MOTION

WE MOVE that the City Administration prepare and provide a report regarding the feasibility of installing a stop sign on Heekin Avenue at or near the intersection of Heekin Avenue and Bouton Street in Linwood in order to address speeding and vehicular collisions.

WE FURTHER MOVE that the City Administration make a recommendation on a safe, effective mitigation effort, either through the installation of a stop sign, or a different solution that creates a safer environment along Heekin Avenue.

STATEMENT

Residents of the Linwood along and near Heekin Avenue have expressed concerns regarding dangerous traffic conditions that have led to numerous vehicular collisions. City Council is committed to policies, as well as infrastructure and engineering techniques, that ensure safe vehicular traffic travel that protects residents, pedestrians, and vehicular drivers and passengers. While stop signs may not be appropriate in all circumstances, it is imperative that the City Administration examine all avenues to addressing dangerous vehicular traffic travel - and City Council is supportive of the use of stop signs in such situations where it is determined to appropriately address these concerns.
