**Flag Status:** Flagged

Robert,  
Here are today's Budget & Finance Committee Amendments. We will have a total of 14 items on the Budget Policy Motion. Let me know if you need anything else.

Director Dudas,  
Please confirm that this is correctly written.

Add to #7: (Safe & Clean Fund) **pedestrian safety measures and all related maintenance**,  
Add to #7 : illegal dumping-pending report

#12 is now: The Budget should include a fully funded greenspace maintenance budget that covers the needed maintenance requirements of all city managed properties.
