.52%.
- In FY2025, the City also contributed a one-time lump sum payment of $2.0 million dollars from the General Fund fiscal year-end surplus. Cheiron estimates that the $2.0 million payments equate to 0.76% of payroll bringing the City's annual and one-time contribution rate for CY2025 to 20.27%.
- The Actuarially Determined Contribution (ADC) for the Pension Trust, as calculated by the actuary as of 12/31/25, is the annual employer contribution amount required to bring the Pension to a fully funded status by 2045. The ADC for CY2026 is 29.58% of covered payroll (as set by the CY2025 actuarial valuation). The contribution rate of 20.27% means the City would contribute 68.5% of the actuarial recommendation for CY2026.

- While contribution rates have improved recently, the benefit payments and expenses have significantly exceeded employer and employee contributions for over a decade. This dynamic put strain on the system and relative to peers CRS ranks in the bottom quartile of net cashflows as the graph below shows. This means that CRS continues to liquidate a relatively large amount of assets to pay for benefits and expenses monthly (regardless of market conditions) because contributions to the Pension Trust are relatively low. This also means that CRS is much more dependent on investment returns than most public pension plans and lacks some flexibility to take advantage of dislocations in the market when outsized return opportunities are present.

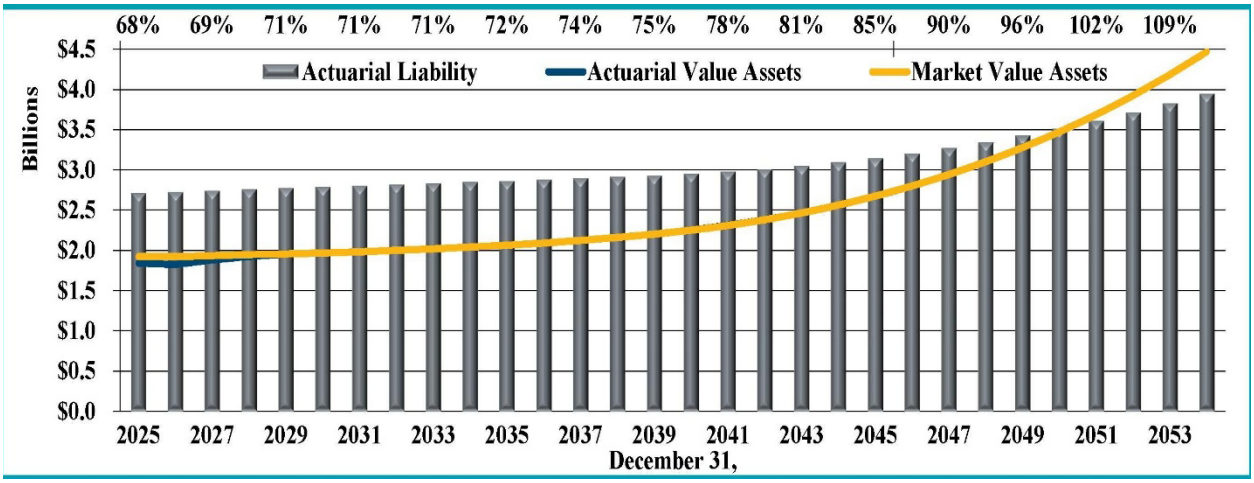

Adding strain to the system, the following events occurred after the CSA was finalized:

- Ordinance 336 - 2016, which reflects changes made in finalizing the CSA that increased liabilities, was approved by City Council in 2016.
- Revisions to actuarial assumptions (e.g., longer life span of retirees) occurred as recommended by the actuary and approved by the CRS Board.
- CRS is especially sensitive to the timing of capital market swings because it continues to liquidate assets to pay benefits even during capital market declines. This requires more time and a significantly higher rate of return for the remaining assets to recover from capital market volatility.
- The City offered the ERIP in 2020 that provided two additional years of service to eligible participants resulting in earlier retirements, additional benefits, and an increase in liabilities.
- The Deferred Retirement Option Plan (DROP) established in the CSA is required to be cost neutral; however, DROP has had a net increase in liabilities to the Pension Trust of $16.9 million.

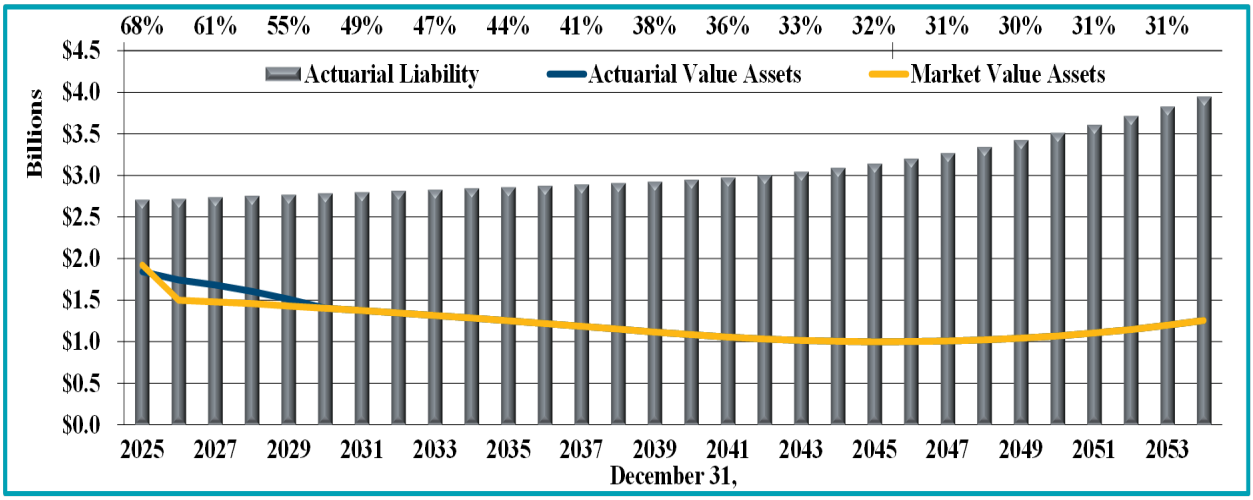

The actuary's latest revised funding progress for the Pension Trust, which includes the impact of the DROP and the ERIP, projects the funded ratio on an Actuarial Value of Assets (AVA) basis is projected to gradually rise over the next 20 years but will not reach 100% by 2045 in accordance with the CSA, and remains volatile given investment return variability.

The graph below reflects the City's status quo scenario where contributions of 18.50% of covered payroll continue for 30 years. It also includes the recommended budget's $2.7 million contribution per year for the next 10 years to pay for the ERIP liabilities and assumes the CSA benchmark return of 7.5% investment return for all future years. The funding ratio on an AVA basis is expected to be 85% by 2045.

Pension Trust – Actuarial Projections

The following graph demonstrates the elevated funding volatility of CRS and the system's sensitivity to deviations from the assumed rate of return. For example, the graph uses the same assumptions as the prior analysis, except it assumes a -15.0% investment return in 2026 instead of the expected 7.5% return. The results demonstrate the plan's vulnerability to market downturns, which often coincide with fiscally challenging periods for the City. Under this scenario, a single year return of -15.0% in 2026 reduces the projected funded ratio in 2045 to 32%, compared to 85% under the baseline assumption, underscoring the significant funding volatility of the plan.

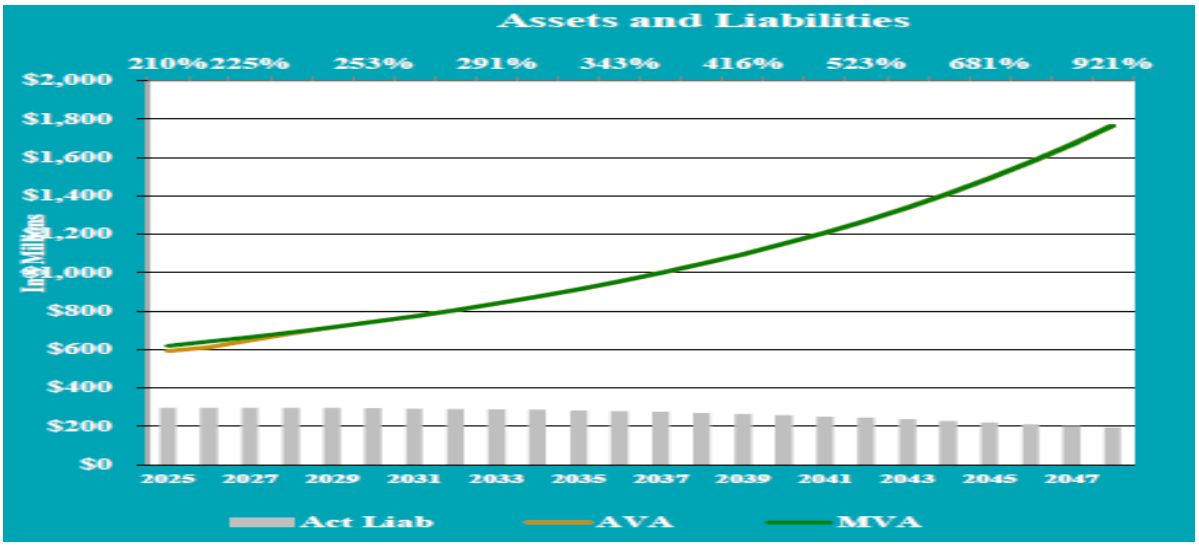

Healthcare Trust – As of 12/31/25

In 2023, the City adopted a Healthcare Trust funding policy as required by the CSA. At the time of the CSA signing in 2015, the Healthcare Trust was fully funded, and the City was required to develop and present a formal funding policy to maintain the fully funded healthcare trust at actuarially appropriate levels. The funding policy would keep the Trust fully funded over the lifetimes of current and future retirees and their beneficiaries covered by the CSA. The Healthcare Trust is irrevocable, and its assets must be used exclusively for healthcare benefits for CRS retirees and their beneficiaries. The funding policy was approved by the Federal Court on March 28, 2024, nine years after the CSA signing. A key aspect of the funding policy provides for an employer contribution trigger at a 90% funding ratio.

In the graph below, the bars represent liabilities, and the lines represent the actuarial value of assets AVA and the market value of assets (MVA) assets. The graph shows that the Healthcare Trust is fully funded in 2026 and beyond. This is based on current assumptions being fully met.

Healthcare Trust

While the Healthcare Trust is projected to remain fully funded throughout the forecast period, several emerging healthcare cost trends could create future funding volatility. These include the growing utilization and high cost of GLP-1 and other weight loss drugs, ongoing volatility in Medicare Part D pricing and subsidy structures, including the financial impacts associated with the 2025 EGWP (Employer Group Waiver Plan) market variability. Overall, the federal redesign of Medicare Part D benefits — including enhanced participant coverage and revised cost-sharing among manufacturers, plan sponsors, and the federal government — may increase plan costs and add uncertainty to long-term healthcare projections. At the latest actuarial valuation presentation, our actuary stated this market will continue to evolve until 2030, with actual healthcare expenditures potentially exceeding current assumptions This increases the likelihood that the Healthcare Trust's future funded status could be negatively affected.

Investment Performance – As of 12/31/25

CRS investment performance has been solid relative to return opportunity in the market, the assumed risk, and our peer group. That said, the 7.5% annualized return assumption remains a high hurdle. The median investment return assumption of U.S. public retirement systems has steadily decreased over the past decade and is currently 6.9% (NCPERS 2024 report). CRS will be challenged to achieve the 7.5% rate of return with an acceptable level of risk. As noted, CRS has a high asset liquidation rate (approximately 6.5%) each year to pay benefits while not taking in enough funds through employee and employer contributions. Coupling the high return assumption and large net cash outflow creates a more difficult environment to manage liquidity.

The following chart reflects the annual rates of return including 1-year, 3-year, 5-year & 10-year annualized returns. Each period's returns exceeded the 7.5% CSA assumption and exceeded median peer returns. Over the last ten years there were two years that underperformed the 7.5% assumed rate of return and 8 years that outperformed the 7.5% assumed rate of return.

The Board's newly adopted Investment Policy (Dec'25) provides for a well-diversified portfolio across asset class, sector, and regions. The CRS asset allocation below is designed to achieve the 7.5% return over time with an acceptable level of risk.

CRS Asset Allocation

US Equity	24.0%
Non-US Equity	15.0%
Private Equity	13.5%
Fixed Income	19.5%
Opportunistic Credit	3.0%
Private Credit	8.0%
Infrastructure	7.0%
Real Estate	6.0%
Hedged Funds	4.0%
Total	100.0%

Employer Contributions

In a defined benefit retirement plan such as CRS, the employer (plan sponsor) is responsible for providing benefits (as opposed to a defined contribution plan). The ADC is the actuary recommended employer contribution to achieve full funding in 30 years. The chart below reflects the Pension Trust ADC and the City employer contribution for the last 21 years. By not contributing the fully recommended ADC amount each year the unfunded liability increases over time, meaning that the actuarial liability exceeds the value of assets.

Board Accomplishments

Each year, the CRS Board establishes strategic objectives to strengthen governance, improve investment manager oversight, and enhance operational effectiveness. Recent accomplishments include:

- Revised Investment Policy to improve risk-adjusted return objectives,
- Completed Trustee Manual,
- Completed Governance Manual,
- Conducted CRS orientation sessions for new City Council Members,
- Created inaugural Popular Annual Financial Report (PAFR),
- Completed CEM Benchmarking Survey identifying operational improvement opportunities,
- Achieved 95% completion or initiation rate on Funston governance recommendations,
- Strengthened investment manager due diligence and monitoring procedures,
- Advancement of board education and trustee development initiatives,
- Increased focus on cost efficiency and operational effectiveness.

Conclusion

The CRS Pension Trust and Healthcare Trust are undoubtedly challenged in providing promised retirement benefits. When the Collaborative Settlement Agreement was implemented, the Pension Trust and Healthcare Trust were projected to be fully funded by 2045. For the Pension Trust this is no longer the case.

At the close of 2025, the Pension Trust experienced a return of 14.2%, nearly doubling the assumed rate of return of 7.5%. The demographics improved from an actuarial perspective in that the City had a material increase in number of active employees and total payroll (i.e. more employee contribution) during the year. Despite strong performance and improved demographics, the funded ratio of the plan still decreased, albeit marginally, from 68.3% to 68.1%. Funding vigilance therefore remains a priority for the Board.

CRS Pension Funded Ratio

2015*	2016	2017	2018	2019	2020	2021	2022	2023	2024	2025

* CSA

Recommendation: CSA Pension Trust Amendments

The recent amendments to the CSA have an actuarially based projection of 100% Pension Trust funding by 2049. The negotiations among the parties that resulted in the CSA amendments took over a year to complete and began when the funding ratio declined to 68.3%. To avoid future prolonged negotiations and potential major contribution and benefit changes, the Board recommends that action for full funding be considered when the projected 2049 funding level is 85% or less.

Subject: **Update to Report on the Composition of the Workforce Engaged in City Projects**

REFERENCE DOCUMENT #202401327

The City Council at its session May 6, 2024, referred the following item for report:

> MOTION, submitted by Councilmembers Jeffreys, Parks, Walsh and Albi, To understand the make-up of the "boots on the ground" workforce in City projects, WE MOVE that, the Administration use aggregated certified payroll data over the past few years to report back to Council within sixty (60) days.

INTRODUCTION

On May 6, 2024, the City Council introduced Motion No. 202401327 (the "Motion"), directing the City Administration to prepare a report within sixty (60) days to analyze the composition of the workforce engaged in City projects. The Motion specifically requested that the Administration use aggregated certified payroll data to provide insights on the following:

- The overall percentage of minority workers across all trades and projects.
- The overall percentage of women workers across all trades and projects.
- A breakdown of workers residing within the City of Cincinnati, the Greater Cincinnati area, and outside the region (e.g., another state beyond the Tri-State).
- The overall percentage of union versus non-union workers, with a comparison of these metrics for minorities and women.
- Recommendations on how best to track and report progress on these metrics over time, including suggestions for workforce inclusion goals.

This report is meant to serve as an update to Document No. 202401327 using the certified payroll data collected for the 2025 calendar year (1/1/2025-12/31/2025).

Certified Payroll Data

The data presented in this report is drawn from City projects subject to prevailing wage requirements, with information collected and monitored via the LCP Tracker system for the calendar year of 2025. Certified payroll reports capture demographic details such as race, gender, and home address. However, it is important to note that this data is self-reported by employers and is not independently verified by the City. In particular, employee home addresses are prone to potential typos and errors, which may affect the reliability of related data points.

The following charts, created with the assistance of the Office of Performance and Data Analytics (OPDA) using Power BI, utilizes data from LCP Tracker. The percentages presented are calculated based on the hours reported in certified payrolls.

Minority and Women All Trades and Projects vs Total Counts

Minority Workers	Minority Hours	Female Workers	Female Hours	Male Workers	Male Hours	Total Hours
1,072	252,509	167	38,550	4,598	1,108,352.63	1,146,903.09

Minority Worker Hours: Within the LCP Tracker system, the term "Minority" encompasses African American, Asian American, Native-American, and Hispanic workers.

According to the data for the 2025 calendar year, there were a total of 4,765 workers on City funded prevailing wage projects. Of those 4,675 workers, 1,072 were minorities, meaning that 22.93% of all workers on City-funded prevailing wage projects were classified as minorities. Additionally, there were 1,146,903.09 total hours worked across all City funded prevailing wage projects. Minority employees contributed 252,509 hours worked, which is 22.02% of the total hours worked on these projects. This means that minority workers were utilized on 22.02% of the available hours while making up 22.93% of the available workforce on City funded prevailing wage projects in 2025.

Female Worker Hours: In 2025, female workers represented 167 workers out of the total 4,765 workers, or 3.5% of the available workforce on City-funded prevailing wage projects. Female workers accounted for 38,550 of the 1,146,903.09 total hours worked across all City funded prevailing wage projects, which is 3.36% of the total hours worked on these projects. This means that female workers were utilized on 3.36% of the available hours while making up 3.5% of the available workforce on City funded prevailing wage projects.

Cincinnati Worker Totals	% Cincinnati Workers	All Cities Workers Totals
1,274	26.74%	4,765

Cincinnati Worker Totals: It should be noted all worker address information is self-reported by contractors and is not independently verified by the City. According to the 2025 data, 26.74% of workers on City-funded prevailing wage projects resided within Cincinnati.

OKI Totals

Employee Count	Employee State	Employee City

4	KY	Crescent Springs
2	OH	Deer Park

21	KY	ELSMERE
35	KY	Erlanger
75	OH	FAIRFIELD
20	OH	Fairfield Township
87	KY	Florence
3,007		

Tri-State Worker Totals: It should be noted all worker address data is self-reported by contractors and is not independently verified by the City. Since the initial report on this request, further work has been done to allow for reporting on tri-state residents working on City-funded prevailing wage projects. According to the 2025 data, 3,007 tri-state residents worked on City-funded prevailing wage projects, which account for 63.1% of the total workforce on these projects.

Union Status: The LCP Tracker system does not currently provide a way to report on the union status of employees.

Conclusion and Recommendations

Since the initial report provided in Document No. 202401327, there have been slight changes in the composition of workforce engaged in city-funded prevailing wage projects. The data collected in calendar year 2025 shows an increase in both the number of minority workers as well as the utilization of minority workers. The 2025 data shows a decrease in both the number of female workers as well as the utilization of female workers. The data collected in 2025 shows an increase in the amount of Cincinnati residents working on City-funding prevailing wage projects. Lastly, the City now has data about tri-state residents working on City-funded prevailing wage projects to use as a point of reference in the future.

To effectively monitor and improve workforce diversity on City projects, the Department of Economic Inclusion and Procurement recommends the following:

- Regular Reporting: Continue to provide annual reports to Council on the previous years' workforce diversity metrics versus the historical data originally reported in Document No. 202401327 to allow for continuous assessment and refinement of strategies.
- Reevaluate Construction Workforce Goals: Based on current data, reassess the aspirational inclusion goals at the workforce level, including specific targets for minority and female participation. Cincinnati Municipal Code 325 (CMC 325) and City Council Resolution 21 (R-21) govern EEO requirements for City contractors. R-21 sets a standard that 11.8% of labor hours be performed by minority males, 6.9% by females, with 3.45% of those hours being minority females across all craft trades on City construction projects within Hamilton County.

Motion: Restricting Cannabis Funds to Neighborhoods Impacted

June 5, 2026

WE MOVE that the administration take the following action within the next 90 days:

- Create a restricted fund within the City of Cincinnati budget for future cannabis funds from the State of Ohio starting for FY 2028. The intention of this restricted fund is to restrict the expenditure of those funds on the communities most impacted by cannabis when it was illegal to repair the damage done to these communities.
- Request the administration report back on how they would define "the communities most impacted by cannabis when it was illegal" – specifically which neighborhoods would receive funding.
- Partner with the Greater Cincinnati Foundation (GCF) and other philanthropic organizations to amplify the impact of this restricted fund with private investment and the creation of a governance structure for ensuring its future impact remains restricted and investments have the intended impact.

City Council will take further, subsequent action to determine how these funds will be dispensed after the restricted fund has been established starting with the FY 2027 budget.

STATEMENT

In November 2023, the citizens of Ohio voted to legalize cannabis. With that legalization was a tax on the sale of cannabis products in dispensaries in the State of Ohio. The City of Cincinnati received its first annual installment of funding from cannabis taxes last year from dispensaries within the City of Cincinnati. In 2025, the amount was $2.3 million covering a period of about 18 months, and in 2026 it is expected to be $1.6 million.

When cannabis was illegal, the impact was disproportionately in African American communities. For example, in 2010, according to the ACLU of Ohio, African Americans were four times more likely to be arrested for marijuana possession in Ohio despite similar usage rates. In a Cincinnati Law Department review in 2019, 80% of marijuana arrests over a 15-year period were African American males.

The current cannabis funds and future funds do not currently carry any restrictions from the State of Ohio. Without any further action by City Council, these funds will simply be absorbed into general operations of the City of Cincinnati without being redirected into helping the communities most harmed when cannabis was illegal. While ideally the restricted fund would have been created before FY 2027, given we are in the current budget cycle, the intent is to create it formally for FY 2028.

This is a "once in a lifetime" opportunity to use funds to repair some of the damage caused when cannabis was illegal. Without this action, these funds would be absorbed into the general fund in future years, which would be a lost opportunity.

MOTION

WE MOVE that the administration provide a report within 120 days on the pros and cons of combining the City's Parks Department and Cincinnati Recreation Commission into one Parks and Recreation Department. The report should include challenges to a merger of the two systems and possible arguments for keeping the two systems separated. The report also should include estimates of cost savings if Parks and Recreation were merged into one department, areas where services are duplicated within the current structure, and necessary steps to accomplish the merger. The report should set forth a viable structure for a combined Parks and Recreation Department, and provide any other pertinent information.

Jan-Michele Lemon Kearney

Vice Mayor Jan-Michele Lemon Kearney

STATEMENT

The question often arises as to whether the City's Parks Department and Cincinnati Recreation Commission should be combined into one city department. Some have said that Cincinnati is one of the few cities where the departments are separated, and that separation creates duplication of services, myriad inefficiencies, and a waste of taxpayers' money. This motion is to gather information on the pros and cons of a merger of parks and recreation into one city department, understand the advantages and disadvantages to a merger of the two entities, and take a look at a viable structure.

On July 16th, 2026, Public Works employee Jonathan Young was killed in a crash while doing scheduled work on the Norwood Lateral. He had been with the City since 2002 and worked in the Department of Public Services, helping to keep our streets safe and maintained. All of us at the City mourn Jonathan and are praying for his family in this difficult time.

Unfortunately, Jonathan Young is not the first Public Works employee who was lost in the line of duty.

To honor Jonathan and those that fell before him, **WE MOVE** the city administration begin a process and identify sites for permanent memorial to all Cincinnati Public Works employees who have lost their lives in the line of duty. This could be similar to that which the city has done for Police and Firefighters. The city should work closely with AFSCME in studying alternatives.

Subject: Ordinance – Charles Street Two-Way Conversion

Attached is an ordinance captioned as follows:

> **MODIFYING** Chapter 507, "One-Way Streets," of the Cincinnati Municipal Code by REPEALING Section 507-1-C9, "Charles Street, east from Central Parkway to Elm Street," to convert the portion of Charles Street located between Central Parkway and Elm Street from a one-way street to a two-way street.

Charles Street between Central Parkway and Elm Street in the Over-the-Rhine neighborhood converted from two-way vehicular traffic to one-way eastbound in 2021 to allow for the installation of an outdoor parklet to benefit nearby residents. That parklet was never installed and therefore 3CDC has requested the City convert Charles Street back to two-way in efforts to reduce confusion for drivers that resulted from that change and enhance pedestrian safety along the corridor.

Cincinnati Planning Commission approved the change on May 1, 2026.

The Administration recommends passage of the attached ordinance.

cc: Greg Long, Interim Director, Transportation and Engineering

MODIFYING Chapter 507, "One-Way Streets," of the Cincinnati Municipal Code by REPEALING Section 507-1-C9, "Charles Street, east from Central Parkway to Elm Street," to convert the portion of Charles Street located between Central Parkway and Elm Street from a one-way street to a two-way street.

WHEREAS, Cincinnati Municipal Code Section 507-1-C9, "Charles Street, east from Central Parkway to Elm Street," requires traffic to move in an eastbound direction on the portion of Charles Street located between Central Parkway and Elm Street; and

WHEREAS, stakeholders along Charles Street between Central Parkway and Elm Street in the Over-the-Rhine community requested the City convert the portion of Charles Street from a one-way street to a two-way street, consistent with the recommendations of the Over-the-Rhine Comprehensive Plan (2002) and the Plan Cincinnati (2012), both approved by City Council; and

WHEREAS, the City Planning Commission, having the authority to approve the change in use of streets, approved the conversion of the portion of Charles Street located between Central Parkway and Elm Street from an eastbound one-way street to a two-way street at its meeting on May 1, 2026; and

WHEREAS, Council considers the conversion of the portion of Charles Street located between Central Parkway and Elm Street from a one-way street to a two-way street to be in the best interests of the City and the public's health, safety, morals, and general welfare; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That Section 507-1-C9, "Charles Street, east from Central Parkway to Elm Street," of the Cincinnati Municipal Code is hereby repealed.

Section 2. That the proper City officials are hereby authorized to take all necessary and proper actions to carry out the provisions and intent of this ordinance, including the fabrication and installation of street signage in accordance with the Department of Transportation and Engineering's policies and procedures.

Section 3. That this ordinance shall take effect and be in force from and at the earliest period allowed by law.

202602424

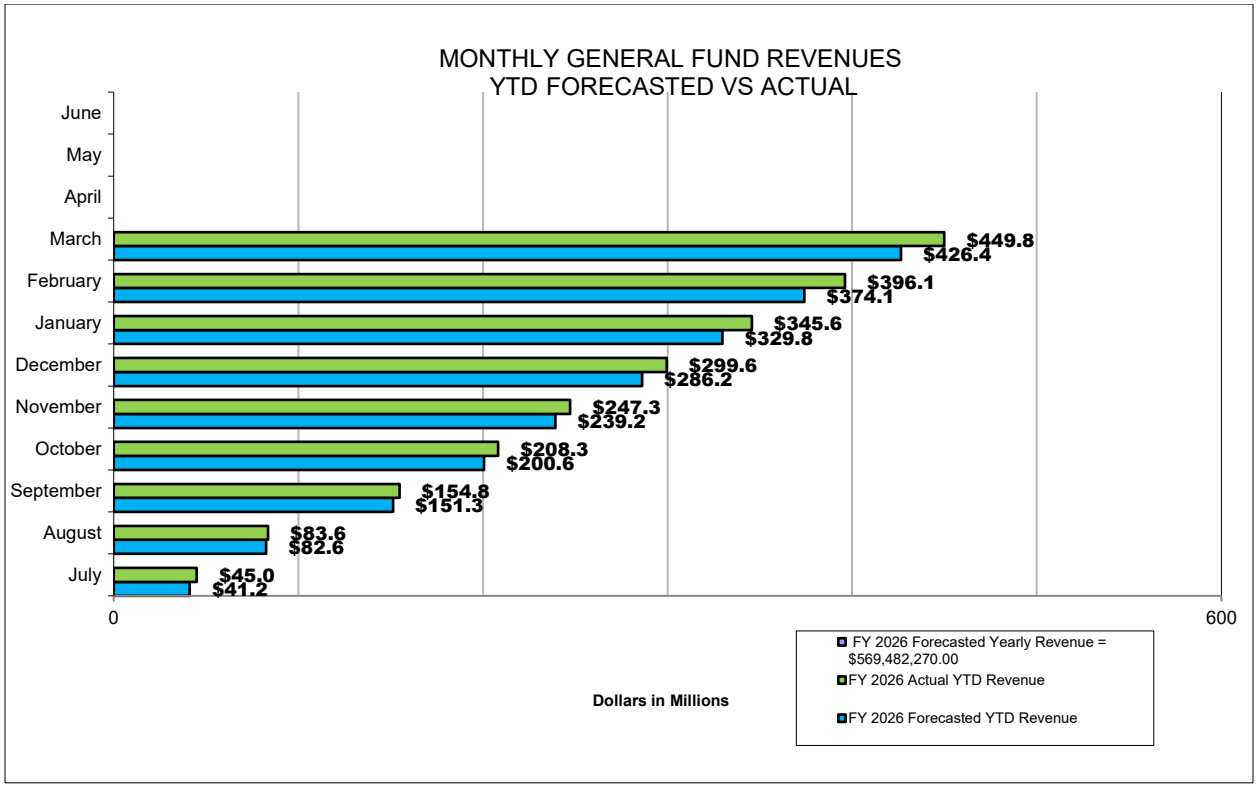

SUBJECT: Department of Finance Reports for the Month Ended March 31, 2026

MARCH 2026
MONTHLY FINANCIAL REPORTS

The following report provides an update on the City of Cincinnati's financial condition as of the month ending March 31, 2026. This report represents the nineth report for the new 2026 fiscal year ending June 30, 2026. Variances are based on current year estimates and prior year activity in attached schedules.

A more detailed explanation of revenues and expenditure is attached for review, including reports comparing the current year's actual revenue vs. forecasted revenue and prior year's actual revenue vs. current year's actual revenue. Both of those reports are presented on a monthly and year-to-date basis.

The chart below portrays the performance of actual revenue collected against the forecasted revenue collected through March 31, 2026, and shows that actual revenue of $449.8 million was above forecasted revenue of $426.4 million by $23.4 million.

The major revenue components of the General Fund are listed in the table below. This table highlights the year-to-date variance (favorable and unfavorable) in General Fund revenue collections as compared to forecasted revenue collections. Each major category that differs significantly from forecasted collections will be discussed in further detail.

GENERAL FUND REVENUE SOURCES

	FAVORABLE VARIANCE	(UNFAVORABLE) VARIANCE	PERCENTAGE VARIANCE
General Property Tax		(3,819,205)	-9.93%
City Income Tax	6,050,976		2.23%
Admissions Tax	2,049,716		25.04%
Short Term Rental Excise Tax	263,194		17.22%
Licenses & Permits	198,285		0.83%
Fines, Forfeitures, & Penalties		(462,288)	-11.33%
Investment Income	3,865,987		19.97%
Local Government	3,706,759		30.01%
Casino	199,530		2.69%
Police	6,753,411		90.14%
Buildings and Inspections		(30,502)	-0.68%
Fire	993,393		13.57%
Parking Meter	0		0.00%
Other	3,640,905		18.62%
	27,722,157	(4,311,995)	
Difference	23,410,161		

General Fund (favorable variance) is $23.4 million above the amount forecasted through March in the FY 2026 Budget. This is the ninth month's report for the new fiscal year. What follows is an explanation of significant variances of individual General Fund revenue components.

General Property Tax (unfavorable variance) is $3.8 million below the forecasted amount. Based on information from the County Auditor's Office, we expect to finish the fiscal year with a $2m favorable variance after the spring settlement.

Income Tax (favorable variance) is $6.1 million above the forecasted amount.

Admissions Tax (favorable variance) is $2.0 million above the forecast amount. This is due to extended seasons for the Reds and FC Cincinnati as well as higher ticket prices for other events.

Fines, Forfeitures & Penalties (unfavorable variance) are $462k below the forecasted amount. Civil fines and moving violations are trending lower than estimated. Finance will work with Law to keep an eye on this category.

Investment Income (favorable variance) is $3.9 million above the forecasted amount. This is due to earnings being generated on a portfolio balance that is higher than originally assumed.

Police (favorable variance) is $6.8 million above the forecasted amount. The department's detailed estimate was understated; therefore, we project this category finishing well above estimate for the year.

