An Ordinance No. 81

- 2021

**AUTHORIZING** the City Manager to apply for and accept a grant of up to \$91,162 from the United States Department of Transportation and the Federal Aviation Administration through the recently passed Coronavirus Aid, Relief, and Economic Security Act Airport Grant program for the purpose of offsetting losses in revenue at Lunken Airport due to COVID-19 and a need to defray various costs associated with operating Lunken Airport; **AUTHORIZING** the Director of Finance to receive and deposit the grant funds into General Aviation Fund revenue account no. 104x8559; and further **AUTHORIZING** the City Manager do all things necessary to execute any agreements necessary for the receipt and administration of these grant resources.

WHEREAS, a grant of up to \$91,162 is available from the United States Department of Transportation (“USDOT”) and the Federal Aviation Administration (“FAA”) through the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act Airport Grants program; and

WHEREAS, because Lunken Airport is a General Aviation airport, the Department of Transportation and Engineering is eligible to submit an application to the USDOT and the FAA through the CARES Act Airport Grants program; and

WHEREAS, acceptance of this grant would provide funds necessary to offset losses in revenue at Lunken Airport due to COVID-19 and to defray various costs associated with operating Lunken Airport; and

WHEREAS, no new FTEs are associated with the grant, and the grant does not require local matching funds; and

WHEREAS, the grant is in accordance with the “Connect” goal to “develop an efficient multi-modal transportation system that supports neighborhood livability,” and the strategies to “expand options for non-automotive travel,” and to “plan, design, and implement a safe and sustainable transportation system,” as described on pages 127-138 of Plan Cincinnati (2012); now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:
