Securing Eviction Filing Data to Reduce Evictions
MOTION

WE MOVE to request that the Administration provide an update on Ordinance 402 [2019], which guarantees that eviction filing data from the Hamilton County Clerk of Courts be made available to service providers partnering with the City of Cincinnati in eviction relief services and eviction prevention initiatives. To date, we have not been able to obtain this data in a regular and reliable manner. The City may need to provide support to the Clerk of Courts to secure this data, and we encourage the Administration to pursue that support. Getting this data in the hands of our partners will allow them to help our residents struggling to pay rent with rental assistance, the ability to stay in their homes, avoid an eviction, or even avoid having to attend eviction court.