Fire (favorable variance) is $993k above the forecasted amount. Fire's EMS third party vendors have received collections from prior periods as they continue to recover from their cyberattack.

Restricted Funds:

Convention Center (unfavorable variance) is $1.7 million below the forecasted amount due to a delay in receipting funds from the management contractor. This variance will be corrected as they get caught up.

General Aviation (favorable variance) is $608k above the forecasted amount. The department's detailed estimate was understated because of the timing of execution of a third-party collection contract. They expect to finish the fiscal year with a favorable variance of ~$275k.

Golf (favorable variance) is $1.2 million above the forecasted amount. Staff have caught up on receipting, and weather conditions have been better than anticipated.

Streetcar (favorable variance) is $686k above the forecasted amount.

CLEAR (unfavorable variance) is $1.1 million below the forecast amount. This is due to a timing variance in invoicing and will resolve itself when ETS catches back up.

Submitted herewith are the following Department of Finance reports:

1. Comparative Statement of Revenue and Expenditures (Actual, Forecast and Prior Year) as of March 31, 2026.

2. Audit of the City Treasurer's Report for the month ending February 28, 2026.

3. Statement of Balances in the various funds as of March 31, 2026.

By approval of this report, City Council appropriates the revenues received in the various restricted funds on the attached Statement of Balances and as stated in greater detail on the records maintained by the Department of Finance, Division of Accounts & Audits. Such revenues are to be expended in accordance with the purposes for which the funds were established.

Subject: **Tax Incentive Review Council Status of Property Tax Exemptions for Year End 2025**

BACKGROUND

The Tax Incentive Review Council (TIRC) held its annual meeting on June 25, 2026 to review the 2025 period performance of companies granted property tax exemptions under Sections 5709.85, 725, and 3735.671 of the Ohio Revised Code (ORC). The TIRC review determines whether businesses have complied with the terms of their agreement related to project investment and job retention/creation. The tax exemption agreements typically allow the company three years to achieve investment and job goals.

The TIRC recommends continuation, modification, or termination of Tax Increment Financing (TIF) exemptions and Community Reinvestment Area (CRA) agreements. It is important to note that the majority of tax exemption agreements executed by the City in recent years have been CRA agreements. TIF Agreements are more complex and tend to be used for large projects and have longer terms.

The following documents are attached:

- Attachment I (*TIRC 2026 Minutes and Summary Report*) reflects the minutes of the TIRC's 2026 Annual Meeting and the Summary Report.
- Attachment II (*2026 TIRC Detailed Reports – TIFs*) represents details of the 2025 year-end status of TIF Projects (General Information and Revenues and Expenditures) and TIF Districts.
- Attachment III (*2026 TIRC Detailed Reports – CRAs*) reflects details of the 2025 CRA Tax Abatements in four sections: General Information, Construction Issues, Jobs & Payroll Issues, and Reporting Issues.

PERFORMANCE OF TIF DISTRICTS AND TIF PROJECTS

The TIRC is required to review TIF exemptions created after 1994 including TIF Projects and TIF Districts. Attachment II provides detailed information on the 41 Project TIFs and 35 District TIFs. Details on the six ORC 725 Urban Renewal exemptions are included in the Summary document. All companies with TIF or ORC 725 exemptions were in compliance with required service payments in 2025 and these exemptions are recommended for continuation.

PERFORMANCE OF COMMERCIAL CRA AGREEMENTS

During the 2025 period there were 354 active commercial CRA agreements. A breakdown of the 2025 review and performance is summarized below and is also detailed in Attachment III:

- There are 330 agreements recommended for **continuation**.

- There are 3 agreements recommended for **modification**. These include one pending extension amendment & assignment, one pending a project start & extension amendment, and one pending extension amendment. Most of the construction delays continue to be related to supply chain issues, contractor issues, workplace problems, and inspection delays. Amendments will be drafted for agreements where a letter from the Department Director is not sufficient. Construction starts are usually delayed as a result of financing issues.
- Ten companies are recommended for **termination.** Seven of the Terminations are based on lack of response to requests for annual fees and/or annual reports. Three Terminations are related to delayed starts or completions.
- Eleven agreements have expired and the projects have been closed.

Agreements that Expired in 2025

- Globe Building, LLC (1801-1805 Elm Street)
- Transept Property, LLC (1205 Elm Street)
- Urban Legacy VIII, LLC (1428, 1430, 1438 Race Street)
- Broadway Square I, LLC
- Bartlett Building LTD (Bartlett-Renaissance Hotel)
- CBD Holdings (114-118 E. 6th Street)
- Mercer Commons OTR, LLC (Mercer Commons Garage)
- 4138 Hamilton Avenue, LLC (Caracole Relocation)
- Forest Square Apartments L.P. (Forest Square Senior Apartments)
- South Block Properties, LLC (3930 Spring Grove)
- Highland MOB, LLC

RECOMMENDATION

The ORC Section 5709.85(E) states that City Council must act on the CRA and TIF program recommendations determined at the annual TIRC meeting. Recommendations to continue, modify, or terminate company agreements are contained in the 2026 TIRC Minutes (Attachment I). The Administration recommends approval of these minutes and the recommendations therein.

TIRC REPORT NARRATIVE

Tax Increment Financing (TIF) Exemptions (ORC 5709.40 & 5709.41)

A. Program Overview

Developers making a large-scale investment that requires substantial public infrastructure improvements may be able to use Tax Increment Financing (TIF) to offset a portion of those costs. In certain limited circumstances, TIF dollars may be used more broadly for urban redevelopment purposes.

How Do They Work? The Ohio legislature has authorized the creation of Tax Increment Financing under ORC Section 5709.40 and 5709.41. Upon creating a TIF, Ohio allows a municipality to grant a tax exemption up to 100% of the newly created real property value with the consent of the local school district. Municipalities may require payments in lieu of taxes on the exempt real property value. All payments in lieu of taxes collected on this newly created property value can be used to fund public infrastructure improvements and other eligible uses or pay debt service on bonds issued for such eligible uses. The two most common types of TIF in Ohio are Project TIFs and District TIFs. Project TIFs are applicable to particular developments. District TIFs apply to a specific geographic area of the City. In both cases, taxes are exempted on improvements (for the specific project, in the case of a Project TIF, or within the district, in the case of a District TIF), and the City may impose payments in lieu of taxes. District TIFs are subject to geographic area and assessed value caps under state law.

What Are the Benefits? Tax Increment Financing provides a method to fund public infrastructure and other eligible site improvements adjacent to and within new commercial developments.

How Is It Used? To initiate the process, a developer applies to the City for a TIF designation prior to the commencement of any construction activities. Next, the Administration reviews submitted information and requests additional information as required to determine whether debt must be issued to construct the public improvements and may refer the developer to the Port Authority to underwrite the debt issuance. Finally, a recommendation is made to City Council for the designation of the Project as a TIF as well as any related legislation and legal agreements, such as a Development Agreement (governing the developer's construction of their project), Cooperative Agreement (when debt is to be issued through the Port), debt agreements (when the City issues the debt) and other related documents (i.e., letter of credit and service agreements). Depending on the timeline of a project's infrastructure needs, the City creates a Project TIF or District TIF and either: 1) waits until the revenues derived from the TIF are sufficient to pay for the costs of the infrastructure, or 2) issues debt for the construction of the infrastructure with such bonds being backed by the future TIF revenues. The decision

of whether or not to issue debt depends solely on the immediacy of the project's infrastructure needs. The City frequently utilizes the Port Authority for the issuance of debt of TIF projects.

Pursuant to House Bill 33, passed by the 135th Ohio General Assembly, in 2024 the City of Cincinnati passed Ordinance No. 183-2024 to allow service payments from certain defined Project TIFs to be used anywhere in the City of Cincinnati on public infrastructure improvements furthering urban redevelopment.

B. Staff Review of TIF Districts and Project TIFs

In 2025, the City of Cincinnati had a total of 35 TIF Districts. The 35 Districts received a total of $81,613,903 in Statutory Service Payments in 2025 and made expenditures in 2025 totaling $54,787,481.

The City had 56 Project TIFs at various stages at the end of 2025. For the 41 Project TIFs receiving and distributing payments, there was a total of $35,858,044 in revenue and $32,434,459 in expenditure.

For the 28 Project TIF companies that submitted the 2025 TIF Annual Report, the aggregate capital project expenditures through the end of 2025 totaled $1,435,293,319, compared to a commitment by those companies of $2,464,111,731. These same 28 companies also reported 4,872 permanent jobs, compared to a commitment of 8,041 permanent jobs. (Note: These aggregate figures are based on both company reports and department estimates. The City will continue to request data from these companies throughout the year. Some Development Agreements that create the Project TIFs do not require regular reporting.)

C. Recommendations on TIF Exemptions

Staff recommends all current TIF exemptions be Continued.

Urban Renewal Debt (ORC 725)

A. Program Overview

Under Ohio Revised Code Chapter 725, a municipality can enter into a development agreement with a developer of land in an urban renewal project and can authorize a real property tax exemption with respect to the improvements constructed and require the owner to make payments in lieu of taxes to the municipality. The municipality can use those payments to pay debt service on Chapter 725 bonds and for related expenses. The City created 32 separate Urban Renewal Plans in order to undertake Urban Renewal efforts under ORC 725 within these areas.

B. Staff Review of Agreement ORC 725 Exemption Statuses

In 2025, the City had six active Urban Renewal agreements for projects undertaken in Downtown and the East End. These agreements are compliant with their requirements to make service payments and minimum service payments to pay urban renewal project debt.

Community Reinvestment Area Property Tax Abatement Program

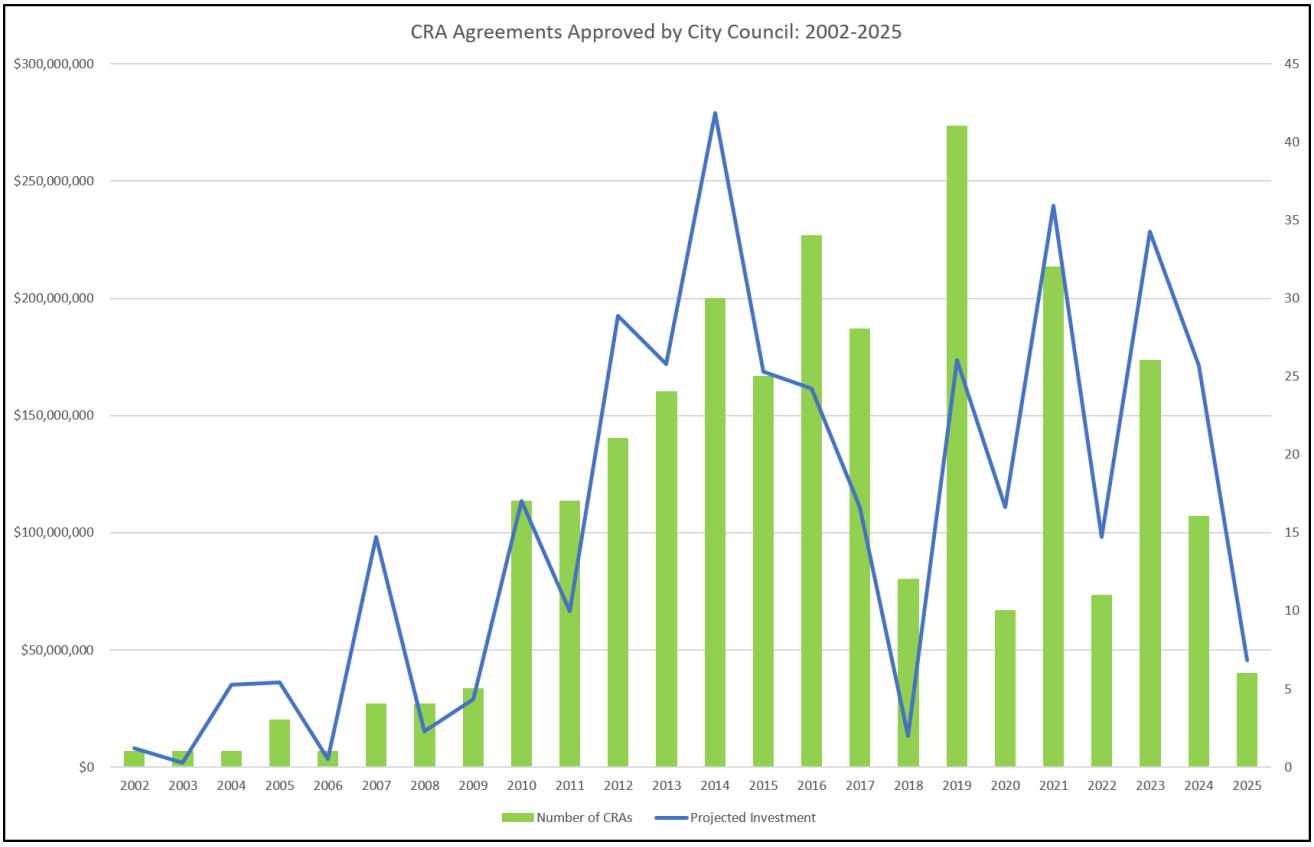

A. Program Overview

The City of Cincinnati offers a Community Reinvestment Area (CRA) tax abatement program to developers building or renovating a multi-family residential, commercial, industrial, or mixed-use facility. The following steps outline the process of CRA approval and commencement of the tax abatement:

1. The Company submits an initial CRA application.
2. The City of Cincinnati's Office of Strategic Growth reviews the application, negotiates an agreement, and makes a recommendation to City Council.
3. City Council passes an ordinance to authorize the recommended property tax exemption and a CRA agreement is executed by the City Manager.
4. The Company begins construction of the improvements to the property.
5. The Company enters into a Payment in Lieu of Taxes (PILOT) agreement with Cincinnati Public Schools (CPS) and the Office of Grants Administration and Government Affairs (OGAGA) registers the agreement with Ohio Department of Development (ODOD).
6. The Company submits a completion application to OGAGA once construction is completed.
7. OGAGA sends all agreement materials to the Hamilton County Auditor.
8. Hamilton County Auditor assesses improvements and commences the abatement.
9. The Company submits annual reports and fees to the City during the term of the abatement.
10. OGAGA submits an annual report on all agreements to ODOD in March and presents the information to the TIRC in June and reports to City Council in September.

At the end of 2025, the City of Cincinnati had 354 active Commercial CRA agreements that had been approved by City Council, including 9 new agreements that were executed in 2025 (City Council approvals include one in 2023, four in 2024, and four in 2025).

The following chart reflects the 354 CRA Agreements that are currently active and approved by City Council. These CRA Agreements reflect over $2.6 billion in Projected Investment.

There have been five CRAs approved by City Council in 2026 so far; two of them have an executed CRA Agreement. In 2025 and 2026 there have been seven abatement extensions approved by Council. Extensions of up to ten years are allowed by the Ohio Revised Code on abatements for properties that meet certain "historical site" criteria set by the state law.

C. 2026 TIRC – 2025 Annual Reports and Fees

Annual Reports are due from each company every year of the CRA Agreement starting with the year the Agreement is executed. Of the 354 active agreements, 325 annual reports have been submitted (92%), and 29 have not been submitted. Eight of these property owners with missing reports have agreements pending termination as a result of missing reports and/or fees for multiple years without contact with the City (see below). The remaining 21 missing reports continue to be requested by the Administration.

The Administration has contacted the companies representing the remaining 21 agreements about submitting their annual reports. A few have requested report deadline extensions; the others have simply not responded. Staff will continue to attempt to collect these reports for the remainder of the year.

Annual Fees are also due every year and are calculated as 1% of the forgone taxes (taxes exempted by the Agreement), or $500 minimum and $2,500 maximum. Companies that have construction underway on their projects typically pay the minimum $500 annual fee. As of this writing, 293 (83%) 2025 CRA Annual Fee

payments have been made totaling $293,460. Of the remaining 61 companies with outstanding fee payments, several have requested deadline extensions, and seven are being terminated as a result of past due annual fees from multiple years (see below).

As with the annual reports, the Administration will continue to attempt to collect the 54 annual fees that remain outstanding.

Seven terminations are recommended this year as a result of outstanding 2025 and earlier Annual Reports or Annual Fees: NHC-Flat Iron, LLC; 830 Main Street, LLC; 4538 Camberwell, LLC; 1902 Studios, LLC; Sycamore Diner, LLC; Southern Ohio Holding Organization, LLC; and SS Mamnoh, LLC. These recommendations are a result of multiple attempts to request reports and fees without a response from the company. The complete list of termination recommendations is below.

D. 2026 TIRC – Staff Review of Agreement Statuses for 2025

Out of the 354 total active Agreements in 2025, there were 316 completed projects representing a total Projected Investment of $2.2 billion and a Total Company-reported Investment of $2.6 billion, or 116% of the projection. Of the 25 projects completed in 2025, 18 reported project expenditures at or above the amounts projected.

There are 38 projects that are not completed as of this writing, representing a total Projected Investment of $539 million. Of these, 14 projects were expected to be completed on or before December 31, 2025. Three of these are recommended for termination, four have not started construction, four have requested extensions that are in process, and five are working on their completion applications. Four of these developers have delayed the start of their construction due to supply chain and labor market factors. All 38 projects are subject to the City's Wage Enforcement requirements for construction. There are no pending Wage Enforcement complaints related to these projects.

The total new jobs commitment from the 325 CRA companies that submitted annual reports for 2025 is 6,229 jobs created. These companies reported approximately 4,688 jobs created in 2025, with the largest jobs created figures reported by Buckeye Power Funding Company (The Banks Office Building-1,161 jobs), , Medpace (3 CRA Agreements – 1,294 jobs), 15th & Vine (597 jobs), 1201 Walnut Street (458 jobs), and dunnhumby USA, LLC/84.51, LLC (Fifth and Race Building – 397 jobs).

There were 21 companies whose Job Creation Period ended in 2025. Three of these have not met their job creation commitments by at least 70%. These companies have had challenges filling vacant offices and suggested that their created jobs figures will increase when they find new tenants in 2026. Work-from-home jobs have continued to be more prevalent, often forcing companies to restructure their operations into a hybrid model. This results in these companies needing less office space in these buildings with property tax abatements.

The Administration has requested information from many of these companies related to their specific conditions that resulted in job losses and their inability to meet their commitments. While these non-compliance issues are reflected in the CRA and TIF reports, they are not the basis for any termination recommendations except in those cases where the company has not responded to the issues when asked. The Administration will continue to request this information from companies with job commitment or payroll commitment issues as these issues are identified.

E. Recommendations for CRA Agreements (2026 TIRC)

The following table represents the staff recommendations for the 354 active CRA Agreements as of the end of 2025.

TOTAL		**354**

Continuations

Recommendations to Continue include 330 active agreements. Of these, 287 were compliant with projects completed; 29 were compliant but not completed; 11 were non-compliant and completed, and three were not compliant and not completed. A total of 32 of these projects are pending completion. There are 14 agreements that are recommended Continue despite non-compliance issues related to pending completion application and annual reporting/fee payment issues (i.e., the company has responded to the Administration's requests and is working on resolving the issues).

Modifications

Recommendations to Modify agreements (3) reflect delays in construction that require amendments to extend the deadlines for completion. One of these is also recommended for Modify due to changes in ownership that require an Assignment. Another one is also recommended for Modify due to a delayed start. Developers have delayed the start or continuation of construction on their projects due to supply chain issues, contractor issues, workplace problems, and inspection delays.

Delays in submitting the completion application may result in the need for an extension. Extensions can be in the form of a letter from the Director or by amendment, depending on what the agreement allows and the length of extension required.

Terminations

There are 10 CRA Agreements recommended for Termination. Seven of the Terminations are based on lack of response to requests for annual fees and/or annual reports. Three Terminations are related to delayed starts or completions.

Some of these companies have already received a Notice of Default or Termination Notice and TIRC approval is the final step. For others, TIRC approval is a cautionary step in case companies do not follow-through on their commitments to start the project by a delayed start date or complete it on time. In one case there is a lawsuit pending.

The following list provides details on each CRA Agreement recommended for Termination:

- **NHC-Flat Iron, LLC** – Pending 2024 and 2025 Annual Report and 2025 Annual Fee. The property has just been sold out of receivership, so the Administration expects these obligations to be fulfilled by the new owner pending Assignment.
- **CLC 300 Main, LLC** – Pending resolution of issues related to Completion Application; pending LEED documentation; pending extension amendment.
- **Kauffman Vine, LLC** – Pending repayment of loan; pending construction completion. Default Notice sent. Issues noted related to the permits for the construction site rights-of-way were resolved last year, but the developer has been put on notice that there can be no further delays.
- **830 Main Street, LLC** – Pending 2024 and 2025 Annual Reports and Annual Fees; pending Completion Application. Default Notice sent; included demand for needed repairs related to building safety, which were resolved.
- **Four Corners Cincinnati, LLC** – Developer caused damage to surrounding City infrastructure. The City has sued the developer for the damages. CRA is pending a declaratory statement from the court on moving forward with the abatement.
- **1902 Studios, LLC** – Pending 2024 and 2025 Annual Reports; pending 2025 Annual Fee.
- **Sycamore Diner, LLC** – Pending 2024 and 2025 Annual Reports and Annual Fees.
- **4538 Camberwell, LLC** – Pending 2024 and 2025 Annual Reports and Annual Fees.
- **SS Mamnoh, LLC** – Pending 2024 and 2025 Annual Fees. This owner has been late with reports and fees in the past.
- **Southern Ohio Holding Organization, LLC** – Pending project revisions – may be re-applying for a CRA Tax Abatement. Pending 2025 Annual Report. Pending 2023, 2024 and 2025 Annual Fees.

The City will continue to work with these companies on these issues prior to termination to see if the issues can be resolved.

Expirations

The following 11 CRA Agreements expired at the end of 2025. No action from the TIRC is needed. These tax abatements represent a total of 180 jobs created and $66.4 million of company-reported investment. They represent an abated value of $41.5 million and forgone taxes of $1,203,387 in 2025.

LEASE AGREEMENT

(*triple net*)

This Lease Agreement ("**Lease**") is made and entered into on the Effective Date (as defined on the signature page hereof) by and between the **City of Cincinnati**, an Ohio municipal corporation, the address of which is 801 Plum Street, Cincinnati, OH 45202 (the "**City**"), and **Legends at Freedom Park, LLC,** an Ohio limited liability company, with offices at 3825 Edwards Road, Suite 200, Cincinnati OH, 45209 ("**Lessee**").

Recitals:

A. The City owns a tract of vacant land, being approximately 0.667 acres located between Freedom Way and Theodore M. Barry Way in the area commonly referred to as "The Banks" in the Central Business District of Cincinnati, which land is designated as Hamilton County, Ohio tax parcel 0083-0007-0032, and which is further described on Exhibit A (*Legal Description – Leased Premises*) hereto (the "**Leased Premises**"), which is under the management and control of the Cincinnati Board of Park Commissioners (the "**Park Board**").

B. Lessee desires to lease the Leased Premises for the purposes of constructing and operating a miniature golf course on the Leased Premises.

C. Lessee has petitioned to enter a lease with the City for the Leased Premises, which the City is agreeable to on the terms and conditions set forth herein.

E. The fair market rental value of the Leased Premises is $145,200.00 per year, as determined by an appraisal by the City's Real Estate Services Division.

F. Because the City desires to bring more entertainment attractions to The Banks, and Lessee's planned use of the Leased Premises will contribute to this desire and put the Leased Premises into more active use, the City has determined to lease the Leased Premises to Lessee for One Dollar ($1.00) annually.

I. The Park Board approved this Lease at its meeting on _____, 2026

J. Cincinnati City Council has authorized the execution of this Lease by Ordinance No. _____, passed on _____.

NOW THEREFORE, the parties hereby agree as follows:

1. Grant.

(A) Grant. The City does hereby lease the Leased Premises to Lessee, and Lessee does hereby lease the Leased Premises from the City, on the terms and conditions set forth herein. The rights herein granted to Lessee are subject and subordinate to any and all existing covenants, easements, restrictions and other matters of record affecting the Leased Premises. The City makes no representations or warranties to Lessee concerning the physical condition of the Leased Premises or the condition of the City's title to the Leased Premises and, on the Commencement Date, Lessee shall accept the Leased Premises in "as is" condition.

(B) Access by City Departments, Utility Companies and Others. Lessee shall ensure continuous access to the Leased Premises (24 hours/day, 7 days/week, 52 weeks/year) by the City's Police and Fire Departments, Greater Cincinnati Water Works (GCWW), Metropolitan Sewer District (MSD), Duke Energy, Altafiber, and any and all other utility companies that have utility lines or other utility installations within or near the Leased Premises, for the inspection, maintenance, repair, replacement and removal thereof. If Lessee undertakes any action that interferes with the access rights reserved to the City and third parties herein, the same shall constitute an immediate default of Lessee under this Lease, whereupon the City and such third parties shall be permitted to take all actions reasonably necessary to eliminate such interference at Lessee's expense. If Lessee's activities within the Leased Premises cause damage to existing utility lines or other utility facilities belonging to a utility provider, Lessee shall immediately notify the appropriate utility provider. All actual, out-of-pocket costs of repairing such damage, including without limitation, all costs of replacing any damaged utility lines and facilities that are not capable of being properly repaired as determined by the applicable utility provider in its sole discretion, shall be borne by Lessee and shall be payable by Lessee within thirty (30) days after Lessee receives documentation substantiating such costs. If any utility company damages or must remove any improvements installed by Lessee within the Leased Premises in connection with its inspection, maintenance, repair, replacement, or removal of its existing utility facilities in the area, the applicable utility provider shall be solely responsible for all costs associated with the repair or replacement of Lessee's improvements. Under no circumstances shall the City be responsible for any damage to the Leased Premises or improvements thereon resulting from the entry onto the Leased Premises by utility companies and others having the right to enter upon the Leased Premises.

2. Term.

(A) Term. The term of this Lease shall commence on the Effective Date of this Lease (also referred to herein as the "**Commencement Date**") and shall continue for a period of three (3) years after the Rent Commencement Date as defined below (the "**Initial Term**"), unless extended or sooner terminated as herein provided. Notwithstanding the foregoing, Lessee's obligation to pay Base Rent shall begin on the earlier of (i) the date Lessee opens the miniature golf course to the public for business, or (ii) March 31, 2027 (the "Rent Commencement Date").

(B) Renewal. Provided that this Lease is in good standing, and so long as the City doesn't need the Leased Premises for a municipal purpose and Lessee is not in default under any of the terms herein, the Lease may be extended for successive periods of one (1) year each (each additional period being a "**Renewal Term**", together with the Initial Term, being collectively, the "**Term**") upon the mutual written consent of City and Lessee, such consent to be provided not less than thirty (30) days prior to the expiration of the Initial Term, or the then current Renewal Term, as applicable.

3. Base Rent.

(A) Base Rent. Beginning on the Rent Commencement Date, Lessee shall pay the City "**Base Rent**" in the amount of $1.00 for the Term, which shall be payable on or before the Rent Commencement Date, and each anniversary thereof, during the Term in advance, without notice or setoff.

(B) Late Payment; Place of Payment. If any payment owed by Lessee hereunder is not received by the City on the due date, Lessee shall pay the City a late charge equal to ten percent of the

amount past due, together with interest on the past due amount, until paid, at an annual rate of ten percent. If the Term of this Lease is terminated early for any reason (other than due to the City's desire to use the Leased Premises for a municipal purpose under paragraph 2(C) above), the City shall not be required to refund any portion of the prepaid rent for such period. All payments shall be made by check payable to the "City of Cincinnati - Treasurer" and mailed to: City of Cincinnati, 801 Plum Street, Room 122, Cincinnati, Ohio 45202, Attention: Real Estate, or to such other address as the City may from time to time designate in writing.

4. **Permitted Use**. Lessee shall use the Leased Premises solely for the construction and operation of an outdoor miniature golf course (the "**Project**") which shall be open to the public at fees and rates established by Lessee (the "**Permitted Use**") and for no other purpose. Lessee shall not bring or permit to be brought onto the Leased Premises any hazardous materials or other contaminants or substances that are harmful to the public or to the environment in violation of applicable law. Lessee shall not use or permit the use of the Leased Premises for storage of materials or supplies of any nature, including, without limitation, wrecked vehicles, or parts thereof, other than the temporary storage of trash and garbage which shall be contained in appropriate bins. The Permitted Use on the Leased Premises shall be conducted and operated subject to the following conditions and obligations of Lessee:

(A) Plans Approval. Not less than sixty (60) days prior to commencement of construction of the Project, Lessee shall deliver to the City its final, professionally prepared design plans and specifications for the Project (the "**Plans and Specifications**"), which Plans and Specifications shall be consistent with the terms of this Section 4. In general accordance with the conceptual site plan attached hereto as Exhibit C, the Plans and Specifications shall show and describe the layout of the Project, including the mobile "Airstream" truck location, fencing, lighting, audio and video systems, trees and landscaping elements, electrical systems, drainage systems, sprinkler systems and other notable or necessary features or improvements as required by the Director of the City's Parks Department ("**Parks**"). Parks shall provide to Lessee a written approval or rejection of the Plans and Specifications within fifteen (15) days of receipt, and any rejection shall contain notes or explanations of revisions which must be made to meet the approval of Parks. Lessee shall not commence any construction or installation of the Project on the Leased Premises prior to receipt of written approval of the Plans and Specifications from Parks. After receiving such approval, Lessee shall not make or permit any material changes to the Plans and Specifications without the prior written consent of the City.

(B) Prohibited Materials. Lessee shall not install or construct upon the Leased Premises any features or improvements which may release, leech, deposit or otherwise introduce perfluoroalkyl or polyfluoroalkyl substances (PFASs) onto the Leased Premises.

(C) License Agreement. Ingress and egress to and from the Leased Premises to the public right-of-way shall be through The Filson, the property located at 25 Freedom Way, adjacent to the Leased Premises, and patrons and guests of the Project shall be permitted to use the restroom facilities of The Filson. Lessee shall have executed a license, easement or other written agreement with the owners of The Filson to establish such ingress and egress and restroom usage, which agreement shall be assignable to any other entity which may acquire this Lease or the rights granted to Lessee hereunder, and shall provide a copy of such agreement to the City.

(D) Design. The Project shall be designed and constructed as a top end establishment, operated in a first class manner, and utilizing high-quality materials, finishes, landscaping, lighting, and amenities, with an overall aesthetic and guest experience comparable to nationally recognized upscale miniature golf concepts, including, by way of example and not limitation, the PopStroke franchise and other similar high-end miniature golf venues operating throughout the United States.

(E) Hours of Operation. The Project shall be open for business from the minimum hours of Sunday through Thursday 12:00 PM to 8:00 PM, Friday and Saturday 12:00 PM to 10:00 PM, year round, but shall not be required to be open on federal holidays or when

sustainable levels of business could not be reasonably expected due to weather conditions. The hours of operation may be revised upon written consent of the City.

(F) Fencing. Lessee shall install fencing around the Project, which fencing shall be aesthetically fitting and of a type and nature expected of businesses in the area. Additionally, Lessee shall be permitted to install music and televisions within the Leased Premises provided that the same are operated in such a manner so as not to unreasonably disturb or disrupt neighboring businesses or the enjoyment of nearby public spaces

(G) Food and Beverages. Lessee may permit guests and patrons to bring outside food and beverages for consumption on the Leased Premises.

(H) Liquor License. The City consents to Lessee either (i) applying for a liquor license over the Leased Premises, or (ii) causing the existing liquor license of the Filson to be expanded to include the Leased Premises. The City shall not assist with either Lessee's liquor license application or an application of expansion of the Filson's liquor license. In the event that Lessee fails to obtain an additional or expanded liquor license as described, Lessee agrees that the consumption of any alcoholic beverages on the Leased Premises shall only be permitted in accordance with the rules of The Banks Designated Outdoor Refreshment Area.

5. Utilities; Real Estate Taxes; Other Expenses. During the Term of this Lease, Lessee shall pay, when due, (i) any and all utility expenses for utilities directly serving the Leased Premises, (ii) any and all real estate taxes, assessments, penalties, interest, and charges levied against the Leased Premises that become due and payable during the Term, including the two semi-annual tax bills issued by the Hamilton County Treasurer following the expiration or termination of the Term, payable in arrears, and (iii) any and all other operating expenses associated with the Leased Premises. *Lessee acknowledges and agrees that the City shall not be liable for any expenses associated with the Leased Premises during the Term of this Lease*.

