# The Connected Region

## The Goal

**Guide our region's transportation investments and shape the decision-making process to connect more people to jobs, education, health care and all that the Cincinnati region has to offer.**

# The Connected Region

## What We've Done

- Move Forward/Issues 22 & 7
- Cincinnati Mobility Lab
- Peer Cities Engagement
- Federal Transportation Engagement
- State Transit Funding
- Job Hub Mapping

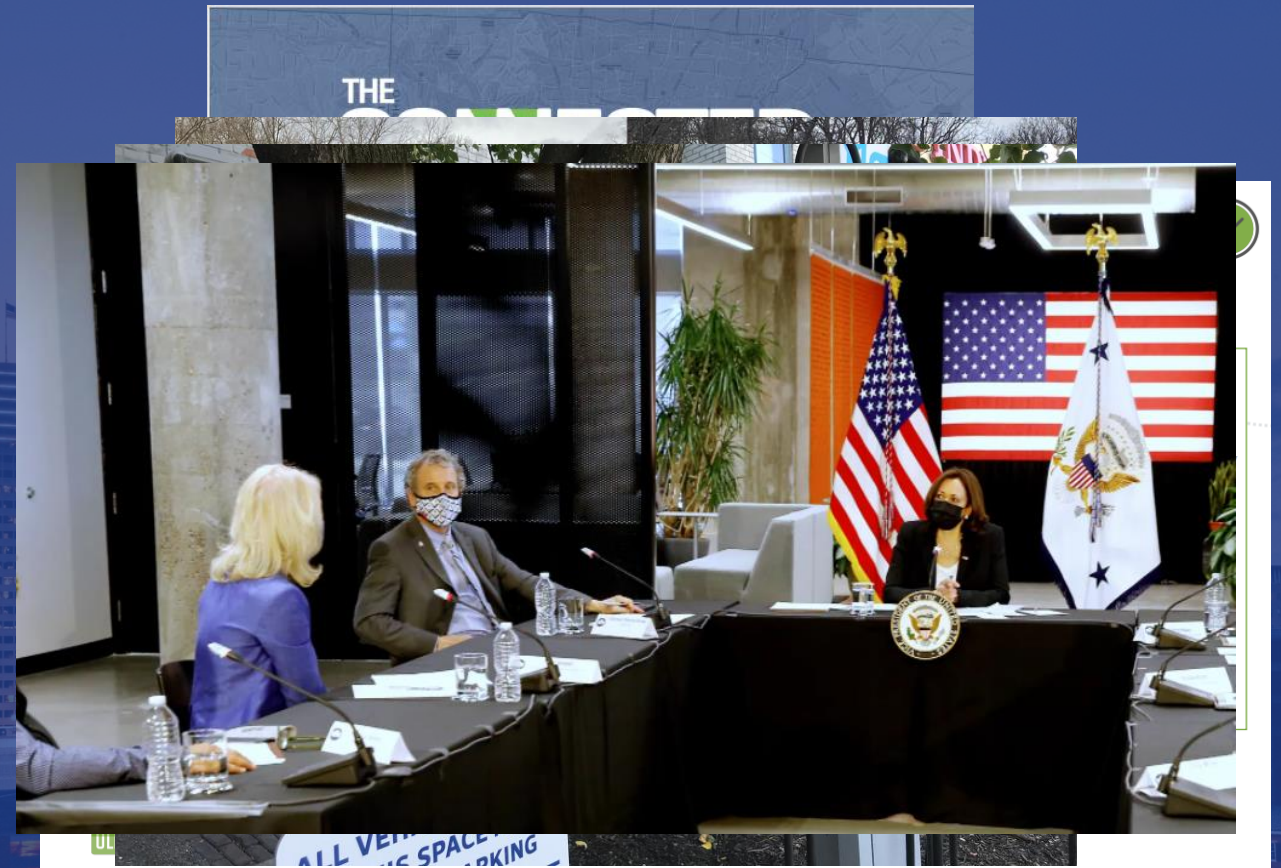

The collage features several overlapping white and blue panels. At the top left, a panel displays the Cincinnati USA Regional Chamber logo and the text 'THE CONNECTED'. To its right is a circular portrait of Polly Trottenberg with her name 'POLLY TROTTEMBERG' written next to it. Below these, a central panel contains the text 'Politics & Governn' and 'Ohio For P Trans' next to a large, colorful circular logo with a 'C' and two arrows. To the right of this logo is the text 'ding ata'. Below the central panel is a large graphic for 'Job Hubs Cincy Region' with a circular inset showing a cityscape. At the bottom right, a yellow button reads '& LIVE VIRTUAL EVENT' and the word 'ARD' is partially visible.

# Maximizing Federal Infrastructure Investments

# HDR

## Providing the Chamber two outcomes:

- 1. Transportation Funding Analysis and Forecast:** The HDR team will evaluate and summarize the changes to funding programs made by the IIJA, including an estimate of the potential funding will be directed to the region by formula.
- 2. Strategic Plan for Transportation Funding and Finance:** Support the identification 6 priority projects planned in the area that align with the Chamber's vision for a Connected Region and work to develop a strategy to leverage discretionary funding to support delivery of the priority projects.
