

## **Bob Keppler**

### **President of Construction at Model Group**

**Leading Model Construction, Bob brings over 26 years of commercial construction experience to the TMG leadership team. Bob is responsible for all project performance, staff, and the day to day operations for the construction division. He has led some of the largest, high profile projects in Cincinnati, such as the Rosenthal Center for Contemporary Art, the Washington Park Revitalization, WCPO and WLWT broadcasting studios, and Crossroads Community Church. Model Construction's project team and partners benefit from Bob's strong leadership based in experience, with a focus on our performance and partners.**

**Bob serves as a Board Member of the Department of Inclusion Advisory and Accountability Board for the City of Cincinnati.**

**Bob holds a Bachelor of Science degree in Civil Engineering from the University of Cincinnati and is a LEED Accredited Professional. Bob is heavily involved in volunteering his time in youth sports. He and his wife along with their three children reside in Harrison, Ohio.**