6. Maintenance and Repairs; Nuisances. Lessee shall, at its sole expense, keep and maintain the Leased Premises in good, safe, orderly, sanitary, and clean condition and repair, ordinary wear and tear excepted, including without limitation any and all concrete and asphalt pavement, pavers, curbs, and sidewalks within the Leased Premises. Lessee shall not permit garbage, debris or unsightly or odorous materials to accumulate within the Leased Premises. In the event of damage to the Leased Premises, Lessee shall promptly repair such damage, at its sole expense, to the satisfaction of Parks. Lessee shall be solely responsible for all snow and ice removal from the Leased Premises. During the Term of this Lease, the City shall have no maintenance or repair obligations with respect to the Leased Premises or any improvements thereon. Lessee shall not commit or permit any nuisance or unlawful activity in, on or about the Leased Premises, or permit the same by its employees, contractors, licensees, invitees, or guests.

7. Construction; Alterations.

(A) Pre-Commencement Requirements. Prior to commencement of construction, Lessee shall have satisfied all of the applicable obligations in Section 4, and have delivered to the City all of the following (collectively, the "**Pre-Commencement Requirements**"):

(i) Construction Schedule. Lessee shall have provided the proposed construction schedule for the Project, as the same may be amended from time to time and approved by the City

(ii) Construction Contract; Approval of Contractors. Lessee must present (a) an executed construction contract with a general contractor for construction of the Project acceptable to the City, and (b) a list of proposed contractors and major subcontractors for the Project. Neither the proposed general contractor nor subcontractors shall be identified as being debarred on lists maintained by the City or by the federal or state governments;

(iii) Building Permit and Zoning Approvals. Lessee shall have secured all zoning and permitting approvals necessary to construct the Project;

(iv) Insurance. Lessee must present evidence that all insurance policies required under this Agreement have been secured;

(v) No Default. Lessee shall be in full compliance with all requirements under this Agreement

(B) Commencement of Construction. Following the City's approval of the Plans and Specifications, Lessee shall (i) apply for and receive the required building permits from the City's Department of Buildings and Inspections for construction of the Project, (ii) enter into a construction contract if not previously executed, and (iii) commence construction of the Project, on or before December 1, 2026.

(C) Construction Completion. Lessee shall cause the Project to be completed in accordance with the approved Plans and Specifications and Construction Schedule, all City of Cincinnati Building Code requirements, and in a good and workmanlike manner on or before March 15, 2027 (the "**Project Completion Date**"), as evidenced by a Certificate of Occupancy issued by the City's Department of Buildings & Inspection. Lessee shall commence operations on the Leased Premises no later than the Project Completion Date.

(D) Compliance with Applicable Laws. Lessee shall obtain, pay for, and maintain all necessary permits, licenses, and other governmental approvals and shall comply with all applicable federal, state, and local laws, codes, ordinances, judicial orders, and other governmental requirements applicable to the construction of the Project, including, without limitation, those set forth on Exhibit D (*Additional Requirements*) hereto. The City makes no representations or other assurances to Lessee that Lessee will be able to obtain whatever variances, permits, or other approvals from the City's Department of Buildings and Inspections, the City's Department of Transportation and Engineering, City Planning Commission, City Council, or any other governmental agency that may be required in connection with the Project.

(E) Contractors and Subcontractors. In performing work on the Project, Lessee shall not solicit bids from any contractors or subcontractors who are identified as being debarred by the federal or state government or who are identified as being debarred on the City's Vendor's Performance list.

(F) Inspection of Work. During construction of the Project, the City, its employees, and agents shall have the right at all reasonable times to inspect the progress of construction to determine whether Lessee is complying with its obligations under this Lease. If the City determines that work on the Project is not in accordance with the approved Plans and Specifications or other requirements of this Lease, is not in compliance with all applicable laws, or is not performed in a good and workmanlike manner, the City shall have the right, in its reasonable judgment, to stop such work and order its replacement at Lessee's expense, whether or not such work has been incorporated into the Project, by giving notice of such nonconforming work to Lessee.

(G) Mechanics' Liens. Lessee shall not permit any mechanics' or other similar liens to remain on the Leased Premises during the construction of the Project. If a mechanic's lien shall at any time be filed against the Leased Premises, Lessee shall, within 30 days after notice of the filing thereof, (i) cause the same to be discharged of record or bonded off by a surety bond, or (ii) deposit the amount necessary to discharge such lien with the City, to be held in escrow pending the release of the lien.

(H) Project Information; As-Built Plans. During construction, Lessee shall provide the City with such additional pertinent information pertaining to the Project as the City may reasonably request.

(I) Alterations. Lessee, at its sole expense, shall install such curb ramps, blockades, signage, and other improvements as may be reasonably required from time to time by the City. The City acknowledges that prior to the execution of this Lease, Lessee has retained Southwest Greens Golf & Grass as its contractor for the design, construction and installation of the improvements to the Leased

Premises. Lessee shall not make any alterations or improvements to the Leased Premises or place any equipment, furnishings, barriers or other obstructions on the Leased Premises which would inhibit the City's access to the Leased Premises without prior written consent of the City.

(J) No Liens. Lessee shall not permit any mechanics' liens to attach to the Leased Premises in connection with work performed by or at the request of Lessee.

8. Information and Reports. Upon thirty (30) days' prior written request, Lessee shall permit or cause to permit the City, and its designees and auditors, to have access to and to inspect any and all agreements and accounting, financial, administrative, and operational books, records, and statements as may be requested by the City that relate or pertain to the Leased Premises and the operation of the Project thereon and that are in Lessee's possession or control (all such reports, records, statements and other information furnished by Lessee under this paragraph being referred to herein collectively as "**Records and Reports**"). All Records and Reports compiled by Lessee and furnished to the City shall be in such form as the City may from time to time reasonably require.

9. Insurance; Indemnification.

(A) Insurance. Until such time as all construction work associated with the Project has been completed, Lessee shall maintain, or cause to be maintained, builder's risk insurance in the amount of 100% of the value of the improvements to be constructed. Throughout the Term, Lessee shall maintain (or cause to be maintained): (i) Commercial General Liability insurance in an amount not less than $1,000,000 per occurrence, combined single limit/$2,000,000 aggregate, naming the City of Cincinnati as an additional insured; (ii) worker's compensation insurance in the amount required under Ohio law, (iii) umbrella or excess liability insurance in the amount of not less than $1,000,000 per occurrence/$1,000,000 aggregate; (iv) property insurance on any and all improvements constructed by Lessee on the Leased Premises; (v) property insurance on any and all equipment and other personal property of Lessee from time to time kept on the Leased Premises; and (vi) such additional insurance as the City or its risk advisors may from time to time reasonably require. In the event that Lessee obtains a liquor license for selling, serving or furnishing any alcoholic beverages on the Leased Premises, then Lessee shall obtain liquor liability insurance coverage in the amount of $1,000,000 per occurrence/$2,000,000.00 aggregate. All insurance required to be maintained by Lessee hereunder shall be issued by insurance companies reasonably acceptable to the City. On or prior to the Commencement Date and prior to the expiration of each insurance policy, Lessee shall furnish to the City a certificate of insurance evidencing the insurance required hereunder.

(B) Waiver of Claims and Subrogation. All improvements, materials, equipment, and other personal property of every kind that may at any time be on the Leased Premises shall be on the Leased Premises at Lessee's sole risk, and under no circumstances shall the City be liable for any loss or damage thereto, no matter how caused. Lessee hereby waives, as against the City, its employees, agents and contractors, all claims and liability, and on behalf of Lessee's insurers, rights of subrogation, with respect to property damaged by fire or other casualty or any other cause, even if caused by negligence, it being the agreement of the parties that Lessee shall at all times protect itself against such loss or damage by maintaining adequate property insurance.

(C) Indemnification. Lessee shall defend (with counsel reasonably acceptable to the City), indemnify and hold the City harmless from and against any and all claims, causes of action, losses, costs, judgments, fines, liability and damages caused by or arising out of any occurrence on the Leased Premises during or with respect to the Term of this Lease, including without limitation any of the foregoing that may occur or be claimed with respect to any death, personal injury or loss of or damage to property on or about the Leased Premises.

10. Casualty. If the Leased Premises is damaged or destroyed by fire or other casualty, Lessee shall repair and restore the same, as expeditiously as possible, and to the extent practicable, to substantially the same condition in which they were in immediately prior to such occurrence. The City and Lessee shall jointly participate in filing claims and taking such other actions pertaining to the payment of

proceeds resulting from such occurrence. If Lessee's insurance proceeds are insufficient to fully repair and restore the Leased Premises, Lessee shall make up the deficiency. Lessee shall handle all construction in accordance with the applicable requirements set forth by the City. Lessee shall not be relieved of any obligations, financial or otherwise, under this Lease during any period in which the Leased Premises is being repaired or restored.

11. Default. If Lessee fails to pay any sum due hereunder or perform any other obligation under this Lease within thirty (30) days after receiving written notice thereof from the City (herein, a "default"), the City, at its option, immediately or at any time during the continuance of the default, may terminate this Lease by delivering a written notice of termination to Lessee. If Lessee's failure to perform any obligation under this lease is non-monetary and of such a nature that it cannot be reasonably cured within thirty (30) days, but Lessee undertakes to cure such failure within thirty (30) days of the notice and thereafter diligently pursues the cure to completion, then such failure shall not be a default provided that it is cured within ninety (90) days of notice. Lessee shall pay to the City, upon demand, all costs and damages suffered or incurred by the City in connection with Lessee's default or the termination of this Lease. Without limitation of the City's other rights and remedies hereunder, upon the occurrence of a default, the City may, but shall not be obligated to, cure or attempt to cure such default at Lessee's sole expense and may, if necessary, enter onto the Leased Premises to undertake such cure. Lessee shall pay the City, within ten (10) days after the City's written demand, an amount equal to all costs paid or incurred by the City in effecting compliance with Lessee's obligations under this Lease, together with interest thereon from the date that the City pays or incurs such costs at an annual rate of ten percent. The rights and remedies of the City under this Lease are cumulative and are not intended to be exclusive of, and the City shall be entitled to, any and all other rights and remedies to which the City may be entitled hereunder, at law or in equity. The City's failure to insist in any one or more cases on strict performance of any provision of this Lease or to exercise any right herein contained shall not constitute a waiver in the future of such right.

12. Notices. All notices required to be given hereunder by either party shall be in writing and personally delivered, sent by Federal Express or other recognized overnight courier that in the ordinary course of business maintains a record of each delivery, or mailed by U.S. certified mail, postage prepaid, return receipt requested, addressed to the parties at their respective addresses set forth in the introductory paragraph of this Lease, or at such other address as either party may from time to time specify by notice to the other. Notices shall be deemed to have been given on the date of receipt if personally delivered, on the following business day if sent by an overnight courier, and on the date noted on the return receipt if mailed by U.S. certified mail. If Lessee sends a notice to the City alleging that the City is in default under this Lease, Lessee shall simultaneously send a copy of such notice by U.S. certified mail to: City Solicitor, 801 Plum Street, Suite 214, Cincinnati, OH 45202.

13. Surrender; Holdover.

(A) Surrender; Holdover. At the end of the Term, Lessee shall surrender the Leased Premises to the City in the condition in which Lessee is required to maintain the Leased Premises under the terms of this Lease. If Lessee remains in possession of the Leased Premises after the end of the Term without the City's consent, then, at the City's option, such holdover shall create a tenancy-at-will on the same terms and conditions as set forth in this Lease except that rent payable during such month-to-month tenancy shall be equal to one hundred fifty percent of fair market value rent of the Leased Premises.

(B) Removal of Alterations. If Lessee has made improvements or alterations to the Leased Premises during the Term, then, at the end of the Term, the City shall identify which improvements or alterations, if any, Lessee shall be required to surrender (at no cost to the City) and which improvements or alterations Lessee shall be required to remove or restore to the condition which existed prior to the Lease, to the reasonable satisfaction of the City. If Lessee fails to timely remove improvements that are designated for removal by the City and restore the Leased Premises to its condition prior to the Leases as directed by the City, or if Lessee fails to remove any items of personal property from the Leased Premises, such improvements and items of personal property shall be deemed abandoned by Lessee, whereupon the City may remove, store, keep, sell, discard or otherwise dispose of such improvements and items of personal property, and Lessee shall pay all costs incurred by the City in so doing within ten (10) days after the City's written demand. If the City incurs costs in removing Lessee's improvements and

restoring the Leased Premises to their former condition, Lessee shall reimburse the City for all such removal and restoration costs within thirty (30) days after receiving an invoice therefor from the City. Lessee shall, after removal of the improvements as provided above, restore and reseed the Leased Premises as a grass lot to the satisfaction of Parks, unless otherwise directed.

14. Assignment and Sublease. Lessee shall not assign its interests under this Lease without the prior written consent of the City, and any attempt by Lessee to so assign its interest shall be null and void. Lessee may , with the City's prior written consent, grant a collateral assignment of this Lease to any lender providing financing to Lessee.

15. General Provisions.

(A) Entire Agreement. This Lease (including the exhibits hereto) contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, representations or agreements, written or oral, between them respecting the subject matter hereof.

(C) Governing Law. This Lease shall be governed by and construed in accordance with the laws of the City of Cincinnati and the State of Ohio. (F) Severability. If any part of this Lease is held to be void, illegal or unenforceable by a court of law, such part shall be deemed severed from this Lease, and the balance of this Lease shall remain in full force and effect.

(G) No Recording. This Lease shall not be recorded in the Hamilton County Recorder's office.

(H) Time. Time is of the essence with respect to the performance by Lessee of its obligations under this Lease.

(I) No Third-Party Beneficiaries. The parties hereby agree that no third-party beneficiary rights are intended to be created by this Lease.

(K) Official Capacity. All representations, warranties, covenants, agreements, and obligations of the City under this Lease shall be effective to the extent authorized and permitted by applicable law. None of those representations, warranties, covenants, agreements, or obligations shall be deemed to be a representation, warranty, covenant, agreement or obligation of any present or future member, officer, agent or employee of the City in other than his or her official capacity. No official executing or approving the City's participation in this Lease shall be personally liable under this Lease.

(L) Representation as to Authority. Lessee represents that it has the power and authority to enter and perform its obligations under this Lease without the consent of anyone who is not a party to

Additional Requirements

For purposes of this Exhibit, all references to "Developer" are hereby interpreted to be references to Lessee.

Developer and Developer's general contractor shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati (collectively, "**Government Requirements**"), including the Government Requirements listed below, to the extent that they are applicable. Developer hereby acknowledges and agrees that (a) the below listing of Government Requirements is not intended to be an exhaustive list of Government Requirements applicable to the Project, Developer, or Developer's contractors, subcontractors or employees, either on the City's part or with respect to any other governmental entity, and (b) neither the City nor its Law Department is providing legal counsel to or creating an attorney-client relationship with Developer by attaching this Exhibit to the Agreement.

This Exhibit serves two functions:

(i) Serving as a Source of Information with Respect to Government Requirements. This Exhibit identifies certain Government Requirements that may be applicable to the Project, Developer, or its contractors and subcontractors. Because this Agreement requires that Developer comply with all applicable laws, regulations, and other Government Requirements (and in certain circumstances to cause others to do so), this Exhibit flags certain Government Requirements that developers, contractors and subcontractors regularly face in constructing projects or doing business with the City. To the extent Developer is legally required to comply with a Government Requirement, failure to comply with such a Government Requirement is a violation of the Agreement.

(ii) Affirmatively Imposing Contractual Obligations. If certain conditions for applicability are met, this Exhibit also affirmatively imposes contractual obligations on Developer, even where such obligations are not imposed on Developer by Government Requirements. As described below, the affirmative obligations imposed hereby are typically a result of policies adopted by City Council which, per Council's directive, are to be furthered by the inclusion of certain specified language in some or all City contracts. The City administration (including the City's Department of Community and Economic Development) is responsible for implementing the policy directives promulgated by Council (which typically takes place via the adoption of motions or resolutions by Council), including, in certain circumstances, by adding specific contractual provisions in City contracts such as this Agreement.

(A) Construction Workforce.

(i) Applicability. Consistent with the limitations contained within the City Resolutions identified in clause (ii) below, this Section (A) shall not apply to contracts with the City other than construction contracts, or to construction contracts to which the City is not a party. For the avoidance of doubt, this Agreement is a construction contract solely to the extent that it directly obligates Developer to assume the role of a general contractor on a construction project for public improvements such as police stations or other government buildings, public parks, or public roadways.

The Construction Workforce Goals are not applicable to future work (such as repairs or modifications) on any portion of the Project. The Construction Workforce Goals are not applicable to the purchase of specialty fixtures and trade fixtures.

(ii) Requirement. In furtherance of the policy enumerated in City Resolutions No. 32-1983 and 21-1998 concerning the inclusion of minorities and women in City construction work, if Developer is performing construction work for the City under a construction contract to which the City is a party, Developer shall use Best Efforts to achieve a standard of no less than 11.8% Minority Persons (as defined below) and 6.9% females (of whom at least one-half shall be Minority Persons) in each craft trade in Developer and its general contractor's aggregate workforce in Hamilton County, to be achieved at least

halfway through the construction contract (or in the case of a construction contract of six months or more, within 60 days of beginning the construction contract) (collectively, the "**Construction Workforce Goals**").

As used herein, the following terms shall have the following meanings:

(a) "**Best Efforts**" means substantially complying with all of the following as to any of its employees performing such construction, and requiring that all of its construction subcontractors substantially comply with all of the following: (1) solicitation of Minority Persons as potential employees through advertisements in local minority publications; and (2) contacting government agencies, private agencies, and/or trade unions for the job referral of qualified Minority Persons.

(b) "**Minority Person**" means any person who is Black, Asian or Pacific Islander, Hispanic, American Indian or Alaskan Native.

(c) "**Black**" means a person having origin in the black racial group of Africa.

(d) "**Asian or Pacific Islander**" means a person having origin in the original people of the Far East or the Pacific Islands, which includes, among others, China, India, Japan, Korea, the Philippine Islands, Malaysia, Hawaii and Samoa.

(e) "**Hispanic**" means a person of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish cultural origin.

(f) "**American Indian**" or "**Alaskan Native**" means a person having origin in any of the original people of North America and who maintains cultural identification through tribal affiliation.

(B) Trade Unions; Subcontracts; Competitive Bidding.

(i) Meeting and Conferring with Trade Unions.

(a) Applicability. Per City of Cincinnati, Ordinance No. 130-2002, this requirement is limited to transactions in which Developer receives City funds or other assistance (including, but not limited to, the City's construction of public improvements to specifically benefit the Project, or the City's sale of real property to Developer at below fair market value).

(b) Requirement. This Agreement may be subject to the requirements of City of Cincinnati, Ordinance No. 130-2002, as amended or superseded, providing that, if Developer receives City funds or other assistance, Developer and its general contractor, prior to the commencement of construction of the Project and prior to any expenditure of City funds, and with the aim of reaching comprehensive and efficient project agreements covering all work done by Developer or its general contractor, shall meet and confer with: the trade unions representing all of the crafts working on the Project, and minority, female, and locally-owned contractors and suppliers potentially involved with the construction of the Project. At this meeting, Developer and/or its general contractor shall make available copies of the scope of work and if prevailing wage rates apply, the rates pertaining to all proposed work on the Project. Not later than ten (10) days following Developer and/or its general contractor's meet and confer activity, Developer shall provide to the City, in writing, a summary of Developer and/or its general contractor's meet and confer activity.

(ii) Contracts and Subcontracts; Competitive Bidding.

(a) Applicability. This clause (ii) is applicable to "construction contracts" under Cincinnati Municipal Code Chapter 321. Municipal Code Chapter 321 defines "construction" as "any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than four thousand dollars and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority," and "contract" as "all written agreements of the City of Cincinnati, its boards or commissions, prepared

and signed by the city purchasing agent or a board or commission for the procurement or disposal of supplies, service or construction."

(b) Requirement. If CMC Chapter 321 applies to the Project, Developer is required to ensure that all contracts and subcontracts for the Project are awarded pursuant to a competitive bidding process that is approved by the City in writing. All bids shall be subject to review by the City. All contracts and subcontracts shall be expressly required by written agreement to comply with the provisions of this Agreement and the applicable City and State of Ohio laws, ordinances and regulations with respect to such matters as allocation of subcontracts among trade crafts, Small Business Enterprise Program, Equal Employment Opportunity, and Construction Workforce Goals.

(iii) Competitive Bidding for Certain City-Funded Development Agreements.

(a) Applicability. Pursuant to Ordinance No. 273-2002, the provision in clause (b) below applies solely where the Project receives in $250,000 or more in direct City funding, and where such funding comprises at least 25% of the Project's budget. For the purposes of this clause (iii), "direct City funding" means a direct subsidy of City funds in the form of cash, including grants and forgivable loans, but not including public improvements, land acquisitions and sales, job creation tax credits, or tax abatements or exemptions.

(b) Requirement. This Agreement requires that Developer issue an invitation to bid on the construction components of the development by trade craft through public notification and that the bids be read aloud in a public forum. For purposes of this provision, the following terms shall be defined as set forth below:

(1) "Bid" means an offer in response to an invitation for bids to provide construction work.

(2) "Invitation to Bid" means the solicitation for quoted prices on construction specifications and setting a time, date and place for the submission of and public reading of bids. The place for the public reading of bids shall be chosen at the discretion of Developer; however, the place chosen must be accessible to the public on the date and time of the public reading and must have sufficient room capacity to accommodate the number of respondents to the invitation to bid.

(3) "Trade Craft" means (a) general construction work, (b) electrical equipment, (c) plumbing and gas fitting, (d) steam and hot water heating and air conditioning and ventilating apparatus, and steam power plant, (e) elevator work, and (f) fire protection.

(4) "Public Notification" means (a) advertisement of an invitation to bid with ACI (Allied Construction Industries) and the Dodge Report, and (b) dissemination of the advertisement (either by mail or electronically) to the South Central Ohio Minority Business Council, Greater Cincinnati Northern Kentucky African-American Chamber of Commerce, and the Hispanic Chamber of Commerce. The advertisement shall include a description of the "scope of work" and any other information reasonably necessary for the preparation of a bid, and it shall be published and disseminated no less than fourteen days prior to the deadline for submission of bids stated in the invitation to bid.

(5) "Read Aloud in a Public Forum" means all bids shall be read aloud at the time, date and place specified in the invitation for bids, and the bids shall be available for public inspection at the reading.

(C) City Building Code. All construction work must be performed in compliance with City of Cincinnati Building Code requirements.

(D) Lead Paint Regulations. All work must be performed in compliance with Chapter 3742 of the Ohio Revised Code, Chapter 3701-32 of the Ohio Administrative Code, and must comply with OSHA's Lead in Construction Regulations and the OEPA's hazardous waste rules. All lead hazard abatement work must be supervised by an Ohio Licensed Lead Abatement Contractor/Supervisor.

(E) Displacement. If the Project involves the displacement of tenants, Developer shall comply with all Government Requirements in connection with such displacement. If the City shall become obligated to pay any relocation costs or benefits or other sums in connection with the displacement of tenants, under Cincinnati Municipal Code Chapter 740 or otherwise, Developer shall reimburse the City for any and all such amounts paid by the City in connection with such displacement within twenty (20) days after the City's written demand.

(F) Small Business Enterprise Program.

(i) Applicability. The applicability of Municipal Code Chapter 323 (Small Business Enterprise Program) is limited to construction contracts in excess of $5,000. Municipal Code Chapter 323 defines "contract" as "a contract in excess of $5,000.00, except types of contracts listed by the City purchasing agent as exempt and approved by the City Manager, for (a) construction, (b) supplies, (c) services, or (d) professional services." It defines "construction" as "any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than $4,000 and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority." To the extent Municipal Code Chapter 323 does not apply to this Agreement, Developer is not subject to the various reporting requirements described in this Section (F).

(ii) Requirement. The City has an aspirational goal that 30% of its total dollars spent for construction and 15% of its total dollars spent for supplies/services and professional services be spent with Small Business Enterprises ("SBE"s), which include SBEs owned by minorities and women. Accordingly, subject to clause (i) above, Developer and its general contractor shall use its best efforts and take affirmative steps to assure that SBEs are utilized as sources of supplies, equipment, construction, and services, with the goal of meeting 30% SBE participation for construction contracts and 15% participation for supplies/services and professional services contracts. An SBE means a consultant, supplier, contractor or subcontractor who is certified as an SBE by the City in accordance with Cincinnati Municipal Code ("CMC") Chapter 323. (A list of SBEs may be obtained from the Department of Economic Inclusion or from the City's web page, http://cincinnati.diversitycompliance.com.) Developer and its general contractor may refer interested firms to the Department of Economic Inclusion for review and possible certification as an SBE, and applications may also be obtained from such web page. If the SBE program is applicable to this Agreement, as described in clause (i) above, Developer agrees to take (or cause its general contractor to take) at least the following affirmative steps:

(1) Including qualified SBEs on solicitation lists.

(2) Assuring that SBEs are solicited whenever they are potential sources. Contractor must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials or to bid on construction contracts for the Project. Contractor is encouraged to use the internet and similar types of advertising to reach a broader audience, but these additional types of advertising cannot be used as substitutes for the above.

(3) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.

(4) When needs permit, establishing delivery schedules that will encourage participation by SBEs.

(iii) Subject to clause (i) above, if any subcontracts are to be let, Developer shall require the prime contractor to take the above affirmative steps.

(iv) Subject to clause (i) above, Developer shall provide to the City, prior to commencement of the Project, a report listing all of the contractors and subcontractors for the Project, including information as to the owners, dollar amount of the contract or subcontract, and other information that may be deemed necessary by the City Manager. Developer or its general contractor shall update the report monthly by the 15th. Developer or its general contractor shall enter all reports required in this subsection via the City's web page referred to in clause (i) above or any successor site or system the City uses for this purpose. Upon execution of this Agreement, Developer and its general contractor shall contact the Department of

Economic Inclusion to obtain instructions, the proper internet link, login information, and password to access the site and set up the necessary reports.

(v) Subject to clause (i) above, Developer and its general contractor shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by notarized affidavits executed in a form acceptable to the City, submitted upon the written request of the City. The City shall have the right to review records and documentation relevant to the affidavits. If affidavits are found to contain false statements, the City may prosecute the affiant pursuant to Section 2921.12, Ohio Revised Code.

(vi) Subject to clause (i) above, failure of Developer or its general contractor to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach the minimum percentage goals for SBE participation as set forth in Cincinnati Municipal Code Chapter 323, may be construed by the City as failure of Developer to use best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this section.

(G) Equal Employment Opportunity.

(i) Applicability. Chapter 325 of the Cincinnati Municipal Code (Equal Employment Opportunity) applies (a) where the City expends more than $5,000 under a non-construction contract, or (b) where the City spends or receives over $5,000 to (1) employ another party to construct public improvements, (2) purchase services, or (3) lease any real or personal property to or from another party. Chapter 325 of the Municipal Code does not apply where the contract is (a) for the purchase of real or personal property to or from another party, (b) for the provision by the City of services to another party, (c) between the City and another governmental agency, or (d) for commodities such as utilities.

(ii) Requirement. If this Agreement is subject to the provisions of Chapter 325 of the Cincinnati Municipal Code (the City of Cincinnati's Equal Employment Opportunity Program), the provisions thereof are hereby incorporated by reference into this Agreement.

(H) Prevailing Wage. Developer shall comply, and shall cause all contractors working on the Project to comply, with all any prevailing wage requirements that may be applicable to the Project. In the event that the City is directed by the State of Ohio to make payments to construction workers based on violations of such requirements, Developer shall make such payments or reimburse the City for such payments within twenty (20) days of demand therefor. A copy of the City's prevailing wage determination may be attached to this Exhibit as Addendum I to Additional Requirements Exhibit (*City's Prevailing Wage Determination*) hereto.

(I) Compliance with the Immigration and Nationality Act. In the performance of its construction obligations under this Agreement, Developer shall comply with the following provisions of the federal Immigration and Nationality Act: 8 U.S.C.A. 1324a(a)(1)(A) and 8 U.S.C.A. 1324a(a)(2). Compliance or noncompliance with those provisions shall be solely determined by final determinations resulting from the actions by the federal agencies authorized to enforce the Immigration and Nationality Act, or by determinations of the U.S.

(J) Prompt Payment. The provisions of Chapter 319 of the Cincinnati Municipal Code, which provides for a "Prompt Payment System", may apply to this Agreement. Municipal Code Chapter 319 also (i) provides certain requirements for invoices from contractors with respect to the Prompt Payment System, and (ii) obligates contractors to pay subcontractors for satisfactory work in a timely fashion as provided therein.

(K) Conflict of Interest. Pursuant to Ohio Revised Code 102.03, no officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning or carrying out of the Project may have any personal financial interest, direct or indirect, in Developer or in the Project, and Developer shall take appropriate steps to assure compliance.

(L) Ohio Means Jobs. If this Agreement constitutes a construction contract (pursuant to the guidance with respect to the definition of that term provided in Section (A) above), then, pursuant to Ordinance No. 238-2010: To the extent allowable by law, Developer and its general contractor shall use its best efforts to post available employment opportunities with Developer, the general contractor's organization, or the organization of any subcontractor working with Developer or its general contractor with the OhioMeansJobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-946-7200.

(M) Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "**Wage Enforcement Chapter**"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed $25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a

conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the city shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

(N) Americans with Disabilities Act; Accessibility.

(i) Applicability. Cincinnati City Council adopted Motion No. 201600188 on February 3, 2016 (the "**Accessibility Motion**"). This motion directs City administration, including OSG, to include language specifically requiring compliance with the Americans With Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and imposing certain minimum accessibility standards on City-subsidized projects regardless of whether there are arguably exceptions or reductions in accessibility standards available under the ADA or State law.

(ii) Requirement. In furtherance of the policy objectives set forth in the Accessibility Motion, (A) the Project shall comply with the ADA, and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then Developer shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

(O) Electric Vehicle Charging Stations in Garages.

(i) Applicability. Cincinnati City Council passed Ordinance No. 89-2017 on May 10, 2017. This ordinance requires all agreements in which the City provides any amount of "qualifying incentives" for projects involving the construction of a parking garage to include a provision requiring the inclusion of certain features in the garage relating to electric vehicles. The ordinance defines "qualifying incentives" as the provision of incentives or support for the construction of a parking garage in the form of (a) the provision of any City monies or monies controlled by the City including, without limitation, the provision of funds in the form of loans or grants; (b) the provision of service payments in lieu of taxes in connection with tax increment financing, including rebates of service payments in lieu of taxes; and (c) the provision of the proceeds of bonds issued by the City or with respect to which the City has provided any source of collateral security or repayment, including, but not limited to, the pledge of assessment revenues or service payments in lieu of taxes. For the avoidance of doubt, "qualifying incentives" does not include (1) tax abatements such as Community Reinvestment Area abatements pursuant to Ohio Revised Code 3735.67, et seq., or Job Creation Tax Credits pursuant to Ohio Revised Code 718.15; (2) the conveyance of City-owned real property for less than fair market value; and (3) any other type of City support in which the City provides non-monetary assistance to a project, regardless of value.

(ii) Requirement. If the applicability criteria of Ordinance No. 89-2017 are met, then the following requirements shall apply to any parking garage included within the Project: (a) at least one percent of parking spaces, rounding up to the nearest integer, shall be fitted with Level 2 minimum 7.2 kilowatt per hour electric car charging stations; provided that if one percent of parking spaces is less than two parking spaces, the minimum number of parking spaces subject to this clause shall be two parking spaces; and (b) the parking garage's electrical raceway to the electrical supply panel serving the garage shall be capable of providing a minimum of 7.2 kilowatts of electrical capacity to at least five percent of

the parking spaces of the garage, rounding up to the nearest integer, and the electrical room supplying the garage must have the physical space for an electrical supply panel sufficient to provide 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer.

(P) Certification as to Non-Debarment. Developer represents that neither it nor any of its principals is presently suspended or debarred by any federal, state, or local government agency. In completing the Project, Developer shall not solicit bids from any contractors or subcontractors who are identified as being suspended or debarred by any federal, state, or local government agency. If Developer or any of its principals becomes suspended or debarred by any federal, state, or local government agency during the term of this Agreement, Developer shall be considered in default under this Agreement.

(Q) Use of Nonfranchised Commercial Waste Haulers Prohibited. The City requires that persons providing commercial waste collection services (as that term is defined under CMC Chapter 730) within the City of Cincinnati obtain a franchise, and the City maintains a list of franchised commercial waste haulers. Developer is prohibited from using or hiring (or causing to be used or hired) a nonfranchised commercial waste hauler to provide commercial waste collection services in connection with the performance of this Agreement, and Developer is responsible for ensuring that any commercial waste collection services provided in connection with the performance of this Agreement are provided by a franchised commercial waste hauler. Questions related to the use of commercial waste franchisees can be directed to, and a list of current franchisees can be obtained from, the City's Office of Environment & Sustainability by calling (513)352-3200.

Subject: **Emergency Ordinance – Council: Amend Ordinance No. 0211-2026**

Attached is an Emergency Ordinance captioned:

> **AMENDING** Ordinance No. 211-2026 to correct an inadvertent omission and authorize the transfer of $1,000 from General Fund balance sheet reserve account no. 050x2581, "Reserve for Special Events Support," to the unappropriated surplus of General Fund 050, and make those resources available for the Cincinnati Metro Athletic Conference Leadership Conference.

Ordinance No. 0211-2026, passed by the City Council on June 17, 2026, authorized various General Fund budget transfers from President Pro Tem Johnson's Council Office General Fund personnel services operating budget account. The Department of Finance subsequently identified that Ordinance No. 0211-2026 omitted a necessary step for the transfer of $1,000 to support the Cincinnati Metro Athletic Conference (CMAC) Leadership Conference, as funds held in the General Fund balance sheet reserve account must first be transferred to the unappropriated surplus of the General Fund before they may be transferred and appropriated to an operating budget account.

This Emergency Ordinance amends Ordinance No. 0211-2026 to authorize the omitted transfer to the unappropriated surplus of the General Fund. All other terms of Ordinance No. 0211-2026 not amended here remain in full force and effect.

The reason for the emergency is the immediate need to accomplish the authorized transfers and appropriations so that funding is in place for FY 2027, which began on July 1, 2026.

The Administration recommends passage of this Emergency Ordinance.

Subject: **Emergency Ordinance – OES: Accept and Appropriate Energy Credits and U.S. Department of the Treasury Elective Pay Benefits**

Attached is an Emergency Ordinance captioned:

> **AUTHORIZING** the City Manager to accept and appropriate energy credits from energy projects and U.S. Department of the Treasury Elective Pay benefits of up to $2,700,000 in FY 2027 to Revolving Energy Loan Fund 883 to reinvest resources into other City energy projects; and **AUTHORIZING** the Director of Finance to deposit proceeds into Revolving Energy Loan Fund 883 revenue account no. 883x8569.

This Emergency Ordinance authorizes the City Manager to accept and appropriate energy credits from energy projects and the U.S. Department of the Treasury Elective Pay benefits of up to $2,700,000 in FY 2027 to Revolving Energy Loan Fund 883 to reinvest resources into other City energy projects. This Emergency Ordinance also authorizes the Director of Finance to deposit proceeds into Revolving Energy Loan Fund 883 revenue account no. 883x8569.

The Inflation Reduction Act (IRA) provides tax credits for clean energy technologies and includes Elective Pay provisions that enable governmental entities to receive federal payments equal to the value of tax credits for eligible clean energy projects. The City anticipates receiving up to $2,700,000 in Elective Pay benefits and other proceeds from energy projects in FY 2027, but no resources will be accepted without City Council approval.

Accepting energy credits from energy projects and Elective Pay benefits does not require matching resources, and no new FTEs/full time equivalents are associated with acceptance of these resources.

Reinvesting resources to support energy projects is in accordance with the "Sustain" goal to "[b]ecome a healthier Cincinnati" and strategy to "[c]reate a healthy environment and reduce energy consumption" as described on pages 181-185 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to accept and appropriate proceeds from energy projects and U.S. Department of the Treasury Elective Pay benefits to reinvest resources into other City energy projects.

The Administration recommends passage of this Emergency Ordinance.

Subject: **Emergency Ordinance – CMO: TaylorMade Catering & Event Planning, LLC Funding Agreement**

Attached is an Emergency Ordinance captioned:

> **AUTHORIZING** the City Manager to execute a funding agreement with TaylorMade Catering & Event Planning, LLC to facilitate the establishment and initial operation of food service within City Hall; **AUTHORIZING** the City Manager to expend up to $50,000 from the City Manager's Office General Fund non-personnel operating budget account no. 050x101x7400 to facilitate the establishment and initial operation of food service within City Hall; and **DECLARING** such expenditure to serve a public purpose.

This Emergency Ordinance authorizes the City Manager to execute a funding agreement with TaylorMade Catering & Event Planning, LLC ("TaylorMade") to facilitate the establishment and initial operation of food service within City Hall. This Emergency Ordinance also authorizes the City Manager to expend up to $50,000 from the City Manager's Office General Fund non-personnel operating budget account no. 050x101x7400 to facilitate the establishment and initial operation of food service within City Hall. This Emergency Ordinance declares this expenditure to serve a public purpose.

City Hall contains a first-floor café space to provide food and beverages to City employees, officials, visitors, and other members of the public conducting business at City Hall. The previous food service provider ceased operations in December 2024, after which the City renovated the café space to prepare it for occupancy and operation by a new food service provider. In January 2025, the City issued a Request for Proposals to solicit a new food service provider but received no responses. To restore convenient and reliable food service operations for City employees, officials, visitors, and other members of the public conducting business at City Hall, the City is taking the necessary steps to finalize an agreement with TaylorMade Catering & Event Planning, LLC. Providing one-time operational support to TaylorMade during its first year of operation at City Hall will reduce the financial risk associated with establishing a new food service operation, support the successful reopening of the new café, and assist the City in securing a sustainable, long-term food service provider for City Hall.

Facilitating the establishment and operation of food service within City Hall is in accordance with the "Live" goal to "[b]uild a robust public life" and strategy to "[d]evelop and maintain inviting and engaging public spaces to encourage social interaction between different types of people" as described on pages 149-152 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to restore food service to the facility and prevent the continued vacancy of the City Hall café space.

The Administration recommends passage of this Emergency Ordinance.

Approval of this Emergency Ordinance will authorize the payment of $7,114.40 to Kronos SaaShr, Inc. for outstanding charges for maintenance and support services for its Ready Workforce Management Software for the period of June 01, 2026, through June 30, 2026, to be paid from General Fund Enterprise Software and Licenses non-departmental non-personnel operating budget account no. 050x952x0000x7418, pursuant to the attached then and now certificate from the Director of Finance.

On July 14, 2025, the City engaged Kronos SaaShr, Inc. (Contractor) to provide maintenance and support services for its Ready Workforce Management Software, among other products and services. Enterprise and Technology Solutions (ETS) certified sufficient resources to the contract for the support and maintenance services for the Ready Workforce Management software, but included in the same encumbrance, funds for a support and maintenance services contract for another one of Contractor's products, which had a different billing schedule. ETS amended its operational processes to encumber the support and maintenance for these software products separately to ensure certified funds are monitored properly to avoid a recurrence of these circumstances.

Pursuant to Ohio Revised Code (ORC) 5705.41(D)(1), the Director of Finance has issued a certificate, attached to this ordinance, verifying that a sufficient sum was appropriated and in the City Treasury to pay such charges under the contract both at the time the services were authorized and at the time the attached certificate was issued.

AUTHORIZING the payment of $7,114.40 from General Fund Enterprise Software and Licenses non-departmental non-personnel operating budget account no. 050x952x0000x7418 to Kronos SaaShr, Inc. for maintenance and support services for its Ready Workforce Management Software for the period of June 1, 2026, through June 30, 2026, pursuant to the attached then and now certificate from the Director of Finance.

WHEREAS, on July 14, 2025, the City engaged Kronos SaaShr, Inc. ("Contractor") to provide maintenance and support services for its Ready Workforce Management Software, among other products and services; and

WHEREAS, the Department of Enterprise and Technology Solutions ("ETS") certified sufficient resources to the contract for the support and maintenance services for Contractor's Ready Workforce Management, but included in the same encumbrance funds for a support and maintenance services contract for another of Contractor's products, which had a different billing schedule; and

WHEREAS, controls were not in place to ensure that sufficient resources remained encumbered to pay Contractor for support and maintenance services for the Ready Workforce Management product after payment was made for support and maintenance services for the other product, given the different billing schedules; and

WHEREAS, ETS amended its operational processes to encumber the support and maintenance for these software products separately to ensure certified funds are monitored properly to avoid a recurrence of these circumstances; and

WHEREAS, the City has been invoiced by Contractor for $7,114.40, for which no funds were certified before the services were provided; and

WHEREAS, pursuant to Ohio Revised Code 5705.41(D)(1), the Director of Finance has issued a certificate, attached to this ordinance, verifying that a sufficient sum was appropriated and in the City Treasury to pay such charges under the contract both at the time the services were authorized and at the time the attached certificate was issued; and

WHEREAS, Council desires to pay Contractor for the City's outstanding obligation of $7,114.40 for maintenance and support of its Ready Workforce Management Software for the period of June 1, 2026, through June 30, 2026; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

WHEREAS, on July 14, 2025, the City entered Contract No. 24-6833 with Kronos SaaShr, Inc. ("Contractor") for maintenance and support of its Ready Workforce Management Software, among other products and services; and

WHEREAS, the Department of Enterprise and Technology Solutions certified sufficient resources to the contract for the support and maintenance services in an encumbrance that also included a support and maintenance service contract for another UKG product (UKG Telestaff) with different pay frequencies, and controls were not in place to ensure that sufficient resources remained encumbered to pay Contractor for support and maintenance services provided for both software products, resulting in the overpayment of UKG Telestaff, leaving insufficient resources to pay for UKG Ready Workforce services from June 1, 2026, through June 30, 2026; and

WHEREAS, Contractor has invoiced the City $7,114.40, for which no funds were certified before the services were provided; and

Subject: **Emergency Ordinance – Fire: Then & Now Payment to Change Healthcare Holdco Inc.**

Attached is an Emergency Ordinance captioned:

> **AUTHORIZING** the payment of $262,539.29 from Cincinnati Fire Department General Fund non-personnel operating budget account no. 050x271x5000x7289 to Change Healthcare Holdco Inc. for billing services provided on behalf of the Cincinnati Fire Department between August 2025 and November 2025, pursuant to the attached then and now certificate from the Director of Finance.

This Emergency Ordinance authorizes a payment of $262,539.29 to Change Healthcare Holdco Inc. from Cincinnati Fire Department General Fund non-personnel operating budget account no. 050x271x5000x7289 for billing services provided on behalf of the Cincinnati Fire Department between August 2025 and November 2025, pursuant to the attached then and now certificate from the Director of Finance.

On December 1, 2020, the City entered into an agreement with Change Healthcare LLC to provide billing and collection services on behalf of the Cincinnati Fire Department for emergency medical service runs. The Fire Department certified funds to the contract for Fiscal Year 2026, but due to unexpected increases in emergency services run volume, the billed charges for services were greater than the amounts certified against the contract. In addition to increased charges, Change Healthcare LLC also legally changed their name to Change Healthcare Holdco Inc. The new name and Employer Identification Number (EIN) were not updated in City's vendor portal until February 2026, preventing the Fire Department from increasing the certification and necessitating a then and now payment.

Pursuant to Ohio Revised Code (ORC) Section 5705.41(D)(1), the Director of Finance issued the attached certificate, verifying that a sufficient sum was appropriated and in the City Treasury for the purpose of paying such charges under the contract both at the time the contract began and at the time the attached certificate was issued.

The reason for the emergency is the immediate need to make payment to Change Healthcare Holdco Inc. for the outstanding charges in a timely manner.

The Administration recommends passage of this Emergency Ordinance.

Community Reinvestment Area Tax Exemption Agreement

This Community Reinvestment Area Tax Exemption Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and 1700 VINE LLC, an Ohio limited liability company (the "Company"), an affiliate of Cincinnati Center City Development Corporation ("3CDC").

Recitals:

A. The City, the Company and 3CDC are all parties to a *Funding Agreement* dated _____, 2026 (the "Funding Agreement") pursuant to which the City agreed to provide the Company with financial support for the Project (as defined below).

B. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute").

C. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director's determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.

D. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018, passed on October 31, 2018, Ordinance No. 370-2020, passed on November 12, 2020, Ordinance No. 24-2022, passed on February 2, 2022, and Ordinance No. 28-2024, passed on January 31, 2024 (as amended, the "Commercial Policy Ordinance"), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.

E. The Company is the sole owner of certain real property within the City, located at 1724-1734 Vine Street and 1675-1693 Hamer Street, Cincinnati, Ohio 45202 (collectively, the "Property"), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the "Excluded Property"), and the Company acknowledges and agrees that the City's Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.

F. The Company has proposed to remodel the buildings located on the Property, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the "Project"), provided that the appropriate development incentives are available to support the economic viability of the Project.

G. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing five or more dwelling units, in order to be eligible for tax exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.

H. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.

I. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, and has remitted with the Application the City application fee of $1,250 made payable to the City.

J. The Deputy Director of the City's Office of Strategic Growth has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.

K. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020 (as amended), has approved exemptions of up to 100% of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.

L. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to 33% of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").

M. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").

N. The Company represents that within the past 3 years neither the Company, nor any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.

O. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.

P. City Council passed (i) Motion No. 201401368 on November 19, 2014, establishing a tax incentive policy that incentivizes each applicant for a real property tax abatement in the neighborhoods of Downtown and OTR to enter into a voluntary tax incentive contribution agreement with a third-party organization ("VTICA") for an amount equal to a percentage of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the "VTICA Contribution"), which funds shall be committed by a third-party organization to support the streetcar that specially benefits the abated property, and (ii) Motion No. 201501592 on December 16, 2015, which established that the VTICA Contribution to be recognized by the Deputy Director of the City's Office of Strategic Growth is 15% of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement. The Commercial Policy Ordinance confirmed that such motions have not been superseded and remain the will of Council.

Q. The Company acknowledges that the Streetcar will specially benefit the Project due to (a) the Streetcar's enhancement of public transit options in such neighborhoods and (b) the anticipated increase in property values attributable to public investment in Streetcar infrastructure.

R. The Company represents and warrants to the City that the Company has entered or will enter into a VTICA and shall pay the VTICA Contribution each year for the full term of the abatement.

S. This Agreement has been authorized by Ordinance No. _____-2026, passed by Cincinnati City Council on _____, 2026.

T. In determining to recommend and authorize this Agreement, the Office of Strategic Growth and City Council, respectively, have acted in material reliance on the Company's representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project's effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

Section 1. Project. Upon issuance of the necessary zoning and building approvals, the Company agrees to remodel the existing buildings on the Property into, in aggregate, approximately 3,618 square feet of commercial space, and approximately 11,994 square feet of residential space consisting of 16 residential rental dwelling units (collectively, the "Improvements") at an estimated aggregate cost of $5,508,134 to commence after the execution of this Agreement and to be completed no later December 31, 2027; *provided,* however, that the Deputy Director of the Office of Strategic Growth (the "Housing Officer") may, in his or her discretion, extend such deadline for a period of up to 12 months by written notice if, in the Deputy Director's judgment, the Company is proceeding in good faith towards completion. The remodeling shall be in compliance with applicable building code requirements and zoning regulations. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

Section 2. Real Property Tax Exemption. Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest extent authorized by the Statute, of 100% of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of 15 years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of remodeling, (B) the cost of remodeling, (C) the facts asserted in the application for exemption and (D) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the remodeling has been certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from

taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2028 nor extend beyond the earlier of (i) tax year 2042 or (ii) the end of the 15th year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(B)(3), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(B)(4), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C. §101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(B), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(B)(7), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under

this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Business Enterprise Program.

A. Compliance with Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"), which includes SBEs owned by minorities and women ("MBEs" and "WBEs", respectively, as used within CMC Chapter 324, and collectively with SBEs, "Certified Firms"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve (i) the City's goal of voluntarily meeting thirty percent (30%) SBE participation, and (ii) a sub-goal, being the Company's Project-specific voluntary commitment, of meeting the City's economic inclusion program goals to achieve a standard of no less than: seventeen percent (17%) MBE participation; and 10% WBE participation. A list of SBEs, MBEs, and WBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE, MBE, or WBE. The Company shall comply with the provisions of CMC Chapters 323 and 324, including without limitation taking at least the following affirmative steps:

(i) Including qualified Certified Firms on solicitation lists.

(ii) Assuring that Certified Firms are solicited whenever they are potential sources. The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to Certified Firms to provide services, to supply materials, or to bid on construction contracts, as applicable.

(iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum Certified Firm participation.

(iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.

(v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.

(vi) The Company shall periodically document its best efforts and affirmative steps to meet the above Certified Firm participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to Certified Firms, or to provide technical assistance to Certified Firm as may be necessary to reach Certified Firm participation as set out in CMC Chapters 323 and 324 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Sections 323-99 and 324-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 16 full-time permanent jobs and (ii) 93 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with remodeling. In the case of the other jobs described herein, the job creation period shall begin upon completion of remodeling and shall end 3 years thereafter, and the job retention period shall continue for the full term of the abatement. Notwithstanding the foregoing, all jobs created by the Project (during construction and after) will comply with the City's living wage policy as reflected in CMC Chapter 317, which rates shall be adjusted annually in accordance with such chapter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) $820,600 of additional annual payroll with respect to the full-time permanent jobs and (ii) $5,652,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least 25% of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(B)(7), if the Company materially fails to fulfill its obligations under this Agreement (including, without limitation, its obligation to comply with the Funding Agreement), or if the City determines that the certification as to delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than 30 days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification.

If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within 30 days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(B)(5) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (C) of Ohio Revised Code Section 3735.671 (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (C) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(C) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(B)(7), exemptions from taxation granted or authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (C) of Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (C) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62, 5709.63, or 5709.632 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within 30 days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to

Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of 12% per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than $1,000 and/or a term of imprisonment of not more than 6 months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (*Default)* and the basis for revocation under Section 18 (*Revocation*). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution in order to support the streetcar. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. The Company shall pay an annual fee of $500 or 1% of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed $2,500 per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. As provided in Ohio Revised Code Section 3735.671(C), if, prior to the expiration of the term of this Agreement, the Company discontinues operations at the Project so that the Property is no longer being used for the purposes described in Section 1 hereof, then the Company, its successors, and any related member shall not enter into an agreement under Ohio Revised Code Sections 3735.671, 5709.62, 5709.63 or 5709.632, and no legislative authority shall enter into such an agreement with the Company, its successors or any related member prior to the expiration of 3 years after the discontinuation of operations. As used in this Section 22, "successors" and "related member" shall have the meanings set forth in Ohio Revised Code Section 3735.671(C).

Section 28. Severability. This Agreement shall be severable; if any part or parts of this Agreement shall for any reason be held invalid or unenforceable by a court of competent jurisdiction, all remaining parts shall remain binding and in full force and effect.

Failure to assign or otherwise perform the Company's obligations under the Board of Education Agreement or VTICA upon transfer of the Property during the term of the tax abatement authorized by this Agreement shall be basis for revocation of the tax exemption under Section 18.

Section 32. Legislative Action Required. As provided in Ohio Revised Code Section 3735.671, the Company and the City acknowledge that this Agreement must be approved by formal action of the City Council of the City as a condition for this Agreement to take effect. Notwithstanding anything to the contrary herein, this Agreement shall take effect after the later of the date of such approval or the final date of execution of this Agreement by all parties.

Section 33. Additional Representations and Warranties of Company. The Company represents and warrants that (a) it is duly organized and existing and it has full power and authority to take, and has taken, all action necessary to execute and deliver this Agreement and any other documents required or permitted to be executed or delivered by it in connection with this Agreement, and to fulfill its obligations hereunder; (b) no notices to, or consents, authorizations or approvals of, any person are required (other than any already given or obtained) for its due execution, delivery and performance of this Agreement; and (c) this Agreement has been duly executed and delivered by it and constitutes the legal, valid and binding obligation of the Company.

Section 36. Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "Wage Enforcement Chapter"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed $25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud

upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

Section 37. Legal Requirements. In completing and operating the Project, the Company shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati.

Section 38. Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature.

FUNDING AND DEVELOPMENT AGREEMENT
(Findlay Flats – 1700 Block)

This Funding and Development Agreement (this "**Agreement**") is made as of the Effective Date (as defined on the signature page below) by and among the CITY OF CINCINNATI, an Ohio municipal corporation, 801 Plum Street, Cincinnati, Ohio 45202 (the "**City**"), CINCINNATI CENTER CITY DEVELOPMENT CORPORATION, an Ohio nonprofit corporation, 1203 Walnut Street, 4th Floor, Cincinnati, Ohio 45202 ("**3CDC**"), and 1700 VINE LLC, an Ohio limited liability company, 1203 Walnut Street, 4th Floor, Cincinnati, Ohio 45202 ("**Owner**"; and together with 3CDC, the "**Developer**").

Recitals:

A. 3CDC, through its affiliate entity OTR Holdings Inc. ("**OTR**"), previously acquired certain parcels of real property located at 1724-1734 Vine Street and 1675-1693 Hamer Street, Cincinnati, Ohio 45202 in the Over-the-Rhine neighborhood of Cincinnati, all as more particularly described on Exhibit A (*Legal Description*) hereto (the "**Property**").

B. Following OTR's acquisition of the Property, the Property was transferred to the Hamilton County Land Reutilization Corporation d/b/a the Hamilton County Landbank (the "**Landbank**"), which currently holds fee title to the Property and will transfer title to the Property to Owner prior to the Project Commencement Date (as defined below).

C. Following Owner's acquisition of the Property from the Landbank, Developer will renovate the existing buildings on the Property to create, in the aggregate, approximately 11,994 square feet of residential space, consisting of 16 residential dwelling units, including 7 affordable units, and approximately 3,618 square feet of commercial space, all in accordance with Exhibit B (*Statement of Work, Budget, and Sources and Uses of Funds*) attached hereto (the "**Project**").

D. Owner will lease and make affordable 7 of the 16 residential dwelling units to families earning at or below 80% of the area median income ("**AMI**") as established by United States Department of Housing and Urban Development ("**HUD**") for the Cincinnati metropolitan area, adjusted for household size, and as may be updated from time to time (the "the "**Affordable Units**") under the criteria set forth in this Agreement.

E. Developer estimates that the Project will create approximately (a) 93 full-time temporary construction jobs during the construction period with an approximate annual payroll of $5,652,000, and (b) 16 full-time equivalent permanent jobs following completion of construction of the Project with an approximate annual payroll of $820,600.

F. The City desires to provide financial support for the Project in the form of a grant to 3CDC from tax increment financing funds from District 3 – Downtown-OTR West District Incentive District established by the City pursuant to Ohio Revised Code Section 5709.40 in an amount not to exceed $2,900,000, on the terms and conditions set forth in this Agreement (the "**Grant**"), which the parties currently anticipate will be used by 3CDC to either make an equity investment to Findlay Flats Leverage Lender, LLC (the "**Leveraged Lender**"), to facilitate the making of a leveraged loan by Leveraged Lender to a new markets tax credit financing structure or make an equity investment directly or indirectly into Owner, in either route to finance, indirectly, a portion of the hard construction costs of the residential component of the Project, as further described in Section 2 below, which will assist in creating additional housing opportunities in the City of Cincinnati.

G. Owner has committed to having all the Affordable Units initially occupied after construction by qualifying households at affordable rents under the criteria set forth in this Agreement, and thereafter for a period of 20 years.

H. In addition to the City's Grant for the Project, the City and Owner intend to enter into a *Community Reinvestment Area Tax Exemption Agreement* on or about the Effective Date, granting a tax abatement for improvements to the Property (the "**CRA Agreement**").

I. Section 16 of Article VIII of the Ohio Constitution provides that it is in the public interest and a proper public purpose for the City to enhance the availability of adequate housing and to improve the economic and general well-being of the people of the City by providing or assisting in providing housing.

J. The City believes that the Project is in the vital and best interests of the City and the health, safety, and welfare of its residents, and in accordance with the public purposes and provisions of applicable federal, state, and local laws and requirements; for this reason, the City desires to facilitate the Project by providing the public support as described herein.

K. The City and Developer have decided to enter into this Agreement in part to finance the Project through the utilization of the federal new markets tax credit program.

L. Execution of, and funding for, this Agreement was authorized by Ordinance No. ____-202__ passed by City Council on _____, 20___, which appropriated funds for the purpose of developing the Property which the City has determined constitutes a Housing Renovation (as defined in Section 5709.40(A)(3) of the Ohio Revised Code), that will benefit and/or serve the District 3-OTR-West District Incentive District.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Term. The term of this Agreement shall commence on the Effective Date, and unless sooner terminated as herein provided, shall end on the date on which Developer has satisfied all of its obligations to the City under this Agreement (the "**Term**"). Any and all obligations of Developer that have accrued but have not been fully performed as of such termination or expiration date shall survive such termination or expiration until fully performed.

2. Project. Subject to the terms of this Agreement, Developer shall complete the Project in accordance with Exhibit B hereto. Developer shall (a) apply for and receive the required building permits from the City's Department of Buildings and Inspections for construction of the Project, and (b) commence on-site construction at the Property no later than September 15, 2026 (the "**Project Commencement Date**"), and complete the Project, as evidenced by issuance of certificates of occupancy for the Project, no later than December 31, 2027 (the "**Project Completion Date**") *provided however*, upon Developer's request and at the sole and absolute discretion of the City Manager, the City may extend the Project Commencement Date or the Project Completion Date by up to 12 months by providing written notice to Developer. Under no circumstances shall Developer use insufficient funds as the justification for requesting an extension of either the Project Commencement Date or the Project Completion Date.

(A) Amount and Terms of Grant; Eligible Uses. Subject to the terms and conditions of this Agreement, the City agrees to provide the Grant to 3CDC from funds derived from District 3–OTR-West District Incentive District, a tax increment financing district established by the City pursuant to Ohio Revised Code Section 5709.40(C), in an amount not to exceed $2,900,000 ("**TIF Funds**"). The proceeds of the Grant of TIF Funds (the "**Funds**") shall be used solely to finance the hard construction costs of the residential component of the Project, as itemized on Exhibit B (the "**Eligible Uses**") and for no other purpose. Developer acknowledges that TIF Funds shall be utilized solely to finance the hard construction costs of a "Housing Renovation", as that term is defined in Ohio Revised Code Section 5709.40(A)(3), for the Project at the Property. For the avoidance of doubt, Developer shall not use any portion of the Funds to pay for the hard construction costs of the commercial portion of the Project, design fees or other soft costs, or for the purchase of inventory, supplies, furniture, trade fixtures, or any other items of personal property, or to establish a working capital fund. (D) Copies of Due Diligence Materials to Be Provided to City. Once the aforementioned materials in this Section have been provided by Developer as a Disbursement Condition and have been approved by the City (the "**Project Materials**"), Developer shall not make or permit any changes thereto without the prior written consent of the Deputy Director of OSG. Without limitation of Developer's other obligations, prior to the City's disbursement of the Funds, as such due diligence materials are obtained by Developer, Developer, at no cost to the City, shall provide OSG with copies of the inspection, engineering, and environmental reports, title reports, surveys, and other materials prepared by third party professionals obtained by Developer that pertain to the Project or the Property, or are otherwise related to anything authorized pursuant to the terms and conditions of this Agreement.

(E) No Other City Assistance. Except for the City's agreement to provide the Grant as described in this Agreement, Developer acknowledges and agrees that (i) no additional funds will be requested from the City in connection with the Project, and (ii) the City shall not be responsible for any costs associated with the completion of the Project.

4. Construction Requirements.

(A) Construction. Following the City's approval of the Project Materials, Developer shall (i) apply for and receive the required building permits from the City's Department of Buildings and Inspections for construction of the Project, (ii) enter into a construction contract if not previously executed, and (iii) commence construction of the Project on or before the Project Commencement Date. Developer shall cause the Project to be completed in accordance with the approved Plans and Specifications and Construction Schedule, all City of Cincinnati Building Code requirements, and in a good and workmanlike manner on or before the Project Completion Date.

The City makes no representations or other assurances to Developer that Developer will be able to obtain whatever variances, permits, or other approvals from the City's Department of Buildings and Inspections, the City's Department of Transportation and Engineering ("**DOTE**"), City Planning Commission, City Council, or any other governmental agency that may be required in connection with the Project.

(C) Contractors and Subcontractors. In performing work on the Project, Developer shall not solicit bids from any contractors or subcontractors who are identified as being debarred by the federal or state government or who are identified as being debarred on the City's Vendor's Performance list.

(D) Inspection of Work. During construction of the Project, the City, its employees, and agents shall have the right at all reasonable times to inspect the progress of construction to determine whether Developer is complying with its obligations under this Agreement. If the City determines that work on the Project is not in accordance with the Plans and Specifications or other requirements of this Agreement, is not in compliance with all applicable laws, or is not performed in

a good and workmanlike manner, the City shall have the right, in its reasonable judgment, to stop such work and order its replacement at Developer's expense (not to be paid for using the Funds), whether or not such work has been incorporated into the Project, by giving notice of such nonconforming work to Developer.

(E) Mechanics' Liens. Developer shall not permit any mechanics' or other similar liens to remain on the Property during the construction of the Project. If a mechanic's lien shall at any time be filed against the Property, Developer shall, within 30 days after notice of the filing thereof, (i) cause the same to be discharged of record or bonded off by a surety bond, or (ii) deposit the amount necessary to discharge such lien with the City, to be held in escrow pending the release of the lien.

Developer acknowledges that (i) Developer will be required to obtain barricade, street opening, meter permits, and other related permits when the Project necessitates closing meters, opening and/or closing the adjoining streets or portions thereof, or when otherwise required by DOTE for the Project (ii) Developer will be required to pay DOTE for any such permit fees, and (iii) with many entities competing for space on City street, it is important that construction activities be limited to as little space and the shortest duration as possible and that all work be scheduled and performed to cause the least interruption to vehicular travel, bicyclists, pedestrians and businesses; therefore, DOTE shall have the right to evaluate Developer's need for a barricade throughout construction and, if at any time after consultation with Developer DOTE determines that a barricade is not needed, DOTE shall have the right to withdraw the permit.

5. Operational Requirements.

(A) Rental Agreement. Before any occupancy of the Property may occur, Developer shall deliver to the City for review and approval Developer's proposed form of written rental agreement that Developer will enter into with tenants who will occupy the dwelling units on the Property, which must comply with Chapter 5321 of the Ohio Revised Code, Chapter 871 of the Cincinnati Municipal Code, and the requirements set forth in Exhibit D. Once the proposed rental agreement has been approved by the City (the "**Rental Agreement**"), Developer shall not make or permit any changes thereto without the prior written consent of the Deputy Director of OSG.

(B) Affordability Requirements. Best rating of A VII or better, and (b) provide that they may not be cancelled or modified without at least 30 days prior written notice to the City. Prior to commencement of construction,

Developer shall send proof of all such insurance to OSG at 801 Plum Street, Suite 130, Cincinnati, Ohio 45202, Attention: Office of Strategic Growth, or such other address as may be specified by the City from time to time

Developer hereby waives all claims and rights of recovery, and on behalf of Developer's insurers, rights of subrogation, against the City, its employees, agents, contractors, and subcontractors with respect to any and all damage to or loss of property that is covered or that would ordinarily be covered by the insurance required under this Agreement to be maintained by Developer, even if such loss or damage arises from the negligence of the City, its employees, agents, contractors, or subcontractors; it being the agreement of the parties that Developer shall at all times protect itself against such loss or damage by maintaining adequate insurance. Developer shall cause its insurance policies to include a waiver of subrogation provision consistent with the foregoing waiver.

(C) General Indemnity. Notwithstanding anything in this Agreement to the contrary, as a material inducement to the City to enter into this Agreement, Developer shall defend, indemnify, and hold the City, its officers, council members, employees, and agents (collectively, the "**Indemnified Parties**") harmless from and against any and all actions, suits, claims, losses, costs (including, without limitation, attorneys' fees), demands, judgments, liability, and damages (collectively, "**Claims**") suffered or incurred by or asserted against the Indemnified Parties as a result of or arising from the acts of Developer, its agents, employees, contractors, subcontractors, licensees, invitees or anyone else acting at the request of Developer in connection with the Project. Developer's indemnification obligations under this paragraph shall survive the termination or expiration of this Agreement with respect to Claims arising prior thereto.

