CINCINNATI PARKS

How Cincinnati Urban Forestry Program is using data driven platforms for decision making:

- Urban Tree Canopy data:
  - Top-down road map
- Street Tree Inventory –
  - bottom-up implementation

- Neighborhood UTC Statistics

•UF Program Provides City wide:

- 24-7 Emergency Management
  - Tree Removal, Pruning and Stump grinding
- 6-year pruning cycle
- Strategic tree planting
- Annual Prioritized Risk Assessment

OHIO STATEHOUSE

AG NOIRE AWARENESS DAY

JUNE 1, 2022 | 9 AM - 3 PM

A statewide urban agricultural Lobby Day to address food deserts & supply chain issues in Ohio's BIPOC communities.

Register Today! https://bit.ly/AgNoire

BRICK GARDENS

Brick Gardens works to combat food insecurity by converting vacant land and buildings into urban farms and indoor vertical farm houses, providing fresh healthy produce to areas of Cincinnati considered food deserts.
