2. [202001077](#) MOTION dated 7/28/2020 submitted by Councilmember Landsman, when residents call 911 with an emergency, call-takers currently have two options for dispatch: Police and Fire. However, many calls that got dispatched to Police are focused on citizens experiencing homelessness, addiction or those with mental and behavioral health issues. Other cities have improved safety and saved money for taxpayers by adding alternative options for call-takers and we should pursue similar approaches. 3. [202001079](#) MOTION, submitted by Councilmember Landsman, The Citizen Complaint Authority (CCA) is at the heart of the Collaborative Agreement but it faces two major challenges. The CCA has been understaffed and the submitted complaints are not being investigated and responded to in a timely manner. At one point, the CCA had a backlog of over 100 cases, including many excessive use-of-force complaints. Secondly, new data and reporting suggest that when the CCA does submit to the Administration and the Cincinnati Public Department (CPD), their findings and recommendations for the cases they have investigated appear to be largely ignored.