7. Casualty; Eminent Domain. If the Property, or any improvements thereon made pursuant to the Project, is damaged or destroyed by fire or other casualty during construction, or if any portion of a Property is taken by exercise of eminent domain (federal, state, or local) Developer shall cause the Property to be repaired and restored, as expeditiously as possible, and to the extent practicable, to substantially the same condition that existed immediately prior to such occurrence. If the available condemnation or insurance proceeds are insufficient to fully repair and restore the affected property, the City shall not be required to make up the deficiency. Developer shall handle all reconstruction in accordance with the applicable requirements set forth herein, including without limitation obtaining the City's approval of the plans and specifications for the construction of the Project if they deviate from the final Plans and Specifications as initially approved by the City hereunder. Developer shall not be relieved of any obligations, financial or otherwise, under this Agreement during any period in which the affected Property is being repaired or restored**.**

8. Default; Remedies.

(A) Default. The occurrence of any of the following shall be an "**event of default**" under this Agreement:

(i) the dissolution, other than in connection with a merger, of Developer, the filing of any bankruptcy or insolvency proceedings by either such entity, or the making by either such entity of an assignment for the benefit of creditors, or the filing of any bankruptcy or insolvency proceedings by or against Developer, the appointment of a receiver (temporary or permanent) for either such entity or the Property, the attachment of, levy upon, or seizure by legal process of any property of either such entity, or the insolvency of either such entity, unless such appointment, attachment, levy, seizure, or insolvency is cured, dismissed, or otherwise resolved to the City's satisfaction within 60 days following the date thereof; or

(ii) The occurrence of a Specified Default (as defined below), or any failure of Developer to perform or observe (or cause to be performed or observed, if applicable), any obligation, duty, or responsibility under this Agreement, the Affordability Covenant, or any other agreement or other instrument executed by Developer in favor of the City in connection with the Project, and failure by Developer to correct such default within 30 days after Developer's receipt of written notice thereof from the City (the "**Cure Period**"), other than a Payment Default (as defined below), in which case there shall be a Cure Period of 5 business days after such entity's receipt of written notice thereof from the City; provided, however, that if the nature of the default is such that it cannot reasonably be cured during the Cure Period, Developer shall not be in default under this Agreement so long as Developer commences to cure the default within such Cure Period and thereafter diligently completes such cure within 60 days after Developer's receipt of the City's initial notice of default. Notwithstanding the foregoing, if Developer's failure to perform or observe any obligation, duty, or responsibility under this Agreement creates a dangerous condition or otherwise constitutes an emergency as determined by the City in good faith, an event of default shall be deemed to have occurred if Developer fails to take reasonable corrective action immediately

upon discovering such dangerous condition or emergency. As used in this section, "**Specified Default**" means the occurrence of:

(a) Development Default. Developer (1) fails to comply with Sections 4 or 5 of this Agreement or (2) abandons the Project.

(b) Operational Default. Developer fails to comply with Section 5 of this Agreement.

(c) Misrepresentation. Any representation, warranty or certification of Developer made in connection with this Agreement, the CRA Agreement, or any other agreement or instrument executed by Developer in favor of the City in connection with the Project shall prove to have been false or materially misleading when made.

(d) Payment Default. Any failure of Developer to pay any sum payable to the City when due under this Agreement, subject to the 5-business day Cure Period described above (a "**Payment Default**").

(e) Financing Default. Developer or other related entity otherwise defaults beyond any applicable notice and/or cure period under the documentation for other third-party financing, either debt or equity, for the Project.

(iii) any event of default under the CRA Agreement.

(B) Remedies. Upon the occurrence and during the continuation of an event of default under this Agreement which is not cured or corrected within any applicable Cure Period, the City shall be entitled to (i) terminate this Agreement by giving Developer written notice thereof and, without limitation of its other rights and remedies, and with or without terminating this Agreement, declare all amounts disbursed by the City with respect to the Grant to be immediately due and payable and demand that Developer repay to the City all such amounts, (ii) take such actions in the way of "self-help" as the City determines to be reasonably necessary or appropriate to cure or lessen the impact of such default, all at the expense of Developer, and (iii) exercise any and all other rights and remedies available at law or in equity, including without limitation pursuing an action for specific performance. Developer shall be liable for all costs and damages, including, without limitation, attorneys' fees, suffered or incurred by the City in connection with administration, enforcement, or termination of this Agreement or as a result of a default of Developer under this Agreement. The failure of the City to insist upon the strict performance of any covenant or duty or to pursue any remedy shall not constitute a waiver of the breach of such covenant or of such remedy.

9. Notices. All notices, requests, or other communications hereunder shall be deemed given if personally delivered, or delivered by Federal Express, UPS or other recognized overnight courier, or if mailed by U.S. registered or certified mail, postage prepaid, return receipt requested, addressed to the parties at their addresses below or at such other addresses as either party may designate by notice to the other party given in the manner prescribed herein. (v) There are no actions, suits, proceedings, or governmental investigations pending, or to the knowledge of 3CDC or Owner, threatened against or affecting any of 3CDC or Owner, at law or in equity or before or by any governmental authority that could reasonably be expected to interfere substantially with its normal operations or materially and adversely affect its financial condition.

(vi) 3CDC and Owner shall give prompt notice in writing to the City of the occurrence or existence of any litigation, labor dispute, or governmental proceeding or investigation affecting 3CDC or Owner that could reasonably be expected to interfere substantially with its normal operations or materially and adversely affect its financial condition.

(vii) The statements made in the documentation provided by 3CDC and Owner to the City that are descriptive of 3CDC, Owner, or the Project have been reviewed by 3CDC and Owner and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make such statements, in light of the circumstances under which they were made, not misleading.

(viii) Pursuant to Section 301-20 of the Cincinnati Municipal Code, neither 3CDC nor Owner, nor any of their affiliates, are currently delinquent in paying any fines, penalties, judgments, water or other utility charges, or any other amounts owed by them to the City.

11. Reporting Requirements.

(A) Reporting During Construction. Upon the City's request throughout construction, Developer shall provide the City with reports describing the status of the Project, including, without limitation, information about whether the Project is on budget and on schedule and containing such additional pertinent information thereto as the City may from time to time reasonably request. Developer shall submit a final report to the City upon completion of the Project.

Developer shall retain all Records and Reports for a period of three (3) years after the expiration or termination of this Agreement.

(C) City's Right to Inspect and Audit. Throughout construction of the Project and for a period of 3 years after the expiration or termination of this Agreement, Developer shall permit the City, its employees, agents, and auditors to have full access to and to inspect and audit Developer's Records and Reports. In the event any such inspection or audit discloses a material discrepancy with information previously provided by Developer to the City, Developer shall reimburse the City for its out-of-pocket costs associated with such inspection or audit.

12. General Provisions.

(A) Assignment. 3CDC and Owner shall not assign their respective rights or interests under this Agreement without the prior written consent of the City Manager. An assignment of rights by 3CDC or Owner under this Agreement shall not relieve such party from any obligations or liability under this Agreement.

(B) Entire Agreement; Conflicting Provisions. This Agreement (including the exhibits hereto) and the other agreements referred to herein contain the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, representations or agreements, written or oral, between them respecting the subject matter hereof. In the event that any of the provisions of this Agreement purporting to describe specific provisions of other agreements are in conflict with the specific provisions of such other agreements, the provisions of such other agreements shall control.

(H) Recognition of City Support. Developer shall acknowledge the support of the City with respect to the Project in all printed materials such as informational releases, pamphlets and brochures, construction signs, project and identification signage, and any publicity such as that appearing on the Internet, television, cable television, radio, or in the press or any other printed media. In identifying the City as a participant, Developer shall use either the phrase "Project made possible by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City. Developer's obligations under this section shall commence on the Effective Date and shall terminate on the date on which the Project has been completed.

(M) Official Capacity. All representations, warranties, covenants, agreements and obligations of the City under this Agreement shall be effective to the extent authorized and permitted by applicable law. (P) Joint and Several Liability. The obligations and liability of the parties comprising Developer under this Agreement are joint and several. In dealing with said entities, the City shall be entitled to rely upon information, notices, documents and the like received by the City from only one of said entities to the same extent as if the same had been provided to the City by both entities.

(Q) Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature.

(R) Transfer of Leasehold Title to Port Authority. Nothing in this Agreement shall be construed to prohibit Developer from entering into a lease and leaseback arrangement with respect to portion(s) of the Property in which leasehold title to the Property (or any portion thereof) is held by the Port of Greater Cincinnati Development Authority (the "**Port Authority**" or the "**Port Authority Arrangement**", as applicable); *provided, however*, that Developer shall provide the City with such documents and other information with respect to this arrangement as the City may reasonably request, including the final form of the Port Authority Arrangement, at least 10 business days prior to any conveyance of any portion of the Property to the Port Authority. Developer may not assign its rights, obligations, or any other interest under this Agreement to any other party except as in accordance with Section 12(A), but at any time, subject to the provisions of this paragraph, once Developer has obtained the fee interest in the Property, Developer may convey leasehold interest to the Port Authority, in the manner, and subject to the terms described, above. It is also understood and agreed that the Port Authority may convey leasehold interest back to Developer pursuant to the terms contained in the agreement memorializing the Port Authority Arrangement. Disbursement of Funds

(A) Conditions to be Satisfied Prior to Disbursement of Funds. The City shall be under no obligation to disburse the Funds unless and until the following conditions are satisfied and continue to be satisfied, or waived, in the City's sole and absolute discretion:

(i) Disbursement Conditions: The Disbursement Conditions must be satisfied or waived by the City, each in its sole discretion.

(ii) Insurance: Developer must have provided proof of insurance as required by the Agreement, naming the City as an additional insured.

(iii) Affordability Covenant. Developer shall have executed and delivered to the City the recorded Affordability Covenant.

(iv) Other Information: Developer shall provide to the City such other information and documents pertaining to Developer or the Project as the City may reasonably require.

(v) No Default: Developer shall be in full compliance with all requirements under the Agreement and the Affordability Covenant.

(vi) Project Completion: Developer shall be prepared and capable of otherwise undertaking and completing all necessary actions to commence the Project promptly following the Effective Date and thereafter to pursue completion of this Project in a timely manner and otherwise in accordance with the terms of the Agreement.

(B) Disbursement of Funds. Provided all of the requirements for disbursement of the Funds shall have been satisfied, the City shall endeavor to disburse the Funds to 3CDC within 30 days of receipt of a completed draw request in accordance with Section (C)(ii) of this Exhibit. The City shall disburse the Funds to 3CDC who will contribute the proceeds to the Leveraged Lender, in connection with the New Markets Tax Credit financing received for the Project, the proceeds of which were used by 3CDC to pay for those hard construction costs of the residential component of the Project as described and itemized on Exhibit B. Developer shall not be entitled to a disbursement of Funds to pay for costs incurred prior to the Effective Date. Developer shall request the Funds and shall use the Funds solely for the purposes permitted under the Agreement. Nothing in this Agreement shall permit, or shall be construed to permit, the expenditure of Funds for the commercial portion of the Project, acquisition of supplies or inventory, or for the purpose of purchasing materials not used in the construction, or for establishing a working capital fund, or for any other purpose expressly disapproved in writing by the City. Developer shall not request a disbursement of Funds for any expenditure that is not itemized on or contemplated by the approved budget or if the costs for which the disbursement is being requested exceeds the applicable line item in the budget; however, Developer may request, in writing, that funds be transferred between line items, with the City's approval thereof not to be unreasonably withheld. Disbursements from the project account shall be limited to an amount equal to the actual cost of the work, materials, and labor incorporated in the work up to the amount of such items as set forth in Developer's request for payment. Anything contained in this Agreement to the contrary notwithstanding, the City shall not be obligated to make or authorize any disbursements from the project account if the City determines, in its reasonable discretion, that the amounts remaining from all funding sources with respect to the Project are not sufficient to pay for all the costs to complete construction. Developer acknowledges that the obligation of the City to disburse the Funds to Developer for construction shall be limited to the Funds to be made available by the City under this Agreement. Developer shall provide all additional funds from other resources to complete the Project. Notwithstanding anything in this Agreement to the contrary, the City's obligation to make the Funds available to Developer,

to the extent such Funds have not been disbursed, shall terminate 90 days following completion of construction of the Project.

(C) Draw Procedure.

(i) Frequency. Developer may make disbursement requests no more frequently than once in any 30-day period.

(ii) Documentation. Each disbursement request shall include the following: For construction costs shown on the approved budget, Developer shall submit a draw request form provided by the City, with the following attachments: (i) an AIA G-702-703 Form (AIA) or such other similar form acceptable to the City; (ii) sworn affidavits and/or unconditional lien waivers (together with invoices, contracts, or other supporting data) from all contractors, subcontractors, and materialmen covering all work, labor, and materials for the work through the date of the disbursement and establishing that all such work, labor, and materials have been paid for in full; (iii) waivers or disclaimers from suppliers of fixtures or equipment who may claim a security interest therein; and (iv) such other documentation or information requested by the City that a prudent construction lender might request. All affidavits and lien waivers shall be signed, fully-executed originals.

(iii) Construction Meetings. After the Project Commencement Date and throughout the duration of the Project, Developer shall invite the City to all regularly scheduled meetings between Developer and its lenders on the Project to enable the City to keep abreast of the Project's construction progress and the status of all Project costs, draw requests from Developer's lenders, change orders, and anticipated date of the Project's completion.

(D) Estoppel Certification. A request for the disbursement of Funds shall, unless otherwise indicated in writing at the time Developer makes such request, be deemed as a representation and certification by Developer that (i) all work done and materials supplied to date are in accordance with the approved plans and specifications and in strict compliance with all legal requirements as of the date of the request, (ii) the construction is being completed in accordance with the approved budget and construction schedule, and (iii) Developer and the City have complied with all of their respective obligations under this Agreement. If Developer alleges that the City has been or is then in default under this Agreement at the time Developer makes such request, and if the City disputes such allegation, the City shall not be obligated to make or authorize such disbursement until the alleged default has been resolved.

Exhibit D
to Funding and Development Agreement

Additional Requirements

Developer and Developer's general contractor shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati (collectively, "**Government Requirements**"), including the Government Requirements listed below, to the extent that they are applicable. Developer hereby acknowledges and agrees that (a) the below listing of Government Requirements is not intended to be an exhaustive list of Government Requirements applicable to the Project, Developer, or Developer's contractors, subcontractors or employees, either on the City's part or with respect to any other governmental entity, and (b) neither the City nor its Law Department is providing legal counsel to or creating an attorney-client relationship with Developer by attaching this Exhibit to the Agreement.

This Exhibit serves two functions:

(i) Serving as a Source of Information with Respect to Government Requirements. This Exhibit identifies certain Government Requirements that may be applicable to the Project, Developer, or its contractors and subcontractors. Because this Agreement requires that Developer comply with all applicable laws, regulations, and other Government Requirements (and in certain circumstances to cause others to do so), this Exhibit flags certain Government Requirements that developers, contractors and subcontractors regularly face in constructing projects or doing business with the City. To the extent Developer is legally required to comply with a Government Requirement, failure to comply with such a Government Requirement is a violation of the Agreement.

(ii) Affirmatively Imposing Contractual Obligations. If certain conditions for applicability are met, this Exhibit also affirmatively imposes contractual obligations on Developer, even where such obligations are not imposed on Developer by Government Requirements. As described below, the affirmative obligations imposed hereby are typically a result of policies adopted by City Council which, per Council's directive, are to be furthered by the inclusion of certain specified language in some or all City contracts. The City administration (including the City's Department of Community and Economic Development) is responsible for implementing the policy directives promulgated by Council (which typically takes place via the adoption of motions or resolutions by Council), including, in certain circumstances, by adding specific contractual provisions in City contracts such as this Agreement.

(A) Construction Workforce.

(i) Applicability. Consistent with the limitations contained within the City Resolutions identified in clause (ii) below, this Section (A) shall not apply to contracts with the City other than construction contracts, or to construction contracts to which the City is not a party. For the avoidance of doubt, this Agreement is a construction contract solely to the extent that it directly obligates Developer to assume the role of a general contractor on a construction project for public improvements such as police stations or other government buildings, public parks, or public roadways.

The Construction Workforce Goals are not applicable to future work (such as repairs or modifications) on any portion of the Project. The Construction Workforce Goals are not applicable to the purchase of specialty fixtures and trade fixtures.

(ii) Requirement. In furtherance of the policy enumerated in City Resolutions No. 32-1983 and 21-1998 concerning the inclusion of minorities and women in City construction work, if Developer is performing construction work for the City under a construction contract to which the City is a party, Developer shall use Best Efforts to achieve a standard of no less than 11.8% Minority Persons (as defined below) and 6.9% females (of whom at least one-half shall be Minority Persons) in each craft trade in Developer and its general contractor's aggregate workforce in Hamilton County, to be achieved at least

halfway through the construction contract (or in the case of a construction contract of six months or more, within 60 days of beginning the construction contract) (collectively, the "**Construction Workforce Goals**").

As used herein, the following terms shall have the following meanings:

(a) "**Best Efforts**" means substantially complying with all of the following as to any of its employees performing such construction, and requiring that all of its construction subcontractors substantially comply with all of the following: (1) solicitation of Minority Persons as potential employees through advertisements in local minority publications; and (2) contacting government agencies, private agencies, and/or trade unions for the job referral of qualified Minority Persons.

(b) "**Minority Person**" means any person who is Black, Asian or Pacific Islander, Hispanic, American Indian or Alaskan Native.

(c) "**Black**" means a person having origin in the black racial group of Africa.

(d) "**Asian or Pacific Islander**" means a person having origin in the original people of the Far East or the Pacific Islands, which includes, among others, China, India, Japan, Korea, the Philippine Islands, Malaysia, Hawaii and Samoa.

(e) "**Hispanic**" means a person of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish cultural origin.

(f) "**American Indian**" or "**Alaskan Native**" means a person having origin in any of the original people of North America and who maintains cultural identification through tribal affiliation.

(B) Trade Unions; Subcontracts; Competitive Bidding.

(i) Meeting and Conferring with Trade Unions.

(a) Applicability. Per City of Cincinnati, Ordinance No. 130-2002, this requirement is limited to transactions in which Developer receives City funds or other assistance (including, but not limited to, the City's construction of public improvements to specifically benefit the Project, or the City's sale of real property to Developer at below fair market value).

(b) Requirement. This Agreement may be subject to the requirements of City of Cincinnati, Ordinance No. 130-2002, as amended or superseded, providing that, if Developer receives City funds or other assistance, Developer and its general contractor, prior to the commencement of construction of the Project and prior to any expenditure of City funds, and with the aim of reaching comprehensive and efficient project agreements covering all work done by Developer or its general contractor, shall meet and confer with: the trade unions representing all of the crafts working on the Project, and minority, female, and locally-owned contractors and suppliers potentially involved with the construction of the Project. At this meeting, Developer and/or its general contractor shall make available copies of the scope of work and if prevailing wage rates apply, the rates pertaining to all proposed work on the Project. Not later than ten (10) days following Developer and/or its general contractor's meet and confer activity, Developer shall provide to the City, in writing, a summary of Developer and/or its general contractor's meet and confer activity.

(ii) Contracts and Subcontracts; Competitive Bidding.

(a) Applicability. This clause (ii) is applicable to "construction contracts" under Cincinnati Municipal Code Chapter 321. Municipal Code Chapter 321 defines "construction" as "any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than four thousand dollars and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority," and "contract"

as “all written agreements of the City of Cincinnati, its boards or commissions, prepared and signed by the city purchasing agent or a board or commission for the procurement or disposal of supplies, service or construction.”

(b) Requirement. If CMC Chapter 321 applies to the Project, Developer is required to ensure that all contracts and subcontracts for the Project are awarded pursuant to a competitive bidding process that is approved by the City in writing. All bids shall be subject to review by the City. All contracts and subcontracts shall be expressly required by written agreement to comply with the provisions of this Agreement and the applicable City and State of Ohio laws, ordinances and regulations with respect to such matters as allocation of subcontracts among trade crafts, Small Business Enterprise Program, Equal Employment Opportunity, and Construction Workforce Goals.

(iii) Competitive Bidding for Certain City-Funded Development Agreements.

(a) Applicability. Pursuant to Ordinance No. 273-2002, the provision in clause (b) below applies solely where the Project receives in $250,000 or more in direct City funding, and where such funding comprises at least 25% of the Project’s budget. For the purposes of this clause (iii), “direct City funding” means a direct subsidy of City funds in the form of cash, including grants and forgivable loans, but not including public improvements, land acquisitions and sales, job creation tax credits, or tax abatements or exemptions.

(b) Requirement. This Agreement requires that Developer issue an invitation to bid on the construction components of the development by trade craft through public notification and that the bids be read aloud in a public forum. For purposes of this provision, the following terms shall be defined as set forth below:

(1) “Bid” means an offer in response to an invitation for bids to provide construction work.

(2) “Invitation to Bid” means the solicitation for quoted prices on construction specifications and setting a time, date and place for the submission of and public reading of bids. The place for the public reading of bids shall be chosen at the discretion of Developer; however, the place chosen must be accessible to the public on the date and time of the public reading and must have sufficient room capacity to accommodate the number of respondents to the invitation to bid.

(3) “Trade Craft” means (a) general construction work, (b) electrical equipment, (c) plumbing and gas fitting, (d) steam and hot water heating and air conditioning and ventilating apparatus, and steam power plant, (e) elevator work, and (f) fire protection.

(4) “Public Notification” means (a) advertisement of an invitation to bid with ACI (Allied Construction Industries) and the Dodge Report, and (b) dissemination of the advertisement (either by mail or electronically) to the South Central Ohio Minority Business Council, Greater Cincinnati Northern Kentucky African-American Chamber of Commerce, and the Hispanic Chamber of Commerce. The advertisement shall include a description of the “scope of work” and any other information reasonably necessary for the preparation of a bid, and it shall be published and disseminated no less than fourteen days prior to the deadline for submission of bids stated in the invitation to bid.

(5) “Read Aloud in a Public Forum” means all bids shall be read aloud at the time, date and place specified in the invitation for bids, and the bids shall be available for public inspection at the reading.

(C) City Building Code. All construction work must be performed in compliance with City of Cincinnati Building Code requirements.

(D) Lead Paint Regulations. All work must be performed in compliance with Chapter 3742 of the Ohio Revised Code, Chapter 3701-32 of the Ohio Administrative Code, and must comply with OSHA's Lead in Construction Regulations and the OEPA's hazardous waste rules. All lead hazard abatement work must be supervised by an Ohio Licensed Lead Abatement Contractor/Supervisor.

(E) Displacement. If the Project involves the displacement of tenants, Developer shall comply with all Government Requirements in connection with such displacement. If the City shall become obligated to pay any relocation costs or benefits or other sums in connection with the displacement of tenants, under Cincinnati Municipal Code Chapter 740 or otherwise, Developer shall reimburse the City for any and all such amounts paid by the City in connection with such displacement within twenty (20) days after the City's written demand.

(F) Small Business Enterprise Program.

(i) Applicability. The applicability of Municipal Code Chapter 323 (Small Business Enterprise Program) is limited to construction contracts in excess of $5,000. Municipal Code Chapter 323 defines "contract" as "a contract in excess of $5,000.00, except types of contracts listed by the City purchasing agent as exempt and approved by the City Manager, for (a) construction, (b) supplies, (c) services, or (d) professional services." It defines "construction" as "any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than $4,000 and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority." To the extent Municipal Code Chapter 323 does not apply to this Agreement, Developer is not subject to the various reporting requirements described in this Section (F).

(ii) Requirement. The City has an aspirational goal that 30% of its total dollars spent for construction and 15% of its total dollars spent for supplies/services and professional services be spent with Small Business Enterprises ("SBE"s), which include SBEs owned by minorities and women. Accordingly, subject to clause (i) above, Developer and its general contractor shall use its best efforts and take affirmative steps to assure that SBEs are utilized as sources of supplies, equipment, construction, and services, with the goal of meeting 30% SBE participation for construction contracts and 15% participation for supplies/services and professional services contracts. An SBE means a consultant, supplier, contractor or subcontractor who is certified as an SBE by the City in accordance with Cincinnati Municipal Code ("CMC") Chapter 323. (A list of SBEs may be obtained from the Department of Economic Inclusion or from the City's web page, http://cincinnati.diversitycompliance.com.) Developer and its general contractor may refer interested firms to the Department of Economic Inclusion for review and possible certification as an SBE, and applications may also be obtained from such web page. If the SBE program is applicable to this Agreement, as described in clause (i) above, Developer agrees to take (or cause its general contractor to take) at least the following affirmative steps:

(1) Including qualified SBEs on solicitation lists.

(2) Assuring that SBEs are solicited whenever they are potential sources. Contractor must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials or to bid on construction contracts for the Project. Contractor is encouraged to use the internet and similar types of advertising to reach a broader audience, but these additional types of advertising cannot be used as substitutes for the above.

(3) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.

(4) When needs permit, establishing delivery schedules that will encourage participation by SBEs.

(iii) Subject to clause (i) above, if any subcontracts are to be let, Developer shall require the prime contractor to take the above affirmative steps.

(iv) Subject to clause (i) above, Developer shall provide to the City, prior to commencement of the Project, a report listing all of the contractors and subcontractors for the Project, including information as

to the owners, dollar amount of the contract or subcontract, and other information that may be deemed necessary by the City Manager. Developer or its general contractor shall update the report monthly by the 15th. Developer or its general contractor shall enter all reports required in this subsection via the City's web page referred to in clause (i) above or any successor site or system the City uses for this purpose. Upon execution of this Agreement, Developer and its general contractor shall contact the Department of Economic Inclusion to obtain instructions, the proper internet link, login information, and password to access the site and set up the necessary reports.

(v) Subject to clause (i) above, Developer and its general contractor shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by notarized affidavits executed in a form acceptable to the City, submitted upon the written request of the City. The City shall have the right to review records and documentation relevant to the affidavits. If affidavits are found to contain false statements, the City may prosecute the affiant pursuant to Section 2921.12, Ohio Revised Code.

(vi) Subject to clause (i) above, failure of Developer or its general contractor to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach the minimum percentage goals for SBE participation as set forth in Cincinnati Municipal Code Chapter 323, may be construed by the City as failure of Developer to use best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this section.

(G) Equal Employment Opportunity.

(i) Applicability. Chapter 325 of the Cincinnati Municipal Code (Equal Employment Opportunity) applies (a) where the City expends more than $5,000 under a non-construction contract, or (b) where the City spends or receives over $5,000 to (1) employ another party to construct public improvements, (2) purchase services, or (3) lease any real or personal property to or from another party. Chapter 325 of the Municipal Code does not apply where the contract is (a) for the purchase of real or personal property to or from another party, (b) for the provision by the City of services to another party, (c) between the City and another governmental agency, or (d) for commodities such as utilities.

(ii) Requirement. If this Agreement is subject to the provisions of Chapter 325 of the Cincinnati Municipal Code (the City of Cincinnati's Equal Employment Opportunity Program), the provisions thereof are hereby incorporated by reference into this Agreement.

(H) Prevailing Wage. Developer shall comply, and shall cause all contractors working on the Project to comply, with all any prevailing wage requirements that may be applicable to the Project. In the event that the City is directed by the State of Ohio to make payments to construction workers based on violations of such requirements, Developer shall make such payments or reimburse the City for such payments within twenty (20) days of demand therefor. A copy of the City's prevailing wage determination may be attached to this Exhibit as Addendum I to Additional Requirements Exhibit (*City's Prevailing Wage Determination*) hereto.

(I) Compliance with the Immigration and Nationality Act. In the performance of its construction obligations under this Agreement, Developer shall comply with the following provisions of the federal Immigration and Nationality Act: 8 U.S.C.A. 1324a(a)(1)(A) and 8 U.S.C.A. 1324a(a)(2). Compliance or noncompliance with those provisions shall be solely determined by final determinations resulting from the actions by the federal agencies authorized to enforce the Immigration and Nationality Act, or by determinations of the U.S.

(J) Prompt Payment. The provisions of Chapter 319 of the Cincinnati Municipal Code, which provides for a "Prompt Payment System", may apply to this Agreement. Municipal Code Chapter 319 also (i) provides certain requirements for invoices from contractors with respect to the Prompt Payment System, and (ii) obligates contractors to pay subcontractors for satisfactory work in a timely fashion as provided therein.

(K) Conflict of Interest. Pursuant to Ohio Revised Code 102.03, no officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning or carrying out of the Project may have any personal financial interest, direct or indirect, in Developer or in the Project, and Developer shall take appropriate steps to assure compliance.

(L) Ohio Means Jobs. If this Agreement constitutes a construction contract (pursuant to the guidance with respect to the definition of that term provided in Section (A) above), then, pursuant to Ordinance No. 238-2010: To the extent allowable by law, Developer and its general contractor shall use its best efforts to post available employment opportunities with Developer, the general contractor's organization, or the organization of any subcontractor working with Developer or its general contractor with the OhioMeansJobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-946-7200.

(M) Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "**Wage Enforcement Chapter**"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed $25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its

contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the city shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

(N) Americans with Disabilities Act; Accessibility.

(i) Applicability. Cincinnati City Council adopted Motion No. 201600188 on February 3, 2016 (the "**Accessibility Motion**"). This motion directs City administration, including OSG, to include language specifically requiring compliance with the Americans With Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and imposing certain minimum accessibility standards on City-subsidized projects regardless of whether there are arguably exceptions or reductions in accessibility standards available under the ADA or State law.

(ii) Requirement. In furtherance of the policy objectives set forth in the Accessibility Motion, (A) the Project shall comply with the ADA, and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then Developer shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

(O) Electric Vehicle Charging Stations in Garages.

(i) Applicability. Cincinnati City Council passed Ordinance No. 89-2017 on May 10, 2017. This ordinance requires all agreements in which the City provides any amount of "qualifying incentives" for projects involving the construction of a parking garage to include a provision requiring the inclusion of certain features in the garage relating to electric vehicles. The ordinance defines "qualifying incentives" as the provision of incentives or support for the construction of a parking garage in the form of (a) the provision of any City monies or monies controlled by the City including, without limitation, the provision of funds in the form of loans or grants; (b) the provision of service payments in lieu of taxes in connection with tax increment financing, including rebates of service payments in lieu of taxes; and (c) the provision of the proceeds of bonds issued by the City or with respect to which the City has provided any source of collateral security or repayment, including, but not limited to, the pledge of assessment revenues or service payments in lieu of taxes. For the avoidance of doubt, "qualifying incentives" does not include (1) tax abatements such as Community Reinvestment Area abatements pursuant to Ohio Revised Code 3735.67, et seq., or Job Creation Tax Credits pursuant to Ohio Revised Code 718.15; (2) the conveyance

of City-owned real property for less than fair market value; and (3) any other type of City support in which the City provides non-monetary assistance to a project, regardless of value.

(ii) Requirement. If the applicability criteria of Ordinance No. 89-2017 are met, then the following requirements shall apply to any parking garage included within the Project: (a) at least one percent of parking spaces, rounding up to the nearest integer, shall be fitted with Level 2 minimum 7.2 kilowatt per hour electric car charging stations; provided that if one percent of parking spaces is less than two parking spaces, the minimum number of parking spaces subject to this clause shall be two parking spaces; and (b) the parking garage's electrical raceway to the electrical supply panel serving the garage shall be capable of providing a minimum of 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer, and the electrical room supplying the garage must have the physical space for an electrical supply panel sufficient to provide 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer.

(P) Certification as to Non-Debarment. Developer represents that neither it nor any of its principals is presently suspended or debarred by any federal, state, or local government agency. In completing the Project, Developer shall not solicit bids from any contractors or subcontractors who are identified as being suspended or debarred by any federal, state, or local government agency. If Developer or any of its principals becomes suspended or debarred by any federal, state, or local government agency during the term of this Agreement, Developer shall be considered in default under this Agreement.

(Q) Use of Nonfranchised Commercial Waste Haulers Prohibited. The City requires that persons providing commercial waste collection services (as that term is defined under CMC Chapter 730) within the City of Cincinnati obtain a franchise, and the City maintains a list of franchised commercial waste haulers. Developer is prohibited from using or hiring (or causing to be used or hired) a nonfranchised commercial waste hauler to provide commercial waste collection services in connection with the performance of this Agreement, and Developer is responsible for ensuring that any commercial waste collection services provided in connection with the performance of this Agreement are provided by a franchised commercial waste hauler. Questions related to the use of commercial waste franchisees can be directed to, and a list of current franchisees can be obtained from, the City's Office of Environment & Sustainability by calling (513)352-3200.

Affordability Requirements

Developer shall abide by the following requirements during the Term of this Agreement:

1. Maintenance. Throughout the Affordability Period, Developer shall maintain the Property as decent, safe and sanitary housing in good repair in compliance with the ongoing property condition standards of the Cincinnati Building Code, and any other applicable laws, as demonstrated by an on-site inspection which shall occur upon written request by the City, and shall keep all dwelling units available for rent during that period. Developer shall give special attention to preventive maintenance of the Property and purchase the materials, equipment, tools, appliances, supplies and services necessary to maintain the Property in good and safe condition and repair. Developer shall receive and investigate systematically and promptly all service requests from tenants and City officials, take action as may be justified, and keep records of the same.

2. Leasing Vacant Units. During the period of time the Project is under construction Developer shall not lease or rent any units on the Property without the written approval of both the City building inspector and the Deputy Director of OSG. Following the issuance of a certificate of occupancy for all units, Developer does not need to obtain any prior approval to lease units pursuant to this Section.

3. Leasing of Affordable Units to Qualifying Households. Throughout the Affordability Period, Developer shall ensure that all the completed Affordable Units at the Property are leased to households with an annual household income (as defined in 24 CFR 5.609) that is equal to or below the applicable area median income limits set forth in the Section 5 of this Agreement.

4. Income Recertification.

(A) Verification Procedure. Developer shall verify an occupant's income (i) annually (including, without limitation, at the time of lease renewal or changes in income) through a statement and certification from the occupant, and (ii) at least once every 6 years during the Affordability Period using third party source documentation supplied by the occupant. On an annual basis, Developer shall verify its continued compliance with the affordability terms of this Exhibit by certifying project rents and verifying tenant eligibility by submitting to the City a *Tenant Income & Rent Guidelines Worksheet* and an *Income Certification Form* for all households occupying Affordability Units. The Income Certification Form must be signed by and certified by each tenant and indicate that the information is complete and accurate.

(B) Changes in Income and Over-income Households. In the event that a tenant's household income exceeds the applicable income limits during a tenancy, the tenant who becomes over income after initial income certification will be allowed to stay in the unit. Such change in annual income shall not prohibit an extension to the original lease term with the same occupant, so long as the occupant complied with the household income requirements at the execution of the initial lease agreement. a qualifying or low-income household that is not low-income at the time of income recertification (i.e., whose income is above 80% Area Median Income ("AMI") must pay as rent the lesser of the amount payable by the tenant under State or local law or 30% of the family's adjusted income, except that tenants of Affordable Units that have been allocated low-income housing tax credits must pay rent governed by Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42). If a household's current annual income exceeds the eligibility limit, the unit continues to qualify as an Affordable Unit and/or housing tax credit unit as long as Developer fills the next available unit with an eligible, qualifying household. The next available unit would be one of similar or larger size than the one occupied by the over-income tenant. Developer shall collect such compliance documentation in such form as required by OSG and which form may be updated from time to time throughout the Affordability Period. Throughout the Affordability Period, Developer shall comply with, and shall cause each tenant to comply with, all other City verification and compliance reporting requirements.

5. Terms for Tenancies; Tenant Protections.

(A) Written Rental Agreement. Developer shall rent all dwelling units pursuant to a written rental agreement approved by the City for compliance with Chapter 5321 of the Ohio Revised Code and Chapter 871 of the Cincinnati Municipal Code and shall submit its form of written rental agreement to the City on an annual basis, in accordance with its reporting requirements under this Agreement. The written rental agreement shall not contain any of the prohibited lease terms specified in Section 5321.13 of the Ohio Revised Code. Developer shall ensure that a copy of the written rental agreement must be signed by both the tenant and the Developer (or Developer's property management entity); maintained in the Developer 's files and submitted to the City along with the Income Certification forms.

(B) Limited Termination; Notice Requirements. Developer may not terminate the tenancy or refuse to renew the lease of a tenant except for serious or repeated violation of the terms and conditions of the rental agreement. Developer must give the tenant written notice of the termination, specifying the grounds therefor, no less than 30 days prior to the effective date of the termination. Nothing in this paragraph shall prevent Developer from terminating the tenancy of a tenant for nonpayment of rent (if applicable), provided that inability to pay rent means that the tenant cannot pay more than 30% of the household's income toward rent, based on an income determination made by the City in the last 30 days. To terminate or refuse to renew tenancy for any household occupying an Affordable Unit, the Developer must serve written notice upon the tenant at least 30 days prior to terminating the tenancy, specifying the grounds for the termination or nonrenewal.

6. Documentation. At the time of executing an initial lease agreement with a tenant of an Affordable Unit, Developer shall collect documentation of family size and household income from tenants of all of the Affordable Units in order to document compliance with the affordability requirements herein. Developer shall collect such compliance documentation in such form as required by OSG and which form may be updated from time to time. Developer is also responsible for ensuring that the lease terms for Affordable Units at all times comply with the Affordability Requirements. On an annual basis and upon request by the City, the Developer shall provide documentation to the City demonstrating compliance with the Affordability Requirements.

7. Rent Limitation. Developer shall not charge rent to any Affordable Unit occupied by qualifying households that exceeds the maximum applicable rent amounts for the Affordable Units (as applicable based on the number of bedrooms in a given Affordable Units, and as those rent amounts correspond to those Affordable Unit's area median income limits).

8. Project Occupancy. Developer shall use its best efforts to ensure all Affordable Units are occupied by eligible, qualifying households within 6 months of the Project Completion Date and submit information to the City on its efforts to fill such units for qualifying households.

9. Condominium Conversion. During the Affordability Period, Developer shall not convert any dwelling units in the Project to condominium ownership or to any form of cooperative ownership.

10. Third-Party Beneficiaries. Developer and the City acknowledge that the tenants of the Affordable Units are intended third-party beneficiaries of the Affordability Requirements, and such tenants shall have the ability, but not the obligation, to enforce the terms of the Affordability Requirements against Developer; *provided however*, nothing herein shall permit the City and Developer from amending the terms of the Agreement, including the Affordability Requirements, in their sole discretion and without consent of the tenants of Affordable Units and no City liability or obligations to tenants of Affordable Units is intended to be created by this section. Developer shall be liable for all costs and damages, including without limitation attorneys' fees, suffered or incurred by a tenant of an Affordable Unit in connection with enforcement of the Affordability Requirements.

Community Reinvestment Area Tax Exemption Agreement

This Community Reinvestment Area Tax Exemption Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and 1800 VINE LLC, an Ohio limited liability company (the "Company"), an affiliate of Cincinnati Center City Development Corporation ("3CDC").

Recitals:

A. The City, the Company, and 3CDC are all parties to a *Funding Agreement* dated _____, 2026 (the "Funding Agreement") pursuant to which the City agreed to provide the Company with financial support for the Project (as defined below).

B. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute").

C. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director's determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.

D. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018, passed on October 31, 2018, Ordinance No. 370-2020, passed on November 12, 2020, Ordinance No. 24-2022, passed on February 2, 2022, and Ordinance No. 28-2024, passed on January 31, 2024 (as amended, the "Commercial Policy Ordinance"), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.

E. The Company is the sole owner of certain real property within the City, located at 1802, 1804, 1806, 1808 and 1810 Republic Street, 1801, 1805, 1807 and 1809 Vine Street, and 6 and 12 W. Elder Street, Cincinnati, Ohio 45202 (collectively, the "Property"), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the "Excluded Property"), and the Company acknowledges and agrees that the City's Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.

F. The Company has proposed to remodel the buildings located on the Property, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the "Project"), provided that the appropriate development incentives are available to support the economic viability of the Project.

G. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing five or more dwelling units, in order to be eligible for tax exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.

H. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.

I. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, and has remitted with the Application the City application fee of $1,250 made payable to the City.

J. The Deputy Director of the City's Office of Strategic Growth has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.

K. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020 (as amended), has approved exemptions of up to 100% of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.

L. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to 33% of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").

M. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").

N. The Company represents that within the past 3 years neither the Company, nor any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.

O. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.

P. City Council passed (i) Motion No. 201401368 on November 19, 2014, establishing a tax incentive policy that incentivizes each applicant for a real property tax abatement in the neighborhoods of Downtown and OTR to enter into a voluntary tax incentive contribution agreement with a third-party organization ("VTICA") for an amount equal to a percentage of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the "VTICA Contribution"), which funds shall be committed by a third-party organization to support the streetcar that specially benefits the abated property, and (ii) Motion No. 201501592 on December 16, 2015, which established that the VTICA Contribution to be recognized by the Deputy Director of the City's Office of Strategic Growth is 15% of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement. The Commercial Policy Ordinance confirmed that such motions have not been superseded and remain the will of Council.

Q. The Company acknowledges that the Streetcar will specially benefit the Project due to (a) the Streetcar's enhancement of public transit options in such neighborhoods and (b) the anticipated increase in property values attributable to public investment in Streetcar infrastructure.

R. The Company represents and warrants to the City that the Company has entered or will enter into a VTICA and shall pay the VTICA Contribution each year for the full term of the abatement.

S. This Agreement has been authorized by Ordinance No. _____-2026, passed by Cincinnati City Council on _____, 2026.

T. In determining to recommend and authorize this Agreement, the Office of Strategic Growth and City Council, respectively, have acted in material reliance on the Company's representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project's effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

Section 1. Project. Upon issuance of the necessary zoning and building approvals, the Company agrees to remodel the existing buildings on the Property into, in aggregate, approximately 5,659 square feet of commercial space, and approximately 21,584 square feet of residential space consisting of 29 residential rental dwelling units (collectively, the "Improvements") at an estimated aggregate cost of $10,234,062 to commence after the execution of this Agreement and to be completed no later than December 31, 2027; *provided,* however, that the Deputy Director of the Office of Strategic Growth (the "Housing Officer") may, in his or her discretion, extend such deadline for a period of up to 12 months by written notice if, in the Deputy Director's judgment, the Company is proceeding in good faith towards completion. The remodeling shall be in compliance with applicable building code requirements and zoning regulations. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

Section 2. Real Property Tax Exemption. Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest extent authorized by the Statute, of 100% of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of 15 years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of remodeling, (B) the cost of remodeling, (C) the facts asserted in the application for exemption and (D) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the remodeling has been

certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2028 nor extend beyond the earlier of (i) tax year 2042 or (ii) the end of the 15th year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(B)(3), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(B)(4), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C. §101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(B), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(B)(7), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Business Enterprise Program.

A. Compliance with Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"), which includes SBEs owned by minorities and women ("MBEs" and "WBEs", respectively, as used within CMC Chapter 324, and collectively with SBEs, "Certified Firms"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve (i) the City's goal of voluntarily meeting thirty percent (30%) SBE participation, and (ii) a sub-goal, being the Company's Project-specific voluntary commitment, of meeting the City's economic inclusion program goals to achieve a standard of no less than: seventeen percent (17%) MBE participation; and 10% WBE participation. A list of SBEs, MBEs, and WBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE, MBE, or WBE. The Company shall comply with the provisions of CMC Chapters 323 and 324, including without limitation taking at least the following affirmative steps:

(i) Including qualified Certified Firms on solicitation lists.

(ii) Assuring that Certified Firms are solicited whenever they are potential sources. The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to Certified Firms to provide services, to supply materials, or to bid on construction contracts, as applicable.

(iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum Certified Firm participation.

(iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.

(v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.

(vi) The Company shall periodically document its best efforts and affirmative steps to meet the above Certified Firm participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to Certified Firms, or to provide technical assistance to Certified Firm as may be necessary to reach Certified Firm participation as set out in CMC Chapters 323 and 324 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Sections 323-99 and 324-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 24 full-time permanent jobs and (ii) 149 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with remodeling. In the case of the other jobs described herein, the job creation period shall begin upon completion of remodeling and shall end 3 years thereafter, and the job retention period shall continue for the full term of the abatement. Notwithstanding the foregoing, all jobs created by the Project (during construction and after) will comply with the City's living wage policy as reflected in CMC Chapter 317, which rates shall be adjusted annually in accordance with such chapter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) $1,230,900 of additional annual payroll with respect to the full-time permanent jobs and (ii) $9,055,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least 25% of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(B)(7), if the Company materially fails to fulfill its obligations under this Agreement (including, without limitation, its obligation to comply with the Funding Agreement), or if the City determines that the certification as to

delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than 30 days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification. If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within 30 days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(B)(5) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (C) of Ohio Revised Code Section 3735.671 (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (C) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(C) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(B)(7), exemptions from taxation granted or authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (C) of Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (C) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62, 5709.63, or 5709.632 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within 30 days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of 12% per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than $1,000 and/or a term of imprisonment of not more than 6 months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (*Default)* and the basis for revocation under Section 18 (*Revocation*). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution in order to support the streetcar. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. The Company shall pay an annual fee of $500 or 1% of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed $2,500 per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. As provided in Ohio Revised Code Section 3735.671(C), if, prior to the expiration of the term of this Agreement, the Company discontinues operations at the Project so that the Property is no longer being used for the purposes described in Section 1 hereof, then the Company, its successors, and any related member shall not enter into an agreement under Ohio Revised Code Sections 3735.671, 5709.62, 5709.63 or 5709.632, and no legislative authority shall enter into such an agreement with the Company, its successors or any related member prior to the expiration of 3 years after the discontinuation of operations. As used in this Section 22, "successors" and "related member" shall have the meanings set forth in Ohio Revised Code Section 3735.671(C).

Section 23. Notices. Unless otherwise specified herein, each party shall address written notices, demands and communications in connection with this Agreement to the other party as follows (or to such other address as is communicated in accordance with this Section):

In identifying the City as a Project partner, the Company shall use either the phrase "Project Assistance by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City.

Section 25. Entire Agreement. This Agreement and the Exhibits attached hereto constitute the entire agreement between the City and the Company with respect to the subject matter herein, superseding any prior or contemporaneous agreement with respect thereto.

Section 26. Governing Law. This Agreement is entered into and is to be performed in the State. Section 27. Waiver. The City's waiver of any breach by the Company of any provision of this Agreement shall not constitute or operate as a waiver by the City of any other breach of such provision or of any other provisions, nor shall any failure or delay by the City to enforce any provision hereof operate as a waiver of such provision or of any other provision.

Section 28. Severability. This Agreement shall be severable; if any part or parts of this Agreement shall for any reason be held invalid or unenforceable by a court of competent jurisdiction, all remaining parts shall remain binding and in full force and effect.

Section 29. Amendment. This Agreement may be modified or amended only by a written agreement duly executed by the parties hereto or their representatives.

Section 30. Non-Assignment. As required by Ohio Revised Code Section 3735.671(B)(6), this Agreement is not transferable or assignable by the Company without the express written approval of the City Manager of the City. If the Company has entered into a Board of Education Agreement or VTICA in connection with the Property, the City shall not approve the assignment of this Agreement unless the assignee has assumed the Company's remaining obligations under the Board of Education Agreement and VTICA, as applicable. Failure to assign or otherwise perform the Company's obligations under the

Board of Education Agreement or VTICA upon transfer of the Property during the term of the tax abatement authorized by this Agreement shall be basis for revocation of the tax exemption under Section 18.

Section 31. Recording. At its election, the City may record this Agreement at the City's expense in the Hamilton County Recorder's Office.

Section 32. Legislative Action Required. As provided in Ohio Revised Code Section 3735.671, the Company and the City acknowledge that this Agreement must be approved by formal action of the City Council of the City as a condition for this Agreement to take effect. Notwithstanding anything to the contrary herein, this Agreement shall take effect after the later of the date of such approval or the final date of execution of this Agreement by all parties.

Section 33. Additional Representations and Warranties of Company. The Company represents and warrants that (a) it is duly organized and existing and it has full power and authority to take, and has taken, all action necessary to execute and deliver this Agreement and any other documents required or permitted to be executed or delivered by it in connection with this Agreement, and to fulfill its obligations hereunder; (b) no notices to, or consents, authorizations or approvals of, any person are required (other than any already given or obtained) for its due execution, delivery and performance of this Agreement; and (c) this Agreement has been duly executed and delivered by it and constitutes the legal, valid and binding obligation of the Company.

Section 34. Certification as to Non-Debarment. The Company represents that neither it nor any of its principals is presently debarred by any federal, state, or local government agency. In completing the Project, the Company shall not solicit bids from any contractors or subcontractors who are identified as being debarred by any federal, state, or local government agency. If the Company or any of its principals becomes debarred by any federal, state, or local government agency during the term of this Agreement, the company shall be considered in default under this Agreement.

Section 35. Appeals. Pursuant to Ohio Revised Code Section 3735.70, a person aggrieved under the Statute or this Agreement may appeal to the community reinvestment area housing council, which shall have the authority to overrule any decision of a housing officer. Appeals may be taken from a decision of the council to the court of common pleas of the county where the area is located.

Section 36. Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "Wage Enforcement Chapter"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed $25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include

provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

Section 37. Legal Requirements. In completing and operating the Project, the Company shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati.

Section 38. Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature.

A. 3CDC, through its affiliate entity OTR Holdings Inc. ("**OTR**"), previously acquired certain parcels of real property located at 1801, 1805, 1807 and 1809 Vine Street, 6 and 12 W. Elder Street, 1802, 1804, 1806, 1808 and 1810 Republic Street, Cincinnati, Ohio 45202 in the Over-the-Rhine neighborhood of Cincinnati, all as more particularly described on Exhibit A (*Legal Description*) hereto (the "**Property**").

B. Following OTR's acquisition of the Property, the Property was transferred to the Hamilton County Land Reutilization Corporation d/b/a the Hamilton County Landbank (the "**Landbank**"), which currently holds fee title to the Property and will transfer title to the Property to Owner prior to the Project Commencement Date (as defined below).

C. D. F. The City desires to provide financial support for the Project in the form of a grant to 3CDC from tax increment financing funds from District 3 – Downtown-OTR West District Incentive District established by the City pursuant to Ohio Revised Code Section 5709.40 in an amount not to exceed $2,900,000, on the terms and conditions set forth in this Agreement (the "**Grant**"), which the parties currently anticipate will be used by 3CDC to either make an equity investment to Findlay Flats Leverage Lender, LLC (the "**Leveraged Lender**"), to facilitate the making of a leveraged loan by Leveraged Lender to a new markets tax credit financing structure or make an equity investment directly or indirectly into Owner, in either route to finance, indirectly, a portion of the hard construction costs of the residential component of the Project, as further described in Section 2 below, which will assist in creating additional housing opportunities in the City of Cincinnati.

G. Owner has committed to having all the Affordable Units initially occupied after construction by qualifying households at affordable rents under the criteria set forth in this Agreement, and thereafter for a period of 20 years.

H. In addition to the City's Grant for the Project, the City and Owner intend to enter into a *Community Reinvestment Area Tax Exemption Agreement* on or about the Effective Date, granting a tax abatement for improvements to the Property (the "**CRA Agreement**").

I. Section 16 of Article VIII of the Ohio Constitution provides that it is in the public interest and a proper public purpose for the City to enhance the availability of adequate housing and to improve the economic and general well-being of the people of the City by providing or assisting in providing housing.

J. The City believes that the Project is in the vital and best interests of the City and the health, safety, and welfare of its residents, and in accordance with the public purposes and provisions of applicable federal, state, and local laws and requirements; for this reason, the City desires to facilitate the Project by providing the public support as described herein.

K. The City and Developer have decided to enter into this Agreement in part to finance the Project through the utilization of the federal new markets tax credit program.

L. Execution of, and funding for, this Agreement was authorized by Ordinance No. ____-202__ passed by City Council on _____, 20___, which appropriated funds for the purpose of developing the Property which the City has determined constitutes a Housing Renovation (as defined in Section 5709.40(A)(3) of the Ohio Revised Code), that will benefit and/or serve the District 3-OTR-West District Incentive District.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Term. The term of this Agreement shall commence on the Effective Date, and unless sooner terminated as herein provided, shall end on the date on which Developer has satisfied all of its obligations to the City under this Agreement (the "**Term**"). Any and all obligations of Developer that have accrued but have not been fully performed as of such termination or expiration date shall survive such termination or expiration until fully performed.

The proceeds of the Grant of TIF Funds (the "**Funds**") shall be used solely to finance the hard construction costs of the residential component of the Project, as itemized on Exhibit B (the "**Eligible Uses**") and for no other purpose. Developer acknowledges that TIF Funds shall be utilized solely to finance the hard construction costs of a "Housing Renovation", as that term is defined in Ohio Revised Code Section 5709.40(A)(3), for the Project at the Property. For the avoidance of doubt, Developer shall not use any portion of the Funds to pay for the hard construction costs of the commercial portion of the Project, design fees or other soft costs, or for the purchase of inventory, supplies, furniture, trade fixtures, or any other items of personal property, or to establish a working capital fund. Without limitation of Developer's other obligations, prior to the City's disbursement of the Funds, as such due diligence materials are obtained by Developer, Developer, at no cost to the City, shall provide OSG with copies of the inspection, engineering, and environmental reports, title reports, surveys, and other materials prepared by third party professionals obtained by Developer that pertain to the Project or the Property, or are otherwise related to anything authorized pursuant to the terms and conditions of this Agreement.

(E) No Other City Assistance. Except for the City's agreement to provide the Grant as described in this Agreement, Developer acknowledges and agrees that (i) no additional funds will be requested from the City in connection with the Project, and (ii) the City shall not be responsible for any costs associated with the completion of the Project.

4. Construction Requirements.

(A) Construction. Following the City's approval of the Project Materials, Developer shall (i) apply for and receive the required building permits from the City's Department of Buildings and Inspections for construction of the Project, (ii) enter into a construction contract if not previously executed, and (iii) commence construction of the Project on or before the Project Commencement Date. The City makes no representations or other assurances to Developer that Developer will be able to obtain whatever variances, permits, or other approvals from the City's Department of Buildings and Inspections, the City's Department of Transportation and Engineering ("**DOTE**"), City Planning Commission, City Council, or any other governmental agency that may be required in connection with the Project.

(D) Inspection of Work. During construction of the Project, the City, its employees, and agents shall have the right at all reasonable times to inspect the progress of construction to determine whether Developer is complying with its obligations under this Agreement. If the City determines that work on the Project is not in accordance with the Plans and Specifications or other requirements of this Agreement, is not in compliance with all applicable laws, or is not performed in

a good and workmanlike manner, the City shall have the right, in its reasonable judgment, to stop such work and order its replacement at Developer's expense (not to be paid for using the Funds), whether or not such work has been incorporated into the Project, by giving notice of such nonconforming work to Developer.

(E) Mechanics' Liens. Developer shall not permit any mechanics' or other similar liens to remain on the Property during the construction of the Project. Developer's indemnification obligations under this paragraph shall survive the termination or expiration of this Agreement with respect to Claims arising prior thereto.

7. Casualty; Eminent Domain. If the Property, or any improvements thereon made pursuant to the Project, is damaged or destroyed by fire or other casualty during construction, or if any portion of a Property is taken by exercise of eminent domain (federal, state, or local) Developer shall cause the Property to be repaired and restored, as expeditiously as possible, and to the extent practicable, to substantially the same condition that existed immediately prior to such occurrence. If the available condemnation or insurance proceeds are insufficient to fully repair and restore the affected property, the City shall not be required to make up the deficiency. Developer shall handle all reconstruction in accordance with the applicable requirements set forth herein, including without limitation obtaining the City's approval of the plans and specifications for the construction of the Project if they deviate from the final Plans and Specifications as initially approved by the City hereunder. 8. Default; Remedies.

(A) Default. The occurrence of any of the following shall be an "**event of default**" under this Agreement:

(i) the dissolution, other than in connection with a merger, of Developer, the filing of any bankruptcy or insolvency proceedings by either such entity, or the making by either such entity of an assignment for the benefit of creditors, or the filing of any bankruptcy or insolvency proceedings by or against Developer, the appointment of a receiver (temporary or permanent) for either such entity or the Property, the attachment of, levy upon, or seizure by legal process of any property of either such entity, or the insolvency of either such entity, unless such appointment, attachment, levy, seizure, or insolvency is cured, dismissed, or otherwise resolved to the City's satisfaction within 60 days following the date thereof; or

(ii) The occurrence of a Specified Default (as defined below), or any failure of Developer to perform or observe (or cause to be performed or observed, if applicable), any obligation, duty, or responsibility under this Agreement, the Affordability Covenant, or any other agreement or other instrument executed by Developer in favor of the City in connection with the Project, and failure by Developer to correct such default within 30 days after Developer's receipt of written notice thereof from the City (the "**Cure Period**"), other than a Payment Default (as defined below), in which case there shall be a Cure Period of 5 business days after such entity's receipt of written notice thereof from the City; provided, however, that if the nature of the default is such that it cannot reasonably be cured during the Cure Period, Developer shall not be in default under this Agreement so long as Developer commences to cure the default within such Cure Period and thereafter diligently completes such cure within 60 days after Developer's receipt of the City's initial notice of default. Notwithstanding the foregoing, if Developer's failure to perform or observe any obligation, duty, or responsibility under this Agreement creates a dangerous condition or otherwise constitutes an emergency as determined by the City in good faith, an event of default shall be deemed to have occurred if Developer fails to take reasonable corrective action immediately

upon discovering such dangerous condition or emergency. As used in this section, "**Specified Default**" means the occurrence of:

(a) Development Default. Developer (1) fails to comply with Sections 4 or 5 of this Agreement or (2) abandons the Project.

(b) Operational Default. Developer fails to comply with Section 5 of this Agreement.

(c) Misrepresentation. Any representation, warranty or certification of Developer made in connection with this Agreement, the CRA Agreement, or any other agreement or instrument executed by Developer in favor of the City in connection with the Project shall prove to have been false or materially misleading when made.

(d) Payment Default. Any failure of Developer to pay any sum payable to the City when due under this Agreement, subject to the 5-business day Cure Period described above (a "**Payment Default**").

(e) Financing Default. Developer or other related entity otherwise defaults beyond any applicable notice and/or cure period under the documentation for other third-party financing, either debt or equity, for the Project.

(iii) any event of default under the CRA Agreement.

(B) Remedies. Upon the occurrence and during the continuation of an event of default under this Agreement which is not cured or corrected within any applicable Cure Period, the City shall be entitled to (i) terminate this Agreement by giving Developer written notice thereof and, without limitation of its other rights and remedies, and with or without terminating this Agreement, declare all amounts disbursed by the City with respect to the Grant to be immediately due and payable and demand that Developer repay to the City all such amounts, (ii) take such actions in the way of "self-help" as the City determines to be reasonably necessary or appropriate to cure or lessen the impact of such default, all at the expense of Developer, and (iii) exercise any and all other rights and remedies available at law or in equity, including without limitation pursuing an action for specific performance. Developer shall be liable for all costs and damages, including, without limitation, attorneys' fees, suffered or incurred by the City in connection with administration, enforcement, or termination of this Agreement or as a result of a default of Developer under this Agreement. The failure of the City to insist upon the strict performance of any covenant or duty or to pursue any remedy shall not constitute a waiver of the breach of such covenant or of such remedy.

9. Notices. All notices, requests, or other communications hereunder shall be deemed given if personally delivered, or delivered by Federal Express, UPS or other recognized overnight courier, or if mailed by U.S. registered or certified mail, postage prepaid, return receipt requested, addressed to the parties at their addresses below or at such other addresses as either party may designate by notice to the other party given in the manner prescribed herein. (iv) The execution, delivery and performance by each of 3CDC and Owner of this Agreement and the consummation of the transactions contemplated hereby will not violate any applicable laws, or any writ or decree of any court or governmental instrumentality, or the organizational documents of 3CDC, Owner, or any mortgage, indenture, contract, agreement, or other undertaking to which 3CDC or Owner is a party or which purports to be binding upon 3CDC or Owner upon any of their respective assets, nor is 3CDC or Owner in violation or default of any of the foregoing.

(vii) The statements made in the documentation provided by 3CDC and Owner to the City that are descriptive of 3CDC, Owner, or the Project have been reviewed by 3CDC and Owner and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make such statements, in light of the circumstances under which they were made, not misleading.

(viii) Pursuant to Section 301-20 of the Cincinnati Municipal Code, neither 3CDC nor Owner, nor any of their affiliates, are currently delinquent in paying any fines, penalties, judgments, water or other utility charges, or any other amounts owed by them to the City.

11. Reporting Requirements.

(A) Reporting During Construction. Upon the City's request throughout construction, Developer shall provide the City with reports describing the status of the Project, including, without limitation, information about whether the Project is on budget and on schedule and containing such additional pertinent information thereto as the City may from time to time reasonably request. Developer shall retain all Records and Reports for a period of three (3) years after the expiration or termination of this Agreement.

(C) City's Right to Inspect and Audit. Throughout construction of the Project and for a period of 3 years after the expiration or termination of this Agreement, Developer shall permit the City, its employees, agents, and auditors to have full access to and to inspect and audit Developer's Records and Reports. In the event any such inspection or audit discloses a material discrepancy with information previously provided by Developer to the City, Developer shall reimburse the City for its out-of-pocket costs associated with such inspection or audit.

12. General Provisions.

(A) Assignment. 3CDC and Owner shall not assign their respective rights or interests under this Agreement without the prior written consent of the City Manager. An assignment of rights by 3CDC or Owner under this Agreement shall not relieve such party from any obligations or liability under this Agreement.

(B) Entire Agreement; Conflicting Provisions. This Agreement (including the exhibits hereto) and the other agreements referred to herein contain the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, representations or agreements, written or oral, between them respecting the subject matter hereof. In the event that any of the provisions of this Agreement purporting to describe specific provisions of other agreements are in conflict with the specific provisions of such other agreements, the provisions of such other agreements shall control.

(H) Recognition of City Support. Developer shall acknowledge the support of the City with respect to the Project in all printed materials such as informational releases, pamphlets and brochures, construction signs, project and identification signage, and any publicity such as that appearing on the Internet, television, cable television, radio, or in the press or any other printed media. Developer's obligations under this section shall commence on the Effective Date and shall terminate on the date on which the Project has been completed.

(I) Captions. The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.

(J) No Recording. This Agreement shall not be recorded in the Hamilton County Recorder's Office.

(K) No Third-Party Beneficiaries. The parties hereby agree that no third-party beneficiary rights are intended to be created by this Agreement.

(L) No Brokers. The City and Developer represent to each other that they have not dealt with a real estate broker, salesperson or other person who might claim entitlement to a fee or other compensation as a result of the parties' execution of this Agreement.

(M) Official Capacity. All representations, warranties, covenants, agreements and obligations of the City under this Agreement shall be effective to the extent authorized and permitted by applicable law. None of those representations, warranties, covenants, agreements or obligations shall be deemed to be a representation, warranty, covenant, agreement or obligation of any present or future officer, agent, employee or attorney of the City in other than his or her official capacity.

(N) Conflict of Interest. No officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning or carrying out of the Project shall have any personal financial interest, direct or indirect, in Developer or in the Project, and Developer shall take appropriate steps to assure compliance.

(O) Administrative Actions. To the extent permitted by applicable laws, and unless otherwise expressly provided in this Agreement, all actions taken or to be taken by the City under this Agreement may be taken by administrative action and shall not require legislative action of the City beyond the legislative action authorizing the execution of this Agreement.

(P) Joint and Several Liability. The obligations and liability of the parties comprising Developer under this Agreement are joint and several. In dealing with said entities, the City shall be entitled to rely upon information, notices, documents and the like received by the City from only one of said entities to the same extent as if the same had been provided to the City by both entities.

(Q) Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature.

(R) Transfer of Leasehold Title to Port Authority. Nothing in this Agreement shall be construed to prohibit Developer from entering into a lease and leaseback arrangement with respect to portion(s) of the Property in which leasehold title to the Property (or any portion thereof) is held by the Port of Greater Cincinnati Development Authority (the "**Port Authority**" or the "**Port Authority Arrangement**", as applicable); *provided, however*, that Developer shall provide the City with such documents and other information with respect to this arrangement as the City may reasonably request, including the final form of the Port Authority Arrangement, at least 10 business days prior to any conveyance of any portion of the Property to the Port Authority. Developer may not assign its rights, obligations, or any other interest under this Agreement to any other party except as in accordance with Section 12(A), but at any time, subject to the provisions of this paragraph, once Developer has obtained the fee interest in the Property, Developer may convey leasehold interest to the Port Authority, in the manner, and subject to the terms described, above. It is also understood and agreed that the Port Authority may convey leasehold interest back to Developer pursuant to the terms contained in the agreement memorializing the Port Authority Arrangement. Developer hereby provides notice to the City that Developer will enter into the Port Authority Arrangement.

Disbursement of Funds

(A) Conditions to be Satisfied Prior to Disbursement of Funds. The City shall be under no obligation to disburse the Funds unless and until the following conditions are satisfied and continue to be satisfied, or waived, in the City's sole and absolute discretion:

(i) Disbursement Conditions: The Disbursement Conditions must be satisfied or waived by the City, each in its sole discretion.

(ii) Insurance: Developer must have provided proof of insurance as required by the Agreement, naming the City as an additional insured.

(iii) Affordability Covenant. Developer shall have executed and delivered to the City the recorded Affordability Covenant.

(iv) Other Information: Developer shall provide to the City such other information and documents pertaining to Developer or the Project as the City may reasonably require.

(v) No Default: Developer shall be in full compliance with all requirements under the Agreement and the Affordability Covenant.

(vi) Project Completion: Developer shall be prepared and capable of otherwise undertaking and completing all necessary actions to commence the Project promptly following the Effective Date and thereafter to pursue completion of this Project in a timely manner and otherwise in accordance with the terms of the Agreement.

(B) Disbursement of Funds. Provided all of the requirements for disbursement of the Funds shall have been satisfied, the City shall endeavor to disburse the Funds to 3CDC within 30 days of receipt of a completed draw request in accordance with Section (C)(ii) of this Exhibit. The City shall disburse the Funds to 3CDC who will contribute the proceeds to the Leveraged Lender, in connection with the New Markets Tax Credit financing received for the Project, the proceeds of which were used by 3CDC to pay for those hard construction costs of the residential component of the Project as described and itemized on Exhibit B. Developer shall not be entitled to a disbursement of Funds to pay for costs incurred prior to the Effective Date. Developer shall request the Funds and shall use the Funds solely for the purposes permitted under the Agreement. Nothing in this Agreement shall permit, or shall be construed to permit, the expenditure of Funds for the commercial portion of the Project, acquisition of supplies or inventory, or for the purpose of purchasing materials not used in the construction, or for establishing a working capital fund, or for any other purpose expressly disapproved in writing by the City. Developer shall not request a disbursement of Funds for any expenditure that is not itemized on or contemplated by the approved budget or if the costs for which the disbursement is being requested exceeds the applicable line item in the budget; however, Developer may request, in writing, that funds be transferred between line items, with the City's approval thereof not to be unreasonably withheld. Disbursements from the project account shall be limited to an amount equal to the actual cost of the work, materials, and labor incorporated in the work up to the amount of such items as set forth in Developer's request for payment. Anything contained in this Agreement to the contrary notwithstanding, the City shall not be obligated to make or authorize any disbursements from the project account if the City determines, in its reasonable discretion, that the amounts remaining from all funding sources with respect to the Project are not sufficient to pay for all the costs to complete construction. Developer acknowledges that the obligation of the City to disburse the Funds to Developer for construction shall be limited to the Funds to be made available by the City under this Agreement. Developer shall provide all additional funds from other resources to complete the Project. Notwithstanding anything in this Agreement to the contrary, the City's obligation to make the Funds available to Developer, to the extent such Funds have not been disbursed, shall terminate 90 days following completion of

construction of the Project.

(C) Draw Procedure.

(i) Frequency. Developer may make disbursement requests no more frequently than once in any 30-day period.

(ii) Documentation. Each disbursement request shall include the following: For construction costs shown on the approved budget, Developer shall submit a draw request form provided by the City, with the following attachments: (i) an AIA G-702-703 Form (AIA) or such other similar form acceptable to the City; (ii) sworn affidavits and/or unconditional lien waivers (together with invoices, contracts, or other supporting data) from all contractors, subcontractors, and materialmen covering all work, labor, and materials for the work through the date of the disbursement and establishing that all such work, labor, and materials have been paid for in full; (iii) waivers or disclaimers from suppliers of fixtures or equipment who may claim a security interest therein; and (iv) such other documentation or information requested by the City that a prudent construction lender might request. All affidavits and lien waivers shall be signed, fully-executed originals.

(iii) Construction Meetings. After the Project Commencement Date and throughout the duration of the Project, Developer shall invite the City to all regularly scheduled meetings between Developer and its lenders on the Project to enable the City to keep abreast of the Project's construction progress and the status of all Project costs, draw requests from Developer's lenders, change orders, and anticipated date of the Project's completion.

(D) Estoppel Certification. A request for the disbursement of Funds shall, unless otherwise indicated in writing at the time Developer makes such request, be deemed as a representation and certification by Developer that (i) all work done and materials supplied to date are in accordance with the approved plans and specifications and in strict compliance with all legal requirements as of the date of the request, (ii) the construction is being completed in accordance with the approved budget and construction schedule, and (iii) Developer and the City have complied with all of their respective obligations under this Agreement. If Developer alleges that the City has been or is then in default under this Agreement at the time Developer makes such request, and if the City disputes such allegation, the City shall not be obligated to make or authorize such disbursement until the alleged default has been resolved.

Exhibit D
to Funding and Development Agreement

Additional Requirements

Developer and Developer's general contractor shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati (collectively, "**Government Requirements**"), including the Government Requirements listed below, to the extent that they are applicable. Developer hereby acknowledges and agrees that (a) the below listing of Government Requirements is not intended to be an exhaustive list of Government Requirements applicable to the Project, Developer, or Developer's contractors, subcontractors or employees, either on the City's part or with respect to any other governmental entity, and (b) neither the City nor its Law Department is providing legal counsel to or creating an attorney-client relationship with Developer by attaching this Exhibit to the Agreement.

This Exhibit serves two functions:

(i) Serving as a Source of Information with Respect to Government Requirements. This Exhibit identifies certain Government Requirements that may be applicable to the Project, Developer, or its contractors and subcontractors. Because this Agreement requires that Developer comply with all applicable laws, regulations, and other Government Requirements (and in certain circumstances to cause others to do so), this Exhibit flags certain Government Requirements that developers, contractors and subcontractors regularly face in constructing projects or doing business with the City. To the extent Developer is legally required to comply with a Government Requirement, failure to comply with such a Government Requirement is a violation of the Agreement.

(ii) Affirmatively Imposing Contractual Obligations. If certain conditions for applicability are met, this Exhibit also affirmatively imposes contractual obligations on Developer, even where such obligations are not imposed on Developer by Government Requirements. As described below, the affirmative obligations imposed hereby are typically a result of policies adopted by City Council which, per Council's directive, are to be furthered by the inclusion of certain specified language in some or all City contracts. The City administration (including the City's Department of Community and Economic Development) is responsible for implementing the policy directives promulgated by Council (which typically takes place via the adoption of motions or resolutions by Council), including, in certain circumstances, by adding specific contractual provisions in City contracts such as this Agreement.

(A) Construction Workforce.

(i) Applicability. Consistent with the limitations contained within the City Resolutions identified in clause (ii) below, this Section (A) shall not apply to contracts with the City other than construction contracts, or to construction contracts to which the City is not a party. For the avoidance of doubt, this Agreement is a construction contract solely to the extent that it directly obligates Developer to assume the role of a general contractor on a construction project for public improvements such as police stations or other government buildings, public parks, or public roadways.

The Construction Workforce Goals are not applicable to future work (such as repairs or modifications) on any portion of the Project. The Construction Workforce Goals are not applicable to the purchase of specialty fixtures and trade fixtures.

(ii) Requirement. In furtherance of the policy enumerated in City Resolutions No. 32-1983 and 21-1998 concerning the inclusion of minorities and women in City construction work, if Developer is performing construction work for the City under a construction contract to which the City is a party, Developer shall use Best Efforts to achieve a standard of no less than 11.8% Minority Persons (as defined below) and 6.9% females (of whom at least one-half shall be Minority Persons) in each craft trade in Developer and its general contractor's aggregate workforce in Hamilton County, to be achieved at least

halfway through the construction contract (or in the case of a construction contract of six months or more, within 60 days of beginning the construction contract) (collectively, the "**Construction Workforce Goals**").

(b) Requirement. This Agreement may be subject to the requirements of City of Cincinnati, Ordinance No. 130-2002, as amended or superseded, providing that, if Developer receives City funds or other assistance, Developer and its general contractor, prior to the commencement of construction of the Project and prior to any expenditure of City funds, and with the aim of reaching comprehensive and efficient project agreements covering all work done by Developer or its general contractor, shall meet and confer with: the trade unions representing all of the crafts working on the Project, and minority, female, and locally-owned contractors and suppliers potentially involved with the construction of the Project. At this meeting, Developer and/or its general contractor shall make available copies of the scope of work and if prevailing wage rates apply, the rates pertaining to all proposed work on the Project. Not later than ten (10) days following Developer and/or its general contractor's meet and confer activity, Developer shall provide to the City, in writing, a summary of Developer and/or its general contractor's meet and confer activity.

(ii) Contracts and Subcontracts; Competitive Bidding.

(a) Applicability. This clause (ii) is applicable to "construction contracts" under Cincinnati Municipal Code Chapter 321. as “all written agreements of the City of Cincinnati, its boards or commissions, prepared and signed by the city purchasing agent or a board or commission for the procurement or disposal of supplies, service or construction.”

(b) Requirement. If CMC Chapter 321 applies to the Project, Developer is required to ensure that all contracts and subcontracts for the Project are awarded pursuant to a competitive bidding process that is approved by the City in writing. All bids shall be subject to review by the City. All contracts and subcontracts shall be expressly required by written agreement to comply with the provisions of this Agreement and the applicable City and State of Ohio laws, ordinances and regulations with respect to such matters as allocation of subcontracts among trade crafts, Small Business Enterprise Program, Equal Employment Opportunity, and Construction Workforce Goals.

(iii) Competitive Bidding for Certain City-Funded Development Agreements.

(a) Applicability. Pursuant to Ordinance No. 273-2002, the provision in clause (b) below applies solely where the Project receives in $250,000 or more in direct City funding, and where such funding comprises at least 25% of the Project’s budget. For the purposes of this clause (iii), “direct City funding” means a direct subsidy of City funds in the form of cash, including grants and forgivable loans, but not including public improvements, land acquisitions and sales, job creation tax credits, or tax abatements or exemptions.

(b) Requirement. This Agreement requires that Developer issue an invitation to bid on the construction components of the development by trade craft through public notification and that the bids be read aloud in a public forum. For purposes of this provision, the following terms shall be defined as set forth below:

(1) “Bid” means an offer in response to an invitation for bids to provide construction work.

(2) “Invitation to Bid” means the solicitation for quoted prices on construction specifications and setting a time, date and place for the submission of and public reading of bids. The place for the public reading of bids shall be chosen at the discretion of Developer; however, the place chosen must be accessible to the public on the date and time of the public reading and must have sufficient room capacity to accommodate the number of respondents to the invitation to bid.

(3) “Trade Craft” means (a) general construction work, (b) electrical equipment, (c) plumbing and gas fitting, (d) steam and hot water heating and air conditioning and ventilating apparatus, and steam power plant, (e) elevator work, and (f) fire protection.

The advertisement shall include a description of the “scope of work” and any other information reasonably necessary for the preparation of a bid, and it shall be published and disseminated no less than fourteen days prior to the deadline for submission of bids stated in the invitation to bid.

(5) “Read Aloud in a Public Forum” means all bids shall be read aloud at the time, date and place specified in the invitation for bids, and the bids shall be available for public inspection at the reading.

(C) City Building Code. All construction work must be performed in compliance with City of Cincinnati Building Code requirements.

(D) Lead Paint Regulations. All work must be performed in compliance with Chapter 3742 of the Ohio Revised Code, Chapter 3701-32 of the Ohio Administrative Code, and must comply with OSHA's Lead in Construction Regulations and the OEPA's hazardous waste rules. All lead hazard abatement work must be supervised by an Ohio Licensed Lead Abatement Contractor/Supervisor.

(E) Displacement. If the Project involves the displacement of tenants, Developer shall comply with all Government Requirements in connection with such displacement. If the City shall become obligated to pay any relocation costs or benefits or other sums in connection with the displacement of tenants, under Cincinnati Municipal Code Chapter 740 or otherwise, Developer shall reimburse the City for any and all such amounts paid by the City in connection with such displacement within twenty (20) days after the City's written demand.

(F) Small Business Enterprise Program.

(i) Applicability. The applicability of Municipal Code Chapter 323 (Small Business Enterprise Program) is limited to construction contracts in excess of $5,000. Municipal Code Chapter 323 defines "contract" as "a contract in excess of $5,000.00, except types of contracts listed by the City purchasing agent as exempt and approved by the City Manager, for (a) construction, (b) supplies, (c) services, or (d) professional services." It defines "construction" as "any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than $4,000 and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority." To the extent Municipal Code Chapter 323 does not apply to this Agreement, Developer is not subject to the various reporting requirements described in this Section (F).

(ii) Requirement. The City has an aspirational goal that 30% of its total dollars spent for construction and 15% of its total dollars spent for supplies/services and professional services be spent with Small Business Enterprises ("SBE"s), which include SBEs owned by minorities and women. Accordingly, subject to clause (i) above, Developer and its general contractor shall use its best efforts and take affirmative steps to assure that SBEs are utilized as sources of supplies, equipment, construction, and services, with the goal of meeting 30% SBE participation for construction contracts and 15% participation for supplies/services and professional services contracts. An SBE means a consultant, supplier, contractor or subcontractor who is certified as an SBE by the City in accordance with Cincinnati Municipal Code ("CMC") Chapter 323. (A list of SBEs may be obtained from the Department of Economic Inclusion or from the City's web page, http://cincinnati.diversitycompliance.com.) Developer and its general contractor may refer interested firms to the Department of Economic Inclusion for review and possible certification as an SBE, and applications may also be obtained from such web page. If the SBE program is applicable to this Agreement, as described in clause (i) above, Developer agrees to take (or cause its general contractor to take) at least the following affirmative steps:

(1) Including qualified SBEs on solicitation lists.

(2) Assuring that SBEs are solicited whenever they are potential sources. Contractor must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials or to bid on construction contracts for the Project. Contractor is encouraged to use the internet and similar types of advertising to reach a broader audience, but these additional types of advertising cannot be used as substitutes for the above.

(3) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.

(4) When needs permit, establishing delivery schedules that will encourage participation by SBEs.

(iii) Subject to clause (i) above, if any subcontracts are to be let, Developer shall require the prime contractor to take the above affirmative steps.

(iv) Subject to clause (i) above, Developer shall provide to the City, prior to commencement of the Project, a report listing all of the contractors and subcontractors for the Project, including information as

to the owners, dollar amount of the contract or subcontract, and other information that may be deemed necessary by the City Manager. Developer or its general contractor shall update the report monthly by the 15th. Developer or its general contractor shall enter all reports required in this subsection via the City's web page referred to in clause (i) above or any successor site or system the City uses for this purpose. Upon execution of this Agreement, Developer and its general contractor shall contact the Department of Economic Inclusion to obtain instructions, the proper internet link, login information, and password to access the site and set up the necessary reports.

(v) Subject to clause (i) above, Developer and its general contractor shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by notarized affidavits executed in a form acceptable to the City, submitted upon the written request of the City. The City shall have the right to review records and documentation relevant to the affidavits. If affidavits are found to contain false statements, the City may prosecute the affiant pursuant to Section 2921.12, Ohio Revised Code.

(vi) Subject to clause (i) above, failure of Developer or its general contractor to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach the minimum percentage goals for SBE participation as set forth in Cincinnati Municipal Code Chapter 323, may be construed by the City as failure of Developer to use best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this section.

(G) Equal Employment Opportunity.

(i) Applicability. Chapter 325 of the Cincinnati Municipal Code (Equal Employment Opportunity) applies (a) where the City expends more than $5,000 under a non-construction contract, or (b) where the City spends or receives over $5,000 to (1) employ another party to construct public improvements, (2) purchase services, or (3) lease any real or personal property to or from another party. Chapter 325 of the Municipal Code does not apply where the contract is (a) for the purchase of real or personal property to or from another party, (b) for the provision by the City of services to another party, (c) between the City and another governmental agency, or (d) for commodities such as utilities.

(ii) Requirement. If this Agreement is subject to the provisions of Chapter 325 of the Cincinnati Municipal Code (the City of Cincinnati's Equal Employment Opportunity Program), the provisions thereof are hereby incorporated by reference into this Agreement.

(H) Prevailing Wage. Developer shall comply, and shall cause all contractors working on the Project to comply, with all any prevailing wage requirements that may be applicable to the Project. In the event that the City is directed by the State of Ohio to make payments to construction workers based on violations of such requirements, Developer shall make such payments or reimburse the City for such payments within twenty (20) days of demand therefor. A copy of the City's prevailing wage determination may be attached to this Exhibit as Addendum I to Additional Requirements Exhibit (*City's Prevailing Wage Determination*) hereto.

(I) Compliance with the Immigration and Nationality Act. In the performance of its construction obligations under this Agreement, Developer shall comply with the following provisions of the federal Immigration and Nationality Act: 8 U.S.C.A. 1324a(a)(1)(A) and 8 U.S.C.A. 1324a(a)(2). Compliance or noncompliance with those provisions shall be solely determined by final determinations resulting from the actions by the federal agencies authorized to enforce the Immigration and Nationality Act, or by determinations of the U.S.

(J) Prompt Payment. The provisions of Chapter 319 of the Cincinnati Municipal Code, which provides for a "Prompt Payment System", may apply to this Agreement. Municipal Code Chapter 319 also (i) provides certain requirements for invoices from contractors with respect to the Prompt Payment System, and (ii) obligates contractors to pay subcontractors for satisfactory work in a timely fashion as provided therein.

(K) Conflict of Interest. Pursuant to Ohio Revised Code 102.03, no officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning or carrying out of the Project may have any personal financial interest, direct or indirect, in Developer or in the Project, and Developer shall take appropriate steps to assure compliance.

(L) Ohio Means Jobs. If this Agreement constitutes a construction contract (pursuant to the guidance with respect to the definition of that term provided in Section (A) above), then, pursuant to Ordinance No. 238-2010: To the extent allowable by law, Developer and its general contractor shall use its best efforts to post available employment opportunities with Developer, the general contractor's organization, or the organization of any subcontractor working with Developer or its general contractor with the OhioMeansJobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-946-7200.

(M) Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "**Wage Enforcement Chapter**"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed $25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the city shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

(N) Americans with Disabilities Act; Accessibility.

(i) Applicability. Cincinnati City Council adopted Motion No. 201600188 on February 3, 2016 (the "**Accessibility Motion**"). This motion directs City administration, including OSG, to include language specifically requiring compliance with the Americans With Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and imposing certain minimum accessibility standards on City-subsidized projects regardless of whether there are arguably exceptions or reductions in accessibility standards available under the ADA or State law.

(ii) Requirement. In furtherance of the policy objectives set forth in the Accessibility Motion, (A) the Project shall comply with the ADA, and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then Developer shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

(O) Electric Vehicle Charging Stations in Garages.

(i) Applicability. Cincinnati City Council passed Ordinance No. 89-2017 on May 10, 2017. This ordinance requires all agreements in which the City provides any amount of "qualifying incentives" for projects involving the construction of a parking garage to include a provision requiring the inclusion of certain features in the garage relating to electric vehicles. The ordinance defines "qualifying incentives" as the provision of incentives or support for the construction of a parking garage in the form of (a) the provision of any City monies or monies controlled by the City including, without limitation, the provision of funds in the form of loans or grants; (b) the provision of service payments in lieu of taxes in connection with tax increment financing, including rebates of service payments in lieu of taxes; and (c) the provision of the proceeds of bonds issued by the City or with respect to which the City has provided any source of collateral security or repayment, including, but not limited to, the pledge of assessment revenues or service payments in lieu of taxes. For the avoidance of doubt, "qualifying incentives" does not include (1) tax abatements such as Community Reinvestment Area abatements pursuant to Ohio Revised Code 3735.67, et seq., or Job Creation Tax Credits pursuant to Ohio Revised Code 718.15; (2) the conveyance

of City-owned real property for less than fair market value; and (3) any other type of City support in which the City provides non-monetary assistance to a project, regardless of value.

(ii) Requirement. If the applicability criteria of Ordinance No. 89-2017 are met, then the following requirements shall apply to any parking garage included within the Project: (a) at least one percent of parking spaces, rounding up to the nearest integer, shall be fitted with Level 2 minimum 7.2 kilowatt per hour electric car charging stations; provided that if one percent of parking spaces is less than two parking spaces, the minimum number of parking spaces subject to this clause shall be two parking spaces; and (b) the parking garage's electrical raceway to the electrical supply panel serving the garage shall be capable of providing a minimum of 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer, and the electrical room supplying the garage must have the physical space for an electrical supply panel sufficient to provide 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer.

(P) Certification as to Non-Debarment. Developer represents that neither it nor any of its principals is presently suspended or debarred by any federal, state, or local government agency. In completing the Project, Developer shall not solicit bids from any contractors or subcontractors who are identified as being suspended or debarred by any federal, state, or local government agency. If Developer or any of its principals becomes suspended or debarred by any federal, state, or local government agency during the term of this Agreement, Developer shall be considered in default under this Agreement.

(Q) Use of Nonfranchised Commercial Waste Haulers Prohibited. The City requires that persons providing commercial waste collection services (as that term is defined under CMC Chapter 730) within the City of Cincinnati obtain a franchise, and the City maintains a list of franchised commercial waste haulers. Developer is prohibited from using or hiring (or causing to be used or hired) a nonfranchised commercial waste hauler to provide commercial waste collection services in connection with the performance of this Agreement, and Developer is responsible for ensuring that any commercial waste collection services provided in connection with the performance of this Agreement are provided by a franchised commercial waste hauler. Questions related to the use of commercial waste franchisees can be directed to, and a list of current franchisees can be obtained from, the City's Office of Environment & Sustainability by calling (513)352-3200.

Affordability Requirements

Developer shall abide by the following requirements during the Term of this Agreement:

1. Maintenance. Throughout the Affordability Period, Developer shall maintain the Property as decent, safe and sanitary housing in good repair in compliance with the ongoing property condition standards of the Cincinnati Building Code, and any other applicable laws, as demonstrated by an on-site inspection which shall occur upon written request by the City, and shall keep all dwelling units available for rent during that period. Developer shall give special attention to preventive maintenance of the Property and purchase the materials, equipment, tools, appliances, supplies and services necessary to maintain the Property in good and safe condition and repair. Developer shall receive and investigate systematically and promptly all service requests from tenants and City officials, take action as may be justified, and keep records of the same.

2. Leasing Vacant Units. During the period of time the Project is under construction Developer shall not lease or rent any units on the Property without the written approval of both the City building inspector and the Deputy Director of OSG. Following the issuance of a certificate of occupancy for all units, Developer does not need to obtain any prior approval to lease units pursuant to this Section.

3. Leasing of Affordable Units to Qualifying Households. Throughout the Affordability Period, Developer shall ensure that all the completed Affordable Units at the Property are leased to households with an annual household income (as defined in 24 CFR 5.609) that is equal to or below the applicable area median income limits set forth in the Section 5 of this Agreement.

4. Income Recertification.

(A) Verification Procedure. Developer shall verify an occupant's income (i) annually (including, without limitation, at the time of lease renewal or changes in income) through a statement and certification from the occupant, and (ii) at least once every 6 years during the Affordability Period using third party source documentation supplied by the occupant. On an annual basis, Developer shall verify its continued compliance with the affordability terms of this Exhibit by certifying project rents and verifying tenant eligibility by submitting to the City a *Tenant Income & Rent Guidelines Worksheet* and an *Income Certification Form* for all households occupying Affordability Units. The Income Certification Form must be signed by and certified by each tenant and indicate that the information is complete and accurate.

(B) Changes in Income and Over-income Households. In the event that a tenant's household income exceeds the applicable income limits during a tenancy, the tenant who becomes over income after initial income certification will be allowed to stay in the unit. Such change in annual income shall not prohibit an extension to the original lease term with the same occupant, so long as the occupant complied with the household income requirements at the execution of the initial lease agreement. a qualifying or low-income household that is not low-income at the time of income recertification (i.e., whose income is above 80% Area Median Income ("AMI") must pay as rent the lesser of the amount payable by the tenant under State or local law or 30% of the family's adjusted income, except that tenants of Affordable Units that have been allocated low-income housing tax credits must pay rent governed by Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42). If a household's current annual income exceeds the eligibility limit, the unit continues to qualify as an Affordable Unit and/or housing tax credit unit as long as Developer fills the next available unit with an eligible, qualifying household. The next available unit would be one of similar or larger size than the one occupied by the over-income tenant. Developer shall collect such compliance documentation in such form as required by OSG and which form may be updated from time to time throughout the Affordability Period. Throughout the Affordability Period, Developer shall comply with, and shall cause each tenant to comply with, all other City verification and compliance reporting requirements.

5. Terms for Tenancies; Tenant Protections.

(A) Written Rental Agreement. Developer shall rent all dwelling units pursuant to a written rental agreement approved by the City for compliance with Chapter 5321 of the Ohio Revised Code and Chapter 871 of the Cincinnati Municipal Code and shall submit its form of written rental agreement to the City on an annual basis, in accordance with its reporting requirements under this Agreement. The written rental agreement shall not contain any of the prohibited lease terms specified in Section 5321.13 of the Ohio Revised Code. Developer shall ensure that a copy of the written rental agreement must be signed by both the tenant and the Developer (or Developer's property management entity); maintained in the Developer 's files and submitted to the City along with the Income Certification forms.

(B) Limited Termination; Notice Requirements. Developer may not terminate the tenancy or refuse to renew the lease of a tenant except for serious or repeated violation of the terms and conditions of the rental agreement. Developer must give the tenant written notice of the termination, specifying the grounds therefor, no less than 30 days prior to the effective date of the termination. Nothing in this paragraph shall prevent Developer from terminating the tenancy of a tenant for nonpayment of rent (if applicable), provided that inability to pay rent means that the tenant cannot pay more than 30% of the household's income toward rent, based on an income determination made by the City in the last 30 days. To terminate or refuse to renew tenancy for any household occupying an Affordable Unit, the Developer must serve written notice upon the tenant at least 30 days prior to terminating the tenancy, specifying the grounds for the termination or nonrenewal.

6. Documentation. At the time of executing an initial lease agreement with a tenant of an Affordable Unit, Developer shall collect documentation of family size and household income from tenants of all of the Affordable Units in order to document compliance with the affordability requirements herein. Developer shall collect such compliance documentation in such form as required by OSG and which form may be updated from time to time. Developer is also responsible for ensuring that the lease terms for Affordable Units at all times comply with the Affordability Requirements. On an annual basis and upon request by the City, the Developer shall provide documentation to the City demonstrating compliance with the Affordability Requirements.

7. Rent Limitation. Developer shall not charge rent to any Affordable Unit occupied by qualifying households that exceeds the maximum applicable rent amounts for the Affordable Units (as applicable based on the number of bedrooms in a given Affordable Units, and as those rent amounts correspond to those Affordable Unit's area median income limits).

8. Project Occupancy. Developer shall use its best efforts to ensure all Affordable Units are occupied by eligible, qualifying households within 6 months of the Project Completion Date and submit information to the City on its efforts to fill such units for qualifying households.

9. Condominium Conversion. During the Affordability Period, Developer shall not convert any dwelling units in the Project to condominium ownership or to any form of cooperative ownership.

10. Third-Party Beneficiaries. Developer and the City acknowledge that the tenants of the Affordable Units are intended third-party beneficiaries of the Affordability Requirements, and such tenants shall have the ability, but not the obligation, to enforce the terms of the Affordability Requirements against Developer; *provided however*, nothing herein shall permit the City and Developer from amending the terms of the Agreement, including the Affordability Requirements, in their sole discretion and without consent of the tenants of Affordable Units and no City liability or obligations to tenants of Affordable Units is intended to be created by this section. Developer shall be liable for all costs and damages, including without limitation attorneys' fees, suffered or incurred by a tenant of an Affordable Unit in connection with enforcement of the Affordability Requirements.

LEASE AGREEMENT

(*triple net*)

This Lease Agreement ("**Lease**") is made and entered into on the Effective Date (as defined on the signature page hereof) by and between the **City of Cincinnati**, an Ohio municipal corporation, the address of which is 801 Plum Street, Suite 122, Cincinnati, OH 45202; Attention: Real Estate (the "**City**"), and **Cincinnati Center City Development Corporation,** an Ohio not for profit corporation, with offices at 1202 Walnut Street, 4th Flor, Cincinnati, Ohio 45202 ("**Lessee**").

Recitals:

A. The City owns the public right-of-way known as Bardes Alley in the Over the Rhine district of Cincinnati, as described in Exhibit A attached hereto (the "**Leased Premises**"), which is under the management and control of the City's Department of Transportation and Engineering ("**DOTE**").

B. Lessee, and its affiliates, lease or manage properties in the area of the Leased Premises and are in the process of improving the area as part of the Findlay Flats renovation project, which the City supports.

C. In furtherance of said project, Lessee desires to lease the Leased Premises to improve the safety of the Leased Premises and the surrounding area.

D. Lessee has petitioned to enter a lease with the City for the Leased Premises, which the City is agreeable to on the terms and conditions set forth herein.

E. The City has determined that the Leased Premises are not currently needed for transportation or other municipal purposes.

F. The fair market rental value of the Leased Premises is $725.00 per year, as determined by an appraisal by the City's Real Estate Services Division.

G. The City has determined to lease the Leased Premises to Lessee for the amount of $1.00 annually as the City will receive economic and non-economic benefits from such lease which equal or exceed the fair market rental value of the Leased Premises.

H. The City has determined that eliminating competitive bidding in connection with the lease of the Leased Premises is in the best interest of the public because (i) the City desires to support the Findlay Flats renovation project, (ii) it is in the interest of the City to improve safety in the area, and (iii) the adjoining property owners, being the only other parties which would have any practical use for the Leased Premises, have consented to the lease to Lessee as they also desire to improve the safety of the Leased Premises and the surrounding area.

I. The Cincinnati City Planning Commission ("**CPC**") has approved this Lease and the relevant use of the property at its meeting on December 20, 2024.

J. Cincinnati City Council has authorized the execution of this Lease by Ordinance No. _____, passed on _____, 2026.

NOW THEREFORE, the parties hereby agree as follows:

1. Grant.

(A) Grant. The City does hereby lease the Leased Premises to Lessee and Lessee does hereby lease the Leased Premises from the City, on the terms and conditions set forth herein. The rights herein granted to Lessee are subject and subordinate to any and all existing covenants, easements, restrictions and other matters of record affecting the Leased Premises. The City makes no representations or warranties to Lessee concerning the physical condition of the Leased Premises or the condition of the City's title to the Leased Premises and, on the Commencement Date, Lessee shall accept the Leased Premises in "as is" condition.

(i) In addition to any other covenants, conditions, restrictions and easements of record, the Lease shall be subject to those easements described and depicted in Exhibit B for the benefit of the relevant adjacent landowners, which the City may grant to such adjacent landowners at the City's discretion, without consent of Lessee.

(B) Access by City Departments, Utility Companies and Others. Lessee shall ensure continuous access to the Leased Premises (24 hours/day, 7 days/week, 52 weeks/year) by the City's Police and Fire Departments, Greater Cincinnati Water Works (GCWW), Metropolitan Sewer District (MSD), Stormwater Management Utility (SMU), Duke Energy, Altafiber, and any and all other utility companies that have utility lines or other utility installations within or near the Leased Premises, for the inspection, maintenance, repair, replacement and removal thereof. If Lessee undertakes any action that interferes with the access rights reserved to the City and third parties herein, the same shall constitute an immediate default of Lessee under this Lease, whereupon the City and such third parties shall be permitted to take all actions reasonably necessary to eliminate such interference at Lessee's expense. If Lessee's activities within the Leased Premises cause damage to existing utility lines or other utility facilities belonging to a utility provider, Lessee shall immediately notify the appropriate utility provider. All actual, out-of-pocket costs of repairing such damage, including without limitation, all costs of replacing any damaged utility lines and facilities that are not capable of being properly repaired as determined by the applicable utility provider in its sole discretion, shall be borne by Lessee and shall be payable by Lessee within thirty (30) days after Lessee receives documentation substantiating such costs. If any utility company damages or must remove any improvements installed by Lessee within the Leased Premises in connection with its inspection, maintenance, repair, replacement, or removal of its existing utility facilities in the area, Lessee shall be solely responsible for all costs associated with the repair or replacement of Lessee's improvements. Under no circumstances shall the City be responsible for any damage to the Leased Premises or improvements thereon resulting from the entry onto the Leased Premises by utility companies and others having the right to enter upon the Leased Premises.

2. Term.

(A) Term. The term of this Lease (the "**Term**") shall commence on _____, 2026 (also referred to herein as the "**Commencement Date**") and shall continue until the date which is five (5) years thereafter, unless sooner terminated as herein provided.

(B) City's Early Termination Rights. The City shall have the right to terminate this Lease at any time, by giving Lessee no less than 60 days prior written notice, if the City determines that the Leased Premises are needed for a municipal purpose. Upon such termination, the City shall refund any prepaid Monthly Base Rent (as defined below).

3. Base Rent.

(A) Base Rent. Beginning on the Commencement Date, Lessee shall pay the City "**Base Rent**" in the amount of $1.00 annually for each year of the Term, which shall be payable on or before the Commencement date and each anniversary thereof during the Term, without notice or setoff.

(B) Late Payment; Place of Payment. If any payment owed by Lessee under the terms of this Lease is not received by the City on the due date, Lessee shall pay the City a late charge equal to ten percent of the amount past due, together with interest on the past due amount, until paid, at an annual rate of ten percent. If the Term of this Lease is terminated early for any reason (other than due to the City's desire to use the Leased Premises for a municipal purpose under paragraph 2(B) above), the City shall not be required to refund any portion of the prepaid rent for such period. All payments shall be made by check payable to the "City of Cincinnati - Treasurer" and mailed to: City of Cincinnati, 801 Plum Street, Room 122, Cincinnati, Ohio 45202, Attention: Real Estate, or to such other address as the City may from time to time designate in writing.

4. Permitted Use. Lessee shall use the Leased Premises solely to secure and maintain the same and to provide secured access to the adjacent residential buildings (the "**Permitted Use**") and for no other purpose. Lessee shall not place or construct any improvements or structures on the Leased Premises other than gates at the east and west ends of the Leased Premises and pavement, asphalt, sidewalks, pavers, or other surface improvements. Lessee shall not bring or permit to be brought onto the Leased Premises any hazardous materials or other contaminants or substances that are harmful to the public or to the environment. Lessee shall not use or permit the use of the Leased Premises for storage of materials or supplies of any nature, including, without limitation, wrecked vehicles, or parts thereof, other than the temporary storage of trash and garbage which shall be contained in appropriate bins. Lessee shall not permit vending of any kind or character to be conducted, permitted, or allowed within the Leased Premises.

5. Utilities; Real Estate Taxes; Other Expenses. During the Term of this Lease, Lessee shall pay, when due, (i) any and all utility expenses for utilities directly serving the Leased Premises, (ii) any and all real estate taxes, assessments, penalties, interest, and charges levied against the Leased Premises that become due and payable during the Term, including the two semi-annual tax bills issued by the Hamilton County Treasurer following the expiration or termination of the Term, payable in arrears, and (iii) any and all other operating expenses associated with the Leased Premises. Lessee acknowledges and agrees that the City shall not be liable for any expenses associated with the Leased Premises during the Term of this Lease. In the event that Lessee fails to make any such payments in a timely manner, the City may, but shall not be obligated to, pay the same on behalf of Lessee, and in such event any amounts so paid by the City shall be due to the City from Lessee within ten (10) days of demand for the same.

6. Maintenance and Repairs. Lessee shall, at its sole expense, keep and maintain the Leased Premises in good, safe, orderly, sanitary, and clean condition and repair, ordinary wear and tear excepted, including without limitation any and all concrete and asphalt pavement, pavers, curbs, and sidewalks within the Leased Premises. Lessee shall not permit garbage, debris or unsightly or odorous materials to accumulate within the Leased Premises. In the event of damage to the Leased Premises, Lessee shall promptly repair such damage, at its sole expense, to the satisfaction of DOTE (however Lessee shall not be required to restore the Leased Premises to a better condition than otherwise required under this Lease). Lessee shall be solely responsible for all snow and ice removal from the Leased Premises. *During the Term of this Lease, the City shall have no maintenance or repair obligations with respect to the Leased Premises or any improvements thereon.*

7. Alterations.

(A) Alterations. Lessee shall not make any alterations or improvements to the Leased Premises or place any equipment, furnishings, barriers or other obstructions on the Leased Premises which would inhibit the City's access to the Leased Premises without prior written consent of the City. Lessee, through a licensed street contractor, shall obtain all required permits from the City prior to constructing any improvements within the Leased Premises. Before a permit can be issued, Lessee's licensed street contractor must supply two sets of plans to DOTE for approval showing the location of the proposed improvements.

(B) No Liens. Lessee shall not permit any mechanics' liens to attach to the Leased Premises in connection with work performed by or at the request of Lessee.

(C) Compliance with Laws. Lessee shall obtain all necessary City permits associated with work within the Leased Premises performed by Lessee and shall pay all required permit fees. Lessee shall ensure that all work is performed in compliance with all applicable federal, state, and local laws, codes, regulations, and other governmental requirements.

8. Information and Reports. Upon thirty (30) days' prior written request, Lessee shall permit or cause to permit the City to have access to and to inspect any and all agreements and accounting, financial, administrative, and operational books, records, and statements as may be requested by the City that relate or pertain to the Leased Premises and the operation thereof and that are in Lessee's possession or control (all such reports, records, statements and other information furnished by Lessee under this paragraph being referred to herein collectively as "**Records and Reports**"). All Records and Reports compiled by Lessee and furnished to the City shall be in such form as the City may from time to time require. During the Term, Lessee shall permit the City and its designees and auditors to have access to and to inspect and audit Lessee's Records and Reports.

9. Insurance; Indemnification.

(A) Insurance. Throughout the Term, Lessee shall maintain (or cause to be maintained): (i) Commercial General Liability insurance in an amount not less than $1,000,000 per occurrence, combined single limit/$2,000,000 aggregate, naming the City of Cincinnati as an additional insured; (ii) worker's compensation insurance in the amount required under Ohio law, (iii) umbrella or excess liability insurance in the amount of not less than $1,000,000 per occurrence/$1,000,000 aggregate; (iv) property insurance on any and all improvements constructed by Lessee on the Leased Premises; (v) property insurance on any and all equipment and other personal property of Lessee from time to time kept on the Leased Premises; and (vi) such additional insurance as the City or its risk advisors may from time to time reasonably require. All insurance required to be maintained by Lessee hereunder shall be issued by insurance companies reasonably acceptable to the City. On or prior to the Commencement Date and prior to the expiration of each insurance policy, Lessee shall furnish to the City a certificate of insurance evidencing the insurance required hereunder.

(B) Waiver of Claims and Subrogation. All improvements, materials, equipment, and other personal property of every kind that may at any time be on the Leased Premises shall be on the Leased Premises at Lessee's sole risk, and under no circumstances shall the City be liable for any loss or damage thereto, no matter how caused. Lessee hereby waives, as against the City, its employees, agents and contractors, all claims and liability, and on behalf of Lessee's insurers, rights of subrogation, with respect to property damaged by fire or other casualty or any other cause, even if caused by negligence, it being the agreement of the parties that Lessee shall at all times protect itself against such loss or damage by maintaining adequate property insurance.

(C) Indemnification. Lessee shall defend (with counsel reasonably acceptable to the City), indemnify and hold the City harmless from and against any and all claims, causes of action, losses, costs, judgments, fines, liability and damages caused by or arising out of any occurrence on the Leased Premises during or with respect to the Term of this Lease, including without limitation any of the foregoing that may occur or be claimed with respect to any death, personal injury or loss of or damage to property on or about the Leased Premises.

10. Casualty. If the Leased Premises is damaged or destroyed by fire or other casualty, Lessee shall repair and restore the same, as expeditiously as possible, and to the extent practicable, to substantially the same condition in which they were in immediately prior to such occurrence. The City and Lessee shall jointly participate in filing claims and taking such other actions pertaining to the payment of proceeds resulting from such occurrence. If Lessee's insurance proceeds are insufficient to fully repair and restore the Leased Premises, Lessee shall make up the deficiency. Lessee shall handle all construction in accordance with the applicable requirements set forth by DOTE. Lessee shall not be relieved of any obligations, financial or otherwise, under this Lease during any period in which the Leased Premises is being repaired or restored.

11. Default. If Lessee fails to pay any sum due hereunder or perform any other obligation under this Lease within ten (10) days after receiving written notice thereof from the City (herein, a "default"), the City, at its option, immediately or at any time during the continuance of the default, may terminate this Lease by delivering a written notice of termination to Lessee. Lessee shall pay to the City, upon demand, all costs and damages suffered or incurred by the City in connection with Lessee's default or the termination of this Lease. Without limitation of the City's other rights and remedies hereunder, upon the occurrence of a default, the City may, but shall not be obligated to, cure or attempt to cure such default at Lessee's sole expense and may, if necessary, enter onto the Leased Premises to undertake such cure. Lessee shall pay the City within ten (10) days after the City's written demand an amount equal to all costs paid or incurred by the City in effecting any cure of Lessee's obligations under this Lease, together with interest thereon from the date that the City pays or incurs such costs at an annual rate of ten percent. The rights and remedies of the City under this Lease are cumulative and are not intended to be exclusive of, and the City shall be entitled to, any and all other rights and remedies to which the City may be entitled hereunder, at law or in equity. The City's failure to insist in any one or more cases on strict performance of any provision of this Lease or to exercise any right herein contained shall not constitute a waiver in the future of such right.

12. Notices. All notices required to be given hereunder by either party shall be in writing and personally delivered, sent by Federal Express or other recognized overnight courier that in the ordinary course of business maintains a record of each delivery, or mailed by U.S. certified mail, postage prepaid, return receipt requested, addressed to the parties at their respective addresses set forth in the introductory paragraph of this Lease, or at such other address as either party may from time to time specify by notice to the other. Notices shall be deemed to have been given on the date of receipt if personally delivered, on the following business day if sent by an overnight courier, and on the date noted on the return receipt if mailed by U.S. certified mail. If Lessee sends a notice to the City alleging that the City is in default under this Lease, Lessee shall simultaneously send a copy of such notice by U.S. certified mail to: City Solicitor, 801 Plum Street, Suite 214, Cincinnati, OH 45202.

13. Surrender; Holdover.

(A) Surrender; Holdover. At the end of the Term, Lessee shall surrender the Leased Premises to the City in the condition in which Lessee is required to maintain the Leased Premises under the terms of this Lease. If Lessee remains in possession of the Leased Premises after the end of the Term without the City's consent, then, at the City's option, such holdover shall create a tenancy-at-will on the same terms and conditions as set forth in this Lease except that rent payable during such month-to-month tenancy shall be equal to one hundred fifty percent of the rent in effect immediately prior to the end of the Term.

(B) Removal of Alterations. If Lessee has made improvements to the Leased Premises during the Term, then, at the end of the Term, the City shall identify which improvements, if any, Lessee shall be required to surrender (at no cost to the City) and which improvements Lessee shall be required to remove. If Lessee fails to timely remove improvements that are designated for removal by the City and fails to restore the Leased Premises to their former condition, or if Lessee fails to remove any items of personal property from the Leased Premises, such improvements and items of personal property shall be deemed abandoned by Lessee, whereupon the City may remove, store, keep, sell, discard or otherwise dispose of such improvements and items of personal property, and Lessee shall pay all costs incurred by the City in so doing within ten (10) days after the City's written demand. If the City incurs costs in removing Lessee's improvements and restoring the Leased Premises to their former condition, Lessee shall reimburse the City for all such removal and restoration costs within thirty (30) days after receiving an invoice therefor from the City.

14. Assignment and Sublease. Lessee shall not assign its interests under this Lease without the prior written consent of the City, and any attempt by Lessee to so assign its interest shall be null and void.

15. General Provisions.

(A) Entire Agreement. This Lease (including the exhibits hereto) contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, representations or agreements, written or oral, between them respecting the subject matter hereof.

(G) No Recording. This Lease shall not be recorded in the Hamilton County Recorder's office.

(H) Time. Time is of the essence with respect to the performance by Lessee of its obligations under this Lease.

No official executing or approving the City's participation in this Lease shall be personally liable under this Lease.

(L) Representation as to Authority. AUTHORIZING the City Manager to execute a Declaration of Easement in favor of 101 West Fifth, LLC, pursuant to which the City will grant a no-build easement over a portion of its property known as 409 Race St., in the Central Business District of Cincinnati, in order to satisfy fire separation requirements established by the Ohio Building Code and allow 101 West Fifth LLC as necessary to obtain certain permit approvals from the City of Cincinnati's Department of Buildings and Inspections.

WHEREAS, the City of Cincinnati ("City") owns the property located at 409 Race St., in the Central Business District of Cincinnati, such property being designated as Hamilton County Ohio Parcel number 0145-0001-0436, and being further described in Attachment A hereto (the "Burdened Property"), which is under the management and control of the Cincinnati City Manager's Office; and

WHEREAS, 101 West Fifth LLC, an Ohio limited liability company ("Grantee"), owns the property at 425 Race St., in the Central Business District of Cincinnati, being designated as Hamilton County Ohio Parcel number 0145-0001-0458 and being further described in Attachment B hereto (the "Benefitted Property"), which is adjacent to the Burdened Property, and desires to renovate or remodel the Benefitted Property (the "Project"); and

WHEREAS, in order to comply with fire separation requirements of the Ohio Building Code and the requirements of the Cincinnati Department of Buildings and Inspections to complete the Project, Grantee has requested that the City grant a no-build easement over the area depicted in Attachment C (the "No Build Easement" or "No Build Easement Area" as applicable), which prohibits the owner of the Burdened Property from constructing any improvements upon the Burdened Property within the No Build Easement Area; and

WHEREAS, the City Manager has determined that granting the easement will not be adverse to the City's retained interest in the Burdened Property; and

WHEREAS, the City has determined that eliminating competitive bidding in connection with granting the easement is in the best interest of the City because the easement is needed to enable Grantee to complete the Project and because, as a practical matter, no other party would have any use for the easement; and

WHEREAS, the City's Real Estate Services Division has determined by appraisal that the fair market value of the easement is approximately $11,700; and

WHEREAS, because the City will receive economic and non-economic benefits which equal or exceed the fair market value of the No Build Easement, the City has determined to grant the No Build Easement at no cost; and

WHEREAS, City Planning Commission, having the authority to approve the change in the use of City-owned property, approved the easement at its meeting on May 1, 2026; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That the City Manager is hereby authorized to execute a Declaration of Easement in favor of 101 West Fifth LLC, an Ohio limited liability company ("Grantee"), in substantially the form attached to this ordinance as Attachment D, pursuant to which the City of Cincinnati ("City") will grant to Grantee a no build easement over an area of approximately 0.049 acres, and extending from an elevation of 544.33 ft to 716.00 ft as depicted in Attachment C hereto (the "No Build Easement" or "No Build Easement Area" as applicable), to prohibit the construction of improvements within the No Build Easement Area over the City owned property at 409 Race St., in the Central Business District of Cincinnati, which property is further described in Attachment A hereto (the "Burdened Property") and provide for fire separation as necessary to comply with the Ohio Building Code and the requirements of the Cincinnati Department of Buildings and Inspections for Grantee to complete a renovation of its adjacent property at 425 Race St., as further described in Attachment B hereto (the "Benefitted Property").

Section 2. That the grant of the No Build Easement to Grantee is not adverse to the City's retained interest in the Burdened Property.

Section 3. That it is in the best interest of the City to grant the easement without competitive bidding because the easement is needed for the Grantee to comply with the Ohio Building Code and the requirements of the City of Cincinnati Buildings and Inspections department in Grantee's development of the Benefitted Property, and because, as a practical matter, no other party would have any use for the easement.

Section 4. That the fair market value of the easement, as determined by appraisal by the City's Real Estate Services Division, is approximately $11,700.

Section 5. That because the City will receive economic and non-economic benefits by granting the No Build Easement to Grantee, the City has determined to grant the No Build Easement at no cost to Grantee.

Section 6. That the City Manager and other City officials are authorized to take all necessary and proper actions to carry out the provisions of this ordinance and to fulfill the terms of the Declaration of Easement, including without limitation executing any and all ancillary agreements, plats, and other documents.

Section 7. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason the for the emergency is to enable the immediate declaration of the No Build Easement by the City so that the Grantee may complete the renovation of the Benefitted Property and be in compliance with the Ohio Building Code and the requirements of the Cincinnati Department of Buildings and Inspections at the earliest possible time.

Subject: **Emergency Ordinance – CMO: TaylorMade Catering & Event Planning, LLC Funding Agreement**

Attached is an Emergency Ordinance captioned:

> **AUTHORIZING** the City Manager to execute a funding agreement with TaylorMade Catering & Event Planning, LLC to facilitate the establishment and initial operation of food service within City Hall; **AUTHORIZING** the City Manager to expend up to $50,000 from the City Manager's Office General Fund non-personnel operating budget account no. 050x101x7400 to facilitate the establishment and initial operation of food service within City Hall; and **DECLARING** such expenditure to serve a public purpose.

This Emergency Ordinance authorizes the City Manager to execute a funding agreement with TaylorMade Catering & Event Planning, LLC ("TaylorMade") to facilitate the establishment and initial operation of food service within City Hall. This Emergency Ordinance also authorizes the City Manager to expend up to $50,000 from the City Manager's Office General Fund non-personnel operating budget account no. 050x101x7400 to facilitate the establishment and initial operation of food service within City Hall. This Emergency Ordinance declares this expenditure to serve a public purpose.

City Hall contains a first-floor café space to provide food and beverages to City employees, officials, visitors, and other members of the public conducting business at City Hall. The previous food service provider ceased operations in December 2024, after which the City renovated the café space to prepare it for occupancy and operation by a new food service provider. In January 2025, the City issued a Request for Proposals to solicit a new food service provider but received no responses. To restore convenient and reliable food service operations for City employees, officials, visitors, and other members of the public conducting business at City Hall, the City is taking the necessary steps to finalize an agreement with TaylorMade Catering & Event Planning, LLC. Providing one-time operational support to TaylorMade during its first year of operation at City Hall will reduce the financial risk associated with establishing a new food service operation, support the successful reopening of the new café, and assist the City in securing a sustainable, long-term food service provider for City Hall.

Facilitating the establishment and operation of food service within City Hall is in accordance with the "Live" goal to "[b]uild a robust public life" and strategy to "[d]evelop and maintain inviting and engaging public spaces to encourage social interaction between different types of people" as described on pages 149-152 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to restore food service to the facility and prevent the continued vacancy of the City Hall café space.

The Administration recommends passage of this Emergency Ordinance.

This Emergency Ordinance authorizes the City Manager to execute a funding agreement with Keep Cincinnati Beautiful (KCB) to provide one-time operational support for the Don't Dump the Nati program. This Emergency Ordinance also authorizes the City Manager to expend up to $30,000 of existing resources from Office of Environment and Sustainability General Fund non-personnel operating budget account no. 050x104x7400 to provide one-time operational support to KCB for the Don't Dump the Nati program. Finally, this Emergency Ordinance declares this expenditure to serve a public purpose.

In 2023, KCB began the Don't Dump the Nati Program in an effort to reduce illegal dumping by providing a place for Cincinnati residents to drop off waste for free. Subject: **Emergency Ordinance for the Issuance of $4,912,787 Streetscape Improvement Bond Anticipation Notes (B Version)**

Attached is an Emergency Ordinance captioned:

> **PROVIDING** FOR THE ISSUANCE OF BONDS, OR NOTES IN ANTICIPATION OF SUCH BONDS, BY THE CITY OF CINCINNATI, OHIO, FOR THE PURPOSE OF FINANCING STREETSCAPE IMPROVEMENTS ON NORTH VINE STREET, IN THE PRINCIPAL AMOUNT DETERMINED IN ACCORDANCE WITH THIS ORDINANCE.

This emergency ordinance is a B Version of Item # 202602548. The ordinance allows for the City to issue an internal note to advance $4,912,787 of Downtown/OTR West TIF District funds to 3CDC to support a streetscaping project on the northern portion of Vine Street between Elder and McMicken. The note will be paid off using future TIF District revenues and is anticipated to be fully paid off in CY 2027.

The North Vine Streetscape project will complement other investments being made in North Over-the-Rhine, including The Model Group's mixed-use Findlay Parkside project, the soon-to-be completed Findlay Community Center, and 3CDC's mixed-use Findlay Flats project. The project is expected to result in the replacement of existing sidewalks and curb, street re-pavement, improvements to electrical infrastructure and upgrades to traffic signalization, landscaping, and improved wayfinding signage.

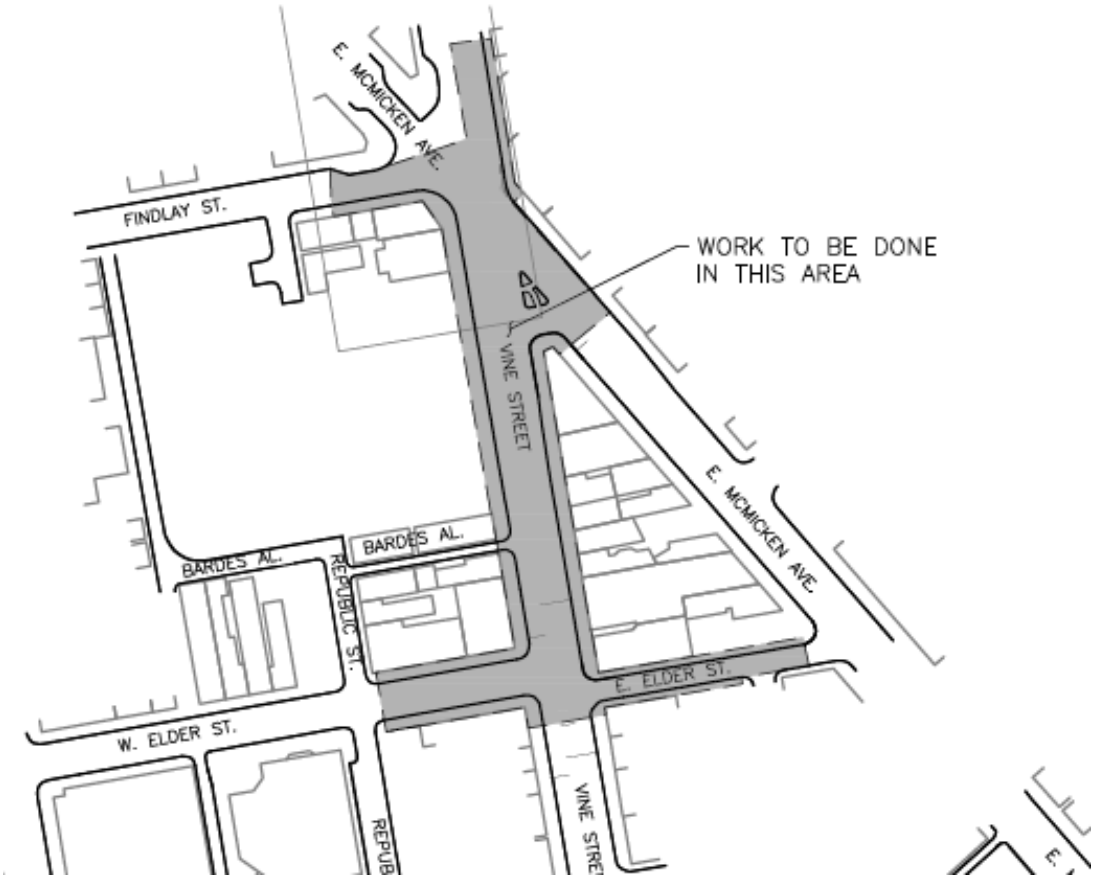

The purpose for the B Version is to conform the terms and conditions of the anticipated internal note to the planned 5-year term and to address several other administrative clean up changes.

The Administration recommends passage of this Emergency Ordinance.

An Ordinance No. _____ -2026

PROVIDING FOR THE ISSUANCE OF SECURITIES BY THE CITY OF CINCINNATI, OHIO FOR THE PURPOSE OF FINANCING STREETSCAPE IMPROVEMENTS ON NORTH VINE STREET, IN THE PRINCIPAL AMOUNT DETERMINED IN ACCORDANCE WITH THIS ORDINANCE.

WHEREAS, pursuant to Section 133.19 of the Ohio Revised Code ("R.C."), the Director of Finance ("Director of Finance") of the City of Cincinnati, Ohio ("City"), being the fiscal officer of said City within the meaning of R.C. Section 133.01, has, as reflected in the Certificate as to Maximum Maturity attached as Attachment A, estimated the life of the improvements to be at least five years, and has further certified that the maximum maturity of the securities authorized herein is ten years; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That it is necessary to issue securities (the "Notes") of the City (property tax supported) for the purpose of providing funds to pay the cost and expense of constructing, installing, and otherwise making various streetscape improvements on Vine Street between Elder Street and McMicken Avenue, and paying legal, advertising, printing, and all expenses incidental to said improvements (collectively, the "Improvements"). The principal amount of the Notes shall be the amount sufficient to pay the costs of the Improvements (to wit: $4,912,787), plus any additional amounts necessary to fund capitalized interest (if any), costs of issuance, and other necessary and permitted costs, all as determined by the Director of Finance.

The Notes shall be dated the date provided in the Certificate of Fiscal Officer (as defined herein), shall bear interest at the rate, or rates, not in excess of six percent per annum, payable semiannually until the principal sum is paid and shall have a final maturity of not later than the end of the fifth year following the issuance of the Notes. Debt service payments on the Notes in years in which principal of the Notes is payable shall be as provided by law.

The Notes shall express upon their face the purpose for which they are issued and that they are issued pursuant to this ordinance, Chapter 303 of the Cincinnati Municipal Code ("CMC"), Ohio Revised Code ("R.C.") Chapter 133, and the Charter of the City (the "Charter"). They shall bear the facsimile signature of the Mayor and the manual signature of the Director of Finance and shall bear the manual authenticating signature of the Note Registrar. The Notes shall also bear the corporate seal of the City or a facsimile thereof. The Notes shall be designated "Streetscape Improvement Notes, Series 2026," or as otherwise designated by the Director of Finance. Said Notes shall mature or be subject to mandatory sinking fund redemption on such date and in such maturities and mandatory sinking fund redemption amounts to be determined by the Director of Finance, in the Certificate of Fiscal Officer. The Certificate of Fiscal Officer will specify whether the Notes are callable (and associated call features).

Section 2. That the Director of Finance is authorized and directed to execute a Certificate of Fiscal Officer Relating to the Terms (the "Certificate of Fiscal Officer") setting forth the final terms of the Notes, consistent with the requirements of this Ordinance, as shall be determined by the Director of Finance. The Certificate of Fiscal Officer shall indicate the dated date for the Notes, the purchase price for the Notes (which shall be not less than 100% of the aggregate principal amount thereof), the interest rates for the Notes (provided that the true interest cost for all Notes in the aggregate shall not exceed seven percent per annum), the redemption provisions for the Notes, and such other terms not inconsistent with this Ordinance as the Director of Finance shall deem appropriate. The Notes shall be numbered as determined by the Director of Finance. The Notes shall be issued as fully registered notes, as set forth herein. The Notes shall be issued in such denominations as determined by the Director of Finance. Coupons shall not be attached to the Notes.

The proceeds from the sale of the Notes, except accrued interest, if any, or costs of issuance, allocable to the Notes, shall be deposited in the City Treasury and applied to the payment of the costs of the Improvements.

Any accrued interest or premium received from such sale shall be deposited in the City Treasury and shall be credited to the proper Bond Retirement Fund to be applied to the payment of the principal of and interest on the Notes in the manner provided by law. Said proceeds, and all other moneys necessary to carry out the purpose of this Ordinance are hereby deemed appropriated and authorized for expenditure by the Director of Finance.

Section 3. That, to provide the necessary funds to pay the interest on the foregoing issue of Notes promptly when and as the same falls due, and also to provide for the discharge of said Notes at maturity and for the payment of mandatory sinking fund redemptions, there shall be and is levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period said Notes are to run, outside of the limitations imposed by Article XII, Section 2, of the Ohio Constitution and R.C. Section 5705.02, and by virtue of Section 4 of Article VIII of the Charter, in an amount sufficient to provide for the payment of said interest, when and as the same shall fall due, and also to discharge the principal of said Notes at maturity and to pay mandatory sinking fund redemptions, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution.

Said tax shall be, and is hereby ordered to be, computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from said tax levies required shall be placed in a separate and distinct fund which shall be irrevocably pledged for the payment of the premium, if any, and interest on and principal of the Notes when and as the same falls due. Notwithstanding the foregoing, if the City determines that funds will be available from other sources for the payment of the Notes in any year, the amount of said tax for such year shall be reduced by the amount of funds which will be so available, and the City shall appropriate such funds to the payment of the Notes in accordance with law.

Section 4. That the Director of Finance is hereby appointed to act as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Note Registrar") for the Notes. So long as any of the Notes remain outstanding, the Note Registrar shall maintain, at its office, all books and records necessary for the registration, exchange and transfer of Notes as

provided in this Section (the "Note Register"). Subject to the provisions of Section 6 hereof, the person in whose name any Notes shall be registered on the Note Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and premium, if any, and interest on any of the Notes shall be made only to or upon the order of that person. Neither the City nor the Note Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Notes, including the interest thereon, to the extent of the amount or amounts so paid.

Any Notes, upon presentation and surrender at the principal office of the Note Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar, may be exchanged for Notes of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

Any Notes may be transferred only on the Note Register upon presentation and surrender thereof at the principal office of the Note Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar. Upon that transfer, the Note Registrar shall complete, authenticate, and deliver new Notes of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Note Registrar shall not be required to transfer or exchange any of the Notes for a period of fifteen days next preceding the date of its maturity.

In all cases in which Notes are exchanged or transferred hereunder, the City shall cause to be executed, and the Note Registrar shall authenticate and deliver, Notes in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the City and Note Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Note Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Notes. All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

If at any time the Director of Finance determines that it is in the best interest of the City that another bank or other appropriate financial institution experienced in providing the services of authenticating agent, bond registrar, transfer agent and paying agent should serve as Note Registrar, or co-Note Registrar in addition to the Note Registrar, then the Director of Finance shall, and each is hereby authorized to execute on behalf of the City a Note Registrar Agreement with such entity, pursuant to which such bank or financial institution shall agree to serve as Note Registrar or co-Note Registrar for the Notes. If at any time such bank or financial institution shall be unable or unwilling to serve as Note Registrar or co-Note Registrar, or the Director of Finance, in such officer's discretion, shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to, enter into an agreement with another banking association or other appropriate institution experienced in providing such services, to perform the services required of the Note

Registrar or co-Note Registrar hereunder. Each such successor Note Registrar (or co-Note Registrar) shall promptly advise all bondholders of the change in identity and its address.

Section 5. That said Notes shall be first offered to the City Treasurer as the officer in charge of the Bond Retirement Fund of said City, and if not taken by the Treasurer, may be offered to the Treasury Investment Account for purchase, and, if not offered to or taken by such account, the Director of Finance is authorized to sell the Notes at such price (but not less than 100 percent of par) as is determined by the Director of Finance, plus accrued interest on the aggregate principal amount of the Notes from their dates to the date of delivery and payment. The City Manager or Director of Finance is authorized to make arrangements for the delivery of the Notes to, and payment thereof by, the purchaser or purchasers thereof at the price determined by the Director of Finance; and the City Manager or Director of Finance is authorized to execute a purchase agreement (including the Certificate of Fiscal Officer) for the Notes without further action by this Council. The Director of Finance is hereby authorized to execute a purchase agreement for the Notes provided that the true interest cost for the Notes shall not exceed six percent per annum, and that the true interest cost for the Notes shall not exceed six percent per annum.

The Director of Finance, in such officer's discretion, is authorized to waive the requirements of CMC Section 303-7 and to direct the sale of the Notes in whatever manner the Director of Finance deems appropriate.

Section 6. Subject: **Ordinance – Amending CMC Chapter 761 - Chronic Nuisance Premises**

Attached is an Ordinance captioned:

> **MODIFYING** the provisions of Chapter 761, "Chronic Nuisance Premises," of the Cincinnati Municipal Code ("CMC") by **ORDAINING** Sections 76l-1-C2, "Commercial premises," 761-1-0, "Domestic violence, dating violence, sexual assault, or stalking," 761-1-M, "Multi-family premises," and 761-17, "Notice"; and **AMENDING** Sections 761-1-N, "Nuisance or Nuisance Activity," 761-3, "Notification That Premises May Be a Chronic Nuisance," 761-5, "Determination That Premises is a Chronic Nuisance," 761-7, "Citations For Multiple Nuisance Activities; Criminal And Civil Penalties," 761-9, "Appeals," 761-13, "Rules and Regulations," and 761-14, "Eviction or Retaliation Prohibited"; and **MODIFYING** the provisions of Title XV, "Code Compliance and Hearings," of the CMC by **AMENDING** Sections 1501-9, "Class D Civil Offenses," and 1501-11, "Class E Civil Offenses," all to create new tools to abate crime at commercial properties; to allow enforcement against businesses in addition to property owners; to enshrine protections for the victims of domestic violence, dating violence, sexual assault, and stalking; and to achieve more efficient and streamlined administration of abatement of chronic nuisance premises.

Approval of this ordinance would modify Chapter 761, "Chronic Nuisance Premises," of the Cincinnati Municipal Code to allow for enforcement of the ordinance against problem commercial premises. Current enforcement is limited to multi-family properties. The amendment would also enhance administrative efficiencies by shortening the time where a non-compliant owner can be issued a fine as well as standardizing the amount of the fine as well as allow the administration to adjust the thresholds that trigger enforcement to more accurately reflect crime trends. Finally, an exception to enforcement has been added to ensure that the current administrative protection given to the victims of violent crime are enshrined in the ordinance expressly.
